Sección 1: Introducción

En este directorio, encontrará una lista con los proveedores del plan de Kaiser Permanente. Si desea obtener información detallada acerca de su cobertura de salud, consulte la **Evidencia de Cobertura**.

Su Médico de Atención Primaria

Deberá escoger uno de los proveedores de nuestro plan que figuran en este directorio para que sea su médico de atención primaria (**Primary Care Provider, PCP**). El término “PCP” se usará en todo el directorio. Por lo general, deberá recibir la mayoría de los servicios de atención médica de su PCP.

Su PCP cumple con las normas estatales y está capacitado para brindarle atención médica primaria. Suele ejercer la medicina general, también llamada *medicina interna* o *medicina familiar*. Las mujeres también pueden elegir especialistas en obstetricia y ginecología que el grupo médico designe como médicos de atención primaria. En algunos centros de atención, usted tendrá la opción de escoger a un enfermero con práctica médica (*nurse practitioner, NP*) para que sea su PCP.

Su PCP le brindará la mayor parte de la atención. Si necesita un médico especialista, su PCP lo ayudará a elegirlo y trabajará con este profesional como parte de su equipo de atención médica.

Usted puede elegir su PCP entre cualquiera de nuestros médicos de atención primaria o enfermeros con práctica médica que estén disponibles. Cuando lo haya elegido, su decisión será efectiva de inmediato. Si lo desea, puede cambiar de PCP por cualquier motivo.

¿Cómo elijo o cambio mi médico?

Consideramos que una parte importante de su salud integral es construir una relación personal con su médico de atención primaria, asistente médico o enfermero con práctica médica. Este profesional es quien le brinda apoyo para sus necesidades y metas de salud y lo ayuda con todo, desde indicarle exámenes de atención preventiva y darle consejos para llevar una vida más sana hasta tratarlo cuando esté enfermo.

No importa si es miembro nuevo de Kaiser Permanente o si es miembro desde hace mucho tiempo y busca un cambio, elegir un médico personal para coordinar su atención es sencillo. Puede buscar información acerca de las certificaciones, las especialidades, los intereses, los idiomas que habla cada médico y mucho más en kp.org/scal/spanish para encontrar el que sea adecuado para usted.

Si lo desea, puede cambiar de médico en cualquier momento y por cualquier motivo.

Atención para sus necesidades personales

Puede elegir a su médico personal de alguno de los departamentos que se mencionan a continuación.

Medicina Interna o para Adultos (internistas)
Medicina Familiar (médicos de familia)
Obstetricia y Ginecología (ginecólogo-obstetra)
Pediatría, para bebés, niños y adolescentes
Enfermeros con práctica médica

En algunos centros de atención, también tiene la opción de elegir un enfermero con práctica médica.

Los enfermeros con práctica médica son enfermeros titulados que cuentan con capacitación y educación de nivel avanzado. Pueden diagnosticar y tratar una amplia variedad de condiciones médicas, emitir recetas médicas, solicitar e interpretar análisis de laboratorio y pruebas de imágenes diagnósticas, y brindar consejos y educación a los miembros de Kaiser Permanente y a sus familiares. Trabajan con la supervisión y el apoyo de un médico y de acuerdo con procedimientos cuidadosamente controlados.

Cómo elegir o cambiar el médico

En internet

Visite el sitio kp.org/scal/spanish. Encuentre información sobre los médicos que están disponibles y elija el que sea adecuado para usted.

Por teléfono

Para seleccionar o cambiar el médico personal, u obtener información sobre los profesionales médicos y los servicios, llame al 1-888-956-1616.

Cómo Recibir Atención Cubierta

Si es miembro de Medi-Cal, debe recibir la mayoría de los servicios a través de proveedores del plan en el área de servicio de Kaiser Permanente. Los únicos servicios que puede recibir de proveedores que no pertenecen al plan son los siguientes:

- Atención en un Centro de Salud con Calificación Federal (Federally Qualified Health Center, FQHC)
- Atención en un Centro de Salud para Indígenas Estadounidenses
- Servicios de ambulancia en casos de emergencia con cobertura
- Servicios de emergencia y cuidados postestabilización con cobertura
- Servicios de planificación familiar con cobertura
- Atención de urgencia fuera del área con cobertura
- Referencias a proveedores que no pertenecen al plan
- Algunos servicios sensibles con cobertura

Si recibe servicios que no tienen cobertura a través de Medi-Cal, es posible que deba pagar el costo de esos servicios.

Los “proveedores del plan” que aparecen en este directorio han acordado brindarle cobertura de atención médica y de servicios para la vista. Puede acudir a cualquiera de los proveedores del plan que aparecen en este directorio; sin embargo, es posible que se necesite una referencia para algunos servicios. Si ha recibido atención de un proveedor del plan, no está obligado a seguir atendiéndose con ese mismo proveedor. En algunos casos, es posible que reciba servicios cubiertos de proveedores que no pertenecen al plan.

Para consultar con un especialista, por lo general, deberá recibir primero la aprobación de su PCP. (Esto se denomina recibir una “referencia” a un especialista). Sin embargo, no necesita una referencia para recibir atención especializada de proveedores del plan en las áreas de obstetricia y ginecología, optometría, salud mental y farmacodependencia.

El Departamento de Atención Administrada de la Salud (California Department of Managed Health Care, DMHC) de California creó las siguientes normas sobre la disponibilidad de citas.

Si prefiere esperar para hacer una cita más adelante en una fecha que se adapte mejor a su calendario o desea ver a un profesional médico de su elección, respetaremos su preferencia. En algunos casos, es posible que deba esperar más tiempo del que se indica en la lista si un profesional del cuidado de la salud certificado decide que hacer la cita para una fecha posterior no tendrá un efecto negativo en su salud.

Esta información puede servirle para saber qué esperar cuando solicite una cita.

Tipo de atención	Cita ofrecida
Cita para atención de urgencia	Dentro de las 48 horas
Cita para servicios de atención primaria de rutina (no urgentes), incluidas las citas de medicina interna/para adultos, pediatría y medicina familiar	Dentro de los 10 días hábiles
Cita para atención de salud mental de rutina (no urgente) con un profesional que no sea un médico	Dentro de los 10 días hábiles
Cita para atención especializada de rutina (no urgente) con un médico	Dentro de los 15 días hábiles

Las normas sobre la disponibilidad de citas no se aplican a los servicios de atención preventiva. Es posible que su profesional médico le recomiende seguir un calendario de citas específico para recibir este tipo de servicios, de acuerdo con lo que usted necesite. Los servicios de atención preventiva pueden incluir exámenes físicos, pruebas de la vista y la audición, vacunas, educación para la salud y atención prenatal. Las normas tampoco se aplican a la atención de seguimiento periódico para condiciones crónicas ni a las referencias existentes a especialistas.

Acceso oportuno a la ayuda por teléfono

Además, el DMHC estableció las siguientes normas para responder las consultas telefónicas. Estas normas exigen que los planes de salud respondan las siguientes consultas telefónicas dentro de los plazos especificados.

En el caso de los consejos telefónicos para saber si es necesario que reciba atención y a dónde debe acudir, los planes deben responder en un plazo de 30 minutos, durante las 24 horas del día, los 7 días de la semana.

En el caso de las consultas sobre el servicio al cliente, los planes deben responder en un plazo de 10 minutos durante el horario de atención habitual.

Servicios de interpretación sin costo

Infórmenos si necesita que le brindemos servicios de interpretación cuando nos llama o cuando recibe servicios cubiertos. Los servicios de interpretación, incluido el lenguaje de señas, están disponibles durante todo el horario de atención sin costo alguno. Recomendamos no recurrir a menores ni a familiares para que actúen como intérpretes. Para obtener más información sobre los servicios de interpretación que ofrecemos en la [Región Norte de California](#) y la [Región Sur de California](#), comuníquese con la Central de Llamadas de Servicio a los Miembros:

1-800-464-4000 (línea telefónica sin costo en inglés y en más de 150 idiomas con servicios de interpretación), 1-800-788-0616 (línea telefónica sin costo en español), 1-800-757-7585 (línea telefónica sin costo en dialectos chinos) o 711 (para los usuarios de TTY).

Facturas de proveedores que no pertenecen al plan

Si recibe una factura de un proveedor que no pertenece al plan, debe presentar un reclamo lo antes posible. Además, puede llamar a la línea telefónica sin costo de la Central de Llamadas de Servicio a los Miembros al 1-800-464-4000 (los usuarios de TTY deben llamar al 711).

Envíe el formulario de reclamo completo al Departamento de Reclamos lo antes posible después de haber recibido la atención.

Atención de emergencia y de urgencia

Si tiene una condición médica de emergencia, llame al **911** o diríjase al Departamento de Emergencias del hospital más cercano. La atención de emergencia es la que se proporciona ante una condición médica, como un dolor intenso, o un trastorno psiquiátrico que requiere atención inmediata para evitar consecuencias graves en su salud. Salvo en Canadá o México, si viaja al extranjero y necesita atención de emergencia, Kaiser Permanente **no** brindará cobertura para su atención.

Para mayor conveniencia y continuidad de la atención, si está en nuestra área de servicio, le recomendamos que se dirija al Departamento de Emergencias de un hospital del Plan, pero solo si es razonable hacerlo teniendo en cuenta su condición o los síntomas que presente.

Si tiene una emergencia, hablaremos con los médicos que le brinden la atención de emergencia para ayudar a coordinar su atención y darle seguimiento. Los médicos que le proporcionen la atención de emergencia determinarán en qué momento su condición es estable y cuándo termina la emergencia médica.

Una vez que la emergencia ha pasado, usted tiene derecho a recibir atención de seguimiento para asegurarse de que su condición sigue siendo estable. Su atención de seguimiento tendrá cobertura a través de nuestro Plan. Si recibe atención de emergencia de proveedores que no pertenecen al plan, haremos lo necesario para que su atención quede a cargo de proveedores del plan tan pronto como lo permitan su condición médica y las circunstancias. Antes de recibir cuidados posestabilización de un proveedor que no pertenece al plan, es muy importante que dicho proveedor nos llame a fin de obtener

autorización para esta atención. Usted deberá hacerse cargo de los gastos únicamente si el proveedor fuera del plan o nosotros le informamos de su posible responsabilidad.

¿Cuál es el área de servicio del plan Medi-Cal de Kaiser Permanente?

Las personas inscritas en Kaiser Permanente tienen acceso pleno e igualitario a los servicios cubiertos. Esto incluye a las personas inscritas que tienen discapacidades, según exige la Ley sobre Estadounidenses con Discapacidades de 1990 y la Sección 504 de la Ley de Rehabilitación de 1973, y conforme a las leyes federales y estatales que prohíben la discriminación por discapacidad.

Encuesta sobre accesibilidad física a los centros de atención

De conformidad con el Departamento de Servicios de Atención de la Salud (Department of Health Care Services, DHCS) de California, realizamos encuestas sobre accesibilidad física en algunos centros de atención. Estas encuestas evalúan 6 áreas de acceso: el estacionamiento, el exterior del edificio, el interior del edificio, los baños, las salas de exámenes, y las mesas de exploración y básculas. En el caso de los Proveedores y los Centros Afiliados, la información sobre accesibilidad física puede estar disponible públicamente, o pueden comunicarla los mismos proveedores, en lugar de obtenerse mediante encuestas de Kaiser Permanente. Para ayudarlo a comprender cómo determina la encuesta si un centro de atención es accesible para personas con discapacidades, los niveles de accesibilidad son los siguientes:

Acceso básico. Se comprueba que el centro de atención ofrece accesibilidad física para personas con discapacidades en cada una de las siguientes 5 áreas estudiadas: estacionamiento, exterior del edificio, interior del edificio, baños y salas de exámenes.

Acceso limitado. Se comprueba que el centro de atención ofrece accesibilidad física para personas con discapacidades en algunas de las siguientes 5 áreas estudiadas, pero no en todas: estacionamiento, exterior del edificio, interior del edificio, baños y salas de exámenes.

Acceso a equipo médico. Se comprueba que el centro de atención ofrece a los pacientes con discapacidad acceso a mesas de exploración con altura ajustable y básculas accesibles para personas en silla de ruedas y en scooter para discapacitados. También se indica con el símbolo T, que se describe a continuación.

Significado de los símbolos de accesibilidad física

En las listas, los centros de atención en los que se realizó una encuesta sobre accesibilidad física incluirán símbolos que muestran su accesibilidad según las pautas del DHCS.

E = sala de exámenes. La entrada a la sala de exámenes es accesible y tiene un sendero bien marcado. Las puertas se abren con facilidad y son lo suficientemente anchas para permitir el paso de sillas de ruedas o scooters para discapacitados. Hay suficiente espacio en la sala de exámenes como para hacer girar una silla de ruedas o un scooter para discapacitados.

EB = exterior (afuera) del edificio. Las rampas en el borde de la acera y en otras áreas son lo suficientemente anchas como para permitir el paso de una silla de ruedas o un scooter para discapacitados. Hay barandillas a ambos lados de la rampa. Hay una entrada para acceso de personas discapacitadas al edificio. Las puertas se abren lo suficiente como para permitir el paso de sillas de ruedas o scooters para discapacitados, y tienen manijas fáciles de usar.

IB = interior (adentro) del edificio. Las puertas se abren lo suficiente como para permitir el paso de sillas de ruedas o scooters para discapacitados, y tienen manijas fáciles de usar. Las rampas interiores son lo suficientemente anchas y tienen barandillas. Las escaleras, si las hay, tienen barandillas. Si hay ascensor, está disponible para el público durante las horas en que el edificio está abierto. Hay suficiente espacio en el ascensor como para hacer girar una silla de ruedas o un scooter para discapacitados. Si hay una plataforma de elevación, puede usarse sin ayuda.

P = estacionamiento. Los espacios de estacionamiento, incluidas las áreas para camionetas, son accesibles. Hay rampas en los bordes de las aceras entre las zonas de estacionamiento, las oficinas y las áreas de descenso para pacientes.

R = baños. Los baños son accesibles y las puertas se abren fácilmente y son lo suficientemente anchas como para permitir el paso de sillas de ruedas o scooters para discapacitados. Hay suficiente espacio en el baño como para hacer girar una silla de ruedas o un scooter para discapacitados, y cerrar la puerta. Hay barras de soporte que permiten pasar fácilmente de la silla de ruedas al inodoro. Es fácil acceder al lavabo, y los grifos, el jabón y el papel higiénico son fáciles de alcanzar y de usar.

T = mesa de exploración o báscula. La mesa de exploración se desplaza hacia arriba y abajo, y la báscula es accesible y tiene barandillas para facilitar su uso a las personas en silla de ruedas y en scooter para discapacitados. Es posible tener acceso a la báscula desde una silla de ruedas.

PA = áreas para participantes. Los pacientes pueden llegar a todas las áreas comunes con o sin ayuda, y pueden usarlas.

PD = uso para diagnóstico y tratamiento de pacientes. Los pacientes pueden acceder a las áreas de pruebas y tratamiento y a los equipos, y pueden hacer uso de estos.
