### **Students are "Chill" as Temperatures Drop**

By: Ma'ayan Cohen

As the winter months are coming, weather is getting colder. Alin Geda said that where she lived in Israel, it never snowed. She said that in Israel, "It only gets down to 40 degrees (F) the whole winter."

When it snows, Daniel Geda's favorite thing to do is have a snowball fight.

Adrinna Boiangin likes to build a snowman when it snows! Between sledding and building snowmen, Matias Cohen prefers to sled.

Remember, as the colder temperatures are here, wear a coat. You'll feel better during Morning Fitness and recess.

*Dafna Skolnik, Gavi Zekowicz, Sasha Glushkin, and Ariella Bodner wear their cold weather gear to stay warm during Morning Fitness.*

*Dovi and Ezra Weiner hit the swings all bundled up!*

*“The book is really good, and I love the characters, especially the dog.” – Ruth Dill, 3<sup>rd</sup> grader*

## Students discuss their book *Because of Winn-Dixie*

The 3<sup>rd</sup> and 4<sup>th</sup> grade teacher, Mrs. Cohen, just finished reading *Because of Winn-Dixie* out loud to her class.

*Get your throwing arm ready everybody and get ready to play some frisbee! -Reporter Ma'ayan Cohen, 5<sup>th</sup> grader*

Third grader Rony Amar explained what the book is about. “It is about a dog named Winn-Dixie and a girl named India Opal Buloni.” Rony said the girl takes the dog so it wouldn’t have to go to the pound.

Ruth Dill said the story is about a dog found all alone named Winn-Dixie. India Opal Buloni makes him look pretty so her dad (a preacher) would let her keep it. Ruth also said that there are other cool characters in the book. Some other featured characters are Otis, who works at the pet shop, Gloria, a nice older lady, and Miss Franny, the librarian.

Rony and Ruth also rated the book. Rony gives the book three stars out of five because the book is, “good and bad at the same time.” Ruth rated the book five stars because, “The book is really good and I love the characters, especially the dog.”

## Frisbee Time in Gym Class

CJDS students now know how to play frisbee golf, thanks to Mrs. Palma. Last week, they participated in the frisbee unit. Games that were being played in this unit also included ultimate frisbee.

Seth Silverstein mentioned that his favorite sport is soccer. Will Cook loves playing hockey. Seth and Will also have a least favorite sport. Seth’s is baseball and Will’s is dodgeball.

## CJDS Student Travels Internationally

By: Lilah Solove

Some students have the opportunity to travel internationally. Fifth grader Alin Geda is a CJDS student who has traveled to another country.

To travel to the United States from Israel last year, Alin had to take a long plane ride. When she went to her seat on the plane, she was annoyed because babies were crying loudly nearby. Alin was nervous about flying but she also said, “It was exciting, and I was happy to make new friends.”

Fifth grader Bram Rubin also traveled internationally recently. He was happy to visit Italy but he was also tired when he arrived. His favorite part about his trip was visiting the Lamborghini Factory.

Our newspaper staff is growing. We have two new members that we will feature in our next edition: Dafna Skolnik and Leon Rinkoff!

There is always space in Journalism Club for new members. The club is designed for students of all ages. We meet on Wednesday during Morning Fitness (7:50am – 8:15am) and Thursdays during recess (12:30pm to 1:00pm).

We also would like to have *your* ideas for news articles. Please feel free to share ideas with our newspaper staff members or with Dr. D.

Many thanks to our amazing CJDS teachers for helping the Journalism Club with interviews and photos, and for being flexible with meeting times when students help print and distribute our paper.

As journalists we discuss the meaning of integrity, practice listening skills, share our ideas in a “professional” way, and support each other in completing tasks.

## Comics Space Open

By: Sam Feldstein

Comics need to be on 8x10, unlined paper. Please make sure words are clearly written for our readers and trace your comic with a fine-tip Sharpie marker.

Calling all cartoonists! Think you're a good artist? Interested in making comics? If so, this is for you. If someone would like to submit work, it doesn't have to be a comic with total artistic genius, but it does have to be legible.

Legible means that the words are *readable*. It would even be a good idea to check with an adult to see if they can read your comic.

Another thing our newspaper requires for comics is kid-friendly material. This means no guns or bad language, and it should be appropriate for a kindergartner, even if they may not understand it.

If you happen to have a comic you feel good about that is legible, and kid-friendly, put it in the "Comics" envelop outside of Dr. D's office in the front office area. Next week, Reporter Feldstein will give an update in the newspaper about the comic section.
