To Celebrate Life awards \$275,000 in 2022 to 15 Bay Area nonprofit organizations.

To Celebrate Life Breast Cancer Foundation is regarded as a prime funder in the breast cancer space in the Bay Area. In April, 2022, we were proud to award \$275,000 in grants to 15 Bay Area nonprofit organizations which support women and men with breast health issues.

These organizations provide emergency, direct and diagnostic services, patient navigation, financial assistance, holistic complementary therapies and emotional support programs to underserved breast cancer patients.

Grant recipients are located throughout the nine-county Bay Area. The 2022 grant recipients were chosen from a pool of applicants by the Foundation's Grants Review Committee, which consists of community health and medical leaders, supporters, past and present Foundation Board Directors, many who have personally experienced breast cancer.

Although we were unable to honor the 2022 grantees in person at our annual Grants Reception, we thank them for the important services and support they provide for breast cancer patients in our communities.

A message from our Board President

Dear Friends and Supporters,

On September 24, 2022, for the first time in nearly three years, we were thrilled to gather in person at our 27th annual Stepping Out gala! The opportunity to come together to celebrate and support our community took on a deeper meaning as we were able to be physically present for one another and share laughs, hugs and tears of joy as we honored our brave fashion show models. It was a joyful celebration and together we raised needed funds to support underserved women and men across the Bay Area who are navigating a breast cancer diagnosis.

To Celebrate Life Breast Cancer Foundation raises funds and grants awards to Bay Area organizations that provide critical emergency and direct services to underserved breast cancer patients. Services include emergency financial assistance for rent, meals, navigation, diagnostic screening and support groups.

This report honors the organizations, workers and volunteers that work tirelessly each day to help women and men thrive in some of the most difficult times of their lives. Our continued support ensures important breast cancer services and care will be available for those in need.

We are eternally grateful to our sponsors, longtime donors and dedicated volunteers who believe in our Mission and have faithfully supported us through some challenging years. We have become a more vital organization today, because of your ongoing generosity.

Thank you for helping us realize our Vision - **No one should face breast cancer alone.**

With heartfelt gratitude,

Shari Dagg
President, Board of Directors
