Missionary Cooperation Plan 2019

The Sisters of the Infant Jesus (SJI) is a Religious Congregation of women founded in Gweru, Zimbabwe in 1950 with members making a vowed commitment to love and serve God and His people. We are a group of women numbering 232 professed members and 21 in initial formation stages.

The sisters work to empower women, children and the vulnerable through education, health care and social work. The Sisters are involved in pastoral ministries, teaching and nursing, as cooks, administrators and also in pastoral projects that address the needs of the poor and vulnerable, especially women and children who are orphaned or handicapped.

Zimbabwe's economy has been in serious decline for the past 20 years and currently most organizations and industries have been forced to close. Like other organizations operating in such an environment, the SJI Congregation struggles to meet its financial obligations due to limited sources of income for the Congregation and its works. The Community is financed by the income from sisters' salaries and by grants from funding partners when they are available. This income however, falls short of the costs associated with running of the Congregation and our commitment to help the poor and vulnerable in the remotest parts of Zimbabwe.

Your continuous prayers and generous financial contributions will be greatly appreciated. Sr. Maria Rukwishuro SJI will be speaking at all Masses the weekend of June 29-30, 2019. God Bless!
