Loving Sairam!

We are indebted to the Lord and feel highly blessed to have been in the fold of Sri SathyaSaiSeva Organization since 1990 and more than this, we feel proud being the instrument in the hand of Bhagwan.

This annual report for the period April 2019 to December 2020 sharing details of various activities under all the 3 wings i.e. Spiritual, Educational and Service is humbly dedicated to the Divine Lotus feet of our beloved Swami, The Anataryami (Inner motivator). I have no words to adequately express my deep sense of the complete debt of gratitude to our Bhagwan Sri SathyaSai Baba, without his divine command, direction, inspiration, benediction and grace above activities under different wings could not have taken shape. It is therefore with humility and gratitude, I acknowledge Swami as the Divine inspirer and motivator and doer.

We express my deep sense of gratitude to Sh.Manoj Batra, State President, Sh. Dinesh Mundra, Vice President and his State members for visiting twice in the year for the sole purpose of providing us guidance and direction to boost up our moral and the pace of Sai activities.

Also, we sincerely and heartily thank to Prof. K.S. Hiran; one of our senior most Office Bearer for his full support and guidance and for having close liaison with authorities of Schools, Colleges and Universities.

Last but not the least, we express thanks to all Office Bearers, Samiti Members, Friends and Family who have assisted me in the various wings by giving their valuable suggestions, extraordinary assistance and full time participation which was needed to enhance Sai activities that strengthen our faith and brought us closer to our Lord.

Finally, with our most reverential salutation at the Divine lotus feet of my Lord Sai while placing this annual report of our Samiti.

Thank You.

Sri SathyaSaiSevaOrganization – An introduction

The Sri SathyaSaiSeva Organization, founded by Bhagawan Sri SathyaSai Baba in the year 1965, is a service organization with a spiritual core and based to benefit all mankind irrespective of religion, caste, creed or sect. The Organization serves as a platform for its members to undertake service and other activities motivated by an urge for one's own transformation with the aim of realizing one's inherent divinity.

Without any distinction of religion, nationality, race, socio-economic status, either for those who work in the Organization or for those who are served by it, the Organization transcends all barriers leading humanity towards the ideal of 'Fatherhood of God and Brotherhood of Man'.

The concept of fees or membership subscription is alien to the SriSathyaSaiSevaOrganization, for there cannot be any fee or subscription for one's journey towards his own self.

The organization functions through its primary units called as Samithis and Bhajan Mandalis of which individuals - from different strata of society, different ethnic groups pursuing different religions and faiths - are members bound by the dictum of "Love all, Serve All" and pursue their own sadhana towards self-transformation following the path of selfless service to humanity.

At no point is an individual asked to follow a certain religion or rituals. On the contrary, each is inspired to follow his own faith so as to ensure that a Hindu becomes a better Hindu, a Muslim becomes a better Muslim, a Christian becomes a better Christian and so on. In fact, this spiritual basis inspires everyone to pursue his own religion better by putting into practice Love and Selflessness. That is why the organization features in its emblem the symbols of the major religions of the world.

"The Organization named after Me are not to be used for publicizing My Name or creating a new cult around My worship. They must render seva (service) to the helpless, the sick, the distressed, the illiterate and the needy. Their seva (selfless service) should not be exhibitionistic; it must seek no reward, not even gratitude or thanks from the recipients. Seva is sadhana (spiritual exercise, no tapas) time of the rich and well placed. You must have the firm belief that the aim of this Organization is to remove the obstacles that keep man away from God, that separate maanavathwa (Humanity) from Maadhavathwa (Divinity). This Organization must elevate the human into the Divine."

Sri Sathya Sai Baba

WINGS OF THE ORGANISATIONS

The Sri Sathya

Sai Seva organization functions under three wings viz. **(i) Spiritual, (ii) Education, and (iii) Service.**

Each activity in a wing is directed to facilitate and help the member in his own spiritual advancement. Although, the nature of activities undertaken under different wings appear to be distinct and dissimilar, but there is an inherent interrelationship amongst all the three wings. The three wings stand for Worship, Wisdom and Work.

Spirituality and Service are supplementary and complementary to each other. Spirituality is the motivational force behind service and service is the fulfillment of spirituality. Therefore, spiritual concepts learnt through education must be put into practice in form of service to humanity. Thus, in order to successfully realize the objective of joining the Sai Organisation, one must participate in activities of all the three wings.

ADMINISTRATION OF THE ORGANISATION

Headed by an All India President who is supported by the National Vice Presidents and State Presidents, the organization functions like a well-oiled machine in the District under the stewardship of the District President, focused on its purpose, clear in its vision and dedicated in its efforts to live up to the Swami's message – "Love All, Serve All".

The Samithis and the Bhajan Mandalis constitute a genuine spiritual movement where the members are united by a common bond – Love for God and Service to fellow human beings.

The members of the organization work as one cohesive unit, whether as sevadals providing service at Prashanthi Nilayam, at medical camps, doing Narayan seva or the bal-vikas gurus who work with young children to inspire in them a desire to inculcate the five human values of Truth, Righteousness, Love, Peace and Non-violence, or the teachers who have undergone the training in EHV help in guiding the young minds towards the higher goals of life or the Sai Youth who work tirelessly in the Sri Sathya Sai Village Integrated program and Sri Sathya Sai Vidya Jyoti Program – each of them are bound by one goal – "Service to Man is Service to God".

THE 9 POINT CODE OF CONDUCT AND 10 PRINCIPLES

Every member of the organization is expected to undertake Sadhana (spiritual discipline) as an integral part of his/her daily life by abiding by the following Nine Point Code of Conduct which has been bestowed by Baba for one's spiritual and personal development. In addition, the ten principles that form the core of guidance for all the members of the organization as ordained by Baba himself are also produced hereunder. The nine-point code of conduct and the ten principles are fundamental to the spiritual development of the members of the Sai Organization.
