## 2009-2010 • President's Council Donor Honor Roll

### *Carrying Forward a Legacy*

**T**o you, our President's Council members, we say thank you. You are carrying forward the legacy of the land-grant university. Your gifts are changing lives and transforming the world, one student at a time. Your tireless support has helped thousands of students pursue their dreams of a college education. Your collective generosity is reshaping the landscape of our campus and providing state-of-the-art tools that will allow our students to excel in an ever-changing world. Together, we are opening the doors of success for the next generation of leaders.

The President's Council recognizes annual and lifetime support at the following levels:

#### Annual Giving Clubs

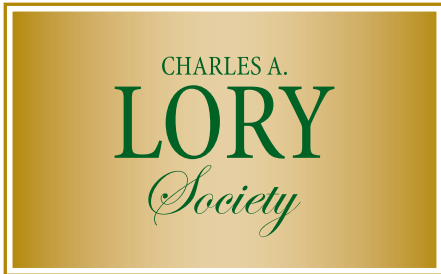

- Cornerstone Club – \$1,000 - \$1,869
- 1870 Club – \$1,870 and above

#### Lifetime Giving Societies

- Presidents' Society – cumulative gifts of \$25,000 - \$99,999
- Morgan Society – cumulative gifts of \$100,000 - \$999,999
- Lory Society – cumulative gifts of \$1 million and above
- Frontier Society – planned gifts of any size

The 2009-2010 President's Council Donor Honor Roll reflects the transition from fiscal year to calendar year, for recognition purposes. The annual giving levels for this edition include gifts made between July 1, 2009 and Dec. 31, 2010. Future issues of the Honor Roll will be based on gifts received during the calendar year.

Although every effort has been made to ensure accuracy, errors may occur. If your name appears incorrectly, or does not appear in the appropriate section, please notify the Office of Donor Relations at (970) 491-7774 or at [donor\\_relations@colostate.edu](mailto:donor_relations@colostate.edu) so that we may correct our error and apologize.

**T**he Lory Society is named in honor of Charles A. Lory, president from 1909 to 1940. The Society was founded to recognize those extraordinary donors who have supported the University with cumulative gifts of \$1 million or more, or qualifying planned gifts. Members of the Lory Society share a sense of community with the University and a profound commitment to the University's land-grant mission. Enhancing the University's quality educational programs and services with their leadership gifts, Lory Society members support Colorado State's efforts to provide students with the knowledge, experience, and insight to become leaders for the future. Membership can be held by an individual or jointly; or by a corporation, a foundation, or an organization.

**MORGAN**  
*Society*

**T**he Morgan Society is named in honor of William E. Morgan, president from 1949 to 1969. The Society was founded to recognize those exceptional donors who have supported the University with cumulative gifts of \$100,000 to \$999,999, or qualifying planned gifts. Members of the Morgan Society share their interest and concern for the University and what it can become. Their willingness to provide leadership gifts enriches the lives of the public we serve and endows Colorado State University for future generations. Memberships can be held by an individual or jointly; or by a corporation, a foundation, or an organization.

# PRESIDENTS' *Society*

The Presidents' Society is named in honor of all the presidents who have played a leadership role in guiding Colorado State from its origins as a small agricultural college to the position of international educational prominence it now occupies. The Society was founded to recognize those generous donors who have supported the University with cumulative gifts of \$25,000 to \$99,999, or qualifying planned gifts. Members of the Presidents' Society share the University's commitment to its land-grant mission. They enhance the University's quality educational programs and services with their leadership gifts. They support the University for what it is and what it can become. Membership can be held by an individual or jointly; or by a corporation, a foundation, or an organization.

# FRONTIER *Society*

**T**he Frontier Society is named in honor of the early settlers who volunteered to build for the future and to guide the destiny of Colorado State University. The Society was founded to recognize those visionary donors who have chosen to make planned gifts in any amount to Colorado State University. Members of the Frontier Society share a profound commitment to the University's land-grant mission of teaching, research, and outreach. They have invested in the University's future through their planned gifts. Their generosity will continue the tradition of philanthropy begun by the pioneers who founded the University.

Memberships in the Frontier Society are through planned gifts, including bequests; life-income arrangements, such as gift annuities and charitable trusts; gifts of retirement assets and life insurance; and other deferred and unique giving options.

**N**amed for the year a group of visionaries established what would become Colorado State University, the 1870 Club is the institution's premier annual gift club, recognizing gifts of \$1,870 and above annually. The Club is as significant to Colorado State's future as that landmark date to the University's rich history. The leadership and gifts that 1870 Club members provide are imperative for Colorado State to remain one of the nation's pre-eminent land-grant institutions. Membership can be held by an individual or jointly; or by a corporation, a foundation, or an organization.

# CORNERSTONE Club

**T**he Cornerstone Club is an annual gift club which recognizes donors of \$1,000 to \$1,869 in the given calendar year. Like members of the 1870 Club, donors in the Cornerstone Club are instrumental in providing annual funds to support a variety of programs across campus. Membership can be held by an individual or jointly; or by a corporation, a foundation, or an organization.
