Marohn Thanks The Community

[SJPS Foundation](#) President Bill Marohn addressed the SJPS School Board Monday night to report results from 2017. The Foundation set lofty goals and exceeded them in all categories. "None of this would be possible without the support of this community and our donors. We are so thankful to the community for their generosity. It allows us to enrich the education of our SJ students."

The Average Joes Prepare for Competition Season

St. Joseph High School's Robotics Team, [Team 3620: The Average Joes](#), was out in full force at Lake Michigan College's Grand Upton Hall on Saturday, January 6th for the Kickoff event which marks the beginning of the 2018 design and build season. The Team had its first look at the game called "[Power Up](#)" and looks forward to the challenge.

Senior Luis Hernandez commented, *"This game is going to be fun and complex. It is like playing chess but in human scale."*

Cameron Haynes

"For a strategy buff like me, this game is perfect. There are a few select tasks to be done, but their sequence and using them to outwit the opponents will be critical."

- Cameron Haynes, Junior

[View Photos from Kickoff Saturday Here](#)

"Initially I felt like Power Up is just another forklift simulator. After seeing the human-field interaction, the game became more of a battle of the minds, with each team trying to stay one step ahead of the other."

- Collin Rutz, Junior

Foundation Scholarship Applications

Due Friday, February 23rd at 12:00 pm (Noon) in the SJHS Guidance Office
