FUJITSU WIRELESS SET LX850 PIANO BLACK INPUT DEVICE

A TOUCH OF LUXURY

The Wireless Set LX850 Piano Black includes a wireless keyboard with a wireless laser mouse; and is an excellent desktop solution for all ambitious users. This superb wireless keyboard set with reliable 2.4 GHz technology offers all users more functions and better features than a conventional interface device. Keyboard and mouse come in an glossy black design. Additional multifunction buttons provide fast access e.g. to email, internet and volume functions. Furthermore the soft touch keys and very thin dimensions make working very comfortable and convenient. Enjoy working with high-precision navigation: the wireless laser mouse offers 6 mouse buttons for free assignment to meet your personal requirements. Your mouse will always be powered thanks to the USB charger station for a second set of NiMH batteries. Connect your notebook or PC easily by plugging in the USB

USABILITY

- Connects easily to every notebook PC with standard USB interface – no driver necessary
- Reliable wireless 2.4 GHz technology for home and office use
- More comfort keyboard with additional function buttons for fast application access
- Laser Mouse with 10 buttons:
 - 6 buttons are assignable
 - 2 buttons: Scroll four ways for greater efficiency and comfort with Tilt Wheel Technology
 - 2 buttons for boost function from 800 dpi to 1200 dpi
- USB charger for rechargeable batteries of the mouse

ERGONOMICS

- Elegant and extraordinary design
- Stress free and effective use through high contrast keys and ergonomic key design
- Soft touch keys in patented slim key-technology

RELIABILITY

- High quality and function stability
- Highest quality combined with very good price/performance ratio
- Abrasion-proof keys through laser technology
- No interference through 2.4 GHz technology: unlimited number of users working with this set in a room
