

STYLE // BUSINESS PRODUCTS // 2016

Für Stil und Design im Business.
Business with style and good design.

DESIGN.

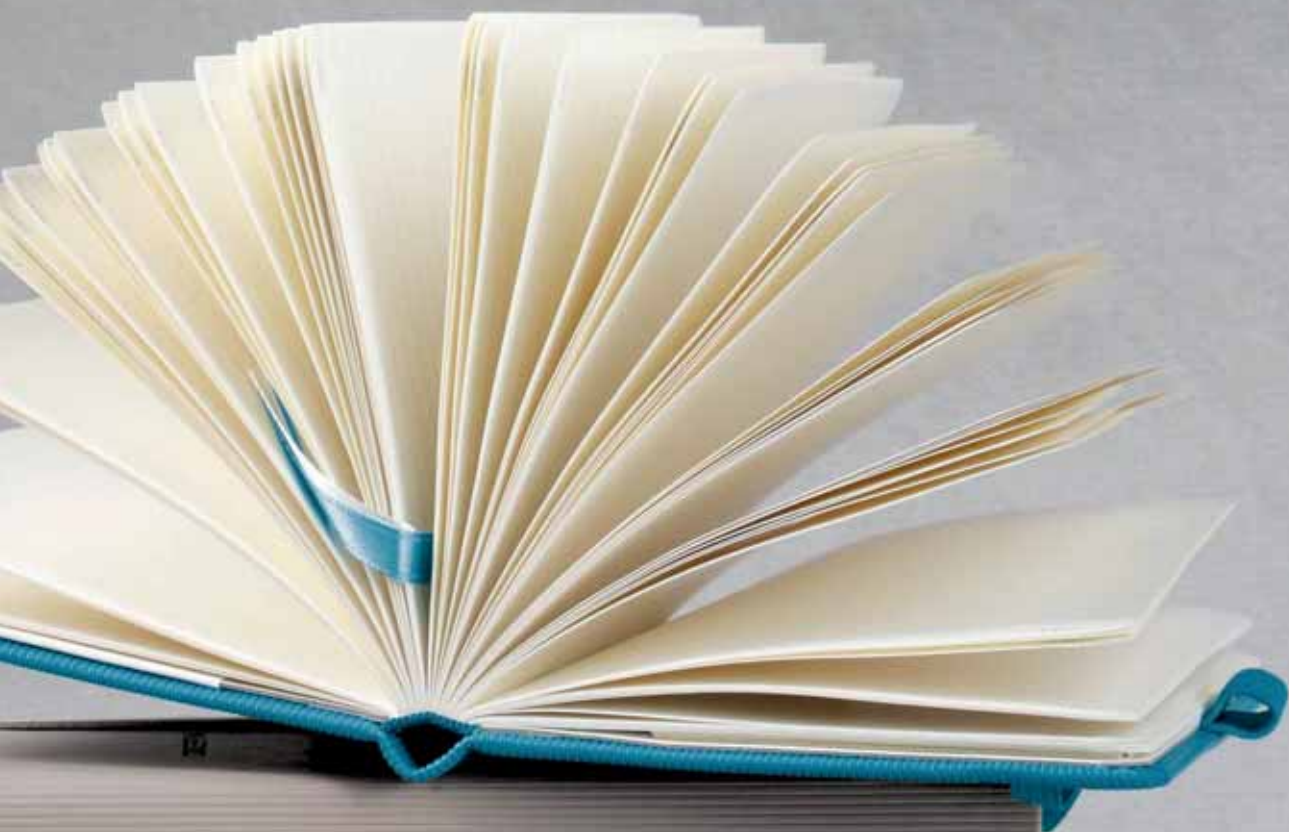

Mehrfach international prämiert. //
Multiple international award-winners.

Mehrfach international prämierte Design-Produkte, wie die Glas-Magnetboards **artverum**[®], überzeugen durch Multifunktionalität und herausragende Qualität. Nicht zuletzt sind es aber immer wieder neue, innovative Ideen, die effektiv inspirieren – optisch wie im Gebrauch, im Office wie zu Hause.

International award-winning design products, such as the **artverum**[®] Magnetic Glass Boards, are made to impress with their multifunctionality and outstanding quality. What's more, we keep coming up with innovative ideas to inspire you, creating products that look as good as they are practical, for the office and the home.

Wahre Größe zeigt sich oft im Kleinen: Durchdachte funktionelle Details und hochwertiges Cover-Design zeichnen die CONCEPTUM® Notizbücher und Kalender als etwas Besonderes aus.

It is often the small things that reveal true greatness: intelligently designed, practical details and a high-quality cover. It is design that makes the CONCEPTUM® Notebooks and Planners stand out from the rest.

Sie inspirieren und repräsentieren auf der Höhe der Zeit: die artetempus® Design-Wanduhren und die exklusiven Accessoire-Kollektionen eyestyle® und cintano®.

Inspirational, prestigious and contemporary: the artetempus® design wall clocks and the exclusive eyestyle® and cintano® accessory collections.

artverum® Produkte mehrfach prämiert.
artverum® products: multiple award-winners.

Wandobjekte, die es in sich haben. Hier trifft moderne Ästhetik auf perfekte Funktion, höchste Qualität und Sicherheit. Das mehrfach international preisgekrönte Design steht für sich und erfüllt mehr als seinen Zweck: zum magnetischen Anhaften von Notizen, immer wieder neu Beschriften oder auch zum Projizieren.

Accessories for the wall in a class of their own: this is where modern aesthetics meet perfect function along with quality and safety of the highest standard. Winner of several international awards, the design speaks for itself and does far more than simply fulfil its practical purpose. Use the board to attach notes magnetically, write on and wipe clean, or as a projection screen.
