CONNECTIONS

By **Jade Rose** and her son **Kai** (Kai is a player in the Norths comp)

This artwork depicts the connections between people, place and purpose. Cammeraygal country, home of Norths Basketball, is a place of significance to many of us. The outer circles represent 4 teams (you will notice there are 5-U shapes, which represent 5 players). The larger inner circle represents Norths Basketball stadium, a place where people come together to connect.
