# ABOUT CHICHESTER

## Welcome to our new 2020/21 Plant List

**Chichester Trees and Shrubs Ltd was originally founded as a tree nursery in 1976 by James Chichester. Over the years it has evolved. We now grow an extensive range of perennials, shrubs, specimen stock, grasses, ferns, trees, fruit, roses and climbers over three nursery sites. We also have a very efficient network of suppliers and specialist growers, and source many plants not listed in our main catalogue.**

As a wholesale nursery we are geared up to professional members of the trade, however we can supply private clients under strictly wholesale terms. Orders must have a minimum value of £300.00 for a delivery. Smaller orders can be arranged for collection from one of our nursery sites with at least 48 hours notice.

If you do not see the stock you are looking for please email us at [sales@ctsplants.com](mailto:sales@ctsplants.com). We have a wide network of suppliers in the UK and Europe and may be able to supply what you are looking for.

## RHS – AWARD OF GARDEN MERIT

**We have marked items in the catalogue with the RHS Award of Garden Merit (AGM).**

These are high-performance, reliable, and thoroughly tried-and-tested varieties to grow in the garden. Plant varieties undergo intensive and scientific RHS trials, and only then are they given the RHS award. You can find out more information on the RHS website - [www.rhs.org.uk](http://www.rhs.org.uk)

## CHICHESTER TREES AND SHRUBS WEBSITE

**The most up-to-date version of our catalogue can be found at [www.ctsplants.com](http://www.ctsplants.com). We also publish a daily Availability List (AV List) and a weekly Looking Good List (LGL).**

Our AV List is a stock list of all the plants we currently have ready for sale on the nursery, whilst our Looking Good List is a selection of the best looking plants, currently at their peak of seasonal interest; a guide to selecting plants for retail sales or helping to enhance on 'instant planting' projects.

Our AV list will include quite a number of unusual plants not listed in our catalogue. We also send out these lists weekly through an email newsletter. You can sign up for this through our website [www.ctsplants.com](http://www.ctsplants.com)

Follow us on Twitter [@CTSplants](https://twitter.com/CTSplants), Instagram/[ctsplants](https://www.instagram.com/ctsplants) & Facebook/[Chichestertreesandshrubs](https://www.facebook.com/Chichestertreesandshrubs), for up to date photos of stock.

## VISITS TO THE NURSERIES

**If you wish to visit one or all three of our nurseries please make an appointment by telephoning the office. Some days are better for nursery visits than others. If you can, please try to send a list to the office in advance, for prices & availability.**

Due to a large amount of presold stock, it is difficult to tell what is free stock on the nursery, and so same-day collections during a client visit are generally not possible. We can sometimes make exceptions.

## OPENING TIMES

Nurseries **Monday - Thursday 8am - 4.30pm**  
**Friday 8am - 3.30pm**

Any collections must be made 30 minutes before closing.

Office **Monday - Friday 8am - 5pm**

## PRICING

The catalogue no longer has prices as these vary throughout the year. Current pricing can be found on our availability list on our website (**[www.ctsplants.com](http://www.ctsplants.com)**), or we can quote you when you email your plant list.

## HOW TO ORDER

**Please send all orders and plant availability enquiries to our Sales Office, by emailing your order to [sales@ctsplants.com](mailto:sales@ctsplants.com)**

We aim to process your order within 48 hours of receiving your email, but may need longer in the busy periods (Spring & Autumn). We do not operate a cash and carry facility. Customers must place all enquiries with the Sales Office, who can check prices and availability for you. Prices, pot sizes and varieties can be agreed prior to placing your order ready for delivery/collection.

You are welcome to come and view stock on the nursery but due to the nature of the business a lot of what you see on the ground is already sold. If you do wish to visit any of the nurseries please contact the Sales Office first to arrange an appointment. Same day collections are not possible.

We request that no changes are made to confirmed orders. However we understand that sometimes amendments have to be made. Subject to the nature of these, there may be an administration fee to Sales Order changes made by clients after their order has been confirmed.

## RETAIL CUSTOMERS

**For retail customers we can offer pre-priced stick on labels with colour photos and descriptions, along with EAN13 barcodes and your company logo.**

Let us know your retail prices when you place an order. Labels are charged at 10p each.

Exbury Gardens

Hydrangea mac. 'Tellers Pink'

# DELIVERY CHARGES

**We offer weekday deliveries to Southern England using our own drivers in 7.5 tonne lorries, subject to a minimum order value of £300.**

Drop off is to the front of the property only. We do not take plants through premises/garages.

## LOCAL

**within 10 miles of nurseries**

Orders over £100 (ex VAT) carriage is free of charge.

## SOUTHERN ENGLAND & LONDON

Minimum carriage charge £30 for first £300 of order. Thereafter carriage is charged at 10% of total order value.

## FOR AREAS OUTSIDE OUR DELIVERY ZONE

Orders over £2000 (ex VAT) we may be able to deliver direct, please enquire for a carriage quote.

For smaller orders we can arrange a third-party haulier and charge at cost per trolley. Hauliers collect from us at the beginning of the week and deliver by the end of the week. We cannot control which day the plants are delivered.

Please note that hauliers may use arctic lorries to deliver goods. Please enquire for an estimate.

## LONDON: DROP OFF (W10 6JG)

We have a drop off point for small orders which must be collected the same day. Generally, this is a Tuesday (busy periods only) and Thursday but please check.

Order value (ex VAT)	Carriage charge
<£50.00	£12.50
£50.01 - £100.00	£15.00
£100.01 - £200.00	£20.00
£200.01 - £250.00	£25.00

## ISLE OF WIGHT

**Carriage is charged as a proportion of the ferry charge.**

Approx. 30p-40p/3L equivalent - assuming the lorry is full.

Carriage charges are subject to change. We can quote you for carriage when we receive your plant list, usually 10% order, minimum £30.00.

Regional deliveries are combined to minimise costs.

# NEW INTRODUCTIONS - 2020

## SHRUBS

---

# TERMS AND CONDITIONS

This guide cancels all previous lists.

EC Plant Passport Number  
UK/EW 225941.

All items are offered subject to goods being unsold on receipt of order.

All prices shown are for guidance only and may fluctuate over the season. The right is reserved to vary prices without notice.

Quotations are willingly given and remain valid for orders confirmed within 30 days. Prices quoted are ex-nursery and subject to VAT and carriage.

Customers are welcome to collect orders from the nurseries. We require 48-hours notice to collect your order. Please place all orders through the Sales Office.

Small orders (less than £300) and quantities of less than five plants of a variety may be subject to a surcharge.

All delivered orders are subject to a minimum carriage charge for one Danish trolley.

Please see list of current carriage charges. Small orders may be uneconomical to deliver.

Customers must examine consignments carefully on receipt of goods. Complaints must be made within seven days of collection or delivery. After seven days we cannot be held responsible for any losses or shortages.

Substitutes are not made unless requested.

In the event of a shortfall we will contact you to offer an alternative.

Payment is required within 30 days of invoice date for account customers, a surcharge of 10% will be levied on accounts outstanding after the due date.

After 90 days interest will be charged at 1.5% and the account will be closed. Future suppliers on a cash only basis.

Sales contracts are made between Chichester Trees and Shrubs Ltd (supplier) and you the contractor/designer.

We do not do third party invoicing of clients on your behalf.

New customers are required to pay a proforma invoice before we can deliver the order. Payment can be made by credit card or bank transfer. Any overcharge on final invoice will be refunded.

All collections/deliveries are subject to Retention of Title, until all sums due to the company have been received.

Credit is only extended on the understanding that all customers accept these terms and conditions.

A deposit is payable for all black crates @ 3.50 + VAT, refundable on their return to us.

Prices are ex-nursery they do not include V.A.T (VAT Reg. No. 411 6574 70) OR carriage. VAT will be applied at the current rate.

# DIRECTIONS TO BEAULIEU NURSERY

Follow signs to Motor Museum into main entrance off B3056.

Follow access Road through carparks, uphill. On a right hand bend take left fork with "No Entry" signs.

Turn sharp left after 30 metres onto forest track for almost 1 mile straight on to end. Past "Rhodabout" : Nursery on left through gates.
