

SOCIALIST REVOLUTION

JOIN THE FIGHT FOR SOCIALISM IN OUR LIFETIME!

Socialist Revolution is a Marxist organization of workers and youth with a presence in dozens of cities across the US. We fight for the revolutionary transformation of society through the overthrow of capitalism and the establishment of a workers' government in the US and around the world.

We are part of the International Marxist Tendency. Based on the ideas of Marx, Engels, Lenin, and Trotsky, we are fighting for a revolutionary socialist program in over 40 countries. Capitalism is in crisis, so don't stand on the sidelines!
