Montant le cheval Goodwill, la princesse Anne de Grande-Bretagne franchit un obstacle lors de l'épreuve de fond.

Princess Anne of Great Britain and Goodwill negotiate a difficult jump during the endurance test.

Le doyen des concurrents au concours complet, l'Australien William Roycroft, en est à sa cinquième participation aux Jeux olympiques. Monté sur Version, il mènera son équipe à la médaille de bronze grâce à sa performance aux sauts d'obstacles.

William Roycroft of Australia aboard Version. The oldest competitor in the three-day event, in his fifth Olympic Games, Roycroft led his team to a bronze medal.

Une pente abrupte et détrempée, un saut sous les arbres, un virage rapide et deux mètres plus loin, un autre saut. La Canadienne Juliet Graham, sur Sumatra, s'en tire très bien.

Canada's Juliet Graham and Sumatra have just jumped over an obstacle and into the trees where they make a quick two-metre turn on a wet steep hillside to face another jump.

Michel Vaillancourt, l'un des trois cavaliers au deuxième rang après le Grand Prix individuel de sauts d'obstacles. Lors du barrage, il franchira les obstacles sans difficulté, sauf le premier, et remportera la médaille d'argent pour le Canada, sur Branch County.

Michel Vaillancourt was one of three riders tied for a second place after the first round of individual Grand Prix jumping. During the jump-off, he had a clean run, except for the first obstacle, and finished with a silver medal for Canada aboard Branch County.

Très belle performance d'Alwin Schockemoehle (République fédérale d'Allemagne) sur Warwick Rex. Grâce à une harmonie parfaite avec sa monture, il remportera la médaille d'or du Grand Prix de sauts d'obstacles individuel.

Alwin Schockemoehle (GER) on Warwick Rex in a rare moment demonstrating the perfect combination of rider and horse as the two negotiate a jump en route to the individual gold medal.

La Britannique Debbie Johnsey, sur Moxy, participe au barrage décisif de la deuxième place au Grand Prix individuel de sauts d'obstacles. Très courageuse, elle verra quand même les chances d'une médaille lui échapper.

Debbie Johnsey (GBR) aboard Moxy took part in the jump-off to decide second place in individual Grand Prix jumping. Despite a brave attempt, she let her chances for a medal slip through her fingers.

L'Américain Lanny Bassham, médaillé d'or à la carabine de petit calibre, trois positions, fait preuve d'une extrême concentration: atteignant de 33 coups sur 40 la zone de 10 points large d'un centimètre, il réalise, position debout, une marque de 373.

Carabine de petit calibre, trois positions. Margaret Murdock est la première femme à remporter une médaille aux compétitions olympiques de tir. Sa marque était égale à celle de son compatriote Lanny Bassham. Se fondant sur les résultats de la ronde finale, les juges décernant la médaille d'or à ce dernier et la médaille d'argent à Mlle Murdock.

Aux épreuves de tir à la carabine de petit calibre, position couchée, match anglais, la compétition est tellement serrée que la moindre maladresse technique ou un seul moment d'inattention peut occasionner la perte d'un point et coûter cher au classement.

Lanny Bassham (USA) gold-medal winner in the small-bore rifle three positions event, shows the concentration needed to place 33 of 40 shots in the 10-point, 1-cm inner ring, for a score of 373 in the standing position.

Margaret Murdock (USA) became the first woman to win a medal in Olympic Games shooting. Although her score in the small-bore rifle three positions event tied her with team-mate Lanny Bassham, the judges, basing their decision on the final round, awarded her the silver medal while Bassham won the gold.

The small-bore rifle, prone position, "English Match" features such stiff competition that one small slip in technique or attention can lead to the loss of a single point and move an athlete from medal contention down many places in the standings.

Les sonneries, au Stade olympique, marquent la fin des Jeux. Cinq cents écolières forment les anneaux, au centre, tandis que la Marche des athlètes annonce le défilé de clôture.

Fanfares resound throughout the Olympic Stadium as the Games of the XXI Olympiad draw to a close. Five hundred school-girls form the Olympic rings in the centre of the field as the final procession begins to the tune of the March of the Athletes.
