COMMUNITY ASSOCIATION

President's Message

Welcome to our June Newsletter.

Hello Everyone,

What a wonderful time of the year especially here in Buderim with all its natural beauty and a supporting, caring community spirit, we are very fortunate indeed.

Since our association was formed 78 years ago as a living memorial to those who gave their lives, we, as a community, have been very fortunate in many other ways with the establishment of other organizations catering to the cultural, spiritual, and recreational needs of our community.

Many of these are Affiliate members of the BWMCA and we acknowledge the efforts of those Affiliates in proving for the needs of their members and in supporting this Association.

One of the "values" of the BWMCA is to "Advocate to Government and others on matters of importance to members" which of course, includes affiliated organizations.

To advocate effectively we need to be aware of any issues or challenges facing organizations. One avenue to do this is through our Management Committee meetings, where organizations can not only promote upcoming events but seek support in resolving a particular issue they have under consideration.

We value the participation and involvement of our affiliate members in the activities of the association and appreciate their support.

On another note, we are looking forward to welcoming more new residents to Buderim at our very popular Sunset Gatherings. I am sure they will come to love this place, just like we all do.

Cheers

Errol Richardson
President

We have had approximately 344 people from the community use our services this month.

BWMCA COMMUNITY EVENT

The Buderim Community Carols 2023 is set for Sunday 10th December 2023. In due course an application to hold the event on the beautiful Buderim Village Park will be put to council.

The Community Carols Subcommittee of the BWMCA is currently working on the program, however, so many other decisions are required before the first act appears on stage on the night.

A family friendly, safe, community focussed and celebratory event is the main aim. It is amazing to think this annual event has grown so much over the years to be the most well attended community carols even on the coast. Thank you to all who have supported the Buderim Community Carols in the past. This year will be bigger than ever. We will continue with improved car parking and will offer additional quick snack food stalls, whilst maintaining the community involvement in the major aspects of the event. Additional community managed food stalls will take the pressure off the long queues that we saw last year.

As it has been in the past, a good number of volunteers will be needed to ensure a safe, family friendly and orderly event. We ask that all BWMCA members and affiliates note the event date in their diaries and be prepared to assist when the call is made. Last year we had a good number of volunteers and this helped make the 2022 event the most successful carols of the modern era.

Our subcommittee is always looking for interested persons to join us. Please contact the writer if you would like to know more.

Yours in community service

BUDERIM CRAFT COTTAGE

Such a lot of activity happening during the month of June at the Cottage:

◆ The Mixed Media group's Exhibition was successful with many attending the Opening Night and good sales over the three days of the Exhibition.

◆ The Calligraphy & Papercraft Exhibition ran smoothly over a nine-day period and incorporated two new initiatives:

1. A visit from former members of the Calligraphers of South-East Queensland Assoc Inc. (Brisbane group closed in 2022)
2. A visit from Kawana Life Church KeenAgers Group
3. Both groups stayed for an interactive calligraphy experience and morning tea.

◆ The biennial Quilt Exhibition by the Patchwork group was a beautiful display and a chance for a cuppa with friends. An inviting and elegant black and white quilt was raffled with proceeds going to the Maroochydore Sleep Bus.

Logo Preference

On 31 May, a survey was sent to all members asking their preference for the Buderim Craft Cottage logo. There were two options: the heritage-coloured original logo and the new pink and black logo with added tagline Art and Craft Centre.

The result was that 57.3% preferred the new pink and black logo. A style guide for the pink and black logo will now be produced and used on all aspects of Buderim Craft Cottage (BCC) promotional and advertising material, letterhead, flyers, tags, signage, webpage, social media and badges.

The original logo has been well-loved, and we now embrace a new logo that will accompany our ongoing wonderful art and craft pursuits.

Winter School

The BCC Winter School, which is proudly supported by the Sunshine Coast Council, Sat 1 – Sun 9 July, is just around the corner – there are a few vacancies for some sessions. I'm attending the session for beginners in pastels and am looking forward to learning more about this medium.

If you'd like to learn more techniques with your art and craft, have a look at the BCC website at what's available

Please visit buderimcraftcottage.com.au for further information and to make bookings.

MOVING FORWARD

Be inspired, be informed ...

MOVING FORWARD

SUNSHINE COAST invites you to a community event with guest speakers

Dr Peter Ridd & Professor Anthony Gray

Dr Peter Ridd is highly esteemed academic known for his impactful contributions to Marine Geophysics and his extensive research on the Great Barrier Reef. He is an outspoken advocate for scientific integrity and academic freedom.

Dr Ridd now volunteers his time to the Institute of Public Affairs to improve quality assurance systems of "science" used by Australian governments to make environmental laws and regulations. He runs the **Reef-Rebels** YouTube channel.

At our next event, **Dr Ridd** will present on Great Barrier Reef and contentious issues involving the impact of climate change and agricultural practices on the health of GBR. The information he will share may come as a surprise.

Professor Anthony Gray is a distinguished faculty member at the School of Law and Justice at the University of Southern Queensland. He has extensive expertise in constitutional law, human rights, comparative law, and civil obligations.

Professor Gray will delve into the high-profile case of Peter Ridd versus James Cook University at the High Court of Australia (**Ridd v James Cook University [2021] HCA 32**). This case has set a legal precedent with serious and far reaching consequences for Freedom of Speech in our universities, schools, workplaces and for our society.

We will explore the implications of the Ridd vs. JCU case and what it means for the future of scientific inquiry and debate.

An interesting fact: This is first ever Public Meeting where a highly esteemed legal scholar will discuss a High Court case where the co-presenter was one of the parties in such a high profile case.

ORIANA ARTS INC – SUNSHINE COAST COAST

After just a few weeks of rehearsals, Oriana's new Concert season is off to a fine start. Beneath the Southern Cross is a programme made up entirely of Australian music, spanning the period from the sixties to the present day. It's a thrilling mix of popular songs which over time have become universally loved standards, and lesser-known works which are destined to become classics in their own right. Songs from The Seekers, Olivia Newton-John, John Paul Young and John Farnham; works by noted composer and multi-instrumentalist Paul Jarman, including a trio of songs from his song cycle Turn On the Open Sea; a Powderfinger classic; and much more.

Following the completion of a number of highly successful and well received seasons of beloved classical works, Beneath the Southern Cross is a wonderful opportunity for the Choir to say to its audiences, "and now for something completely different." And to navigate us on this journey, Oriana is delighted to be once again under the guiding hand of the acclaimed Artistic Director of Birralees Voices Inc., Paul Holley. Paul is no stranger to Oriana, having conducted the choir on several occasions in the past, most recently with the 2021 programme of music from the Americas, Come to the Woods. He brings an energy and enthusiasm for the music which is both infectious and inspirational.

It is quite some time since Oriana has prepared a programme such as this. It's great to have the opportunity to learn lovely choral arrangements of Aussie pop classics, which I have no doubt you will thoroughly enjoy. But it's no less pleasurable to encounter pieces with which we are unfamiliar, and to work through the process of learning them from scratch, seeing them polish into musical gems that we can present to you with pride and confidence.

Beneath the Southern Cross represents the first time that Oriana has put together a programme of exclusively and entirely homegrown music. There is so much of our history and culture that has been celebrated and related through music over the time of Australia's existence. It's a real privilege to be able to bring you all of this wonderful contemporary Australian music in a choral setting. It's sure to be something very special, and a memorable part of Oriana's journey.

PROBUS CLUB OF BUDERIM INC

It may have been due to the cold snap but the Bridge Club had to make a few phone calls to get going with four tables early in the month. They had a happy day and are looking forward to their next meeting.

The weather did not affect our monthly meeting with 84 in attendance to enjoy the convenor's reports and an interesting reprise of the Membership Officer's early life story. Our guest speaker was Fran Mills from the OFT who spoke about scams: how to avoid them and what to do if caught out. Quite surprising and interesting stuff!

Everyone enjoyed the lunch at Stonebridge Gardens in Palmwoods, and is now looking forward to July when they will visit Patrick's Irish Bar & Restaurant, while the Adventure Tour on 27th June was fully booked. What a great start for the new convenors.

The Pumicestone Passage Lunch Cruise went so well that it may be repeated at a suitable time, and the NSW tour is almost full for August, visiting Tenterfield, Port Macquarie and Coffs Harbour.

Guess Who's Coming to Coffee was organised for Wednesday 21st of June and the Theatre Group are planning a visit to the Lind Lane Theatre in Nambour, to see 'The Thrill of Love', about the life of Liz Ellis, the last woman to be hanged in the UK.

Our Probus Club provides the opportunity for retirees to meet in circumstances that provide companionship and intellectual stimulation. We meet on the second Wednesday each month at 9.15 am in the Uniting Church Hall, so why not pay us a visit, and see what you may be missing.

Alternately, you may email our Membership Officer, John Barton at this address: probusbuderim@gmail.com

ROTARY CLUB OF BUDERIM

As we draw towards the end of the Rotary year, it's always good to reflect on how the club has fared over the past twelve months. I'm proud to say that the Rotary ethos of 'Service Above Self' has been at the forefront of our activities this year, with a decent splash of socializing added to the mix.

Our International Director, Paul, packed his bags and headed off to Fiji to represent our club in the installation of the Lifestraws water filtration systems we donated to various remote parts of the island. Paul returned as one very proud Rotarian after witnessing the difference these systems made in the more remote communities where water-borne disease is problematic. Paul was quite humbled by the gratitude shown by the locals for the Club's generosity.

Director of Youth Services, David, has been flat out spreading the word among our local schools about the various Rotary programs available to their students, and how our club is willing to support students keen to participate. We sponsored one very eager young lady to participate in the National Youth Science Forum, which she found to be a "life-changing" experience. The club has agreed to sponsor ten local students to attend a new Rotary Youth Program called the Science Experience. And, as we do every year, we participated in the Driver Awareness training day for local senior students. Our club has a proud history of supporting our local youth and will continue to do so towards the end of this year with the Rotary Youth Leadership camps.

The role of Director of Community Service is always a demanding one, however Director Ken rose to the occasion. The year saw us assist with the Buderim Christmas Carols, and then hot on the heels of that, organize a sensational Australia Day celebration which attracted thousands of locals. A few sausages were sizzled for the Jazz in The Park event, the Mooloolaba Boardwalk opening and the Buderim Gardens open day. On a fortnightly basis we are assisting Buderim Mountain SS with their students' breakfasts and continuing to support the Maroochy Neighbourhood Centre by donating food and cooking up a hot breakfast for those in our community sleeping rough. Not one to rest on his laurels, Ken has already started cracking the whip in preparation for Australia Day '24 – and what a wonderful event it is going to be.

Vocational Service Director, Keith, organized a great Adventure Car Rally earlier in the year which was thoroughly enjoyable. His organization of our yearly Vocational Service Awards allowed us to recognize those service providers in our local Buderim community who show dedication to their vocation and exemplary customer service.

We can certainly look back on the past year with President Lynne at the helm, proudly knowing that the club has served our community well, contributed to the work of Rotary internationally, and stand in good stead to move forward with Incoming President Clive taking over the reins.

SUNSHINE COAST ART GROUP INC

Sunshine Coast Art Group - Exhibition & Art Market Saturday 1st July, 2023

Feeling the chill of the weather... then how about warming up with a bowl of delicious homemade soup in a handmade bowl which you get to keep! That's what's on offer at the Sunshine Coast Art Group's annual, major fundraising event. You get to select from a fabulous range of handmade and decorated ceramic bowls, and have it filled with your choice of winter warming soup and enjoy some crusty bread to go with it... all for just \$15! You can even buy a microwaveable soup bowl holder (made by our Sewing Group) to go with it.

This much-anticipated event has developed a great following from the local community for good reasons. As well as the soup bowls you can purchase unique handmade items and artworks - ranging from landscapes on canvas to gift cards on paper, jewellery, garden art, functional work and sculptural – all things arty and crafty. The members of the Club have been working for months, making their pieces as well as the bowls which are the key component of our fundraising initiative with all of the proceeds going towards covering the ever-increasing cost of running our studios.

This year we have an added feature to our exhibition and art market a display of handcrafted 'houses' that were created as part of a club-wide challenge (to make a home for any living creature!). The results are incredibly creative constructions which will delight all for sure...plus there's a People's Choice award with voting being conducted at the event on the day. Funds raised from the sale of 'the houses' will go to the One Roof project operated by the Maroochy Neighbourhood Centre for the very worthy cause of helping the homeless on the Coast. 'Houses' for the 'homeless'. Created by one community group to help another...which we think is pretty special.

This is an event not to miss. Not only can you buy a bowl and soup... and sit back and enjoy it listening to one of the Club's super cool bands...you can browse items in both of our art studios, bag a bargain, chat with the artists, watch demonstrations and enjoy a fun day out with family and friends. There's an activity to keep the kids entertained plus a coffee van and some homemade sweet treats to enjoy. There's plenty of off-street parking, EFTPOS and FREE ENTRY. We've put everything in place to make it and easy and fun to come.
