

List of Plants

The common and scientific names of plants reported in the BBCs and WBPSs are listed in alphabetical order by common name.

- alder, speckled, *Alnus rugosa*
white, *A. rhombifolia*
amyris, Mexican, *Amyris madrensis*
anaqua, *Ehretia anacua*
apple, *Malus* sp.
arrowwood, *Viburnum dentatum*
ash, green, *Fraxinus pennsylvanica*
Mexican, *F. berlandieriana*
white, *F. americana*
aspen, bigtooth, *Populus grandidentata*
aster, bushy, *Aster dumosus*
panicled, *A. lanceolatus*
baccharis, broom, *Baccharis sarothroides*
basswood, *Tilia* sp.
American, *T. americana*
bay, red, *Persea borbonia*
beech, *Fagus* sp.
American, *F. grandifolia*
birch, *Betula* sp.
black, *B. lenta*
yellow, *B. alleghaniensis*
blackberry, *Rubus* sp.
blackberry, *R. allegheniensis* BBC #17
bladderpod, *Isomeris arborea*
blazing-star, cylindric, *Liatris cylindracea*
blueberry, *Vaccinium* sp.
early lowbush, *V. angustifolium*
highbush, *V. corymbosum*
bluebunch, *Agropyron spicatum*
bluegrass, Canada, *Poa compressa*
blue-joint, Canada, *Calamagrostis canadensis*
bluestem, *Andropogon scoparius*
little, *A. scoparius*
bramble, *Rubus* sp.
brasil, *Condalia hookeri*
buckthorn, *Rhamnus cathartica*
bulrush, *Scirpus* sp.
burrobush, *Ambrosia dumosa*
burroweed, *Haplopappus tenuisectis*
bush, brittle-, *Encelia farinosa*
coyote, *Baccharis pilularis*
creosote, *Larrea tridentata*
cane, *Arundinaria gigantea*
switch, *A. tecta*
cedar, *Thuja plicata* BBC #47
eastern red, *Juniperus virginiana*
eastern white, *Thuja occidentalis*
cherry, black, *Prunus serotina*
choke, *P. virginiana*
corn, *Zea mays*
cottonwood, *Populus* sp.
eastern, *P. deltoides*
cypress, bald, *Taxodium distichum*
dogwood, *Cornus* sp.
flowering, *C. florida*
dropseed, sand, *Sporobolus cryptandrus*
ebony, Texas, *Pithecellobium ebano*
elder, box, *Acer negundo*
elm, *Ulmus* sp.
American, *U. americana*
cedar, *U. crassifolia*
eucalyptus, blue gum, *Eucalyptus globulus*
manna gum, *E. viminalis*
fern, cinnamon, *Osmunda cinnamomea*
marsh, *Thelypteris palustris*
New York, *Dryopteris noveboracensis*
royal, *Osmunda regalis*
sensitive, *Onoclea sensibilis*
fir, Douglas-, *Pseudotsuga menziesii*
forsythia, *Forsythia* sp.
gallberry, *Ilex glabra*
ginger, wild, *Asarum canadense*
goldenrod, *Solidago* sp.
goldthread, *Coptis trifolia*
grape, riverbank, *Vitis riparia*
wild, *V. sp.*
grass, switch, *Panicum virgatum*
grass-of-parnassus, *Parnassia* sp.
greenbrier, *Smilax* sp.
gum, black, *Nyssa sylvatica*
hackberry, *Celtis* sp.
spiny, *C. pallida*
hawthorn, *Crataegus* sp.
hazel, witch-, *Hamamelis virginiana*
hazelnut, California, *Corylus cornuta*
hemlock, *Tsuga* sp.
eastern, *T. canadensis*
hickory, *Carya* sp.
mockernut, *C. tomentosa*
holly, deciduous, *Ilex decidua*
hornbeam, *Ostrya* sp.
American, *Carpinus caroliniana*
hop-, *Ostrya virginiana*
huckleberry, black, *Gaylussacia bacata*
ironwood, desert, *Olneya tesota*
ivy, poison, *Rhus radicans*
jaboncillo, *Sapindus saponaria*
jessamine, yellow, *Gelsemium sempervirens*
juniper, *Juniperus* sp.
common, *J. communis*
la coma, *Bumelia celastrina*
laurel, mountain, *Kalmia latifolia*

- lizard's-tail, *Saururus cernuus*
 locust, black, *Robinia pseudo-acacia*
 lovegrass, Lehmann's, *Eragrostis lehmanniana*
 maple, *Acer* sp.
 red, *A. rubrum*
 silver, *A. saccharinum*
 sugar, *A. saccharum*
 mayapple, *Podophyllum peltatum*
 mayflower, Canada, *Maianthemum canadense*
 mesquite, *Prosopis* sp.
 mesquite, *P. glandulosa* BBC #101
 mesquite, *P. velutina* BBC #103, BBC #104
 milkweed, common, *Asclepias syriaca*
 moss, haircap, *Polystichum commune*
 myrtle, wax, *Myrica cerifera*
 nettle, false, *Boehmeria cylindrica*
 nightshade, climbing, *Solanum dulcamara*
 nut-rush, low, *Scleria* sp.
 oak, *Quercus* sp.
 black, *Q. velutina*
 chestnut, *Q. prinus*
 coast live, *Q. agrifolia*
 laurel, *Q. laurifolia*
 live, *Q. virginiana*
 northern red, *Q. rubra*
 Nuttall's, *Q. nuttallii*
 overcup, *Q. lyrata*
 pin, *Q. palustris*
 poison, *Rhus toxicodendron* BBC #55
 poison, *Toxicodendron diversilobum* WBPS #24
 red, *Quercus rubra* BBC #38
 red, *Q. borealis* WBPS #8, WBPS #9
 running, *Q. pumila*
 swamp chestnut, *Q. michauxii*
 swamp white, *Q. bicolor*
 water, *Q. nigra*
 white, *Q. alba*
 willow, *Q. phellos*
 palm, needle, *Rhadipophyllum hystrix*
 palmetto, *Sabal minor*
 palo verde, *Cercidium floridum*
 persimmon, *Diospyros virginiana*
 Texas, *D. texana*
 pine, *Pinus* sp.
 Austrian, *P. nigra*
 eastern white, *P. strobus*
 loblolly, *P. taeda*
 longleaf, *P. palustris*
 pitch, *P. rigida*
 pond, *P. serotina*
 ponderosa, *P. ponderosa*
 red, *P. resinosa*
 Scotch, *P. sylvestris*
 slash, *P. elliottii*
 white, *P. strobus*
 pinyon, *Pinus edulis*
 poplar, *Populus* sp.
 privet, *Ligustrum* sp.
 raspberry, wild red, *Rubus idaeus melanolasius*
 rhododendron, *Rhododendron* sp.
 rose, Carolina, *Rosa carolina*
 multiflora, *R. multiflora*
 swamp, *R. palustris*
 rush, *Juncus* sp.
 Baltic, *J. balticus*
 beak, *Rhynchospora capillacea*
 twig-, *Cladium mariscoides*
 sage, *Artemisia* sp.
 sagebrush, big, *A. tridentata wyomingensis*
 sassafras, *Sassafras albidum*
 scouring-rush, variegated, *Equisetum variegatum*
 sedge, *Carex* sp.
 bristle-leaf, *C. eburnea*
 broom, *C. scoparia*
 Crawe's, *C. crawei*
 inland, *C. interior*
 serviceberry, *Amelanchier* sp.
 snowberry, *Symphoricarpos albus*
 soybean, *Glycine max*
 spicebush, *Lindera benzoin*
 spikerush, *Eleocharis* sp.
 spruce, *Picea* sp.
 blue, *P. pungens*
 red, *P. rubens*
 white, *P. glauca*
 St. John's-wort, Kalm's, *Hypericum kalmianum*
 strawberry, wild, *Fragaria* sp.
 sugarberry, *Celtis laevigata*
 Texas, *C. laevigata*
 sumac, staghorn, *Rhus typhina*
 sunflower, *Helianthus* sp.
 sweetbrier, *Rosa rubiginosa*
 sweetgum, *Liquidambar styraciflua*
 tamarack, *Larix laricina*
 tepeguaje, *Leucaena pulverulenta*
 titi, *Cynilla racemiflora*
 toyon, *Heteromeles arbutifolia*
 tree, smoke, *Psoraleidum spinosus*
 tupelo, water, *Nyssa aquatica*
 uña de gato, *Acacia wrightii*
 walnut, *Juglans nigra*
 black, *J. nigra*
 willow, *Salix* sp.
 arroyo, *S. lasiolepis*
 black, *S. nigra*
 winterfat, *Eurotia lanata*
 wiregrass, *Aristida stricta*
 wormwood, *Artemisia caudata*
