

Logitech®

Gaming Keyboard G110

What you need to step up your game

- Custom-colour character backlighting*
- Integrated USB audio with separate headphone and microphone jacks and mute buttons
- Twelve programmable G-keys with three macros per key*
- Hi-Speed USB 2.0 hub port
- Game/desktop mode switch

Ready to step up your game? The Logitech® Gaming Keyboard G110 gives you what you need to customise your setup, communicate more effectively and execute complex commands easily. Locate the correct keys – even in the dark – with backlighting colours you can select and assign*. Strategise with teammates and trash-talk enemies using the integrated USB audio. Configure up to 36 single keypresses or complex macros per game on the programmable G-keys. Use the MR key to record new macros on the fly*. Connect your gaming mouse or flash drive to the Hi-Speed USB 2.0 hub port. Disable the Windows/Context Menu keys with the game/desktop mode switch. Your game won't be interrupted until you're ready to call it quits.

* Requires software installation.
