Welcome to Managed Care

Managed Care is a system for providing and paying for health care. The managed care plan is an organized network of health care providers including doctors, hospitals, pharmacies, and other medical facilities and professionals that emphasizes primary and preventive care. The network works together to manage each member's health care.

Medical Group(s): A medical group is made up of many doctors and other health care providers who work together to coordinate your health care services. Each primary care provider (PCP) in our network belongs to a medical group.

Hospitals and Clinics: Each medical group works with a hospital and certain clinics. When you choose a PCP, you are also choosing the hospital and clinic where they work. If you prefer a certain hospital or clinic, make sure your PCP and their medical group works with that hospital or clinic. Healthy Workers members may choose to be assigned directly to certain primary care clinics instead of a PCP.

Specialists: A specialist is a doctor who you see for special health problems like broken bones or heart trouble. When you choose a PCP, you are also choosing the specialists they work with. Your PCP will refer you to a specialist when needed. If you go to a different doctor without a referral from your PCP, the service may not be paid for by Healthy Workers. You may need prior authorization to see a specialist who is not part of your medical group.

OB/GYN: OB/GYN stands for "Obstetrician/Gynecologist." This is a doctor who specializes in women's health and pregnancy. Women choosing a PCP are also choosing the OB/GYN the PCP works with. A woman is permitted to choose an OB/GYN in her network without authorization or referral from her PCP. In addition, an OB/GYN may be her PCP, if qualified.

There Are Many Advantages to Managed Care

Managed care plans can provide you with:

- Help coordinating your care
- Help finding primary care doctors and specialists
- Help finding a pharmacy
- Ongoing referrals to specialists
- Telephone advice nurses
- Customer service centers
- Support groups
- Help getting to and from medical appointments (non-medical transportation)
- Health education programs to help you:
 - Quit smoking
 - Prevent and deal with drug and alcohol problems
 - Manage chronic pain
 - Eat well and exercise safely

Choosing Your PCP (Personal Doctor) or Clinic

Each member of Healthy Workers must choose a primary care provider (PCP) or a primary care clinic. This Provider Directory helps you find and choose the right PCP for you and your family. Please pick your PCP or clinic from this Directory. PCPs and clinics are listed by neighborhood. The PCP or clinic you choose will oversee all of your health care needs. If you need specialty care, your PCP or clinic will help you find other health care providers, called specialists, and will refer you to them when needed.

Choosing a primary care provider (PCP) or clinic is simple.

Tips on Choosing Your Primary Care Provider (PCP)

If you already have a PCP or clinic you like, check for the name on pages 56–73.

If you need to choose a new PCP or clinic, consider what neighborhood is best for you. Do you want your PCP or primary care clinic to be close to home, school, or work? Is it easy to get to your PCP or primary care clinic by car, MUNI, bus, or BART? The list of PCPs and primary care clinics in the “PCPs and Clinics by Neighborhood” section (page 56) has information on where each PCP’s office or clinic is located. Does the PCP or clinic staff speak your language? Healthy Workers has a large network of providers who speak many languages.

When you choose a PCP, you must get all care within that provider’s medical group. **You cannot seek care outside of that medical group unless it is an emergency.**

The PCP or clinic you select may not be available. If you choose a PCP or clinic that is unavailable or if you do not choose your own PCP or clinic, we will choose one for you. We will try to match you with a PCP who will meet your needs. You can request a change of PCP or clinic at any time, for any reason.

When you find the clinic you want, complete Section 4 in the Healthy Workers Enrollment Form.

Be sure to write the clinic name and five digit number. Important Note: When you choose your clinic, please note where it is located. You will want to choose a clinic that is in your neighborhood. If you are a current Healthy Workers member and want to change your PCP, call **1(415) 547-7800** (local) or **1(800) 288-5555**.

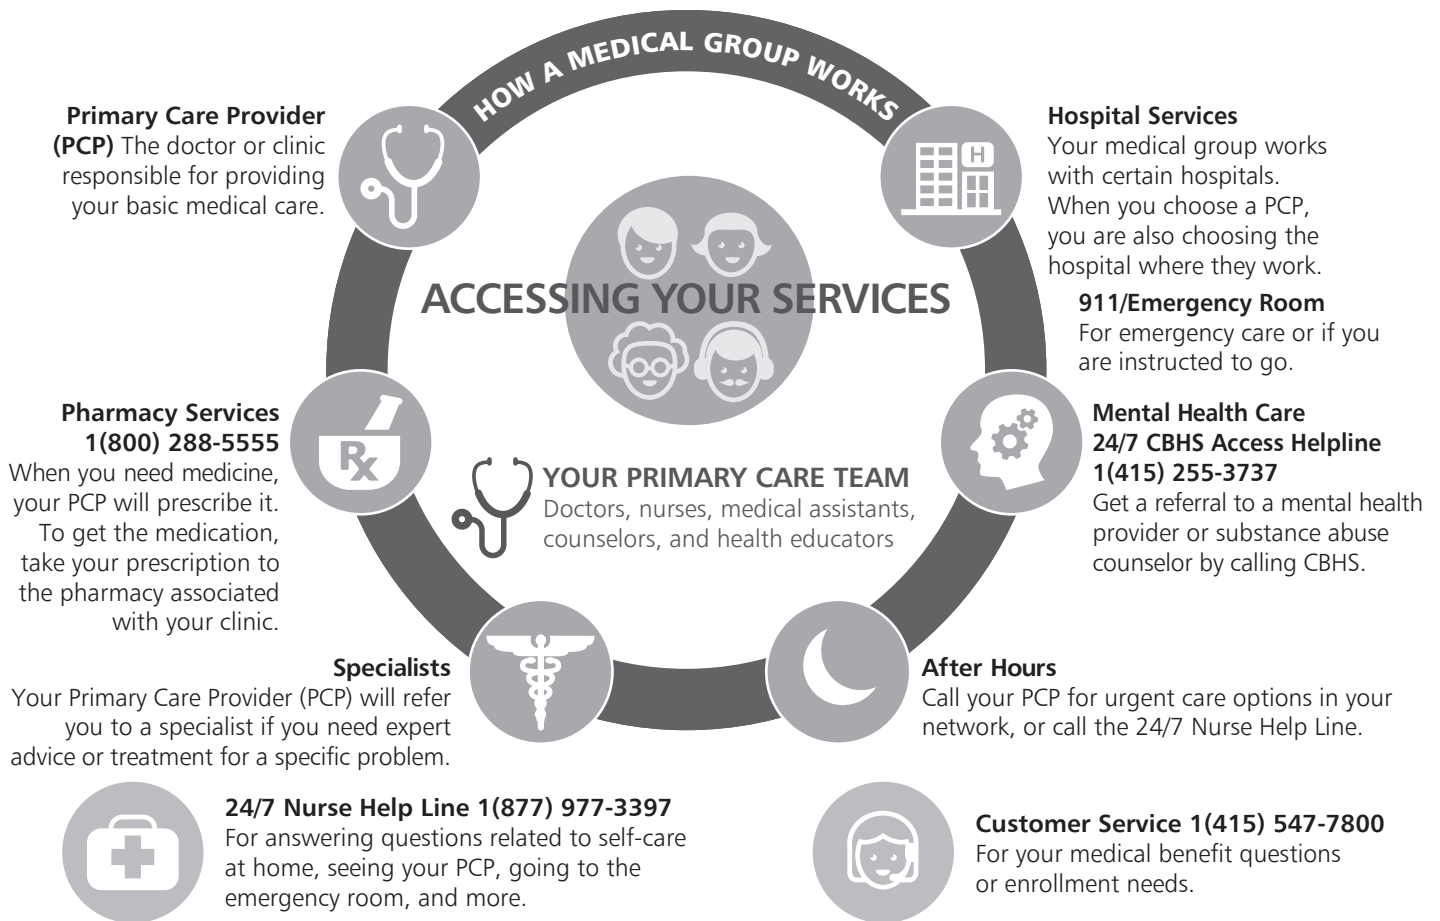

Changing Your PCP or Clinic

It is a good idea to keep the same doctor whenever possible so they get to know your health history and health care needs. But, sometimes you may need to change your PCP or clinic. You can request to change your PCP or clinic for any reason by simply calling Healthy Workers Customer Service at **1(415) 547-7800** (local) or **1(800) 288-5555** toll-free.

Your Medical Group

A medical group is made up of many doctors and other health care providers who work together to coordinate your health care services. Each primary care provider (PCP) in our network belongs to a medical group. Healthy Workers (managed by San Francisco Health Plan) contracts with one medical group and their affiliated hospitals for clinical services. Individual physicians, other health care providers, and clinics participate in our network through this group.

Community Health Network (CHN)

Hospital care is provided at:

- San Francisco General Hospital
- Laguna Honda Hospital and Rehabilitation Center

Community Health Network is made up of independent community clinics as well as San Francisco Health Network clinics located in over 20 San Francisco neighborhoods and includes San Francisco General Hospital (SFGH). CHN

offers health care for adults, children, and teens. The doctors at SFGH are faculty of University of California San Francisco (UCSF) School of Medicine, one of the nation's finest medical schools. You are assured of quality care that is medically advanced, kind, and respectful. In addition to clinics located at San Francisco General Hospital, primary care services are also available at San Francisco Health Network health centers, consortium clinics, and individual provider offices. For more information, visit www.sfhealthnetwork.org.

How to Get Vision, Dental, Pharmacy, OB/GYN, Mental Health, and Other Services

Vision Services

You receive vision services through Vision Service Plan (VSP).

Vision services include eye examinations and some supplies, such as glasses.

All members may receive an eye exam once every 24 months. Frames and lenses are covered for children under the age of 21 years. Frames and lenses are not covered for adults age 21 and older.

You can get a list of eye doctors near you by calling VSP at **1(800) 877-7195** or visit www.vsp.com. VSP will give you contact information for a vision provider. VSP can help you get information about eye exams.

- When you call the participating vision provider, let them know you are a VSP member. The VSP participating vision provider will confirm your eligibility and plan coverage.

- If you are eligible for services, your provider will schedule an appointment for you. If you are not eligible for services, the VSP provider will tell you.
- VSP will pay the participating provider directly for covered services and materials.

Because of the risk that diabetes poses to vision, it is important for Healthy Workers members with diabetes to get their routine eye exams. Routine dilated eye exams by VSP optometrists are covered annually every 12 months for diabetic patients. Healthy Workers covers medically necessary eye examinations, from an ophthalmologist, for all members. There is no limitation to the frequency of medically necessary eye exams by ophthalmologists, nor limitations on the treatment of abnormal retinal exams. If you need more frequent exams, your doctor can refer you to an ophthalmologist.

Dental Coverage

If you joined Healthy Workers as a provider for In-Home Supportive Services (IHSS) and have been a program member for over six months, then you are eligible to receive dental services for a small fee. For more information, contact Liberty Dental at **1(888) 703-6999**.

If you joined Healthy Workers as a temporary, exempt as-needed employee of the City and County of San Francisco, dental services are not provided. For more information please call the San Francisco Department of Human Resources at **1(415) 557-4942**.

Pharmacy Services

If you are a Healthy Workers member, you must register with your clinic once a year and have seen your Primary Care Provider (PCP) within the past six months. Your prescription must be written by your PCP for your insurance to cover your prescription. You may have prescriptions filled at San Francisco General Hospital's outpatient pharmacy, or at the pharmacy associated with your clinic. Your clinic's phone number is listed on your Member ID Card.

OB/GYN Services

No referral is necessary for OB/GYN services. Women may call their OB/GYN directly for appointments. You must, however, see an OB/GYN specialist within your medical group.

Mental Health and Substance Abuse Services

San Francisco Community Behavioral Health Services (CBHS) provides outpatient and inpatient care for treatment of mental disorders and alcohol and substance abuse. You can get a referral to a mental health provider or substance abuse treatment counselor by calling CBHS' Access Helpline at

Ancillary Services

Ancillary providers include acupuncturists, Durable Medical Equipment providers, skilled nursing facilities, hospices, laboratories, imaging centers, and other health care facilities. You may need a referral from your PCP/Specialist or prior authorization to see these providers. If you have questions about ancillary services, ask your PCP or you can call San Francisco Health Plan at **1(415) 547-7800** or **1(800)288-5555**, Monday through Friday, from 8:30am to 5:30pm PST.

Bienvenido a la atención administrada

Atención administrada es un sistema para proporcionar y pagar la atención médica. El plan de atención administrada es una red organizada de proveedores de atención médica, incluyendo médicos, hospitales, farmacias y otros centros y profesionales médicos con énfasis en atención primaria y preventiva. La red funciona en conjunto para gestionar la atención médica de cada uno de los miembros.

Grupo(s) médico(s): Un grupo médico está compuesto de muchos médicos y otros profesionales de atención médica que trabajan en conjunto para coordinar sus servicios de atención médica. Cada proveedor de atención primaria (PCP) en su red pertenece a un grupo médico.

Hospitales y clínicas: Cada grupo médico trabaja con un hospital y ciertas clínicas. Cuando selecciona a su PCP, usted también selecciona el hospital y la clínica donde ellos trabajan. Si prefiere un hospital o clínica en particular, asegúrese de que su PCP y su grupo médico trabajen con ese hospital o clínica. Los miembros de Healthy Workers pueden elegir ser asignados directamente a ciertas clínicas de atención primaria en lugar de un PCP.

Especialistas: Un especialista es un médico que usted consulta para problemas de salud especiales, como huesos fracturados o problemas cardíacos. Cuando usted selecciona un PCP, también selecciona a los especialistas con los que trabajan. Su PCP le referirá a un especialista cuando sea necesario. Si usted consulta a un médico diferente sin que lo refiera su PCP, puede que Healthy Workers no pague estos servicios. Es posible que necesite autorización previa para acudir a un especialista que no forma parte de su grupo médico.

Gineco-obstetra: OB/GYN significa “gineco-obstetra”. Este es un médico especializado en la salud de la mujer y el embarazo. Las mujeres que seleccionan un PCP, también seleccionan el OB/GYN que trabaja con el PCP. Es permitido que una mujer seleccione un OB/GYN en su red sin la autorización o derivación médica de su PCP. Además, un OB/GYN puede ser su PCP, si califica.

La atención administrada tiene muchas ventajas

La atención administrada puede ofrecerle:

- ayuda para coordinar su atención
- ayuda para encontrar médicos de atención primaria y especialistas
- ayuda para encontrar una farmacia
- derivaciones médicas a especialistas
- enfermeras para asesoramiento por teléfono
- centros de servicio al cliente
- grupos de apoyo
- ayuda para transportarse a sus citas médicas (transporte no médico)
- programas de educación para la salud para ayudarlo a:
 - dejar de fumar
 - evitar y tratar los problemas de drogas y alcohol
 - manejar el dolor crónico
 - comer bien y ejercitarse de forma segura

Selección de su PCP (Médico Personal) o Clínica

Cada Miembro de Healthy Workers

administrado por San Francisco Health Plan (SFHP) tiene que elegir un proveedor de atención primaria (PCP) o una clínica de atención primaria.

Este Directorio de Proveedores le ayuda a encontrar y seleccionar el PCP adecuado para usted o para sus hijos. Elija su PCP o clínica de este directorio. Los PCP y las clínicas están enumeradas por vecindario. El PCP o clínica que seleccione supervisará todas sus necesidades de atención médica. Si usted necesita atención especializada, su PCP o clínica le ayudará a encontrar otros proveedores de atención médica, llamados especialistas, y lo referirá a usted cuando lo necesite.

Seleccionar un proveedor de atención primaria (PCP) o clínica es simple.

Consejos para seleccionar a su Proveedor de Atención Primaria (PCP)

Si ya tiene un PCP o la clínica que prefiere, busque el nombre en las páginas 56-73.

Si necesita elegir un nuevo PCP o clínica, considere cuál vecindario es el mejor para usted. ¿Desea que su PCP o clínica de atención primaria se encuentre cerca de su casa, escuela o trabajo? ¿Es fácil llegar a su PCP o clínica de atención primaria en automóvil, MUNI, autobús o BART? La lista de las clínicas de atención primaria en la sección de "PCP y Clínicas por Vecindario" (página 56) tienen información acerca de dónde están localizados cada consultorio de PCP o clínica. ¿El personal de la clínica habla su idioma? Healthy Workers cuenta una amplia red de proveedores que hablan muchos idiomas.

Cuando elige a un PCP, usted debe recibir toda su atención médica dentro del grupo médico de ese proveedor. **No puede buscar atención fuera de ese grupo médico, a menos que se trate de una emergencia.**

El PCP o clínica que usted seleccione podría no estar disponible.

Si elige un PCP de una clínica que no está disponible o si no elige su propio PCP o clínica, nosotros elegiremos uno por usted. Trataremos de encontrar un PCP que cumpla con sus necesidades. Usted puede solicitar el cambio de PCP o clínica en cualquier momento y por cualquier razón.

Cuando encuentre la clínica que desee, llene la Sección 4 en el formulario de inscripción de Healthy Workers.

Asegúrese de anotar el nombre de la clínica y el número de cinco dígitos. Nota importante: Cuando usted elige su clínica, tome en cuenta en dónde está ubicada.

Será preferible seleccionar una clínica que se encuentre en su vecindario. Si actualmente usted es un miembro de Healthy Workers y desea cambiar su PCP, llame al **1(415) 547-7800** (local) o **1(800) 288-5555**.

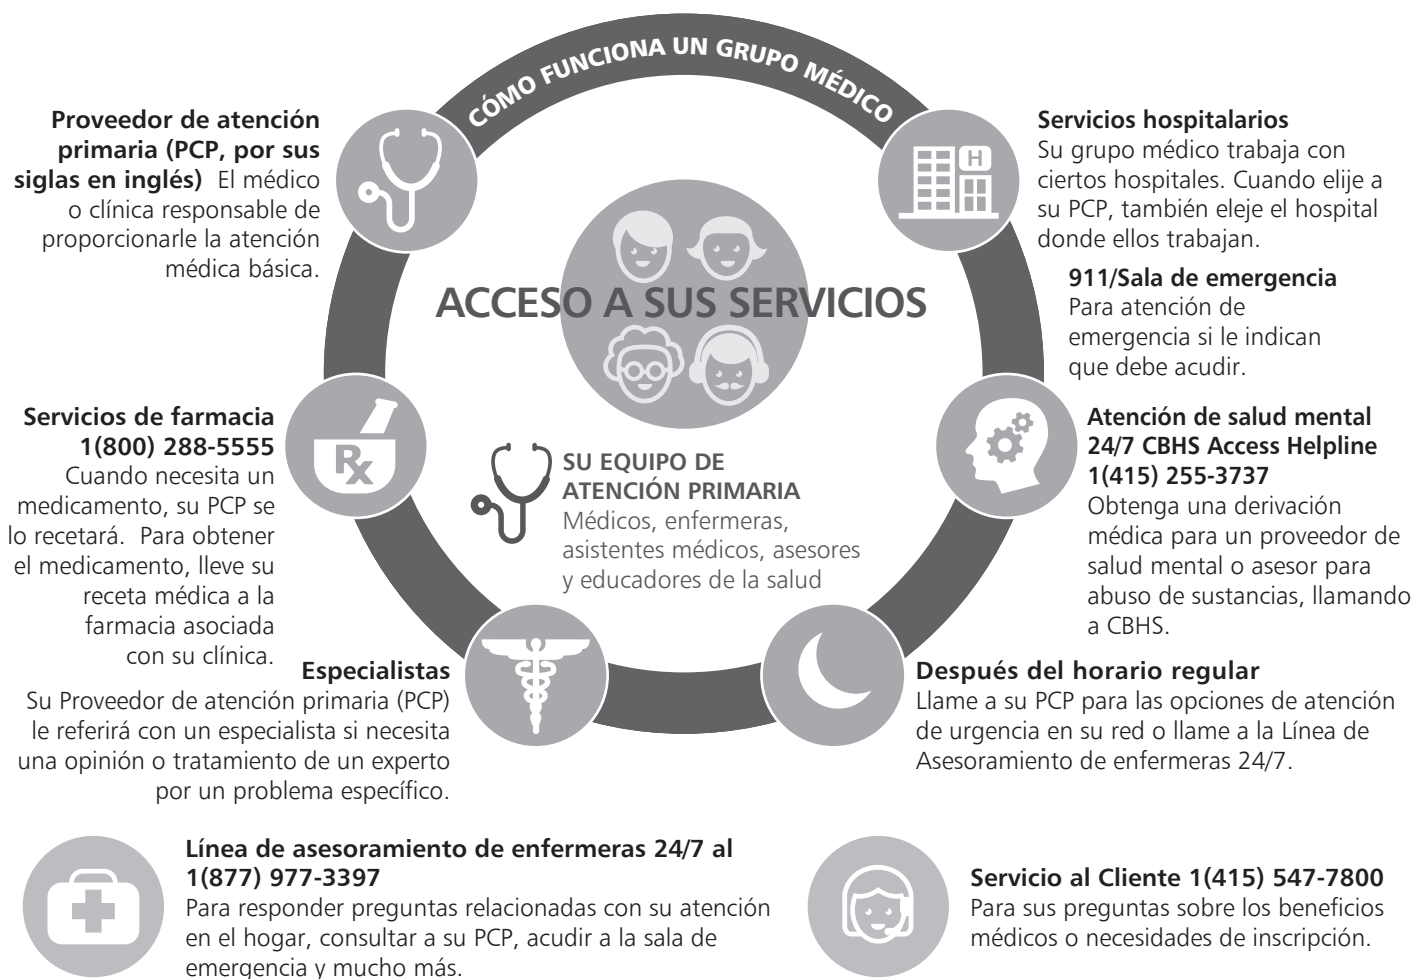

Cambiar su PCP o Clínica

Siempre que sea posible, es buena idea conservar el mismo médico, de manera que este conozca su historial de salud y sus necesidades de atención médica. Sin embargo, en algún momento usted podría necesitar cambiar su PCP o clínica. Puede solicitar un cambio de su PCP o clínica por cualquier razón, con simplemente llamar al Servicio al Miembro al **1(415) 547-7800** (local) o **1(800) 288-5555**.

Su Grupo Médico

Un grupo médico está compuesto de muchos médicos y otros profesionales de atención médica que trabajan en conjunto para coordinar sus servicios de atención médica. Cada proveedor de atención primaria (PCP) en su red pertenece a un grupo médico. Healthy Workers, administrado por San Francisco Health Plan (SFHP) tiene contrato con un grupo médico y sus hospitales afiliados para que proporcionen servicios clínicos. Todos los médicos individuales, otros proveedores de atención médica y clínicas participan en nuestra red a través de este grupo.

Community Health Network (CHN)

Se proporciona atención hospitalaria en el:

- San Francisco General Hospital (Hospital General de San Francisco)
- Laguna Honda Hospital and Rehabilitation Center

Community Health Network está formada de clínicas comunitarias independientes, no lucrativas, así como de clínicas de San Francisco Health Network ubicadas en más de 20 vecindarios de San Francisco e incluye San Francisco General Hospital (SFGH). CHN ofrece atención médica para adultos, niños y adolescentes.

Los médicos del SFGH forman parte de la University of California San Francisco (UCSF) School of Medicine, una de las más prestigiosas facultades de medicina del país. Usted tiene la seguridad de una atención de calidad, médicamente avanzada, humana y respetuosa. También hay atención primaria disponible en los consultorios de proveedores individuales. Para obtener más información, visite www.sfhealthnetwork.org.

No hay limitación en cuanto a la frecuencia de los exámenes médicamente necesarios que realicen los oftalmólogos, ni limitaciones para el tratamiento de cualquier anomalía que indiquen los resultados de los exámenes de retina. 選擇您的 PCP (個人醫生) 或診所

由 San Francisco Health Plan (SFHP) 管理的 Healthy Workers 的會員均必須選擇主治醫生 (PCP) 或主治診所。此「醫療提供者名錄」可協助您尋找及選擇適合您或您子女的 PCP。請在本名錄中選擇您的 PCP 或診所。PCP 和診所按臨近位置列示。您選擇的 PCP 或診所將密切監督您的所有醫療保健需求。若您需要專科護理，您的 PCP 或診所將協助您尋找其他醫療保健提供者 (稱為「專科醫生」)，並在需要時轉診至專科醫生。

選擇主治醫生 (PCP) 或診所是一件簡單的事情。

關於選擇主治醫生 (PCP) 的提示

若您已有喜歡的 PCP 或診所，請在第 56–73 頁內核取其姓名 (名稱)。

若您需要選擇新的 PCP 或診所，請考慮哪個鄰近地區最適合您。您是否希望您的 PCP 或主治診所鄰近您的住宅、學校或工作地點？開車、乘坐 MUNI、巴士或灣區捷運去拜訪您的 PCP 或去主治診所是否方便？「按鄰近地區排列的 PCP 和診所」部分 (第 56 頁) 中的 PCP 和主治診所的名單載有每個 PCP 辦公室或診所的位置。PCP 或診所的員工是否會您的語言？Healthy Workers 擁有一個龐大的醫生網路，他們能講多種語言。

選擇 PCP 時，您只能在該 PCP 所屬的醫療團體內獲取所有護理。您不能在該醫療團體以外尋求護理，但急診除外。

您選擇的 PCP 或診所可能無法為您提供服務。

若您選擇的 PCP 或診所無法為您提供服務，或您未選擇 PCP 或診所，我們將為您選擇一個。我們將盡力為您選擇符合您需求的 PCP。您可隨時以任何理由要求變更 PCP 或診所。

找到您想要的診所後，請填寫 Healthy Workers 登記表的第 4 部分。

務請寫下診所名稱及五位號碼。重要提示：在選擇診所時，請注意其所在位置。

您可能希望選擇鄰近地區的診所。如果您目前為 Healthy Workers 會員，並想更換您的 PCP，請致電 **1(415) 547-7800** (當地) 或 **1(800) 288-5555**。

Приветствуем вас в системе регулируемого медицинского обслуживания

Регулируемое медицинское

обслуживание система, обеспечивающая предоставление и оплату медицинских услуг. План регулируемого медицинского обслуживания — это организованная сеть поставщиков медицинских услуг: врачей, больниц, аптек, а также других медицинских учреждений и специалистов, основной задачей которых является предоставление первичной и профилактической медицинской помощи. Данная сеть объединена общей целью: управлять медицинским обслуживанием каждого участника плана.

Медицинские группы. В состав группы входят различные врачи и прочие поставщики медицинских услуг, которые совместными усилиями стремятся скоординировать предоставляемые вам медицинские услуги. Каждый основной лечащий врач (PCP) в нашей сети входит в состав той или иной медицинской группы.

Больницы или клиники. Каждая медицинская группа сотрудничает с больницей и определенными клиниками. Выбирая своего PCP, вы также выбираете больницу и клинику, в которой он работает. Если вы предпочитаете обслуживаться в определенной больнице или клинике, убедитесь, что ваш PCP и медицинская группа, к которой он относится, работают с этой больницей или клиникой. У участников Healthy Workers есть возможность выбора: они могут быть приписаны напрямую к определенной клинике первичной медицинской помощи, вместо того чтобы быть приписанными к конкретному PCP.

Специалисты. Специалисты. Специалист — это врач, к которому вы обращаетесь при наличии специфических проблем со здоровьем, таких как перелом кости или болезнь сердца. Выбирая PCP,

вы также выбираете специалистов, с которыми он работает. В случае необходимости ваш PCP направит вас к специалисту. Если вы обращаетесь к другому врачу без направления от вашего PCP, SFHP может отказать вам в оплате такой услуги. Вам может понадобиться предварительное разрешение на посещение врача-специалиста, который не входит в вашу медицинскую группу.

Акушерство/Гинекология

(OB/GYN). Аббревиатура OB/GYN расшифровывается как «акушер-гинеколог». Это врач, который специализируется на вопросах женского здоровья и беременности. Выбирая своего PCP, женщина также выбирает акушера-гинеколога, с которым взаимодействует PCP. Женщина может выбрать акушера-гинеколога в сети поставщиков своего плана без разрешения или направления своего PCP. Кроме того, ее PCP может быть ее акушером-гинекологом, если у него имеется соответствующая квалификация.

Регулируемое медицинское обслуживание обладает множеством преимуществ

Планы регулируемого медицинского обслуживания предоставляют вам:

- помощь в координировании вашего лечения;
- помощь в поиске врачей первичной медицинской помощи и специалистов;
- помощь в поиске аптеки;
- текущие направления к специалистам;
- сестринские консультации по телефону;
- центры по обслуживанию участников;
- группы поддержки;
- помощь по доставке транспортом на приемы к врачам и домой (транспортировка в немедицинских целях);
- образовательные программы по здоровому образу жизни, которые помогают вам:
 - отказаться от табакокурения;
 - справляться с наркотической и алкогольной зависимостями и предупреждать их;
 - управлять хроническим болевым синдромом;
 - правильно питаться и выполнять физические упражнения.

Выбор РСР (основного лечащего врача) или клиники Каждый участник

Каждый участник Healthy Workers должен выбрать основного лечащего врача (РСР) или основную клинику. Данный справочник поставщиков медицинских услуг поможет вам найти и выбрать подходящего РСР для вас и вашей семьи. Пожалуйста, выберите своего РСР или клинику из данного справочника. РСР и клиники перечислены по районам. РСР или клиника, которую вы выберете, будет обслуживать все ваши потребности в области здравоохранения. Если вам требуются специальные виды медицинского обслуживания, ваш РСР или клиника помогут найти других поставщиков медицинских услуг, специалистов и направят вас к нужному врачу в случае необходимости. Выбрать основного лечащего врача (РСР) или клинику просто.

Полезные советы о том, как выбрать основного лечащего врача (РСР)

Если у вас уже есть основной лечащий врач или клиника, услугами которых вы пользуетесь, проверьте, включены ли они в списки на стр. 56-73.

Если вам необходимо выбрать нового РСР или клинику, подумайте, какой район оптимально вам подходит. Нужно ли вам, чтобы ваш РСР или клиника первичной медицинской помощи находились вблизи вашего дома, школы или работы? Удобно ли вам добираться до своего РСР или клиники на машине, общественном транспорте, автобусе или метро? Перечень РСР и клиник первичной медицинской помощи в разделе «РСР и клиники в вашем районе» (стр. 56) содержит информацию о том, где находятся офисы всех РСР или клиник. Разговаривает ли РСР или персонал поликлиники на вашем языке? Healthy Workers охватывает широкую сеть поставщиков медицинских услуг, которые разговаривают на многих языках.

Выбрав РСР, вы должны будете получать все медицинское обслуживание в медицинской группе, куда входит данный врач. Вы не можете обслуживаться вне данной медицинской группы, за исключением экстренных ситуаций

Возможно, вы не сможете воспользоваться услугами выбранных вами РСР или клиники. В случае если воспользоваться услугами выбранных вами РСР или клиники невозможно или если вы не выберете РСР или клинику сами, мы выберем их за вас. Мы постараемся подобрать вам такого РСР, который бы отвечал вашим потребностям. Вы можете потребовать сменить РСР или клинику в любое время по любой причине.

Когда вы найдете интересующую вас клинику, заполните раздел 4 формы регистрации Healthy Workers.

Не забудьте вписать название клиники и пятизначное число. Важное примечание: при выборе клиники следует учитывать ее местонахождение.

Желательно выбирать клинику, которая находится в вашем районе. Если вы уже являетесь членом Healthy Workers (Ассоциации медицинского обслуживания по месту работу в составе SFHP) и хотите поменять вашего РСР, позвоните по номерам **1(415) 547-7800** (местный) или **1(800) 288-5555**.

Смена вашего РСР или клиники

В идеале лучше всего не менять врача, т. к. в этом случае он уже будет знать о состоянии вашего здоровья и ваших медицинских потребностях по опыту работы с вами. Однако в некоторых случаях вам может потребоваться сменить РСР или клинику. Вы можете попросить о смене РСР или клиники по любым причинам, просто набрав номер Отдела обслуживания участников **1(415) 547-7800** (местные звонки) или **1(800) 288-5555**.

Частные врачи, прочие медработники и клиники входят в нашу сеть посредством участия в одной из этих групп.

Community Health Network (CHN) (Общественная сеть учреждений здравоохранения)

Стационарное лечение предоставляется следующими организациями:

- Многопрофильная больница San Francisco General Hospital
- Больница и реабилитационный центр Laguna Honda

Community Health Network (CHN) (Общественная сеть учреждений здравоохранения) представляет собой сеть независимых некоммерческих поликлиник общего профиля, а также клиник San Francisco Health Network с отделениями в более чем 20 районах Сан-Франциско и включает многопрофильную больницу San Francisco General

Hospital (SFGH). CHN предлагает медицинские услуги для взрослых, детей и подростков. Врачи SFGH входят в состав University of California San Francisco School of Medicine (Медицинское училище Сан-Франциско при Калифорнийском Университете {UCSF}), который является одним из лучших медицинских учебных заведений в стране. Вам гарантируется высококачественное медицинское обслуживание на высоком технологическом уровне, доброжелательное и уважительное отношение персонала. Первичная медицинская помощь также предоставляется в офисах частных поставщиков медицинских услуг. Более подробная информация представлена на сайте www.sfhealthnetwork.org.

Как получить услуги офтальмолога, стоматолога, фармацевта, акушера-гинеколога, психиатра и прочих специалистов

Офтальмологические услуги

Услуги офтальмолога предоставляются вам в рамках плана Vision Service Plan (VSP). Услуги офтальмологов включают проверку зрения и подбор очков и других средств коррекции зрения.

Все участники могут проходить проверку зрения каждые 24 месяца. Расходы на оправы и линзы покрываются только для детей в возрасте до двадцати одного (21) года. Для участников в возрасте старше двадцати одного (21) года не покрываются расходы на оправы и линзы.

Для того чтобы получить перечень офтальмологов, оказывающих услуги неподалеку от вас, позвоните в VSP по телефону **1(800) 877-7195** или посетите веб-сайт www.vsp.com. VSP предоставит вам

координаты поставщика офтальмологических услуг. VSP может помочь вам получить информацию о проверках зрения.

- При звонке поставщику офтальмологических услуг, участвующему в программе, сообщите ему, что вы являетесь участником VSP. После этого он подтвердит обоснованность вашего права на получение данных услуг и возможность доступа к услугам, предоставляемым VSP.
- Если вы имеете право на получение услуг, ваш поставщик услуг назначит для вас время приема. Если вы не имеете права на получение услуг по программе VSP, вам обязательно об этом скажут.

- VSP оплатит стоимость услуг и материалов напрямую поставщику услуг, участвующему в программе.

Поскольку диабет представляет риск для зрения, участники Healthy Workers с этим заболеванием должны проходить плановые проверки зрения. Страховка покрывает плановые проверки зрения оптометристом VSP с расширением зрачка у пациентов с диабетом каждые 12 месяцев. Healthy Workers оплачивает необходимые по медицинским показаниям офтальмологические осмотры у окулиста для всех участников. Программой не предусмотрены ограничения частоты необходимых по медицинским показаниям осмотров офтальмологом, а также ограничения внеплановых проверок зрения с расширением зрачка. Если вам необходимы более частые осмотры, ваш врач может направить вас к офтальмологу.

Стоматологическое медицинское страхование

Если вы присоединились к программе Healthy Workers для получения услуг по оказанию медицинской помощи на дому (IHSS) и являетесь участником программы на протяжении шести месяцев и более, вы имеете право на получение стоматологических услуг за небольшую плату. Для получения более подробной информации обратитесь в Liberty Dental по номеру **1(888) 703-6999**.

Стоматологические услуги не предоставляются участникам программы Healthy Workers, являющимся временными работниками с неполной занятостью, работающими в Сан-Франциско. Чтобы получить более подробную информацию, позвоните в Департамент по работе с кадрами по телефону **1(415) 557-4942**.

Фармацевтические услуги

Если вы являетесь участником страхового плана Healthy Workers, вам необходимо ежегодно регистрироваться в своей клинике, а дата последнего приема у основного лечащего врача (PCP) San Francisco Health Plan должна быть не ранее 6 месяцев назад. Для того чтобы вы смогли воспользоваться страховым покрытием, рецепт должен быть выписан вашим PCP. Вы можете получать лекарства по рецепту в амбулаторной аптеке многопрофильной больницы San Francisco General Hospital или в аптеке, которая сотрудничает с вашей клиникой. Телефон вашей клиники указан на карточке-удостоверении участника.

Акушерские и гинекологические услуги

Для получения акушерских и гинекологических услуг направление от врача не требуется. Для назначения времени приема женщины могут звонить напрямую своему врачу-гинекологу. Однако вас должен осматривать акушер-гинеколог, входящий в вашу медицинскую группу.

Психиатрическая помощь и лечение химической зависимости

Служба San Francisco Community Behavioral Health Services (CBHS) предоставляет амбулаторное и стационарное обслуживание по лечению психических расстройств и алкогольной и наркотической зависимостей. Для того чтобы получить направление к поставщику услуг психиатрической помощи или консультанту по вопросам лечения алкогольной и наркотической зависимостей, звоните по телефонам горячей линии CBHS **1(415) 255-3737** (местные звонки), **1(888) 246-3333** (бесплатный звонок) или **1(888) 484-7200** (TDD/TTY) круглосуточно без выходных.

Вспомогательные услуги

К поставщикам вспомогательных услуг относятся иглорефлексотерапевты, поставщики медицинского оборудования длительного пользования, учреждения с квалифицированным сестринским уходом, хосписы, лаборатории, центры медицинской визуализации и другие медицинские учреждения. Вам может понадобиться направление от РСР/врача-специалиста или предварительное разрешение, чтобы посетить этих поставщиков медицинских услуг. Если у вас возникли вопросы относительно вспомогательных услуг, проконсультируйтесь со своим РСР или позвоните в San Francisco Health Plan по номеру **1(415) 547-7800** или **1(800) 288-5555** с понедельника по пятницу с 8:30 до 17:30 (PST).

SPECIALISTS BY SPECIALTY

Specialists are doctors who see patients with problems—such as allergies, asthma, diabetes, or heart problems. Your Primary Care Provider (PCP) will refer you to a specialist if you need expert advice or treatment for a specific problem, except for obstetricians and gynecologists. You do not need a referral for access to an obstetrician or gynecologist. This list is provided to show that there are many specialists available in each specialty. You should not contact a specialist directly. Your PCP is able to refer you to the right specialist in your medical group. You may not see a specialist (except for obstetricians and gynecologists) without a referral from your PCP. If you go to a specialist without a referral from your PCP, the service may not be paid for by SFHP. You may need prior authorization to see a specialist who is not part of your medical group.

Please check with the provider before scheduling your appointment, or call SFHP Customer Service at **1(800) 288-5555** (toll free), to confirm the provider is participating in SFHP's network.

See page 17 for a guide to the symbols used in this Provider Directory.

Los especialistas son médicos que tratan a pacientes con problemas tales como alergias, asma, diabetes o problemas cardíacos. Su proveedor de atención primaria (PCP) lo derivará a un especialista si necesita asesoramiento o tratamiento experto para un problema específico, a excepción de los obstetras y ginecólogos. Usted no necesita una referencia para el acceso a un obstetra o ginecólogo. Esta lista se proporciona para mostrar que hay muchos especialistas disponibles en cada especialidad. No se debe contactar directamente a un especialista. Su PCP es capaz de referirse al especialista adecuado en su grupo médico. El usuario no puede ver a un especialista (excepto para los obstetras y ginecólogos) sin una referencia de su PCP. Si usted va a un especialista sin una referencia de su PCP, el servicio no puede ser pagado por el SFHP. Es posible que necesite autorización previa para acudir a un especialista que no forma parte de su grupo médico.

Comuníquese con el proveedor antes de programar su cita, o llame a Servicio al Cliente de SFHP al **1(800) 288-5555** (toll free), para confirmar que el proveedor participe en la red de SFHP.

Véase la página 29 para una guía de los símbolos utilizados en este Directorio de Proveedores.

專家醫生是誰看到患者的問題，如過敏，哮喘，糖尿病或心臟問題。您的初級保健提供者 (PCP) 會向您推薦的專家，如果您需要專家諮詢或治療特定的問題，除了婦產科醫生。你不需要轉診訪問產科醫生或婦科醫生。提供此清單顯示，在各專業提供許多專家。你不應該的專家直接聯繫。您的 PCP 能夠向您推薦合適的專家在您的醫療組。你可能看不到專家 (除產科醫生和婦科醫生)，未經您的 PCP 轉診。如果你去到專科未經您的 PCP 轉診，該服務可能不被 SFHP 支付。您可能需要取得預先授權才可前往非您醫療團隊成員的專科醫生處就診。

請於約診之前與醫療提供者進行核實，或者致電 **1(800) 288-5555** (免費電話) 聯絡 SFHP 客服以確認醫療提供者是否已加入 SFHP 的網路。

Врач-специалисты — это врачи, которые принимают пациентов с конкретными заболеваниями, например астмой, аллергией, диабетом или сердечно-сосудистыми заболеваниями. Если вам необходимо получить консультацию или лечение в случае возникновения конкретной проблемы со здоровьем, ваш основной лечащий врач (PCP) может направить вас к врачу-специалисту, кроме акушеров или гинекологов. Для посещения акушера или гинеколога получать направление не требуется. Данный перечень показывает, что существует множество специалистов в каждой области медицины. Однако вам не следует обращаться к врачу-специалисту напрямую. Ваш PCP может направить Вас к врачу-специалисту, входящему в вашу медицинскую группу. Вы не можете посещать врача-специалиста (кроме акушеров и гинекологов) без направления от PCP. Если вы обращаетесь к врачу-специалисту без направления от вашего PCP, SFHP может отказать вам в оплате такой услуги. Вам может понадобиться предварительное разрешение на посещение врача-специалиста, который не входит в вашу медицинскую группу.

Прежде чем записаться на прием к поставщику услуг, свяжитесь с ним или с отделом обслуживания участников SFHP по телефону **1(800) 288-5555** (звонок бесплатный) и убедитесь в том, что поставщик входит в сеть SFHP.

Расшифровка условных обозначений, использованных в данном Справочнике поставщиков медицинских услуг, представлена на стр. 55.

PHARMACIES

After you enroll in Healthy Workers you can have prescriptions filled at either San Francisco General Hospital's Outpatient Pharmacy, or at the pharmacy associated with your clinic.

To find your pharmacy, follow these steps:

1. Locate your clinic in this section to find your new pharmacy (if you don't know your clinic, refer to the back of your Healthy Workers ID Card).
2. Call or visit your clinic to make sure you are registered.
3. If you currently get medicine refilled at a different pharmacy, you must contact your doctor for a new prescription.
4. You must obtain a CHN ID card from your PCP's clinic and show it to your assigned pharmacy at the time you fill your prescription.

If you receive prescriptions from a pharmacy that is not the SFGH Outpatient Pharmacy or your assigned pharmacy, you will be financially responsible for the prescriptions, unless the prescriptions were for an emergency situation.

To activate your Healthy Workers pharmacy benefit, you must register and attend an appointment with your assigned PCP. **To keep your Healthy Workers pharmacy benefit active, you must make an appointment and be seen by your assigned PCP every 6 months.**

For help, call SFHP Customer Service at **1(415) 547-7800 (local)** or **1(800) 288-5555**, Monday to Friday, from 8:30am to 5:30pm.

Después de inscribirse en Healthy Workers (Trabajadores sanos) puede solicitar que le surtan sus recetas médicas en cualquier Farmacia de Pacientes Ambulatorios de San Francisco General Hospital o en cualquier farmacia asociada con su clínica.

Para encontrar su farmacia siga los siguientes pasos:

1. Localice su clínica en esta sección para encontrar su nueva farmacia, (si no sabe cuál es su clínica, consulte el dorso de su tarjeta de identificación de Healthy Workers)
2. Llame o visite su clínica para asegurarse que está registrado.
3. Si actualmente usted obtiene sus medicamentos en otra farmacia, debe comunicarse con su médico para que le dé una nueva receta médica.
4. En la clínica de su PCP debe obtener una tarjeta de identificación de CHN y mostrarla en su nueva farmacia asignada al momento de surtir su receta médica.
