SECTION III

REPORTS

CONFERENCE BOARD OF ORDAINED MINISTRY

The Lord is with you. **And also with you.**

Bishop McAlilly, sisters and brothers of the Conference and guests, good afternoon.

On behalf of the Board of Ordained Ministry, I'm honored to bring our report on behalf of the women and men, lay and clergy, who do this important work on behalf of the annual conference. 2016 brought us an infusion of new talent to our Board. Will all members of the Board of Ordained Ministry please stand.

1. Over the past year we have with earnest migrated much of our work into the Nashville Area Office of Ministerial Concerns. Rev'd Tommy Ward and his staff have been very helpful in centralizing our files, onboarding inquiring candidates in our denominations online candidacy portal, and coordinating the work that heretofore was done in diaspora across the conference. As is the case in any transition of this magnitude there are some bumps along the road, but we are making headway. The Office of Ministerial Concerns will be a key asset for our work in recruiting and preparing clergy leaders going forward.
2. Our work to align our processes across the Area continues. By way of reminder, our goal, in partnership with the Board of Ordained Ministry from the Tennessee Conference is to create uniformity in how we prepare clergy leaders. Our Residents in Ministry have met as an Area for several years now establishing meaningful relationships across the Area and further deepening our connections. The fruit of that work, led by Rev'd Renée Dillard, is blessed work indeed. In the coming year, two things will occur to move us toward more effective and faithful ministry.
 - a. Starting in 2018, our Local Pastor's Licensing School will be an Area-wide work. While previously held in each conference with different agendas and faculty, our new Area Licensing School will allow us to pool the considerable talent and resources of the Area to prepare those seeking to be local pastors, given them essential tools matching their call with necessary skills to carry out their pastoral tasks.
 - b. In early August, representatives of the Tennessee and Memphis BOMs will meet with the cabinet for a day of conversation and learning for how we can best partner in preparing the type of clergy leaders the church of today needs. This is the beginning of what will be a more intentional time of cooperative work with the BOM and the Cabinet, under the guidance of our Bishop.
3. Many years ago the BOM created the Parsonage Family Care plan as a means to offer counseling and mental health care for clergy and their families. The introduction of the new healthcare plan this past year necessitated our changing the dimension and scope of care the program originally offered to focus on our part time clergy families. There is material available for our part time clergy families who seek this level of service. I encourage you to find Rev'd Dr. Birgitte French, who coordinates this work for the BOM, for more information.
4. This past year renewed energy has been placed on establishing a clear, creative and comprehensive mechanism for clergy to pursue Continuing Education/Formation. The 2016 Book of Discipline states *"Throughout their careers, clergy shall engage in continuing education for ministry, professional development, and spiritual formation and growth in order to lead the church in fulfilling the mission of making disciples for Jesus Christ. This shall include carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities."* We now have a Continuing Formation Team, headed by Rev'd Lora Jean Gowan, who has established a Continuing Formation Manual for the ways in which continuing education/formation can be pursued, including the process by which funding help to achieve those goals can be realized through the resources of the Board of Ordained Ministry. That manual will be available for clergy very soon.

Candidates elected to Provisional Membership by the Clergy Session to be commissioned:

- **Kyle Micah Bomar**
Graduate of Memphis Theological Seminary Married to Caitlin
Currently Serving Embury
- **Samuel Leroy Chambers**
Graduate of Vanderbilt Divinity School with MTS securing required courses to fill gap between MTS and MDiv Married to Mellissa and father to Emma Grace
Projected to Serve at Murray First UMC Associate
- **William Robert Clark**
Graduate of Duke Divinity School with MDiv Single
Projected to serve Liberty Post/Post Oak
- **Mimi Elizabeth Leanne White**
In her final year at Memphis Theological Seminary finishing MDiv Married to George and Mother of Walter
Projected to serve as St. John's Associate

Each has been examined by the Board of Ordained Ministry. They answer the questions of the Discipline satisfactorily. They were elected to Provisional Membership at Clergy Session and are recommended to be Commissioned as Elders in The United Methodist Church.

- **Shannon Dee Rogers Pryor**
Graduate of Memphis Theological Seminary with MDiv Married to Keith and Mother to Tucker
Currently serves as Associate at St. Paul's.

Shannon has been examined by the Board of Ordained Ministry. She answers the questions of the Discipline satisfactorily. She was elected to Full Connection Membership at the Clergy Session and is recommended to be Ordained a Deacon in The United Methodist Church.

Bishop asks Wesley's historic questions to the ordination candidates from ¶336, 2016 Book of Discipline.

My final duty in this report is to answer Question 17 before the whole body of the Conference. It's the question on clergy conduct and character. The required answer is a functional one. That is, are the clergy fit for appointment? We answer it knowing inwardly none of us, clergy or lay, are what should be in our character and conduct. But thanks be to God, none of us are what we shall be perfected in the Love of God through Jesus Christ our Lord.

Are all the clergy members of the Conference blameless in their life and official administration (¶¶604.4, 605.6)? Yes.

Respectfully Submitted on this the Fifth day of June in the year of our Lord, Two Thousand and Seventeen,

Rev'd Dr. Jonathan L. Jeffords
Chair, Board of Ordained Ministry

BOARD OF PENSIONS AND CLERGY WELLNESS

Rev. Dr. Scott Alford, Chairperson

Part A

The Board of Pension and Health Benefits continues its ministry of serving the clergy and clergy families of the Memphis Conference, and we are grateful for the chance to share together in this work. That appreciation extends to the opportunity to work alongside Larry Davis, our Conference Treasurer, and Clare Wilson, our Assistant Treasurer. The staff of the Tennessee Conference has also proven to be helpful to our work over the past few years. However, we have absorbed those duties back into the Memphis Conference treasurer's office.

This past year has been one of organization and planning as we have merged two conference boards into one following our move to Wespath for our health insurance program. We have organized ourselves to include four sub-committees: Executive, Pension, Health Benefits, and Investments. These sub-committees and the full board work in line with four main goals that have been adopted to facilitate our ministry: (1) establish operating policies for doing our work, (2) incorporate the Board of Pension and Health Benefits, (3) intentionally manage our investments, and (4) educate the conference on available benefits through Wespath.

We currently hold accounts with Wespath and the United Methodist Foundation for the Memphis and Tennessee Conferences to be used only for pension purposes. We are pleased that the funding status for all pension plans are funded in full and believe that both Wespath and the Foundation are working to maintain positive returns for us. In keeping with our goals, we will strive to be the best stewards we can with these reserves for the sake of our clergy and their families. Monitoring returns, determining risk tolerance, protecting our funds through incorporation, and calculating adequate reserve levels are among the strategies we will use in the stewardship of our funds.

Part B--Allowances to Retirees

Regarding allowances for the benefit of retired ministers, the Conference Board of Pension and Health Benefits recommends the following:

That ministers retired prior to the opening session of a regular annual conference shall receive an allowance at the rate of up to \$75.00 per day effective June 3, 2012 for each day in attendance at the conference. Reimbursement shall be authorized by the Board of Pension and Health Benefits upon receipt of a voucher showing the actual expense incurred. This benefit shall be available also to surviving spouses, subject to the same conditions.

That upon retirement, full-time active ministers in regular appointment will receive a one-time retirement stipend in the amount of \$1,500 effective January 1, 2011.

That upon retirement, part-time active ministers in regular appointment will receive a one-time retirement stipend proportional to their appointment percentage at retirement in the amount of \$1,125 (75%), \$750 (50%), and \$375 (25%) effective July 1, 2014.

Those full-time, active members in regular appointment may receive the retirement one-time stipend at the time of taking disability leave in lieu of receiving it at the time of retirement.

Beginning January 1, 2017, retirees and spouses on their plan receive a defined contribution of \$250 per month (\$3000 annually) through a Health Reimbursement Account (HRA) and are allowed to participate in the Medicare Supplement program called One Exchange. The One Exchange program is available through Wespath, though it is operated by Towers-Watson. Retirees/Spouses may use their HRA accounts to pay premiums or help with deductibles or copays. To qualify for the retiree subsidy, the retiree must have served a minimum of 20 years in a full-time appointment (local church, campus ministries, or under appointment to an entity accruing pension benefits) in the Memphis Conference or other conference in the case of one who has transferred from another conference. The retiree subsidy program has been terminated for future retirees. To allow future retirees adequate time to plan for retiree medical expenses the cut-off age is 60. Everyone who was 60 years of age or older as of July 1, 2016, with 20 years of service as defined above would remain eligible for the retiree medical subsidy.

Part C--Incapacity Leave

In accordance with ¶356.1 of *The Book of Discipline*, 2016, the Conference Board of Pension and Health Benefits recommends the following conference members to be approved for disability benefits:

Harold Q. Evans, Sr. John Jeffery Irwin Joe Beal

Robert Utley

Only pastors granted Comprehensive Protection Plan (CPP) incapacity leave by Wespath qualify for Conference Board of Pension and Health Benefits incapacity leave benefits in the Memphis Conference.

Part D--Resolutions Relating to Rental/Housing Allowances for Retired, Disabled, or Former Clergypersons of The Memphis Conference (Revision effective January 1, 2014)

The Memphis Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("Clergypersons"); WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "Discipline"), which includes all such payments from Wespath during the period January 1, 2018 through December 31, 2018, by each active, retired, terminated, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the Discipline, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergyperson's pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergyperson or former clergyperson is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

Part E--Current Program/Budget Projection/Funding Request

The Memphis Conference Board of Pension and Health Benefits 2018 budget request will be included in the Conference Finance and Administration Report.

Part F--Memphis Annual Conference Funding Plan for Supplement One to the Ministerial Pension Plan

The 2018 Past Service Rate (PSR) is \$612, which represents a 2.1% cost of living adjustment. The Board of Pension and Health Benefits has adopted the policy to update the PSR based on the rate of change in the Conference Average Compensation.

Wespath's actuarial valuation of the plan for the Memphis Conference shows more assets than benefit obligations. The estimated funding for our Pre-82 plan shows assets equal to 133% of the actuarially projected plan liability. We anticipate no additional deposits into this account in the near future.

Part G--CRSP Eligibility and UMPIP Contributions for Part-Time Clergy

The Clergy Retirement Security Plan (CRSP) is for full time clergy under Episcopal appointment within the bounds of The Memphis Annual Conference. The United Methodist Personal Investment Plan (UMPIP) is for all clergy, including those serving less than full time, under Episcopal appointment within the bounds of The Memphis Conference.

Effective January 1, 2014, the Memphis Conference has elected to cover only clergy serving full time under the Clergy Retirement Security Program (CRSP). The Memphis Conference will contribute to the United Methodist Personal Investment Plan (UMPIP) on behalf of clergy who are no longer covered under CRSP. Clergy who are serving three-quarter, half-time or one-quarter time will receive a contribution in the amount of 6% of plan compensation to their UMPIP accounts.

Part H--Active Clergy Health Insurance

The Memphis Conference offers two medical plans...the B1000 Gold plan, which is a PPO plan, and the High Deductible Plan (HDHP) H1500. The main difference is the choice between having a lower premium and higher deductibles and paying a little more premium for lower upfront costs. The HDHP allows the participant an opportunity to set up a Health Savings Account which can provide significant tax and retirement benefits. Dental and vision coverage are also be available from Health Flex, and these coverages are optional.

Health Flex requires mandatory participation for all full time clergy appointed to local churches and conference entities (DS , campus ministries, new churches, etc.). Part-time clergy (75% and below) are no longer eligible for conference health insurance. Mandatory requirement simply means that all appointed clergy will be included, and their church will receive a bill for the premium unless the clergyperson chooses to opt-out of the coverage. The individual clergyperson may opt-out for one of the following reasons:

- a. Coverage from a previous employer
- b. Covered by spouse's plan
- c. Covered under Tricare
- d. Covered by Medicaid
- e. Insurance is deemed unaffordable under ACA rules. If the annual cost of the single rate (\$176 per month) exceeds 9.5% of the Adjusted Gross Income the coverage is deemed unaffordable. Our insurance is affordable for those making at least minimum compensation.

The cost of the health insurance premiums will be billed to the local church. Churches are billed for 100% of the premiums and are expected pay 80% of those premiums from church budget and collect the 20% balance by withholding from the clergyperson's salary on a pre-tax basis. Since dental and vision are optional coverages, they may be withheld from the clergyperson's salary in full or paid at the same rate as the medical premiums on a pre-tax basis.

The due date for submitting premium payments is the 25th of each month, and a 2% late fee will be added for payments received after the due date. Insurance may be subject to cancellation after 90 days of nonpayment.

Medical insurance premiums for next year will increase 6%, and there will be no change to the dental and vision premiums. The tables below list 2018 premiums.

COUNCIL ON FINANCE AND ADMINISTRATION

POLICY RECOMMENDATIONS

FOR Fiscal Year 2018

- I. The Council on Finance and Administration concurs with the Connectional Ministries Team regarding conference and general church special day observances. We also concur with the special day designated offerings.
- II. We recommend that only under emergency conditions, as determined by the CFA in consultation with the bishop and the cabinet, shall funds be borrowed from an outside lender for current expenses. The maximum such borrowing shall be \$250,000 (two hundred fifty thousand dollars).
- III. The CFA recommends that it be authorized to act on requests for funds in those situations in which budgeted funds, as approved by the conference, are inadequate to meet emerging missional needs or unforeseen circumstances. Those requests which are approved shall be funded from the Conference Reserve Fund, and the amounts of the funding shall be reported to the conference (2016 Discipline p.612.7). Such inter-fund borrowing shall be reported to CFA monthly.
- IV. We advise all agencies that the conference treasurer will be instructed to issue funds only up to the amount of the projected income for each fund for the year. Salary items shall be paid at full budgeted amounts, but the amounts remaining in the budgets after salaries are funded will be expended only up to the projected percentage of apportioned amounts that will be collected. Each group is responsible for proper allocation of its funds for the year, and no funds will be issued when the projected income ceiling has been reached, without prior approval of the Council on Finance and Administration.
- V. We recommend approval of the Reserve Fund report of the Council on Finance and Administration. We further recommend acceptance of the audit report from the conference's certified public accountant for 2016, and that the audit for 2017 be submitted no later than May 31, 2018.
- VI. We recommend that all conference-authorized travel be reimbursed as follows:

Volunteer	IRS Rate (2017 .14 per
mile)	
Conference Staff/Conference Lay Leader	IRS Rate (2017 .535 per mile)
- VII. Boards and agencies requesting funds must have their vouchers approved administratively as follows:

<u>Claimant</u>	<u>Approving Officer</u>
A. District Superintendent	A. Bishop or CFA President
B. CMT Staff and employees	B. CMT Director
C. CMT Committees	C. CMT Director
D. Committee, Commission and Commission Board members	D. Committee, and Board Chairs
E. Treasurer	E. Bishop or CFA President
F. CMT Director	F. Bishop or CFA President
G. CFA President	G. Bishop
H. All others	H. Treasurer
- VIII. All who are requesting funds of the conference for 2019 are asked to have their requests, in writing, to the conference treasurer by March 1, 2018. We request full disclosure of the expenditures of the groups for 2017, and budget projections for the expenditures for 2018 funds.
- IX. We request that each district, through its district superintendent, submit to the CFA by March 1st 2018, a copy of the budgets for those funds that are apportioned and administered within the bounds of the district. An audit of the funds handled during the year 2017 is requested by the spring 2018 meeting of the CFA. We recommend following, as far as applicable: the outline of the General Council on Finance & Administration's Local Church Audit Form or, if performed by a certified public accountant, to the Standards of Review of the American Institute of Certified Public Accountants.

- X. We would remind all conference entities of the provision in the 2016 Discipline paragraph 614.5.a, which disallows special conference-wide funds appeals without prior approval of the Annual Conference upon CFA's recommendation.
- XI. All items added to the conference budget at the annual conference session will become a part of the year's budget under consideration, and will not be taken from the Conference Reserve Fund.
- XII. The Director of the Conference Connectional Ministries Team and/or the Annual Conference Treasurer or their assigns shall serve as an ex-officio member of all special study committees authorized by the annual conference session.
- XIII. The Conference Treasurer shall execute the policies established by the Conference Council on Finance and Administration, and in consultation with the Conference Investment Coordinating Committee, regarding the investment of funds and the regulation of cash flow.
- a. All funds shall be invested following the Guidelines of the General Council on Finance and Administration wherever they may be relevant or applicable.
 - b. The objectives for the investment of conference funds shall include:
 - (1) The preservation of the principal value of the investment
 - (2) The investment should provide a reasonable rate of return
 - (3) The investment should be invested, so far as is practical, with those agencies whose management policies are consistent with the Social Creed of the United Methodist Church.
 - c. The Treasurer shall report annually to the Conference Council on Finance and Administration the location and amounts of invested funds, and the earnings gained.
- XIV. Moving expenses for those hired or appointed as district superintendents, CMT staff members, campus ministers, or CFA staff members will be paid by the conference. These payments will not include amounts for storage, packing materials or labor to pack.
- a. Local churches may not reimburse a minister's professional expenses more than two months ahead of the prorated budget amount at any given time.
 - b. Expenses from January 1 to June 30 in any given year may not exceed 1/2 of the total annual budget amount for reimbursable expenses.

BUDGET RECOMMENDATIONS

- I. We recommend that the 2018 salary of each district superintendent, the program ministries director, and the conference treasurer be \$80,000. We recommend that travel expenses for these positions be reported monthly by voucher for reimbursement. The Superintendent's housing allowance shall be \$20,000 plus \$10,000 for utility and household allowance.
- III. We recommend that the budget as presented in the "CFA Recommendation" column on the budget summary page of this document be approved, and that the fiscal year be designated as 1/1/2018 through 12/31/2018.

APPORTIONMENT/DIRECT BILL RECOMMENDATIONS

- I. We recommend the conference budget for 2018 be based on 10% Line 62 of the 2016 statistical report.
- II. We recommend that all churches remit 10% of annual budget income as defined by line 62 which includes:
 Payment of pledges toward budget/annual spending plan
 - Receipts in support of the annual budget/spending plan
 - Interest on accounts used to support annual budget
 - Funds received from facility rental or sale of church owned assets (i.e. furniture)
 - Funds received from fundraisers used in support of annual budget

III. Income for this apportionment formula does not include:

- Receipts from capital campaigns or interest from previous years' campaign
- Receipts from memorials, endowments or bequest
- Receipts from sale of church owned land
- Receipts for benevolent causes such as Special Sunday offerings or designated donations given by individuals (pass through donations)

IV. To be considered a Tithing church, churches must remit their tithe monthly and remit at least 10% of line 62 on the 2018 statistical report.

V. Pension responsibility for those who are serving in a clergy appointment whether fulltime or part-time, shall be allocated to the church, board, institution, or agency for which he or she is serving.

The Direct Bill amounts for 2018 are:

- Fulltime 8% of plan compensation (Salary plus Housing)
- Part-time 3% of plan compensation
- Unpaid balances will be carried over at the end of the year

VI. We remind all pastors that the 2016 Discipline (par. 340.2(c)(2)(f)) requires that all finances of the local church are to be reported to the conference

VII. The Conference Treasurer will close the 2017 books on by close of business on January 8th 2018.

AFRICA UNIVERSITY REPORT

James. H. Salley, Associate Vice Chancellor for Institutional Advancement

jsalley@gbhem.org | Tel: (615) 340-7438 | www.support-africauniversity.org

Africa University ended 2016 poised to celebrate its Silver Jubilee and eager to embrace new opportunities for transformative ministry over the next 25 years.

THE UNIVERSITY COMMUNITY ACKNOWLEDGES, WITH HEARTFELT GRATITUDE, THE FAITHFULNESS AND GENEROSITY OF THE MEMPHIS CONFERENCE IN HELPING AFRICA UNIVERSITY TO REALIZE ITS MISSION. THE MEMPHIS CONFERENCE STRENGTHENED ITS SUPPORT, INVESTING 72.99 PERCENT OF THE ASKING TO THE AFRICA UNIVERSITY FUND (AUF) APPORTIONMENT IN 2016.

The ongoing support of the Memphis Conference is of vital importance to Africa University because the university draws its mandate, energy and capacity to transform lives from The United Methodist Church.

Therefore, we invite each of you, as members of the Memphis Conference, to set aside time in 2017 to celebrate your journey with Africa University. Please participate in the observance of the university's 25th anniversary. Encourage your congregation to remain steadfast and aim to invest 100 percent of its asking to the AUF and other general church funds in 2017. Engage in a season of daily prayer for Africa University. Join Africa University's honorary alumni association. Consider hosting a special "AU@25" event or an Africa University Sunday in your local church or area. Use your event to increase awareness of Africa University's ministry and invite attendees to each give \$25 each in honor of the 25th anniversary.

Celebrate your role in making Africa University all that it is today and all that it will be in the future. Remember that regardless of the challenges that arise, United Methodists sustain this ministry together — praying, loving and sharing our blessings — and there is no other way that we could do it!

Great things are on the horizon for Africa University in the next quarter century. Your Africa University is continuing to evolve and serve by:

- Restructuring its academic units to remain relevant and provide a broader-based education to meet new demands in the African workforce.
- Providing leadership formation experiences and learning for more than 1,400 full-time students each year.
- Generating new knowledge and capacity to support peacebuilding and to improve food security, human rights, and leadership for the African continent.

Thanks to your generosity, the mission of the global United Methodist Church is alive in the contributions of the Africa University's 7,000+ graduates. More than 90 percent of these graduates are still in Africa, serving communities in 32 countries, as pastors, peace-builders, agriculturalists, public health professionals, environmentalists, and teachers. Currently, more than two dozen Africa University graduates are missionaries in Africa, Latin America, Asia and Europe, under the auspices of the General Board of Global Ministries (GBGM).

Thank you for your unwavering witness in response to the call to faith, hope, and renewal in the world. We pray that blessings continue to abound for all who serve in ministry in the Memphis Conference.

Bethel Wesley Foundation
LaTricia Trull Campus Minister

Student Council Board Josh Shaw - President
Cody Greene - Vice President
Brooke Cagle - Worship Leader

Thank you, Memphis Annual Conference of the United Methodist Church, for your support, encouragement and guidance. The 2016-2017 academic year has been a great time of growth for the Bethel Wesley Foundation and your willingness to walk beside us has played a tremendous part. To the Rev. Jason Jones, current pastor at Lone Oak UMC Paducah Kentucky, I give thanks. The relentless work you did in establishing Bethel Wesley's roots as an extension of the family of faith have provided a firm foundation. Thank you, my friend and brother in Christ.

A very special Thank You to my friend and mentor, Josh Shaw. Josh is a senior at Bethel University and will be graduating in May. Your love for God and all of his children has taught me to meet people where they are and to love them as Christ loves us. We will miss you tremendously but we are ready for the future because of your leadership! Thank you my friend!

The Bethel Wesley Foundation continues to grow in number and in service to the church and community. In the Fall Semester of 2016 we increased our monthly worship to bi-monthly. In the Spring of 2017 we increased our worship opportunities again to weekly. This has truly been a blessing as we have seen these weekly gatherings as an opportunity to truly connect and grow as a family.

Our commitment to Bethel University continues to provide opportunities to be in ministry and presence on campus. Bethel Wesley Foundation hosted several events on campus to reach new students. Through these efforts we saw our weekly attendance grow to an average of 25 students.

In the fall of 2016 we were able to send students, along with other students from surrounding UMC campus ministries, to Atlanta Georgia for the NEXT UMC conference which is sponsored by GBHEM. (Global Board of Higher Education and Ministry). During the conference one of our students heard clearly the call to ministry in the UMC and will now be pursuing an education to live into that call.

In the spring of 2017 we were blessed to be a part of a conference wide campus ministry mission trip to Reelfoot Rural Ministries. Many thanks to campus ministers Rev. Amanda Crice (UT-Martin Wesley Foundation) and Rev. Tim Palmer (Murray State University Wesley Foundation) for their hard work and commitment in organizing the fall and spring Memphis Conference Wesley ministries events.

As we look to the future we covet the prayers of the members of the Memphis Annual conference. Pray with us that we will continue to find ways to Discover, Equip, Connect and Send students in ministry to serve.

TAKING ACTION GLOBALLY AND LOCALLY:

Campus action: Work with Boston University to improve accessibility and sustainability: to provide full access for all persons (a work in progress) and to live sustainably with the planet.

Internships in global service and peacemaking: Student-initiated internships for service with communities across the world, and for just peacemaking projects with international organizations.

RENEWED COMMITMENT TO JUSTICE: Celebrating differences while joining together for action.

Standing with Standing Rock: Several BUSTH students and alums joined indigenous peoples at the Oceti Sakowin Camp in North Dakota to protest the pipeline on sacred Sioux land.

Deep conversations: Faculty, students and administrators have led deep conversations on issues that divide, but with respectful listening that builds community life and communal action.

OTHER NOTABLE HEADLINES:

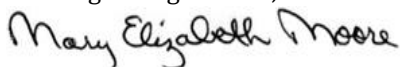

Our own Associate Dean Pamela Lightsey was featured in Boston University's 2016 Annual Report for her pursuit of justice, empowerment, and change.

Our graduating senior, Rev. Mariama White-Hammond (AME) led the Boston Women's March, and some 75 STH faculty and students marched, calling for social and ecological justice as we build new futures in the United States.

Students of all theological and social orientations are asking and then acting: "What can I do to make this world better?" "How can I witness to my Christian faith?"

As BUSTH looks back on 2016, it celebrates transformational leaders who have loved God and cared mightily for God's world. Their living legacy gives us hope and courage for the future.

Blessings and gratitude,

CANDLER SCHOOL OF THEOLOGY

For more than 100 years, **Candler School of Theology at Emory University** has prepared *real* people to make a *real* difference in the *real* world. Since our founding in 1914, over 10,000 students have graduated from Candler, where they have been shaped as thoughtful, principled, and courageous Christian leaders dedicated transforming the world in the name of Jesus Christ.

One of 13 official seminaries of The United Methodist Church, Candler is also one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a rich context for study. Our location in Atlanta provides a learning environment that reflects the highly diverse communities of the 21st century. Simply put, there is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

In order to keep pace with the needs of the church and the world, Candler offers 17 degrees: seven single degrees and ten dual degrees pairing theology with bioethics, business, international development, law, public health, or social work. One of our newest degrees is a Doctor of Ministry that is 90 percent online, so students can remain in their places of ministry as they study and apply what they learn in real time. We've also partnered with the University of Georgia's School of Social Work to create an MDiv/MSW where students learn to maximize their effectiveness by combining pastoral skills such as spiritual counseling with social work practices such as family therapy and community assessment.

Our student body continues to reflect the diversity and breadth of the Christian faithful. 475 students are enrolled, with 51 percent women, 34 percent people of color (U.S.), and a median age of 30. Students represent 39 denominations, with half coming from the Methodist family. 83 percent of students are seeking a degree to prepare them as ministry professionals.

Candler has a deep commitment to alleviating student debt and employs a multi-pronged approach to tackle this issue. In 2016- 2017, we awarded nearly \$5.75 million in Candler scholarships, with 95 percent of MDiv students receiving aid and the average scholarship covering 73 percent of tuition. Plus, our comprehensive "Faith & Finance" program teaches money management skills that serve our students now and will continue to serve them—and the churches they lead—well into the future.

In fall of 2016, Candler welcomed to the faculty Larry Goodpaster as Bishop-in-Residence, and Kendall Soulen as Professor of Systematic Theology. Also this fall, three Candler alumni began their terms as newly elected bishops in the Southeastern Jurisdiction: David Graves 90T in Alabama-West Florida, R. Lawson Bryan 75T 85T in South Georgia, and Sue Hauptert-Johnson 95T in North Georgia.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries in the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

COMMUNICATIONS TEAM

The Communications Team met in November 2016 to evaluate all communications vehicles used in the Memphis Conference and how they intersect with the mission statement and four areas of focus for the Memphis Conference. The first question we faced was, "What do we need to stop doing?" A survey was conducted to gather information about the quarterly, printable Circuit Writer. Only one response was received that asked to keep the publication. The team voted to end the publication with the last issue of 2016. This will save production costs and time for conference staff. In discussing the four areas of focus of the Memphis Conference, the Communications Team decided to reorganize the weekly eNews with new headers that reflect those focus areas. This new look started in February. Also, there is a new emphasis on posting news stories to social media soon after they are posted on the website and then sharing via eNews. To be more consistent in social media, the team agreed that all social media URLs should be the same and that social media posts should be coordinated to reach targeted audiences, including the use of hashtags to help connect people and information. Facebook allows a low cost advertising option that can target specific audiences that can reach over 800 people with as little as \$20. The team agreed that this is a good cost effective way to push out events and important news stories.

To assist churches in promoting conference communication vehicles (website/eNews/social media), the Communications office is being asked to create easy-to-use tools and graphics such as posters and social media posts for use by churches. A good example of this is the Lenten Hunger Offering materials that were available to our churches this past year.

We also plan to explore having district trainings that can help churches bolster their communication efforts and gain knowledge of all the tools that are available from the Conference and United Methodist Communications.

The team approved the creation of a more sophisticated app that can be easily obtained for free from app stores(s). Plans are for this to be launched in time for the 2017 Memphis Annual Conference.

As we are all conscience of limited finances, the Communications Team is investigating ways of generating income by offering paid advertising opportunities on our website. These would be only businesses that are approved by the team not random pop-up ads that we would not be able to control. This idea is still in the research stage.

Again we want to emphasize that the Communications Team is here to assist each church in our conference as they reach out to share Jesus Christ to a hurting world, one neighborhood at a time. The conference office and United Methodist Communications provides many tools for our churches to use. Please contact us and let us know how we can help.

DISCIPLESHIP TEAM

JEFFREY RUDY, CHAIR

The purpose of the Discipleship Team (formerly “Intentional Discipleship Action Team”) is to seek effective ways to increase the capacity of local churches and extension ministries to make disciples of Jesus Christ.

It is an honor to continue in the leadership of the good work of this team under the leadership of Sue Engle, who chaired this team for 8 years. The task ahead of us is significant, but excellent steps have been taken to increase faithfulness and fruitfulness in the area of making disciples of Jesus Christ for the transformation of the world in our Conference. The work of the Discipleship Team has centered on aligning our efforts, training events, and resources with the mission, values, and four areas of focus of the Memphis Annual Conference.

To strengthen our emphasis on the area of focus to “Invest in Young People,” we have energized our efforts in youth & children’s ministry. The Conference Youth Ministry is under new leadership in the Rev. Amanda Crice, Campus Minister at the Wesley Foundation at the University of Tennessee-Martin. Under her leadership, a strong connection has been developing among youth workers throughout the Memphis Conference and among youth themselves. She initiated a Youth Workers Sabbath Retreat in October of 2016 and hopes to continue this gathering which focuses on the spiritual development of youth leaders. In addition, the Conference Youth Council has seen great participation and fruitfulness in these events: fall and spring retreats, 30-hour famine, and the Youth Annual Gathering (formerly, Youth Annual Conference), which leads up to the Annual Conference in June.

The point person for children’s ministry in the Annual Conference is Kristen Schwartz, the Director of Children’s Ministry at Murray First UMC in Murray, Kentucky. Kristen has worked with the Discipleship Team in planning an annual training event to be held at different sites from year to year. The annual training event, to begin this fall (2017) will be for the entire conference, but will rotate locations so as to make it more geographically feasible for the congregations and leaders for which these trainings would be designed. The aim here will be resource training, especially for congregations dependent solely upon volunteers to lead children’s ministry in their churches through VBS, Sunday school, etc.

In my estimation, the most important innovation the Discipleship Team has brought and nurtured is the Generative Leadership Academy, which has shown tremendous fruit through several years of developing lay and clergy leaders in congregations, increasing their capacity to make disciples of Jesus Christ and to engage the mission field. This effort aligns very well with the mission, values, and four areas of focus of the Memphis Conference, and has shown tremendous fruit in bringing together multiple generations/age levels, as it has included participation of campus ministries and has also offered opportunities for children of participants to engage and grow in their faith. This past year GLA expanded into Western Tennessee, and while GLA has taken a Sabbatical from taking place in the Purchase District, the plan is to resume offering it there in 2018 so that there will be two locations.

The makeup of the Discipleship Team is more extensive than those mentioned herein, and the impact of the various leaders on this team extends further than the work of this team I am honored to lead. The process of discipleship, ideally, infects all aspects of our Conference’s work, since the work of making “disciples of Jesus Christ for the transformation of the world” is the mission of the Church. Still, as we move forward in seeking for innovative, fruitful, and tangible expressions of making disciples, we invite your prayers for discernment and participation to these ends.

Peace of Christ!

 DIVISION OF HIGHER EDUCATION AND CAMPUS MINISTRY

 CINDY LOWE, CHAIR

The 2016-2017 academic year has been a year of new beginnings for the Division of Higher Education and Campus Ministry.

New beginnings started with the chair of the Division of Higher Education and Campus Ministry. Cindy Lowe has taken the reigns as the new chairperson.

The Wesley Foundations take seriously the four areas of focus and mission statement of the Memphis Conference.

- **Invest in Young People:** The Wesley Foundations are completely invested in the students of the six universities they serve. The money provided by this conference directly and indirectly is used to benefit the young people, for the benefit of discovering, equipping, connecting and sending students in order to offer Jesus Christ to the students of their respective University.
- **Engage the Mission Field:** Each pastor is engaging every student that attends the Wesley foundation to mission. Whether it is through medical teams formed by Jonathan Lewis at Methodist Healthcare for international medical mission trips, or work days at Reelfoot Rural Ministries by Amanda Crice and her group at UTM Wesley Foundation, the students are participating in the mission field.
- **Create Transforming Lay and Clergy Leaders:** Each one of our Wesley Foundations have worked very hard this year to organize student governing boards and board of directors. These groups are working very hard to train these young men and women on our college campuses to be strong lay leaders both in the Wesley Foundation buildings and outside on the campuses.
- **Grow Fruitful and Faithful Churches:** We are seeing strong bonds being formed by the United Methodist Churches in the locations of the Wesley Foundations. The fruitful and faithful churches of this Memphis Conference have made a difference in the lives of the college students on all campuses. At the Murray State University Campus, Tim Palmer the director of the Wesley Foundation is also the pastor at Coldwater United Methodist Church. His church has embraced this group of students and work with him in his ministry to this population. Tricia Truell at Bethel Wesley Foundation is also the pastor at McKenzie First United Methodist. This faithful church has opened the doors to this group of students, providing a place for them to meet as well as guidance through the academic year.

I believe that Wesley Foundations of each of the college campuses of University of Memphis, University of Memphis; Lambuth, Methodist Healthcare. University of Tennessee: Martin, Bethel University, and Murray State University exist to achieve the missions and goals of the Memphis Conference of the United Methodist Church. By expecting greater things, these ministries are developing young people and offering Christ to a hurting collegiate world.

Drew Theological School Annual Report Summary 2017

As we celebrate the 150th anniversary of our founding this year, we find ourselves in the unique position of reflecting deeply on our past and, at the same time, looking with confidence and enthusiasm toward the future. Drew Theological School has, throughout its long and distinguished history, fostered a vibrant spirit of learning and community that allows for a rich diversity of both expression and experience. These qualities of inclusion and a steadfast commitment to social justice are what make the Theo School what it is today – and have, in fact, defined it from the beginning of its existence.

In the spirit of our founders, we continue to educate students from all over the United States and throughout the world. We continue to pursue a mission of empowering students to “creative thought and courageous action to advance justice, peace and love of God, neighbor and the earth.” In the classroom and beyond, we continue to focus on educating and forming rooted, innovative, and bold leaders for the church, the academy, and the world.

These are the principles that attract students to our programs, and they guide us in all we do to support them during their time with us.

We have seen the effects of this in our rising enrollment numbers. In the last three semesters, the Theological School has seen a steady growth in both applications and enrollments, and early indications strongly suggest we will continue that trend this year. Our students hail from across the country, represent 21 different denominations, as well as a sturdy non-denominational presence, making Drew a truly ecumenical community. Yet we could not have arrived here on our own: over 30 percent of our applicants come to us through recommendations from our alumni and friends.

We also have a history of great success when we open our doors to prospective students and invite them to explore our programs first-hand. Of the students who attended our *Open Doors at Drew* event last March, more than 50 percent enrolled.

These gatherings are so successful because they offer prospective students an opportunity to see Drew in person – to see Drew *in action*. We allow them to immerse themselves for the day in dynamic classroom conversations, worship services, and panel discussions with both current students and alumni. These events highlight our efforts to create a truly collaborative, comprehensive, and transformative experience that involves the entire Drew community.

A recent report by the Pew Research Center, “America’s Changing Religious Landscape,” made clear that seminaries and theological schools must reimagine their programs and how they reach students who are seeking out new expressions of Christian theology, ethics, liturgy, and gathered community.

In order to accommodate these prospective students and offer them the kind of dynamic and relevant theological training they seek, we embarked on an ambitious transformation of our curriculum, thanks in part to a generous grant from the Jessie Ball DuPont Fund.

This project has been guided by our efforts to address the changing needs of our students, those who may not choose to pursue a traditional ministerial path, and those who require a more flexible structure to their education. While our commitment to the Church and to the training of pastoral leaders is unwavering, we have also focused on ensuring that our current curriculum, teaching, and student assessment are aligned with more diverse demographics, changes in vocational choices, and the need to prepare religious leaders to serve effectively in multi-faith, secular, and even non-religious settings. We aim to serve the students whose vocational goals may include chaplaincy in healthcare settings, the military, or corporate venues, those who may seek to work as life coaches, or who may pursue careers in advocacy, social activism, and the non-profit world more generally. The focus is on preparing students for transformational leadership, wherever their vocation is lived out.

Our curriculum transformation project also includes a focus on various modes of delivery – online classes and a flexible course schedule for students who are unable to attend class during the day or those who live too far from campus to attend in person regularly. These changes will expand our sphere of influence and the contexts in which our students serve, inspiring us to think more broadly about what is required for leadership-in-context. It will also hopefully bring us an even more diverse student body, something that Drew values highly.

The curriculum that we hope to implement will more clearly and intentionally help students root themselves in the cumulative wisdom of their tradition (more Bible and theology) but also prepare them to be adaptive leaders who confidently innovate ancient wisdom and tradition in order to address contemporary needs and challenges. They will do more and sit less.

Their mentors in learning and experimenting will extend beyond our residential faculty and draw from the rich resources of partner organizations and networks which can provide the real-world settings for these “experiments in courage,” where the pursuit of wisdom and godly living can be more vigorously pursued.

The majority of our students come to us with experience in ministry, and many are currently exercising some form of public religious leadership. Additionally, an increasing number of students come to us with a wide range of experience in the foundational understanding of basic biblical texts and theological concepts. Furthermore, an emphasis on public theology and the role of the public theologian and leader is an essential aspect of the work of Christian ministry today, and more attention will be paid to helping our students develop this aspect of their ministry.

All of these efforts will make it possible to offer our bold vision to a wider audience of students. While these changes will be significant, they will in no way alter the spirit that has distinguished a Drew Theological School education for 150 years. Indeed, these changes have their source and their end in that very spirit, and they will, we are confident, contribute to its continued vitality.

We are thrilled by how our vision for the future of the Theo School is unfolding and taking shape. We look forward to our continued work with the entire Drew community – both past and present, on and off-campus – as we transform this center of learning, pastoral formation, and service to respond in relevant and powerful ways to the changing needs of our churches, our communities, and the world.

EQUITABLE COMPENSATION COMMISSION NARRATIVE

DR. DEBORAH B. SMITH, CHAIR

The purpose of the Equitable Compensation Commission is to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation, and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and (d) submitting an arrearage policy to be adopted by the annual conference. This purpose is consistent with the provisions of ¶625 of The Book of Discipline, 2016.

Given these primary foci of the Equitable Compensation Commission, the use of apportioned dollars assist the Equitable Compensation Commission in achieving its purpose by having funds available to address and support issues of equitable compensation as related to full-time clergy serving as pastors in the Memphis Conference. Funds are disbursed to each pastor to provide sufficient compensation, in addition to supplemental aid/income, to insure that the minimum base salary be met for all eligible clergy. In short, the apportioned dollars assist the Commission in addressing issues of equity and fairness without penalty to the pastor or pastoral charge. These actions directly link the basic concepts of the mission statement, “...to discover, equip, connect and send lay and clergy leaders...” to the approved and adopted practices of the Equitable Compensation Commission. Specifically, clergy are financially equipped to eliminate any related pressure that might distract from the primary focus of offering Christ to a hurting world.

An integral part of this process **encourages and supports young people** and their dreams and visions of being in service for our Lord and Savior Jesus Christ **as they strive to engage the mission field** that surrounds their respective charges and neighboring community. This kind of engagement, which will be undergirded through continuous prayer and discernment, will serve as the catalyst for **transforming lay and clergy leaders**. With all these elements being a critical part of what we believe, clergy who are supported through equitable compensation would serve as living proof of what God’s grace looks like when there is respect for each individual’s dignity and self-worth. The **outcome could very well be fruitful and faithful churches**. And, with this, we will be the recipients of pastoral, missional, and congregational excellence.

COMMISSION ON EQUITABLE COMPENSATION

DEBORAH B. SMITH, CHAIR
dsmith@centenarymemphis.com

The purpose of the Equitable Compensation Commission is to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation, and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and (d) submitting an arrearage policy to be adopted by the annual conference. This purpose is consistent with the provisions of ¶625 of The Book of Discipline, 2016, as explicated in detail below.

1) Types of Equitable Compensation Support

a) Minimum Compensation Support

The Commission annually proposes to the Annual Conference a schedule of minimum compensation for ministers in the various categories of Conference relationship. In approving this schedule, the Conference guarantees each of its itinerant ministers a certain minimum compensation. Unless a minister voluntarily waives this right, s/he is entitled to an appointment where the compensation, including increments, will be at least the minimum of his/her category.

b) Minimum Compensation Levels for 2018 (using the minimum compensation requirements for Comprehensive Protection Program as defined by the GBOPHB standards)

\$42,422 Full Conference Members and Probationary members with seminary degree

\$41,137 Associate Members

\$40,066 Full-time Local Pastors

c) Years of Service Program

In order to provide further incentives for pastors receiving Equitable Compensation support, the Commission will provide an increment for past years of full-time service within The United Methodist Church. (Years of service shall be the same as pension service credit. See pastoral records for approved years of service.) Beginning after 5 years of service, the pastor will receive \$100 for each year of service; those having served 5 years will receive \$500; 6 years \$600; 7 years \$700; and so on.

2) Eligibility for Equitable Compensation Program

a) Only those appointed to a pastoral charge within the Memphis Annual Conference, and meeting the requirements of *The Discipline* shall be eligible for compensation support.

b) A claimant must complete in full and submit proper application forms as required by the Commission.

c) A claimant must live within the bounds of the pastoral charge to which he/she is appointed if no parsonage is provided, or in the parsonage (if provided). Clergy couples shall be an exception.

d) If a housing allowance is given in lieu of a parsonage, it should not be regarded as income. Twenty-five percent of the basic Equitable Minimum for each charge without a parsonage will be allowed for housing.

3) How Applications are Submitted:

a) All applications shall be submitted on forms provided by the Commission, signed by the applicant and the District Superintendent.

b) Signed applications should be submitted to the chairperson of the Equitable Compensation Commission on or before the fifteenth day of December of each year or the fifteenth day of May for the conference year.

c) Applications shall not be taken at any other time unless approved by the Bishop, Cabinet, and the Chairperson of the Commission.

d) District Superintendents shall furnish the Commission with requested data for determining eligibility for equitable compensation support.

4) Payment to Claimants

Each month, the Treasurer of the Memphis Annual Conference shall make payments to the Charge/Church Treasurer, upon request from the Commission on Equitable Compensation.

5) Financial Reports

At each session of the Annual Conference, financial statements shall be filed as follows:

a) Basic Compensation Program payments (including bonuses) made to the various charges of the Conference.

- b) Supplemental Compensation Aid payments made to the various charges.
 - c) Grants from the Emergency Fund (to be shown by districts).
- 6) Administrative expenses of the Commission on Equitable Compensation. Recommendations to the Memphis Annual Conference

Charges receiving support from the Equitable Compensation Commission are encouraged to take steps regularly toward becoming self-supporting and toward the increasing of the total level of support of their ministers. The following actions should encourage these steps:

- a) The District Superintendent will annually review each application for equitable compensation with the appropriate Charge Conference.
 - b) If after four consecutive years of receiving equitable compensation support, the church or charge shows little or no interest in becoming self-supporting, it is recommended that the Cabinet look at the possibility of filling that appointment with a less than full-time person.
 - c) Exceptions to the phasing-out of support must be approved after careful annual review by the Bishop and Cabinet, and must involve clear missional reasons for maintaining the United Methodist witness in the parish of such a charge.
 - d) The Commission encourages each church or charge in setting their minister's compensation to consider an annual cost of living increase, in addition to any appropriate merit increase.
 - e) It is expected that any church or charge that receives equitable compensation support shall pay their Connectional Ministerial Support apportionment in full.
 - f) The Commission encourages the Bishop and District Superintendents to be creative in the appointive process; however, it is recommended that no church or charge be allowed to become a station appointment unless that church or charge has the potential to become self-supporting within four years during which time Equitable Compensation will be decreased by one-fourth each year.
- 7) Emergency Fund.

This is administered by the Chairperson of the Commission, upon recommendation of the Bishop and the Cabinet, for the purpose of meeting emergency needs arising among the pastoral members of the Conference. The Secretary of the Cabinet is to notify the Chairperson of the Commission by letter to requisition funds.

8) Funding Program

Based on the projected program for **2018**, we request funding from the Annual Conference in the amount of **\$100,000, reflecting no increase or decrease** from the previous year.

GENERAL AGENCY REPORT - 2017 ANNUAL CONFERENCE

General Board of Higher Education and Ministry (GBHEM)

The agency launched a new mission and vision at the start of 2017. The updated mission and vision simplify our role as the primary leadership development agency for The United Methodist Church.

MISSION

Our mission is to lead and connect the educational and ministerial life of The United Methodist Church.

VISION

We will continue to transform the world through the power of education and ministry in the Methodist tradition. We will serve God and the worldwide Church in recruiting, nurturing, and educating lay and clergy leaders who seek wisdom and live ethically as God's peacemakers.

EDUCATION

The **Collegiate Ministry Office** at GBHEM hosted Imagine What's NEXT, a three-day event for young adults ages 18-26 to discern their call of lay or clergy leadership and learn ways to connect that God-given call through the work of the church. Nearly 700 students participated in NEXT, an increase of nearly 40 percent from prior years.

The **Young Clergy Initiative** funds innovative projects across the church to attract young people to ordained ministry. The \$7 million initiative has funded more than 75 projects. A biennial event, **Exploration** provides a platform for young adults ages 18-26 to hear, discern, and respond to God's call to ordained ministry. In 2015, 475 attended Exploration. The 2017 event will take place in Portland, Oregon, November 3 – 5.

The agency has a **Global Methodist Education Network** that includes more than 1,000 institutions of higher education around the world. GBHEM supports **Schools, Colleges and Universities** across the U.S. The Schools, Colleges, and Universities Office at GBHEM hosted 30 of the school's presidents at the CEO Meeting of the Council of Independent Colleges in Orlando, Florida in January 2017. In addition, the office hosted 35 presidents at the National Association of Schools & Colleges of The United Methodist Church (NASCUMC) winter meeting in Washington, D.C.

Global Education and New Initiatives at GBHEM provides technical assistance, financial support, scholarships and recruitment aids for five target regions across the globe: Africa, Asia Pacific, Latin America, Europe and the U.S. Global Education works with the United-Methodist related schools, particularly institutions of higher education and theology schools. In addition to schools, the office supports international and regional associations, as well as oversees the Methodist Global Education Fund for Leadership Development.

The **Black College Fund** invests in the hopes and dreams of those students attending United Methodist-related historically black colleges and universities (HBCUs). The Black College Fund distributes 95 percent (on average more than \$9 million) of all funds received equally to the 11 HBCUs. The fund provides for faculty development, infrastructure maintenance, and for students who need financial support and scholarship, helping the HBCUs to keep tuition and fees competitive. The Black College Fund was pleased to announce that five of its HBCU's enrolled 22 Hispanic students as part of the Latino student access program in 2016.

The agency works with the Commission on **Central Conference Theological Education** (CCTE) to distribute grants for the theological education of pastoral leaders in the Central Conferences. The 2012 General Conference established a \$5 million CCTE fund, and more than 250 grants have been awarded across 22 countries to date. Due to its impact, the fund was doubled at the 2016 General Conference. New grant recipients were announced in March 2017.

In 2016, GBHEM's Office of **Loans and Scholarships** awarded 2,025 students with more than \$3.1 million in scholarships and 406 students with more than \$1.9 million in loans. The loans and scholarships are open to United Methodist students and seminarians who are seeking to further their education.

GBHEM reestablished its **publishing ministry** in 2016 to engage, nurture, and advocate for the intellectual life of The United Methodist Church. Through this ministry, GBHEM produces academic resources for the constituencies of the agency, including single-author and multi-author works, as well as edited volumes. More than 10 new and revised books have been released under the publishing ministry.

MINISTRY

In partnership with Discipleship Ministries, GBHEM provides e-readers to theological schools in remote areas of Africa and Asia, offering access to the latest textbooks and references books. The **E-Reader Project** has distributed nearly 1,500 devices to 22 theological seminaries, loaded with publications in English, French, and Portuguese.

Individuals pursuing **licensed and ordained ministry** find the resources they need to overcome challenges and barriers sometimes encountered when responding to God's call in GBHEM's Candidacy Office. The office coordinated a successful Board of Ordained Ministry Quadrennial Leadership Development in fall 2016. In addition, the office revised the BOM Handbook following General Conference along with the conference relations resources for the 2016 Book of Discipline. The Candidacy Office is also developing an eight-year Clergy Assessment Process and GBHEM's Effective Ministry Assessment (EMA) leadership development tool.

Course of Study and **Specialized Theological Education** provides resources for local pastors to gain the education and training needed for service across the church, with courses available in Spanish. The office launched Portuguese Course Study programs in 2016 and will continue to expand. GBHEM launched three new education options for part-time pastors in December 2016: an Extension of the Course of Study School of Ohio (COSSO) located at United Theological Seminary, a satellite Course of Study program with Saint Paul School of Theology in Hays, Kansas, and a pilot Escuela de Cursos de Estudios (ECE), a Spanish Course of Study, in Denver, Colorado.

Chaplains and pastoral counselors are credentialed through the **United Methodist Endorsing Agency**, which provides resources for chaplains and counselors serving inside and outside the walls of the church. UMEA supports those working in 25 ministry settings such health care, military, prison, workplace, marriage and family, specialized and more. The office is completing the second pilot initiative to evaluate the effectiveness of a hybrid Clinical Pastoral Education program sponsored by GBHEM.

GBHEM leads clergy continuing education programs, providing resources for spiritual formation and professional development to help ensure an effective clergy for the church. **Clergy Lifelong Learning** provides an innovative platform for ministry through the multilingual UMC Cyber Campus. In addition, the office organized the 60th anniversary celebration of full clergy rights for women in August 2016 at the United Methodist Clergywomen gathering, which included 450 attendees from 27 countries, speaking six languages. This office continues to provide guidance in cross-cultural/cross-racial leadership development throughout the denomination.

The agency supports **deacons and diaconal ministers** as they lead the people of God into ministries of compassion and justice, and interpret the needs of the world to the church. The Office of Deacon Ministry Development and Provisional Membership led the celebrations for the 20th anniversary of the "recovery" of full-member clergy deacons for the church. In addition, a new certification in parish nursing was created, and the certification in camping and retreat ministries was updated (in collaboration with Discipleship Ministries).

Wesley Senior Ministries Foundation, through the Golden Cross Senior Residents Fund™, is committed to provide the resources to enhance the quality of daily life and well-being of the elderly residents of Wesley Living communities.

Seventy-six year old Ms. Carol was removed from an abusive living arrangement. With little more than a small bag of personal items, she found her way to a Wesley Living community. She never thought at this late stage in life she would find herself in this dire situation. At least, she would have a roof over her head and a place to call “home”. As she was checking in with the Community Manager, the gravity of her new situation began to weigh heavily on her. What good was a roof over her head and a place to call home without the bare necessities and essentials of life? She began to sob and was almost inconsolable. The manager, knowing the repeated good works of the Foundation was able to gently assuage her concerns. She knew Ms. Carol’s needs would be met because GOLDEN CROSS would step in and turn her shelter into her sanctuary. Ms. Carol was the beneficiary of furniture and all the daily use items most people take for granted. A little hope was restored by the generosity forwarded by the Foundation..

Wesley Senior Ministries Foundation now serves the needs of over 2,200 senior residents living in the 29 Wesley Living affordable housing retirement communities in West Tennessee, Murray KY and Jonesboro, AR. Through the GOLDEN CROSS Senior Residents Fund™, we support those dear residents with daily use items, financial assistance and social activities. That support can’t happen without the generosity of God’s angels throughout the Memphis Conference.

Mr. George lived in a small rural nursing home when we found him. His medical condition didn’t really necessitate living in a skilled nursing facility; there simply was nowhere else for him to go. It was a perfect opportunity for the Wesley collection of senior care companies to come together for the benefit of this gentleman. He would live in a Wesley affordable housing retirement community where his rent would be subsidized. And, he would be cared for by Homecare by Wesley to preserve his independence.

At his transition plan meeting, the topic soon turned to his lack of all the basic elements of living due to his residing at the nursing facility for a number of years. With no family support and a meager social financial support, he literally had nothing in the way of personal possessions. That is where the GOLDEN CROSS stepped in and helped the transformation of this man’s life. Furniture was ordered. A “Move In” kit was assembled to assist in turning his living space into a home. His kitchen would be stocked with a “Bountiful Blessings” to provide a month’s worth of non- perishable food. His transition team had never seen this kind of support or generosity. Mr. George never stopped smiling! Thank you to all the faithful and generous supporters of the GOLDEN CROSS Senior Residents Fund™ throughout the Memphis Conference. With your blessings lives have been transformed, one need at a time.

It is important to remind at this point, the GOLDEN CROSS Senior Residents Fund™ relies solely on your generosity. No apportionments are received by the Memphis Conference. In addition since our incredible Board of Trustees insures funds are available to operate the Foundation, **100%** of all monies donated to GOLDEN CROSS go directly to the benefit of the residents of Wesley Living communities. Thank you for the privilege of extending your generosity towards the transformation of these senior’s lives, one need at a time.

Blessings,

David

HANNAH'S HOPE

Rev. Trina Bell Morrison, Executive Director

Dear Friends of the Memphis Annual Conference,

It is my privilege as Executive Director of Hannah's Hope to provide this report. We are proud to be an extension of the ministry of every church in Memphis Annual Conference as we bring professional services delivered through the lens of being "the hands and feet of Christ" to pregnant women, their children and adoptive families.

Over the past year, we have worked with our technical specialists to improve our outreach to persons in need of our services through a Google Ad Grant. This generous grant has enabled us to engage in approximately 50% more persons in need since October 2016. Please visit our website (www.hannahs-hope.org) and be sure to link it to your church's website!

God continues to bring new challenges to Hannah's Hope and this past year we were blessed to partner with the Metro District Hispanic Missioner and facilitate the process of a Guatemalan mother who was in hospice care, to make an adoption plan for her two young children (ages 11 and 4) and know that they would be safe, loved and continue to learn about Jesus. In addition to the pregnant women we have assisted in making adoption plans and parenting plans for their babies, we were able to assist a 79 year old great grandmother and a disabled 56 year old grandfather in making an adoption plan for the precious two year old in their care. Each and every day, the staff of Hannah's Hope is IN the mission field and investing in young people!

We are so thankful for the individuals, UMW Circles, Sunday school classes, and congregations who support the ministry of Hannah's Hope. It is only with this support that we are able to provide birth mother care bags for our clients after they give birth, provide free counseling to pregnant women in crisis situations, offer free consultations to couples seeking to discern whether God is calling them to adopt and stand in the gap for children in need of a new, forever home.

May the Grace and Peace of Christ be with you all...

2017 ANNUAL CONFERENCE PROGRAM REPORT LAKE JUNALUSKA ASSEMBLY, INC.

We are happy to report that Lake Junaluska once again ended the year “in the black”, wrapping up 2016 with a balance of over \$200,000. We continue to accomplish this without any operational apportionment support from the Southeastern Jurisdiction. Lake Junaluska has embraced the new financial model that was approved by the 2008 SEJ Conference and we remain committed to not only “living within our means” but also to ensure the long term sustainability of our mission to be a place of Christian hospitality where lives are transformed through renewal of soul, mind, and body. 2016 was also a great year for charitable giving. We received \$908,571.20 from 1,285 individuals. We are so grateful to continue to receive the support of new and returning donors each year affirming the mission of Lake Junaluska through their charitable giving.

As we continue to refine and implement our plans for improvements to our facilities, grounds, and programs, we are also continuing to solidify our commitment to one of our most important assets, our staff. Of the \$200,000 “profit” from 2016, \$50,000 was distributed, in the form of profit sharing, back to all current staff who worked in 2016 along with an across the board 1% pay increase for all current staff in 2017. The remainder, along with the generous support of our donors, is being used for a wide array of ongoing capital improvements that we will be looking forward to reporting on next year. We are also proud to report that the Terrace has been consistently ranked among the top ten in Western North Carolina, alongside properties like the Inn on Biltmore Estate and Grove Park Inn on Trip Adviser. We are also working diligently to refine and improve our existing programming for youth and adults and continually seek to implement new innovative programs that align with our mission. The Lake Junaluska Singers will be back in 2017 under the direction of Mary Wannamaker Huff. Mary is the founding director of the New York City Children’s Chorus. We are also pleased to have Rev. Mitzi Johnson, an Elder in the North Carolina Conference of the UMC, as our new Director of Programming. 2017 is going to be a fabulous year for programming at Lake Junaluska.

As a member of the United Methodist Church within the Southeastern Jurisdiction we want you to know that “your” asset, Lake Junaluska, is doing very well. You can be very proud of this important organization within the jurisdiction and the larger United Methodist Church. We are striving to be good stewards of the resources with which you have entrusted us.

To learn more about what is going on at Lake Junaluska, we encourage you to pick up a copy of our 2017 *Discover Lake Junaluska* magazine. Peruse its pages to read about the impact of our programs, to learn about new projects we are working on, and to familiarize yourself with our calendar of events. We do hope you can come and visit us this year for a conference, a retreat, or a vacation to be transformed and renewed in soul, mind, and body.

LAKESHORE CAMP AND RETREAT CENTER

DR. PAUL H. MULLIKIN, BOARD CHAIR

Rev. Gary Lawson, Sr. – Executive Director
www.lakeshorecamp.org

We celebrate another exceptional year in camp and retreat ministry in the Memphis Conference. Following are some of the highlights:

Dayshore (day camp partnership with receptive faith communities) was a complete success in its first year. We engaged with 226 children across the conference, including indigent and at-risk children who were reached out to by our partnering communities. Some of these children chose to continue a relationship with the hosting church. At Union City 1st, Reverend Tim Atkins shared the story of one child bringing her entire family to church where they were surrounded by grace leading to the baptism of 5 new children of God.

We are doubling our DayShore outreach for this summer by adding a second team. If you are interested in partnering with us for a week of day camp in your community, give us a call. A few select opportunities remain.

We retired the debt through a generous charitable remainder trust set up and paid out by Wayne and Janie Hall of Camden First UMC. We will have a naming ceremony at the Way Hall Sr. Water Recreation Center at 2:00 pm, May 21st. (Come, celebrate and swim with us.)

Conference apportioned funding - for the seventh straight year, Lakeshore has asked CFA for less support in our efforts to become more self-sustaining. After a tough 2015 in the red, 2016 saw us back in the black once again.

Camper reservations continue to remain strong. A new tiered pricing plan for this summer has allowed us to keep a supplemented fee range at the same level as 2016 while allowing families that want to pay the true cost of a camp week to do so. We are seeing positive results.

39,000 volunteer hours - It is no small detail that Lakeshore can celebrate so many volunteer hours each year. Most are in the area of youth, hands-on, experiential leadership in faith-based camp and retreat ministry. Both volunteers and campers are being developed, nurtured and inspired in their discipleship. Lives are being changed and we are blessed in this work.

As always, thank you for your continued support. Our ministry would not be nearly as meaningful without it.

Respectfully submitted,
The Reverend Gary D. Lawson, Sr.
Executive Director

MEMPHIS CONFERENCE DISASTER RESPONSE

REV. ROBERT CRAIG, CONFERENCE COORDINATOR

The mission of United Methodist Disaster Response is to offer a caring Christian presence to communities that have experienced disaster.

Disaster Response Ministry in the Memphis Conference is vital for a number of reasons. Obviously, it is an important ministry in times of relief and recovery for people affected by disaster. This ministry is also important for the health of the local church. When a church is spiritually and physically prepared to respond to the surrounding community, that church grows stronger and is more effective in sharing the love of Christ to its community.

Several plans are in place to strengthen the Memphis Conference Disaster Response ministry in the coming year. To be effective in response to disasters, there must be a focus on preparation, and that means training. Training for Early Response Team members has taken place in three of the four districts so far this year. The plan going forward is to, at minimum, offer one training event for ERT members in each district annually. The vision is also to offer days of training for local churches and districts to be more involved in disaster awareness and preparedness to respond to the immediate needs of their neighborhoods. Structure is also a part of the plan implementation for the coming year. The disaster response committee's goal is to identify community/county coordinators as well as district coordinators for more immediate response and information gathering in the event of a local disaster.

The ministry of disaster response crosses into all four-focus areas of ministry for the Memphis Conference:

Investing in Young People: Disaster Response offers opportunities for people of all ages to share in this ministry of hope. All ages can be involved in preparation by assembling needed supplies. Additionally, older youth can work alongside adults in cleanup and repair efforts for neighbors affected by disaster. These ministry opportunities help connect young people into the life and mission of the church.

Engaging in the Mission Field: Local congregations and the conference should be present when the community around them has been impacted by disaster. This connects the church with her neighbors, expresses the concern of the church for her community, and illustrates the love of Christ for the world.

Creating and transforming lay and clergy leaders: The submission of one's self in loving service to others causes spiritual maturation. Disaster Response and preparation involves submitting one's time and talents in service to others. This personal submission and the presence of the Holy Spirit can cause growth and transformation in both lay and clergy.

Growing fruitful and faithful churches: When congregations are prepared and trained to respond to the needs of their community, growth takes place. Spiritual growth in the life of the church and an increase in individual commitments to the ministries of the church happen when the community realizes the love of Christ lived out through the local church.

Memphis Theological Seminary

LEE RAMSEY, DIRECTOR

lramsey@memphisseminary.edu

Memphis Theological Seminary is pleased to report that theological education for United Methodist students continues to remain vibrant and forward looking. Beginning in the Fall Semester of 2016, Dr. Michael Turner began his appointment as Associate Professor of Wesleyan Studies. Dr. Turner holds the Ph.D. degree from Vanderbilt University in the History of Christianity with a focus upon nineteenth century American Methodism. He teaches all the required UMC courses for ordination (Elder and Deacon) in Methodist History, Doctrine, and Polity in addition to a variety of electives in the field of Wesleyan Studies. He has already made a significant contribution to the Seminary and to United Methodist students in particular, teaching and advising UMC students and extending the reach of the Seminary and of Methodism into area churches, districts, and Annual Conferences through short-term courses and seminars.

The Methodist House of Studies at MTS is giving new focus to Wesleyan studies at the Seminary and within the surrounding Annual Conferences that we serve. Six graduating students in 2016 earned the *Certificate in Wesleyan Studies*, which requires a minimum of five courses focused upon Wesleyan related history, theology, and practice. The Methodist House provides support for all of our UMC students at MTS by regular gatherings for fellowship and mutual learning. Additionally, the Methodist House has sponsored training for clergy covenant group leaders in the Tennessee and Memphis Annual Conferences during the past year, co-sponsored "Refusing to Be Comforted: A Methodist Response to Violence," with St. John's UMC, and co-sponsored "Moldering Christian Conversation in a Polarized Society: Beginning the Conversation about Same Sex Marriage and the UMC" with the Turner Center for Church Leadership. Currently we are developing a Continuing Education Certificate in Wesleyan Studies in partnership with the Mississippi Annual Conference. Dr. Lee Ramsey (Memphis Annual Conference), Dr. Michael Turner (Western North Carolina Annual Conference), and Rev. Billy Vaughan (Memphis Annual Conference) serve as the Directors and Associate Directors of the Methodist House of Studies.

Enrollment among United Methodist students at MTS has levelled out and is beginning to increase since 2008. Currently, there are 60 United Methodist Students enrolled at MTS with the majority of those students concentrated in our Masters of Divinity Degree and our Masters of Arts in Youth Ministry. An additional 14 students are enrolled at MTS from the African Methodist Episcopal Church and the Christian Methodist Episcopal Church, with whom we maintain close, supportive relations through the Methodist House of Studies.

We are grateful for the support of the Memphis Annual Conference and for the many fine students who have attended MTS from Memphis over the years. We appreciate the confidence that the Conference places in MTS for preparation of United Methodist women and men for Christian ministry, and we welcome your ongoing involvement and prayers for Wesleyan studies at Memphis Theological Seminary. For ongoing information about the Methodist House of Studies, we invite you to visit us at www.MethodistHouse.org.

MS RIVER DISTRICT

SUSAN DAVIDSON, LAY RESOURCE LEADER

We have a District Strategic Objective to focus on nurturing faithful and fruitful leaders and congregations who engage their communities in transformative ways. This year we have spent time identifying new adult and youth lay servants. This is an ongoing process. We continue to build relationships within our district with the purpose of developing missional, clergy and congregational excellence.

This year we have offered 3 Basic Lay Servant Courses and 5 Advanced Lay Servant Courses. We have had one weekend Youth Lay Servant Academy. A new endeavor was a class of Certified Lay Ministers was trained. These trainings totaled 98 people.

In August, our District held a district wide Missions Celebration at Brownsville FUMC. Agencies from the church and community set up informational exhibits for laity to learn about. Our District Superintendent, Rev. Kevin Conrad urged congregation's leaders to set one goal to provide one new missional opportunity this year for their members.

On April 2, 2016, we had a District Laity Gathering at Milan FUMC. This was a night of great fellowship, food and awesome worship. There were approximately 300 in attendance. The Lay Servants of the district served as greeters, musicians, kitchen and dining room help and then clean up.

The Lay Servants, youth and adult, have covenanted together to provide a ministry for special needs people. It is called Exceptional Worship and is completely planned and led by the Lay Servants. The first Exceptional Worship service was at Halls FUMC on September 18. The services have been at different locations in the district all year. Services are on the third Sunday of each month and they are at 2:00 pm. A committee of 10 people, chaired by Mrs. Jean Smith, plan the services so that the special needs people who attend can actually serve in the service. There is a Lay Servant Praise Team that provides music for the service. This ministry is growing and we believe it will soon be a conference wide event run by the Lay Servants.

METHODIST LE BONHEUR HEALTHCARE

MICHAEL UGWUEKE, PRESIDENT AND CHIEF EXECUTIVE OFFICER

At Methodist Le Bonheur Healthcare, our mission is this: in partnership with our medical staffs, to collaborate with patients and their families to be the leader in providing high quality, cost-effective patient-and-family-centered care. Services will be provided in a manner which supports the health ministries and Social Principles of the United Methodist Church to benefit the communities we serve.

With 1,650 licensed beds and 63,655 inpatient discharges in 2016, we provided care for 386,217 emergency department visits. MLH is the second largest private employer in our community, employing nearly 14,000 associates, including 3,500 nurses. Our clinical areas of focus include cardiology, oncology, neurosciences, women's services, pediatrics, and transplant services. Our work is grounded in our mission. As a faith-based institution, the Social Principles of the United Methodist Church challenge us to establish an environment where the community provides potential for nurturing human beings into the fullness of their humanity and faith. We believe we have a responsibility to innovate, sponsor and evaluate new forms of community that will encourage development of the fullest potential in individuals.

Leading MLH in this mission is our President and Chief Executive Officer, Michael Ugwueke, who assumed his current role in January 2017. Michael takes over for Gary Shorb, who retired from MLH in December 2016. Michael assumed the role of president and chief operating officer of Methodist Le Bonheur Healthcare in May 2014. For the year prior, he served as COO of Methodist. As COO, he provided strategic and operational leadership for the system's five adult inpatient hospitals and affiliated companies. Ugwueke previously served as senior vice president for Methodist North and South Hospitals. Michael's leadership of two hospitals allowed a more rapid transfer of best practices and an increase in system-wide standardization. Prior to assuming this role, he served as administrator/CEO of Methodist South Hospital.

MLH celebrates many recent accomplishments, including recognition by *Fortune* magazine as one of the 100 best companies to work for in the nation. MLH was again recognized by *U.S. News & World Report* as a "Best Regional Hospital", while Le Bonheur Children's Hospital was named a "Best Children's Hospital." Also, Le Bonheur Children's has officially been designated as a Magnet hospital by the American Nursing Credentialing Center. The Magnet designation is a distinction that only 7% of hospitals in the country have earned, and this achievement is a testament to the exceptional care that distinguishes Le Bonheur and Methodist Le Bonheur Healthcare.

Our Faith & Health Division continues to provide significant and innovative service and programming. Our Congregational Health Network works with nearly 700 congregations in a covenant relationship to educate, serve, and minister to congregants and their communities, promoting better health outcomes. Our Faith and Health team is addressing disparities of care in many areas. In collaboration with partners like West Cancer Center, Church Health, and others, we are serving the underserved and offering healing and hope to those who need it most. We have made particular strides in the fight against cancer and in addressing the health and community needs of citizens who live in the 38109 zip code. We continue our work with the Emory Center for Ethics Consortium as we pay attention to the vital role of ethics in healthcare decision-making. Also, providing skilled and compassionate spiritual care is still central to our mission. Throughout MLH, our team of chaplains cares for patients, families, and associates, and we also operate a fully accredited Clinical Pastoral Education Center. We continue to provide counseling and care through our Employee Assistance Program, and we connect with students and professionals at the University of Tennessee Health Science Center through the work of the Faith Health Collaborative.

We are deeply appreciative of the support of the Church and the three annual conferences who birthed us and continue to be vital partners. The healing ministry of Christ continues to be at our center.

MURRAY STATE UNIVERSITY WESLEY FOUNDATION

CHERRY PYRON, ADVISORY BOARD CHAIR

The Wesley Foundation at Murray State University seeks to share God's love by offering college students intentional opportunities to discover, equip, connect, and send the love of Jesus to a hurting world on campus, in the community, and the region.

Through weekly worship, Bible study, and accountability groups, Wesley students have the opportunity to discover the Word and learn how to apply the truth of the Word to their lives.

MSU Wesley students have been equipped to reach out to a lost and hurting world through leadership development, participating in the Generative Leadership Academy, Walk to Emmaus, and NEXT Conference in Atlanta.

Through social/fellowship events offered at Wesley, the strong support of a local congregation, and weekly fellowship meals provided by Purchase Area United Methodist churches, students have many opportunities to connect with one another as well as church members from our district. With these strong outside connections, many of the students attend local Sunday services in addition to their Tuesday night worship and often share worship leadership in many congregations.

The love of Jesus has been sent through MSU Wesley students in a wide variety of outreach ministry activities including local service projects, such as serving meals to low-income families, nursing home visits, and helping distribute food at Wesley Village. Regional outreach includes mission trips to Reelfoot Rural Ministries in Obion County, Tennessee, and Henderson Settlement in eastern Kentucky. Additionally, our students have participated in international ministry to Honduras and Nicaragua.

The Advisory Board at MSU Wesley now has nine elected members, having been trimmed back from 15. This smaller number of members has helped us maintain active working members at both our meetings and activities during the school year, and we are pleased with this new number, with 100 percent attendance at most meetings.

The student council holds primary responsibility for planning and equipping students for worship, mission trips, fundraising events, Bible studies and accountability groups, and campus-wide events, working with the guidance of student advisor Dr. Brian Hoover, part-time staff member, and Wesley director Rev. Tim Palmer.

Dr. Hoover, an MSU faculty member, served three years on the board before being named student advisor by the board this year. Dr. Hoover is helping the students mature in their communication and leadership skills through his gentle and sensitive guidance, not only in his work with the council but also as counselor for individual students who seek him out.

Our administrative assistant, Molly Young, has recently taken on the responsibilities of bookkeeping and accounting for the ministry. She has been an invaluable addition to our staff in her two years with us, bringing her training and experience in student personnel work and her strong sense of compassion and love for the students as additional skills and gifts into the welcoming atmosphere at Wesley.

Rev. Palmer continues to be a vital asset for Wesley, with his passion for ministry, his youthful vigor, and the fellowship of Coldwater United Methodist Church into relationship with the Murray State students. He is also visiting United Methodist district superintendents and annual conferences in the Kentucky Conference, and in districts in southern Illinois and southeastern Missouri from which Murray State garners a large number of students. He and the students have a large visual presentation for annual conference displays and local church gatherings, and they are developing a video and Power Point presentation to distribute to local churches and church cluster groups.

Everyone at MSU Wesley continues to seek God's will and guidance as we grow together as active, aware, and empowered disciples of Jesus Christ.

PURCHASE DISTRICT

KIM MORRISON LAY RESOURCE LEADER

The Purchase District continues to find ways to live into God's call by serving with love, integrity, excellence, faithfulness, fruitfulness, and innovation in all we do. We believe in using the gifts and resources we have been given in our laity and clergy of all generations. The challenge is to constantly be listening and to be obedient to God's direction so we do not let ourselves get in the way of the work God is doing.

We continue to find ways to transform lay and clergy leaders through trainings, retreats, small group experiences, access to online and book resources. We have many churches that are reaching out into their communities in new and innovative ways by going into those "third places." We have churches reaching out to people that would not ask for help or step foot into a "church" building by going to them or offering resources that offer the chance to remain anonymous which is showing fruit by building community in different ways than we have been used to.

Our young people have a heart to "go and do" and many are starting to listen to them and instead of creating more programs in the church building, they are going and doing with the youth. Several churches have started the "Center Shot" program and have been overwhelmed by the response from the community and their members. They are learning that many of the children that are attending will come for that night but will not come on Sunday morning but that seeds are being planted. Some are starting to see families coming after a session or two of "Center Shot" that have not been attending a church because their child has asked them to come. This seems to give hope to all.

We have learned at the present time that relationships are what is most important. If we can build a relationship, then we will move beyond just having members join us. We will be fulfilling our call to "go and make disciples." More churches are realizing that change is a must or growth will not happen and death will come. The mission of making disciples is the most important thing and that is why we exist.

REELFOOT RURAL MINISTRIES, Inc.

Rev. Robert Craig, Executive Director

The RRM mission statement defines how this ministry seeks to live out the command of Jesus Christ to, "Love our neighbor." The mission statement is: *"In Christian love, we seek to provide personal encouragement, material assistance, helpful training and spiritual guidance to children, the elderly, and low-income families in rural Northwest Tennessee and Southwest Kentucky, in a manner that enhances self-esteem and encourages self-support."*

The work of Reelfoot Rural Ministries is succinctly defined in this brief statement; *"Restoring Hope, One Relationship at a Time."* This is how the staff and volunteers at RRM seek to offer Christ to a hurting world. While our "neighborhood" focus area is Northwest Tennessee (MS River District) and Southwest Kentucky (specifically Fulton County), our primary focus is to love our neighbor one relationship at a time.

In the past year Reelfoot Rural Ministries staff and board of trustees have been seeking God's guidance in visioning for the future work at this conference agency. We are prayerfully considering area needs to determine how to best meet those needs while encouraging spiritual, emotional, and financial strength for the households we work alongside. RRM now offers some limited financial assistance for clients in extreme distress. Our ministry relationship with Lake County Schools has been quite successful in providing weekend meals and personal hygiene products for students in the poorest county in Tennessee. We are continuing to look for opportunities to partner with the Mississippi River District to offer ministry options in a broader service area to include the entire MS River District.

RRM performs ministry in all four of the Memphis Conference's areas of focus.

Investing in Young People: Each ministry at RRM impacts children and young people in some way. However, we specifically seek to invest in young people through our day care, school supplies drive, backpack buddies, the annual toy store, and the home rehabilitation/community service ministry. The service projects help young people to gain skills for life as well as experience in serving the world in the name of Christ. The day care center in Tiptonville, Tennessee, serves some two-dozen children each day. This ministry provides love, education, encouragement, and three meals per day for children. The goal of the center is to prepare the children to succeed in primary school and to know that they are beloved children of God. Parents are assured that the children receive quality care by the three star rating provided by the state of Tennessee, but the children's personal growth and health are even better evidence of the quality of care. The families we serve are from various life stages, ranging from single parents in school or just starting employment, two parent households, and grandparents. Any family in our area can receive childcare, but preference is given to the working poor in the service area.

Engaging in the Mission Field: We seek to engage our mission field daily through the 14 ministries in which we are involved. These ministries include: Tenne Butler Day Care, School Supplies, Christmas Toy Store, Lake County Imagination Library Sponsorship, Senior Center for meals and activities, Food Distribution Center, Emergency Services, Dental and Oral Hygiene Clinic, Vision Clinic, Special Needs Home, Work Camp Ministry/Home Rehabilitation, Lake County Backpack Buddies, Emergency Financial assistance, and the RRM Thrift Store. Creating and transforming lay and clergy leaders along with growing fruitful and faithful churches are both areas of focus that are enhanced through the multiple volunteer opportunities at Reelfoot Rural Ministries. When individuals and groups come to RRM to volunteer, whether for a few hours, for a few days, or for a weeklong work camp, they are changed by the work of the Holy Spirit. This experience allows the individual, groups, or churches to grow closer in relationship with God, one another, and with the people they are serving.

This causes transformation that strengthens personal relationships with Christ, thereby strengthening the local church in relationship with one another for ministry opportunities in that church's own neighborhood.

A. C. McDonald in 1866, "to do not hothouse work" but will work to build men and women morally, spiritually and academically sound. We are thankful to you for your prayers and financial support. Your continued support is essential as we endeavor to build a stronger legacy for this generation and those in years to come who will look to Rust and our great church for higher educational opportunities.

The College expresses thanks for the dedication and leadership of the following Trustees from the Memphis Annual Conference: Bishop William T. McAlilly, and Dr. Cynthia Bond Hopson, Liaison, Black College Fund Office, General Board of Higher Education & Ministry.

TN RIVER DISTRICT LAY RESOURCE LEADER

Elyse Bell
ebell@memphis-umc.org

The responsibility of a Lay Resource Leader is to offer training and resources to further the mission of the Memphis Conference: to discover, equip, connect, and send lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world, one neighborhood at a time. It means to develop a vital plan of encouraging local churches to reach outside the walls of their church building in order to build relationships with people in their communities. It means letting go of programs that are not bearing fruit and replacing them with a vibrant ministry which invests in people. It means engaging the mission field with community/neighborhood leaders and assessing the priorities and needs of the residents so that we might begin a meaningful witness.

Worshipping and sharing resources on a weekly basis in churches throughout the district is a part of my regular Sunday schedule. I have been blessed to visit at least one church in each of the 74 charges which encompasses 135 churches within a ten county area.

Leaders are being discovered and equipped through a variety of training opportunities, including the 67 participants now receiving leadership training through the expansion of the Generative Leadership Academy, with a leadership team of ten GLA graduates. The quarterly sessions include; The Nature of God, A Life of Piety, Acts of Mercy, and Gifted, Called and Sent. Lay and clergy teams are being developed with the strategic goal of growing fruitful and faithful churches. During the past year, 75 servants have been trained through the Lay Servant Ministry, both basic and advanced classes. A best practices list and a resource library located at the district office are maintained with Sunday school curriculum for children, youth, and adults. Seasonal studies and DVD's are available for clergy and small groups to encourage discipleship.

Clergy and laity are encouraged to connect with their county-wide Mission Focus Group to begin the conversation of strategies for community engagement. Connecting with government and community leaders, schools, hospitals, and businesses is a necessary step to ask questions regarding unmet needs in the community. One of the first questions to ask in these conversations is, "Why is it important?"

Now, disciples can be sent through a variety of avenues into their communities. This is being modeled through community-wide Vacation Bible Schools in a city park, prayer and share porch visits in neighborhoods, meals and conversation throughout a housing project, mentoring a student in a classroom, developing sheltering ministries, or Hispanic enrichment classes. They are engaging the mission field through both word and deed to share the love of Jesus, thus putting their faith into action.

UNITED METHODIST FOUNDATION FOR THE MEMPHIS AND TENNESSEE CONFERENCES

Dr. Philip D. Jamieson, President
phil.jamieson@umfmtc.org

“Some give freely, yet grow all the richer; others withhold what is due, and only suffer want. A generous person will be enriched, and one who gives water will get water.” (Proverbs 11:24-25) To say the least, these are interesting times for the United Methodist Church. There is much speculation about what the future will hold. Nobody can say for sure what will transpire over the next several years. However, we can maintain with certainty this: the God who has saved us will not change. Therefore, how we live our lives may not change either. Our God is generous! “For God so loved the world that he gave...” God is so generous that ultimately he gives himself away in Christ in order that we may be found. And that takes us to Proverbs 11:24-25 which is a wonderful example of what Notre Dame sociologist, Christian Smith refers to as the *Paradox of Generosity*. In his book by that name, Smith points out the rather strange truth that human beings thrive by giving and not by taking. We find our lives by losing them and only what we give do we truly keep. Does that sound familiar? It should because it was both the teaching of our Lord (John 12:24) and how he lived his life. Human beings bear the image of God and it therefore should not surprise us that life works so much better when we act in accordance with that image. Therefore, give, it just feels right. Give and you will gain the ability to perceive blessings that you never could have imagined prior to such giving. The Foundation and Development Fund are committed to helping the local churches and extension ministries of the Memphis and Tennessee Annual Conferences to sustain best practices and find new ways to encourage greater generosity. We do that in a number of ways.

In order to help you give more freely, we serve as a custodian for endowed funds on behalf of local churches and other United Methodist ministries. As of December 31, 2016, our holdings were \$59,266,785. Last year, the fund grew by approximately 5%. In 2016 alone, approximately \$1.9 million were distributed for ministries in the two annual conferences. Endowed fund giving truly allows local churches the ability to give more freely!

We also serve by means of the United Methodist Development Fund of Tennessee/Kentucky. Accepting investments from individuals, churches and organizations, we are able to loan money at a competitive rate to United Methodist churches and ministries for building projects. Currently, the Development Fund is loaning money at 3.99% and paying 1% to participation account holders. The Fund also has \$12,545,520 on loan to local churches and ministries in the two Annual Conferences. By both loaning for new construction or refinancing existing capitol debt, the Development Fund empowers churches to continue to give freely!

In 2014, we launched a new initiative to help churches and ministries gain greater ability to encourage generosity. Over \$55,000 has been given to churches in the Tennessee and Memphis Annual Conferences through the Stewardship Grant Program and by partnering with the Lake Institute’s *Creating Congregational Cultures of Generosity* program. In 2017, the Foundation Board voted to initiate a new grant program. Beginning this summer, the Foundation will work with newly commissioned clergy to help them find productive ways to retire educational debt. Each participant will receive \$1,000 for doing so. Once again, all of this is done in order to help churches and individuals give freely!

In closing, I am reminded of the words of the old Gospel song: “Many things about tomorrow I don’t seem to understand. But I know who holds tomorrow. And I know who holds my hand.” It is in the light of that knowledge that we can freely give and discover anew the paradox of generosity.

If you have questions regarding the work and ministries of the Foundation, the Development Fund, or grant programs; if you would like to have one of us to come to preach and/or speak to a group in your church; or if you would like to learn more about ways to create an endowed fund for your church or ministries, give us a call (615-259-2008) or visit our website at www.umfmtc.org.

United Methodist Neighborhood Centers-Memphis (UMNC)

Dr. Mark Matheny, President, Board of Directors

It is an honor to present the one hundred-tenth annual report to the Memphis Annual Conference on behalf of UMNC. We began in 1907 as Wesley House because of the vision and dedication of the “home mission”-minded women of North Memphis and their compassion for children in need. That work continues today!

Our Program Director, Mrs. Iletha Washington, leads the Miriam Early Childhood Education Center, the hosting of a Shelby County Schools pre-kindergarten classroom, a coordinated Food Pantry ministry, our Junior Leadership Team youth ministry with teens, effective partnership with sister agencies, and more. The very words of Jesus Christ are being lived out . . . “Let the little children come unto me . . . I was hungry and you fed me . . . Come, follow me . . .”

We are grateful from the bottom of our hearts for the support of the Memphis Conference, the Metro District, United Methodist Women, and a wide range of churches and individuals. A special “Shout Out” is due for the UMNC Key Women, intrepid in their help since 1969 and now led by Chairwoman Alice Farina of Bartlett UMC.

What’s New? We are thrilled with a new initiative being planned to begin this summer. Partnering with Spirit of Truth, Mason-1st and Braden UMC’s, and 14 other congregations ecumenically, UMNC will provide faith-based activities with children and youth in Mason, Tennessee. We are grateful for the clergy and laity in Mason and Braden and beyond, especially the foundational effort of Rev. Billy J. Jackson and the Shalom Zone work organized by Director Amy Moritz of the Center for Transforming Communities that issued in the Mason Caregivers with whom we partner.

You should know from a stewardship perspective that we are prayerfully and diligently pursuing a policy of divestiture of buildings we own. Specifically, we are going from three properties to only within the next few months. This will enable us to serve more people while using a much lower percentage of our limited resources on facility costs.

THANK YOU for your prayers, encouragement and all the other ways you help make UMNC a vital part of the faithful witness of the people called United Methodists in Western Kentucky and West Tennessee. God bless you, everybody!

UNITED METHODIST WOMEN

Mary Lou Wurth, President

United Methodist Women is the largest denominational faith organization for women with approximately 800,000 members whose mission is fostering spiritual growth, developing leaders and advocating for justice. Members of the national organization raise up to \$20 million each year for programs and projects related to women, children and youth in the United States and in more than 100 countries around the world.

The Memphis Conference UMW is active in living into our legacy as we work in our local units, Districts, Conference, Jurisdiction and in the World. Each year we make a pledge to our national organization which does not include monies used for local, district, or conference projects.

The Memphis Conference United Methodist Women plan and carry our programs that fulfil our purpose and by doing so, fulfill many of the objectives of the Memphis Annual Conference. Our

Committee on Nomination works year round to recruit new leaders. Training is a key part of UMW. Each year leaders are sent to National leadership training session and the information is brought back and shared in the conference.

A Spiritual growth retreat at Lakeshore is enjoyed by many as we spend time together in a reverent environment. Three mission studies are offered each year at our annual Mission u event. The following are 2016 and 2017 studies:

2016

2017

Spiritual Growth: The Bible and Human sexuality.

Living in a Covenant Community Issue Study: Climate Justice

Geographic: Latin America

Missionary Conferences of the U.S.

Children/Youth: Latin America

Missionary Conferences of the U.S.

A Social action day offers opportunities to learn about current issues that we need to be informed about and actions we may take to help alleviate these conditions. Last year, a work day at Reelfoot Rural Ministries was a highlight of the year's activities. Ladies built a deck on the dorm, painted materials for shelving units for the Christmas Toy Store, Sorted food in the food bank and helped prepare the last Campbell labels for redemption.

The Vision of United Methodist Women: Turning faith, hope and love into action on behalf of women, children and youth around the world. We are the United Methodist Women- putting faith, hope, and love into action. Come and join us as we grow to become whole persons through Jesus Christ.

Where Dreams Take Flight

United Theological Seminary in Dayton, Ohio, was founded in 1871 by Milton Wright, a Bishop in The Church of the United Brethren in Christ and father of aviation pioneers Wilbur and Orville Wright. The Wright brothers had a passionate dream of developing the first successful "flying machine." They experienced great difficulties, hardships and setbacks in achieving their dream. Through their determination and commitment, however, their dream eventually was fulfilled, and they were the first human beings to achieve sustained flight.

God often plants a vision or dream in someone's heart to become a full-time servant of Jesus Christ. In St. Peter's sermon on Pentecost, Peter quotes the prophet Joel who said, "God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy, and your young men shall see visions and your old men shall dream dreams" (Acts 2:17). When God pours out the Spirit on someone and calls them into ministry, United seeks to partner with that person in helping them to grow spiritually and intellectually in achieving their God-given call and dream.

In the fall of 2016, 418 students enrolled at United to answer God's call and vision for their lives.¹ Our prayer is that God will use United to prepare these students to become faithful, fruitful and effective pastors and church leaders who make disciples of Jesus Christ for the transformation of the world. According to a recent survey, 86% of our graduates are either currently serving in local congregations or are retired from serving in local congregations.² United alumni/ae are making an impact.

On January 1, 2017, United celebrated the beginning of a new partnership in ministry with Methodist Theological School in Ohio (MTSO). United has become an extension site for the Course of Study School of Ohio located at MTSO, providing a convenient hybrid program for part-time pastors pursuing a local pastor's license. Through United's Course of Study, pastors experience a Friday-Saturday weekend on campus and finish coursework online over the weeks that follow. Courses are offered four times per year.

If you feel God calling you to serve in any form of Christian ministry, we encourage you to go online to united.edu to discover the option that fits your ministry and calling. May God bless you as you respond to God's dream for your life to serve in either the ordained, commissioned or lay ministry.

Grace and Peace, Dr. Kent Millard
President, United Theological Seminary

UT MARTIN WESLEY FOUNDATION

Amanda Crice, Director
utm.wesley@gmail.com, www.utmwesley.org

The Wesley Foundation at UT Martin is a ministry of the Memphis Conference of the United Methodist Church whose Mission Statement is:

DISCOVER, EQUIP, CONNECT and SEND lay and clergy leaders who shape congregations that offer Jesus Christ to a hurting world, ONE NEIGHBORHOOD AT A TIME

Within the neighborhood of the UT Martin community, the Wesley Foundation seeks to love like Jesus Christ by offering college students intentional opportunities to CONNECT, GROW and SERVE on the University campus among college students, faculty and staff, local church communities, and the wider UT Martin community. This mission is rooted in the scriptural example of Christian Community found in Acts 2:42:47.

As UT Martin Wesley lives into this mission we also live into the Four Areas of Focus for the Memphis Conference.

We Invest in Young People by providing a safe, clean and well maintained space for young adults to: gather, fellowship, eat together, worship together, have Bible study together, do homework, have access to computers & printers, and receive community and pastoral support. Specifically we have Bible study every Tuesday night and a meal and worship together every Thursday night. Additionally, this year we have started the work of forming a student council that will make leadership and ministry decisions at Wesley so that we can equip and empower them for their own ministry calling.

We Engage the Mission Field of the UTM campus daily by being a consistent presence to students and the community. Specific mission projects that Wesley has engaged in this year, though, include: campus mission projects (i.e. Empty Bowls and Cups for a Cure that we participated in with the UT Martin Art Department), mission projects in the Martin community (i.e. the agape notes we make for We Care ministries), and outside of the Martin Community (i.e. the trip to Reelfoot Rural Ministries we made this spring.) This summer we have 3 students with plans to do international mission work: one student will travel with the conference to the Congo, one student will travel with a mission team to Mexico this summer, and one student will be traveling with a VIM team to Costa Rica.

We work to Create Transforming Lay and Clergy Leaders by empowering and equipping students for their current and future ministry roles. Our newly formed council has 6 student leaders who are responsible for leading specific areas of our ministry. The experience on council refines their gifts and equips them for current and future ministry. We have also created a worship intern position that allows a student to practice an even deeper level of responsibility, commitment and ministry. We have also promoted opportunities like Project Transformation and Lakeshore Camp and Retreat Center as potential summer work for students. We have two members who will serve on staff at Lakeshore this summer.

We contribute to the work of Growing Fruitful and Faithful Churches by intentionally partnering with local United Methodist congregations. We have students who regularly attend and even serve in leadership positions at Martin First United Methodist Church. Additionally, the ministry of the Wesley Foundation serves as a bridge between students estranged from the church and our local congregations.

UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER CAMPUS MINISTRY

Rev. Jonathan C. Lewis, BCC, Chaplain and Campus Minister
jonathan.lewis@mlh.org (901) 516-0990

At the University of Tennessee Health Science Center (UTHSC) in Memphis, the United Methodist campus ministry continues to grow and explore new opportunities. In March of 2011, Jonathan Lewis started as the campus minister there, and he continues to serve in that position. Jonathan is also a full time chaplain with Methodist Le Bonheur Healthcare (MLH) in the Faith and Health Division. Jonathan was ordained as a Deacon in full connection in the Memphis Conference in June of 2016. He also serves at Crossroads United Methodist Church in Collierville.

UTHSC is composed entirely of graduate schools, all of them specializing in some form of health science – from dentistry to medicine to nursing to laboratory science and much more. Jonathan relates well to UTHSC because of his own immersion in the hospital and healthcare setting, where he ministers to patients, families, and medical professionals of all kinds.

The latest initiative of this campus ministry is the formation of a new student group at UTHSC. The student group is called the Faith Health Collaborative (FHC). For more information and partnership opportunities, please visit www.faithhealthcollaborative.com. FHC engages the entire UTHSC community – all colleges and programs, all students, faculty, and staff. FHC connects UTHSC to the Faith and Health Division of MLH, including its clinical work, its fruitful partnerships with community organizations and congregations, its local and international missions and service opportunities, and its unique educational initiatives through the Center of Excellence in Faith and Health. This ministry brings a new level of engagement for the Faith and Health Division and the United Methodist Church at UTHSC. Since being officially approved as a campus student group last year, FHC has recruited student vice presidents from 4 of the colleges that make up UTHSC and also has an active membership of 30 students. Specific initiatives for FHC include...

- **Connection to United Methodist Congregations and Programs** – Through FHC, students, faculty, and staff connect to Chaplain Lewis and the United Methodist Church. Relationships and partnerships with United Methodist congregations and programs are a significant part of FHC in much the same way that the Faith and Health Division at MLH functions. FHC aims to be an innovative vehicle that increases student exposure to the church and its health ministries.
- **Service and Support** – Chaplain Lewis is a trained spiritual caregiver, and his increased exposure to UTHSC enables him to offer more support and care to the entire UTHSC community, witnessing to the love of Christ that can work through the United Methodist Church and its people, reflecting the call of the Gospel to love God and love our neighbors. FHC also connects UTHSC to the service, missions, and programs of the Memphis Conference and the larger United Methodist connection.
- **Education** – In partnership with Church Health, Chaplain Lewis continues to help design and facilitate the “Serving The Underserved” certificate course. FHC helps to expand and develop that educational experience, aligning itself with the Wesleyan emphases on health, education, and personal formation. This year, Serving The Underserved received over 70 applications from interested students and faculty persons, and for the first time, there were applications from all 6 of the colleges at UTHSC. Also, in partnership with a student group from Church Health, FHC has been sponsoring lunch and learn events on campus that usually attract 40-50 students, faculty, and staff.

The Wesley Foundation--U of M, Lambuth Campus

Rev. Dr. Gary Morse, Chairperson Rev. Sharon Lewis-Karamoko, Vice-Chair
Dr. Joy Austin, Secretary Rev. Steven Fonville, Director

The academic year of 2016-17 began a new chapter in the life of *The Wesley*. A newly reorganized six member worship team began to lead services in August. The Wesley hosted its fifth annual Back to School Bash celebrating the beginning of a new academic year with 38 students.

Over the course of the fall semester evening worship services, held at Lambuth Memorial, averaged twenty students in attendance, and received a new name for services, "*Compass-Finding Spiritual Direction through Christ.*" *God's Text-Bible* study led students through a twenty week study of the life of David through the book of 1 Samuel. On Thursday evenings students were given the opportunity to ask questions and discuss faith at "He-brews" held at Chick-Fil-A.

Students took leadership roles and regularly began to serve the homeless community in Jackson through *Room in the Inn*. In October students gathered for the fifth annual *Wesley Campfire Cookout* to reach students from the campus community. December saw students raise awareness about the homeless community as they led a campus wide collection of personal hygiene products to help those in need.

During the spring semester students hosted the fourth annual "Blessing of the Semester" welcoming faculty and staff to worship, and a fellowship meal raising funds for *Heifer International*. Weekly, evening worship focused on "Defeating Spiritual Apathy". Wesley students also hosted the first annual "Wesley Game Night," with competitive bingo bringing together the broader campus community. The spring semester ended with a service of worship that celebrated the unity we have in the Resurrection of Christ though one chapter in life closes; as we celebrated the graduation of nearly a dozen regular Wesley Foundation students.

THE WESLEY FOUNDATION AT MEMPHIS

Rick Pinkston, Campus Minister/Executive Director

The mission of the Wesley Foundation at Memphis is to make disciples of Jesus Christ in the university setting. We have concluded an exciting year of activity and service. At the core of who we are is our worship life. Our community gathers weekly for a time of spirited music, heartfelt prayer and intentional discerning of the meaning of the Word of God for our lives. Our volunteer musicians – the 1 Kings 17:13 Band – leads us in singing traditional hymns and songs but with a vigorous presentation that has become the band's trademark. Our worship, while being informal, has a traditional structure that our students have embraced strongly. In addition to this calendar event, we hold a weekly service of Holy Communion for the Wesley family. We also hold special worship events such as a service of Thanksgiving, a Service of Lessons and Carols as our community disperses for its Christmas break, an Ash Wednesday service, Holy Week services and occasional other worship gatherings.

All this is to say that our beginning and ending is grounded in worship. Through a corporate experience of prayer, praise and discernment the Wesley Foundation helps our fellowship identify priorities both individually and collectively. With this bedrock, Wesley's participants are able to participate in one of our stated goals for student ministry: leader development. Studies show that many college-aged students "check-out" of their enhancement of the quality of leadership during their undergraduate years. Many leave home, go through their degree programs, and then return to their communities of origin with little or no expansion of their leadership skill-sets. The Wesley Foundation actively involves our students in a process by which they discern need in the lives of our young people. As part of our Ministry Team they design program, execute events and evaluate the effectiveness of the things we have done. In this way they hone their skills so that, by the time they finish their university careers, they are prepared to return home and "hit the ground running" in their occupations, in their communities, and most importantly, in their local congregations. We have an active Wesley Intern program through which we invite young adults to be particularly involved in this process. A Wesley Intern's job description is "make our ministry go." With that responsibility and freedom, our staff performs an exemplary service in support of our work.

We believe that our ministry serves the stated values of the Annual Conference -- unrelenting love for all people, integrity, excellence, faithfulness & fruitfulness, and innovation -- through the fostering of genuine Christian community. And so, we have a lot of fun together. We gather regularly for fellowship and recreational opportunities. We do this so that the campus population has an alternative to the rowdier distractions that sometimes accompany college years. But we also do this with positive goals in mind. Particularly, we come to care for one another, to trust each other, and to discover what joy there is in genuine faith identity. It is our experience that these relationships endure long past a person's college years. The fostering of this teamwork also promotes a desire to reach out to people and causes beyond the Wesley group. We have taken mission trips, volunteered in campus and community activities and have shared the news of our ministry with local United Methodist congregations.

We have established meaningful relationships with many of the local church groups and congregations that support our work. We would be much the poorer in our institutional life if churches, Sunday school classes, small groups, UMW circles or units, UMW groups or individual volunteers did not provide our Tuesday evening Fellowship Meals. These folks find joy in their participation in our ministry. In turn, the Wesley community has frequently found new friends and lasting associations through interaction with these generous souls.

In pursuit of faithfulness to our mission, we have engaged the services of a student intern to serve as our Marketing Director. This dedicated position is helping us broaden the awareness of our work in the university setting. We have also contracted with a Development Officer who is in the process of designing and implementing a plan for securing financial support for our ministry.

One of the high points of our programming this year has been the Conference Campus Ministries' mission trip. The several Wesley Foundations and Campus Ministries of west Tennessee and west Kentucky held a cooperative mission effort at the Reelfoot rural Ministry Center. Joining hand-in-hand with students from other campus ministries was a terrific encounter for our participants.

The college experience is a magical time for many people. We believe that the work and witness of our Wesley Foundation helps make that so in the lives of countless students. We are grateful for our task, and for the support that we receive from The Memphis Annual Conference

The peace of the Lord be with you.

WESLEY SENIOR MINISTRIES
WESLEY HOUSING CORPORATION OF MEMPHIS

Jim Nasso, Chief Executive Officer

jim.nasso@wesleyhousing.com – 901.380.4900

- Wesley Living is a group of organizations that is essentially about people—elderly residents and at-home clients, staff, pastors, maintenance, service coordinators, community managers, program managers, corporate staff and executives, boards of directors—all necessary to the mission of enhancing the lives of older generations of the area. We proudly do so in a covenant relationship with the Memphis Annual Conference of The United Methodist Church.
- Since last year’s Annual Conference our organization has focused on several service oriented areas with the simple goal of enhancing the quality of life for the elderly of the Mid-South. These areas consisted of Ministry, Preservation, Staff development and the Future.
- Ministry is at the heart of our purpose and Pastoral care is a key to the lives of our residents and clients. I am pleased to report that today; every community is being served by a United Methodist pastor located geographically close to every community. This would not be possible without the ongoing cooperation of every district superintendent and several retired pastors who remain committed to serving.
- Providing affordable housing and assisted living for our seniors is another major part of the ministry. The demand remains high and the goal is to continually update the existing while expanding the services being provided. Wesley Highland Meadows, a 200 unit community in north Memphis reported on last year successfully completed its preservation in the second half of 2016. Wesley Graceland Gardens, a 214 unit community in the Whitehaven area of south Memphis was successfully refinanced last fall utilizing Low Income Housing Tax Credits and other federally insured loans. Its \$7,500,000.00 preservation effort is underway. The lives of every resident have been greatly enhanced by these efforts. Other projects in multiple parts of West Tennessee are in the development stage.
- No amount of ministry, preservation or genuine caring can be provided without compassion filled competent and well trained staff. Internal and external training coupled with targeted recruitment and retention is the key to staff development. As we complete 48 years of ministry the list grows every year where an employee joins Wesley for a job only to find a calling and later retires after 15, 20, 25 or more years. Careers are to be found at Wesley Living and encourage everyone to inquire if a faith based organization is of interest.
- For the seventh year Wesley Home Services provides non-medical, in-home assistance services which range from companionship to housekeeping to personal assistance. Serving the broad range of people and locations in this ministry continues to be both a blessing and challenge. Our challenge during the past year is to continue delivering an exceptionally high level of service at a rate competitive with other for profit competitors. All of this hinges on attracting employees with the highest moral, ethical and compassionate values coupled with the necessary skills to make Wesley’s value unique from others providing this service.
- The number of elderly needing quality, affordable housing and services continues to grow. Wesley Living is a premier provider well positioned as other ideas continue to be discussed locally, regionally and nationally. Wesley remains committed to solving these social issues.
- These conditions create a growing demand for assistance to residents from Wesley Senior Ministries Foundation. The Foundation has continued to grow into a larger part of the answer to resident needs. David Kabakoff, President of the Foundation, and Kristi Owens, Executive Director create a dynamic duo. Please see their report in the Journal.
- We sincerely appreciate your prayerful support. We measure our effectiveness in how the lives of the elderly and their families are improved every day. Today, we re-commit ourselves to honor this connection and to live out our mission “In response to the love of God...”

WESTERN KENTUCKY UNITED METHODIST FAMILY SERVICES

Timm Fair, Chair
270-564-6888 t_fair@icloud.com

The ministry of Western Kentucky United Methodist Family Services (WKUMFS) aligns perfectly with the Memphis Conference Mission; especially connecting of lay leaders with sending the love of Jesus Christ to the hurting world. The WKUMFS Board of Trustees structure consists of volunteer laity and clergy from local area United Methodist Churches. This structure provides the opening to connect with local United Methodist Churches giving them a pathway to make a direct impact on the lives and needs of foster children and their foster families. The Holy Scriptures in **Psalms 10:17- 18** NLT says: *LORD, You know the hopes of the helpless. Surely You will hear their cries and comfort them. You will bring justice to the orphans and the oppressed, so mere people can no longer terrify them.* The oppression of children placed into foster care comes from either absence of their birth parents or by abuse or neglect. WKUMFS engages this mission field by establishing connections with social workers and foster parents as it prays for and serves these hurting children. The number of children placed in foster care determines the need for this ministry. Nationally foster care has grown by 7.6% in the last five years ending in 2015. About 8,000 children (under 18 years old) are in foster care in Kentucky today. WKUMFS supported an average of 28 foster children (peak demand of more than 60 foster children) along with 25 foster parent families in 2016. A similar level of need is likely for the future.

WKUMFS has a threefold purpose:

1. To provide for the care and maintenance, support and education of foster children and foster families in the Purchase Area. WKUMFS equips foster parents with access to resources, expert services and life experiences beyond their means and excluded by Kentucky foster care services. This support helps the foster children feel loved, accepted, and alike their peers.
2. To transform local United Methodist Churches by informing them of the ever-present need for foster parents, respite parents, and adoptive parents. Concerns in our neighborhoods from drug abuse, family violence, and mental impairment along with the lack of parenting skills and ability to manage the tasks of daily living, and careful prioritizing of children's safety lead to child abuse and neglect. Local United Methodist Churches can engage their neighborhoods to help parents overcome these obstacles and achieve a healthy family environment.
3. Development of foster children into good citizens of the community through experiencing the love of Jesus Christ. With God's grace, these foster children will grow into fruitful and faithful Christians. The blessing of support from the United Methodist Memphis Conference along with other faithful contributors enable WKUMFS to touch the lives of foster children with love, care, and The Word of God.

Improving the life of foster children is the measure of success. The faces of joy upon receiving Christmas gifts from WKUMFS is unforgettable. The Kentucky Foster Care program measures success against its permanency goals. The top three permanency goals are 1) return to birth parent, 2) permanent relative placement and 3) adoption. Eleven children in foster care, helped by WKUMFS, were eventually adopted in 2016. Jesus described the final judgement in **Matthew 25:40** NLT *"And the King will say, 'I tell you the truth, when you did it to one of the least of these My brothers and sisters, you were doing it to Me!"*

GATHERING MUSIC—piano arrangement of “Pie Jesu” by Andrew Lloyd Weber (*Requiem*)

GREETING (BOW 737)

We have gathered here to celebrate the lives of those
who have served faithfully through the years
and now share the triumph of Christ

We affirm with praise and thanksgiving the goodness of our Lord.

Let us rejoice in God's presence with us, in death as in life,
among those who mourn
as with those who now see Christ face to face.

***In the midst of our grief we sing with joy,
for God's love is over all that has been made.
Blessed be God's glorious name for ever.***

HYMN "For All The Saints" vss.14 (UMH 711)

OPENING PRAYER adapted from *The Pattern of our Days*, Kathy Galloway, pg. 45

***Lord Jesus Christ, in your life we have life,
in your death we receive redemption, and in your resurrection we find hope.
You built your church on the rock of imperfect but redeemed humanity,
called and equipped by you to extend the household of faith and transform the world.
We who gather today to celebrate those who have lived among us,
and have gone on to be with you, bless you for all our mothers and fathers in God.
Like them, may we so love and serve you that generations yet unborn may benefit from
our witness; and when the grace of life on earth shall end, find for us a place in the
company of heaven, for your love's sake. Amen.***

HYMN "For All the Saints," vss. 1-3 (TFWS 2283)

ACT OF REMEMBRANCE (adapted from *The Pattern of our Days*, Kathy Galloway, p. 147)

God of grace, we thank you for the saints whom we ourselves have known and loved.
 It does not come easily to call them saints, for they were friends and colleagues,
 and their absence among us is still hard to accept.
 But you have given your people this name and invited us into your company
 and you know how much we loved them.
 So for these good companions, whom we name before you for their love, and for our love of
 them, we give you grateful praise.

(Names are read individually as bells are sounded –random ringing by separate bells (G– A –
 C – D) in separate places of the worship space, beginning with one and adding a new one as
 each name is read. Once the names are finished the bells are allowed to fade.)

James Larry Riley	John Reid Bonson	William Pierce Bailey, Jr.
Mary Jane Granberry	Ruby Sue Crockett	Charles Lynn Parker
Roberta Louise Dickerson	Billie Lois Gaddie	Ora Belle Peck
Beverly H. Hartman	Grace Elizer Phelps	Ozella Sykes
Jimmy Gillespie	Elton K. Baker	Darilyn K. Parker
Russell Lowell Reid	Frances Darby	Fred Thomas

In the mystery of your love, in the power of your spirit, we are one with them.
 We give great thanks as we pray together.

PRAYER FOR THE SAINTS AND FAITHFUL DEPARTED (UMBOW 709)

**O God of both the living and the dead, we praise your holy name for all your servants
 who have faithfully lived and died.
 Thank you for the sacred ties that bind us to the unseen cloud of witnesses that
 surround us.
 We pray that we may follow their example, to comfort those who mourn,
 to preach good news to the oppressed, and recovery of sight to the blind;
 to be the hands of Christ in your world, cherishing life and spreading the joy you give
 to your people; through Christ Jesus our Lord. Amen.**

BEVERLY H. HARTMAN

August 31, 1931---June 4, 2016

Beverly Harvey Hartman or "Mama Love" as Daddy called her, was born on August 30, 1931. She was preceded in death by her husband, Rev. Loyal Orlin Hartman, Jr. in 1980. The two met at Emory Candler School of Theology during summer school in a Vacation Bible School training class. They were married in 1953, and their union was blessed by four children; daughter, Cynthia H. Foster (Dennis), son, Phillip T. Hartman (Marti Jo), son, Loyal O. Hartman, III (Lu Anne), and daughter, Elizabeth "Beth" H. Capuson (Thomas), that passed away in December 2015. Her grandchildren are Virginia Foster Bingham (Christopher), Victor Alan Foster (Tricia), Ainsley Jo Hartman, Avery Noelle Hartman, Addrienne "Addie" Elizabeth Capuson, Loyal "Ory" Orlin Hartman IV, and Riley Louis Hartman. Great-grandchildren include Jack Bingham, Kate Bingham, Alan Foster, and Thomas Foster.

Beverly was many things: a mother, daughter, sister, aunt, grandmother, friend, preacher's wife, pianist, choir director, singer, and a great role model. She worked several different jobs to raise her family after the passing of her husband. All the while, Beverly stayed active in her children and grandchildren's lives. She was always active in her church, Highland Heights UMC in Memphis, TN. The last 10 years she spent living with her sister, Virginia Harvey, in Jakin, GA and was active in Jakin UMC. She was willing to go wherever God's Grace led. She valued relationships, people, and forged deep friendships. She helped those in need and was glad to do it. Beverly's singing voice captivated the congregation with its beauty. She loved and was loved. Beverly entered her heavenly home in the early morning hours of June 4, 2016 with family at her side.

ROBERTA LOUISE DICKERSON

July 1, 1957---June 2, 2016

Roberta Louise "Berta" Dickerson, the beloved wife of Earl, mother of Kari, sister to Bobbi and Donna, friend to all, arrived safely at her eternal home on June 2, 2016. Berta loved people and loved to share her testimony of God's redemption through Jesus Christ with newly found friends and on her website www.BertaDickerson.com. She ministered alongside her husband for thirty years in the Memphis Conference and was a gifted speaker. She previously served in the U. S. Navy as a Corpsman and was later an LPN and an RN.

Berta loved using the difficult times of her life to speak of the goodness of God. Zooming around stores or the mall in her power wheelchair, she talked to whoever would respond to her. The subject usually began with her quadriplegia but she always turned the conversation to the One who carried her through life and how that same one was freely available to any and all. This was the technique she used to win the Harry Denman Award in Evangelism in 2006.

Berta was grace on four wheels. She had always hoped her testimony would live past her own life. As she put it:

"I'm drowning in my life story! I want to tell about my life after a spinal cord injury, but so much of my past influenced my recovery. A dysfunctional childhood and promiscuous young adulthood clashed with a nurse's marriage to a hospital chaplain. As the marriage went from difficult to near dissolution, she met Jesus. Eight months later, a car wreck paralyzed her."

Berta's book, *A Faithful Father*, released posthumously, hit as the number one new release in her category twice in its first week of publication on Amazon.

RUSSELL LOWELL REID

November 23, 1924---June 15, 2016

The Reverend Russell Lowell Reid, son of W. T. and Jo Williamson Reid, was born on November 23, 1924, near Jackson, TN. One of eight children, he was reared on a farm in rural Madison County before moving to a family property in Haywood County. A veteran of World War II, he interrupted his education to volunteer for military service with the United States Army. A sergeant with the Military Police, he spent fourteen months stationed near Manila in the Philippine Islands, and it was that experience that planted the seed for his later desire to enter the ministry.

On March 1, 1947, he married Christine Drake, a native of Haywood County and his high school sweetheart. This marriage in Corinth, Mississippi, began a partnership that spanned sixty-four years. To this marriage was born one daughter, Jean. In 1961, Russell, then an established storekeeper, farmer, and church school superintendent of Providence Methodist Church, answered the call to full-time ministry, and the family began a legacy of service that continued beyond retirement. Along with his ministry, he advanced his education with a Bachelor of Arts Degree from Lambuth College followed by a Master's of Divinity Degree from Memphis Theological Seminary. An ordained minister of the Memphis Conference, Russell served the following congregations: Floyd's Chapel/Boling Memorial/Crossroads ('61); Charleston/Hebron/Tabernacle ('62); Ripley Circuit consisting of Asbury, Lightfoot, and Hurricane Hill ('65); Halls First ('72); Henderson First/Trinity ('78); Bethany-Parkway ('81) and Alamo First/Center Extended ('85). In 1989 following his retirement, Russell and Christine took up residence at their farm in the Diamond Grove community of Madison County where they enjoyed rural life once again. In 1991 Russell briefly pastored the churches of Marvin's Chapel and Union Grove. His final ministry began in 2002 and constituted five years with the Montezuma/Big Springs congregations. In 2004 health concerns necessitated a move to the home which Russell himself had built in Ripley, Tennessee. It was here in 2014 that Christine succumbed to Parkinson's disease. Russell, who had diligently attended her despite his own serious health concerns and ultimate confinement, remained in the home until his death from cancer in 2016.

Russell enjoyed numerous interests. In addition to raising cattle and managing their farm, he enjoyed barbecuing and used his own sauce recipe and cooking techniques to partner in a successful barbecue enterprise in Alamo, TN. Moreover, his Brunswick stew was often the fare for family reunions or charitable events. A writer with two books to his credit and a sometime "inventor," Russell was an avid outdoorsman who enjoyed hunting and fishing and the companionship that accompanied sport. A true "people person," with an infectious sense of humor, he relished a great joke or story and frequently regaled his family and friends with his own escapades. To further give testament to his propensity for mischief, his canine companion "Trouble" was appropriately named. Most of all, however, Russell's life of ninety-one years was marked by selfless love for his God, family, and friends. His devotion to all was a hallmark of his being.

In addition to his wife Christine, Russell was preceded in death by his beloved granddaughter Elizabeth, his parents, and four siblings. He is survived by his daughter Jean and her husband, Ivan Criner, of Ripley; his grandson Clay with whom he shared so many wonderful times and Clay's wife, Julie, of Knoxville; two exuberant great-grandsons, Will (age 8) and Ben (age 5), who each brought enormous light and joy to the later years of Russell's life; and brothers Roland, Lyle, and Franklin Reid.

FRANCES DARBY

December 2, 1925---December 31, 2016

Surviving spouse of Rev. J.W. Darby

WILLIAM PIERCE BAILEY, JR.

February 17, 1931---January 12, 2017

Folk poet, Hondo Crouch of Luckenbach, Texas once observed and then reflected on the miracle of a sunrise by writing: "I get on my knees and pat the earth and say, 'God, you done it again! God, you done good! Thank you, friend!' " Those who knew and loved Bill Bailey could say the same "God, you done good!" in sending Bill Bailey our way.

William Pierce Bailey, Jr. was born into "Methodist air" in the parsonage of the Methodist Episcopal Church, South, of Horn Lake, Mississippi. His parents, William Pierce Bailey, Sr. and mother Valera Hudson Bailey faithfully served the church as a pastor and as a leader in the WSCS of the then North Mississippi Annual Conference. Raised in county seat parsonages throughout the North Mississippi Annual Conference, Bill responded to the call to ministry early in life, primarily when living in Ripley, Mississippi. He was president of the conference youth and in that capacity attended a national Methodist youth gathering in 1948 where his roommate was James Lawson from Illinois. Rooming with an African-American and future leader of the civil rights movement in the nation and church, set a social justice trajectory for Bill's ministry.

He matriculated at UM related Millsaps College and was a member of the "Ministerial League". In order to serve a student appointment, he transferred to the University of Mississippi (Ole Miss) where he graduated with a BA in philosophy. Bill highly appreciated his time at both Millsaps and Ole Miss and richly enjoyed many return trips to the city of Oxford. Immediately after graduating, he married the daughter of a physician parishioner in his student appointment, Sarah Doris Ford. After their marriage, they moved to Nashville, where Bill and Doris began their family with the birth of their eldest child, William Kent Bailey. As with his other schools, Bill was an ardent supporter of Vanderbilt University and specifically, the Divinity School. While there he was highly influenced by the Swedish systematic theologian, Nels F. S. Ferre'.

After he graduated from Vanderbilt Divinity School, Bill received his first appointment in the North Mississippi Annual Conference, the Guntown Charge. While there, the Bailey family expanded, with the birth in Tupelo, of their second child Michael Ford Bailey. Soon after Mike's birth, Bill's family joined with other clergy leaving the North Mississippi conference by heading north to the Memphis Annual Conference. His first appointment was as the associate pastor of the thriving Highland Heights Methodist Church under the leadership of, Bob Horton. While at Highland Heights, the youngest child in the Bailey family was born, Carol Ann Bailey.

In an era when the Methodist movement was rapidly expanding, Bill was appointed to start a new church in the rapidly growing area of Frayser. He was the founding pastor of the Georgian Hills church.

After several years at Georgian Hills, Bill was appointed to the stately Davant Avenue church in South Memphis. Following this, he was appointed to the Collierville United Methodist Church, where he established many personal relationships, which were meaningful to him throughout his life.

A great change came to Bill's life, which also marked the discovery of some of his most salient gifts, namely serving on the Cabinet. Bishop Finger appointed him as the District Superintendent of the Paducah District. After Frank McRae, he was, at that time, the second youngest superintendent in the connection in the SEJ. While in Paducah, Bill developed a cabinet style of significantly relating to churches, their laity and clergy. At every church he preached on the immutability of God's love in the future using Louisa Fletcher's beautiful poem, "The Land of Beginning Again". This marked the revealing of a major tenet of Bill's ecclesiology: for the Body of Christ, Bill's core faith informed him that for congregations and clergy "the past is the past and the best is yet to be" to wit, there is a "land of beginning again". While in Paducah, Bill's leadership led to initiatives that included the Lakeland Parish and a unique retirement community near Kentucky Lake.

After serving in Paducah, Bill was appointed to be the Director of the Conference Council on Ministries where he continued in innovative leadership. Even when appointed to the CCOM, his heart was always directing him to serve the local church and his desires came true when he was appointed to be the senior pastor of Bartlett UMC. Bill loved his time at Bartlett and the community. While he was appointed there, the church experienced growth in all of the ways a church can grow!

However, his giftedness soon resulted in his being appointed, once again, to serve on the Cabinet. He was appointed to the Memphis-Asbury District.

While serving the Memphis-Asbury District, Bill and his colleague on the Memphis-McKendree District, Bob Moore, paved many new paths for the superintendency. Rather than being mere “statistics collectors”, Bill and Bob had a vision for the Memphis Metropolitan area. Charge Conferences moved from being mundane times of reading dry reports to scintillating times of dreaming, visioning and implementing. Bill and Bob brought in consultants from the Jurisdictional Urban Ministry team as experts in facilitating dreaming, visioning, planning and implementation; all aimed at increasing United Methodism’s impact upon a large Metropolitan area. It is noteworthy, that the Memphis Conference experienced numerical growth in his tenure.

After Bill finished his term as Superintendent, he was appointed again to the Collierville United Methodist Church, which had gone through much change in its context. When Bill first served Collierville the church had several hundred parishioners and the town had a few thousand citizens. When he was appointed the second time, the church had several thousand members and the town had citizens numbering in the tens of thousands. Bill served the church faithfully and effectively despite living through what he described as one of the most traumatic times in his life, namely the illness and death of his beloved wife, Doris. Doris was diagnosed with an aggressive form of brain cancer and died within 7 months of her diagnoses.

And yet, God, in God’s goodness, brought the perfect person into his life. After grieving, Bill shared with family, that he wanted someone with whom, he could be himself; someone he could laugh with and someone who wouldn’t try and replace his adult children’s mother. God responded to the desire of Bill’s heart and sent Leanne Leathers his way. Bill and Leanne were married in a service officiated by his daughter, Rev. Dr. Carole Bailey Stoneking and had decades of laughter, travel, adventure, friendship and love together. Leanne was proof to the entire family that God answers prayer!

The next appointment brought Bill and now, Leanne, was to his last full-time appointment, First United Methodist Church in Huntingdon, Tennessee. There, Bill’s life came full circle in a way; he’d been raised in his father’s county seat, town square churches and re-discovered a love with such roots in Huntingdon. Bill reveled in the narrative God called “Huntingdon” and shared this narrative with deep affection, love and joy. Bill laughed with Huntingdon folks, never at them. He was regaled and regaled others with stories of: Doc and Paula, Dr. David and Miss Lott, Buster and his father Sam, Hurch, the county jail and the family who’s leaning annually stained the bank’s white paint.

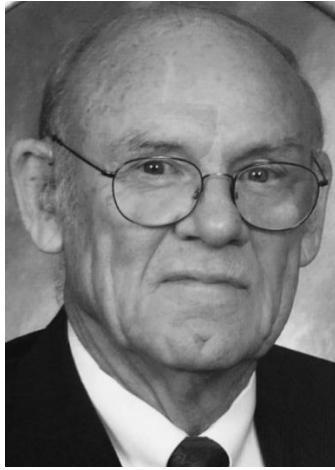

Throughout his service, Bill’s gifts reached well beyond the local church and the Memphis Annual Conference. He was elected several times to the jurisdictional and general conferences of the tradition. For a number of years, he served on the General Board of Church and Society and a joy of his later years, was meeting with fellow GBCS member, Jim Feree and reflecting on their strong roles in the initiation of the Social Principles of the church. More, he was nominated as the episcopal candidate of the Memphis conference three times. His vision, innovation and leadership affect the tradition to this day and will do so into our future. Bill was gifted in many ways, but especially in his ability to enliven the UMC Book of Discipline to serve the local congregation and Christ’s vision for the Church catholic.

After his official retirement, he thought he wanted to be in Memphis, moved there and even served an appointment, but the seductive narrative and call of Huntingdon was in his soul and he returned. In retirement, he continued to serve, including service as a cruise ship chaplain several times. On one cruise he connected significantly to a family with a child challenged by being on the autism spectrum. It is noteworthy, that the family continued to stay in touch with Bill over the years as one who accepted their family and unique concerns. As he lay dying, Huntingdon showed up in love, support and prayer. He often said during this time, “Huntingdon is a good place to live and a good place to die.” Nothing more needs be said in describing his love for this town and this town’s love for him.

A testimony to his life is that all of his children were raised, as well as a grandson, to hear and respond to God’s call into the ministry. Legend has it that a pioneer, gazing for the first time at the Grand Canyon said, “Something big happened here.” Upon considering the life of William Pierce Bailey, Jr. and his legacy, the same can be truthfully stated about Bill, by God’s grace, something big happened here.

Bill’s irrepressible great soul often led him to launch into the singing of hymns while on long car trips, often to a mixture of bemusement and occasional embarrassment for his family. His command of the English language and bright articulate ways of speaking were birthed from a deep love of poetry. Besides hymns, while driving, he would often quote his favorite poets (always more beautiful when delivered with his beautiful mellifluous Mississippi Delta accented, baritone. A favorite one is apropos to his memory:

As the marsh-hen secretly builds on the watery sod,
Behold I will build me a nest on the greatness of God:
I will fly in the greatness of God as the marsh-hen flies
In the freedom that fills all the space ‘twixt the marsh and the skies:
By so many roots as the marsh-grass send in the sod
I will heartily lay me a-hold of the greatness of God. (From, Marshes of Glynn, Sidney Lanier)

CHARLES LYNN PARKER

February 2, 1941---February 6, 2017

Reverend Doctor Charles Parker of Camden passed away on Monday February 6th at the age of 76. Dr. Parker was born on Feb. 2, 1941 in Franklin County Kentucky to the late Wiley Lynn and Bessie Thurmond Parker. Before entering the ministry, he worked at General Tire in Mayfield Kentucky and announced for WNBS Radio Station, Murray Ky. And WYMC in Mayfield Ky. He was a farmer and an avid collector of antique tractors, always favoring the ones painted red. ☐

He began his ministry in the United Methodist Church in 1969. He was a graduate of Lambuth College and he obtained his Doctorate of Ministry degree from McCormick Theological Seminary. Charles loved the United Methodist Church. He was a 32nd Degree Mason and a member of the Memphis Conference Disaster Relief Team, active in Habitat for Humanity, and was on the Board of Directors of Lakeshore United Methodist Assembly in Eva for over 17 years and as Property Chair for the past 8 years. He served in the following Churches: 1969- Cottage Grove/Olive Branch and Wesley Chapel; 1971-Providence; 1974-Bolton - Gratitude; 1975-Obion; 1979-Obion and Trimble; 1983-Camden First; 1988-Lambuth Memorial, Jackson; 1992-Mayfield First; 1997-Huntingdon First; 2001-Fulton First; 2005-Puryear and Buchanan; 2007 to present-Holladay and Palestine.

In his earlier years Charles loved hunting and fishing. Later on in life he and his wife Darrylin spent some of their time camping and traveling. Charles never met a stranger and his memorial service held at Camden 1st United Methodist Church was attended by family and friends from all walks of life. As Rev Phillip Cook who was officiating said "He has done it again, Charles has done it again, he has brought us all together and he has filled the church". Charles always loved to tell a story and he would occasionally tell stories about his children, grandchildren and yes his Golden Retriever rescue dogs. We can't leave them out.

To the Council on Finance and Administration
 Memphis Conference Treasurer's Office
 Jackson, Tennessee

We have audited the accompanying financial statements of the Memphis Conference Treasurer's Office (a nonprofit organization) (the Conference), which comprise the statement of financial position as of December 31, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Memphis Conference Treasurer's Office as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
 Years Ended December 31, 2016 and 2015

Note 1 Nature of Organization and Significant Accounting Policies

A. Nature of Operations

The Memphis Conference (the Conference) is a regional body of The United Methodist Church comprised of the lay members, clergy, and 400+ churches in West Tennessee and West Kentucky. The Conference is primarily responsible for all the ministries that are jointly provided by and for United Methodists in its geographic area. The Conference administers Conference operating and program funds that are received from churches, boards and agencies, and individuals of the Conference in accordance with the budget and other directives of the Conference, the respective board and agencies and donors.

B. Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

C. Financial Statement Presentation

The Conference follows the recommendations contained in the *Presentation of Financial Statements, Not-For-Profit Entities* topic of the FASB Accounting Standards Codification. Under those provisions, net assets and revenues, gains, and losses are classified based on the absence or existence and nature of donor-imposed restrictions as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Conference pursuant to those stipulations or that expire by the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that may be maintained permanently by the Conference. Generally, the donors of such assets permit the Conference to use all or part of the income earned on the assets.

D. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumption that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

E. Cash and Cash Equivalents

The Conference defines its cash, designated cash and cash equivalents to include cash on hand, demand deposits, and commercial paper and other investments with initial maturities of three months or less whether those amounts are unrestricted or restricted.

F. Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in changes in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the

MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
 Years Ended December 31, 2016 and 2015

restrictions are met in the reporting period in which the income and gains are recognized. However, if a donor contributes an investment required to be held in perpetuity, gains and losses on the investment are subject to the same permanent restriction unless the donor explicitly states otherwise (currently the Conference has no such investment).

G. Fair Value Measurements

The fair value of financial assets and liabilities is measured according to the *Fair Value Measurements and Disclosures* topic of the FASB Accounting Standards Codification. Fair value is required to be evaluated and adjusted according to the following valuation techniques.

Level 1 - Fair value is determined using quoted market prices in active markets for identical assets and liabilities.

Level 2 - Fair value is determined using quoted market prices in active markets for similar assets and liabilities.

Level 3 - Fair value is determined using unobservable market prices in a market that is typically inactive.

H. Income Taxes

The Conference is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

I. Accounts Receivable

Accounts receivable include apportionments received after year-end for the budget year ended December 31, 2016 and 2015. No allowance for doubtful collections has been recorded.

J. Fixed Assets

Fixed assets are carried at cost if purchased and fair market value if donated. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, excluding land, which are 3 to 40 years. Depreciation expenses for the year ended December 31, 2016 and 2015 was \$19,626 and \$20,375. Property includes land, building and improvements at the Conference headquarters in Jackson TN.

K. Donated Services

Contributed services are reflected in the financial statements at the fair value of the services received only when those services either (1) create or enhance nonfinancial assets, or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchase if not provided by donation. Unpaid volunteers make contributions of time in various administrative and program functions. The Conference has not valued these donations.

L. Revenue and Support

Contributions are received and recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. When a

MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
 Years Ended December 31, 2016 and 2015

donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

The primary source of support is Apportionments received from local churches in the Conference. Apportionments expire at the end of each calendar year and, therefore, have been recorded as unrestricted support. Contributions and Other Revenue are primarily receipts by programs that have external sources of revenue such as registration fees or reimbursements.

M. Functional Allocation of Expenses

Expenses are charged directly to program. Management and general, or fundraising based on a combination of specific identification and allocation by management.

N. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

Note 7 Pension Plans

The Conference provides pension benefits for clergy serving churches in the Memphis Conference under Episcopal appointment, and full-time permanent staff of the Conference through various retirement plans. All plans are multi-employer plans administered by the General Board of Pension and Health Benefits of The United Methodist Church (GBOPHB). GBOPHB operates under the authority of the church's General Conference and implements the plans in accordance with plan documents. Pension benefits for clergy are a combination of defined benefit and defined contribution plans. Pension benefits for Conference lay staff are all defined contribution plans. Total Conference contribution to all plans for the years ended December 31, 2016 and 2015 were \$1,858,821 and \$1,888,611. The various retirement plans are listed below:

Clergy Retirement Security Program (CRSP):

CRSP is a multi-employer 403(b) retirement plan that provides pension coverage to eligible clergy. CRSP is both a defined benefit plan, which provides benefits based on years of credited service and a defined contribution plan, which provides a retirement account balance established and funded by the Conference. Effective 1/1/2014, contributions to the defined benefit plan are actuarially determined and contributions to the defined contribution plan equal 2% of the clergy's monthly compensation, plus a matching contribution of up to 1% of the clergy's compensation, for a maximum of 3%.

Supplement One to CRSP (Pre-1982):

Pre-1982 is a multi-employer 403(b) defined benefit plan for Conference clergy entering service prior to 1982. General Conference 2000 required each annual conference to adopt a formal funding plan to retire the Conference pre-1982 pension obligations. The Conference's Pre-1982 plan has been fully funded. The Conference approves a minimum distribution (past service rate) each year for participants in the Pre-1982 plan, based on a recommendation by the Conference Board of Pensions. The PSR for the year ended December 31, 2016 and 2015 was \$587 and \$575 for pre-1982 service years, which is .89% and .88% of the Conference average compensation respectively.

**MEMPHIS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS**

Years Ended December 31, 2016 and 2015

United Methodist Personal Investment Plan (UMPIP):

The UMPIP is a multi-employer 403(b) defined contribution plan providing eligible clergy and employees of the Conference with retirement savings. Conference employees and clergy may contribute up to the dollar limits set by current Internal Revenue Service regulations under both pre-tax and after-tax elections. The Conference makes no contribution to the plan for clergy. The Conference contributes an amount equal to 9% of its eligible lay employee's compensation to the plan.

Comprehensive Protection Plan (CPP)

CPP is a multi-employer health and welfare plan that provides death and disability benefits as well as other supplemental benefits to eligible clergy and their beneficiaries. CPP is funded by the Conference at a rate of 3% of compensation.

Ministerial Pension Plan (MPP)

MPP covers clergy who served from 1982 through 2006. It is a multi-employer defined contribution plan, but differs from a true defined contribution plan in that upon retirement, participants must annuitize at least 65% of their account balances, and the Conference is responsible for funding the annuities should the need arise. Upon annuitization, the monthly benefit becomes a defined benefit.

Amounts designated for pension contributions that have been transferred to the legal title of the GBOPHB multi-employer plans are not included as net assets of the Conference. As of December 31, 2016 and 2015 the remaining GBOPHB multi-employer plans were valued as follows:

<u>Description</u>	<u>Balance at 12/31/2016</u>	<u>Balance at 12/31/2015</u>
Pre-82 Pension	\$ 20,674,327	\$ 20,301,884
Corpus of Memphis Superannuate	99,521	99,521
	<u>\$ 20,773,848</u>	<u>\$ 20,401,405</u>

Note 8 Health Care Plan

The Conference sponsors the Group Insurance Program of the Memphis Annual Conference (GIP). The GIP is open to all eligible plan participants including clergy, full-time Conference staff, designated part-time local pastors and their respective dependents. The Conference Treasurer is the plan administrator. The plan administrator uses a third-party administrator for processing claims and other duties but retains responsibility for benefits payable. The GIP is a self-funded plan paying covered benefits out of Conference assets. Plan participants help cover some costs of covered benefits through contributions, deductibles and out-of-pocket expenses. The Conference has been operating on a pay-as-you-go system. Conference payments to the GIP for the years ended December 31, 2016 and 2015 were \$3,891,766 and \$3,794,787.

Note 10 Subsequent Events

Effective January 1, 2017, the Conference's Health Care Plan changed from a traditional medical plan to an HRA subsidy. This change decreased the net periodic costs and caused the funded position to improve. In addition, as of January 1, 2017, the plan was amended to limit eligibility for future retirees to participants who were age 60 with 20 years of conference service as of July 1, 2016. The aforementioned changes were the main factors causing the funded position of the Health Care Plan to improve from \$(28,931,587) in fiscal year 2016 to \$(10,667,229) in fiscal year 2017.

Note 11 Restatement

During fiscal year ended December 31, 2015, the Conference was able to determine the value of the properties listed below. A restatement of \$25,897 was made to the financial statement as of December 31, 2015 to reflect the net value of these properties:
