Re: Part 573.7 Quarterly Recall Completion Rate Report for 08-E-020

Dear Mr. Smith

Pursuant to the requirements of 49 C.F.R. Part 573.7 this letter provides you with information regarding the completion of a voluntary noncompliance recall on certain replacement automotive glass. The information required by section 573.7(b) is as follows:

1. NHTSA Recall Identification Number 08-E-020
2. Owner notification letter mailing began on or about April 18, 2008. A second mailings where sent July 15, 2008. These where sent to all those who did not respond to the first mailing.
3. There are 931 units of subject glass covered by this campaign.
4. 611 units were collected and destroyed prior to sale or installation in a customer vehicle.
5. To date, 37 units have been replaced in vehicles, for a total of 648 units (69.6%) of subject glass have been collected and destroyed or replaced with compliant glass where the units were installed in vehicles. No additional replacements have been completed since October 17, 2008.
6. Twenty-one customer letters have come back marked "return to sender."

Should you have any questions, please do not hesitate to contact me at 586-464-6400,ext 24.

Sincerely,

Perry E. Giese
President
