The Publishers Weekly

Second Stories Cynthia S. Jordan 1989 *Second Stories* offers an innovative reexamination of selected texts by seven major figures in American literature. Combining close reading with a powerful ideological argument, Cynthia Jordan demonstrates that a concern with the patriarchal politics of language informs both the thematic content and overall shape of much of the fiction of these writers.

The Likes Of Us Michael Collins 2014-11-06 Once they were portrayed as the salt of the earth. Nowadays, they take to the streets when paedophiles and asylum seekers are in their midst; they expose their lives in TV documentaries; they love Gucci and hate the Euro; the broadsheets cast them as xenophobes and exhibitionists and mock their tastes and attitudes. But who are the white working class and what have they done to deserve this portrayal? *The Likes of Us* is a fascinating and wholly original examination of London's white working class.

The Ungrateful Refugee Dina Nayeri 2020-09-15 A Finalist for the 2019 Kirkus Prize in Nonfiction "Nayeri combines her own experience with those of refugees she meets as an adult, telling their stories with tenderness and reverence." –The New York Times Book Review "Nayeri weaves her empowering personal story with those of the 'feared swarms' . . . Her family's escape from Isfahan to Oklahoma, which involved waiting in Dubai and Italy, is wildly fascinating . . . Using energetic prose, Nayeri is an excellent conduit for these heart-rending stories, eschewing judgment and employing care in threading the stories in with her own . . . This is a memoir laced with stimulus and plenty of heart at a time when the latter has grown elusive." –Star-Tribune (Minneapolis) Aged eight, Dina Nayeri fled Iran along with her mother and brother and lived in the crumbling shell of an Italian hotel-turned-refugee camp. Eventually she was granted asylum in America. She settled in Oklahoma, then made her way to Princeton University.

In this book, Nayeri weaves together her own vivid story with the stories of other refugees and asylum seekers in recent years, bringing us inside their daily lives and taking us through the different stages of their journeys, from escape to asylum to resettlement. In these pages, a couple fall in love over the phone, and women gather to prepare the noodles that remind them of home. A closeted queer man tries to make his case truthfully as he seeks asylum, and a translator attempts to help new arrivals present their stories to officials. Nayeri confronts notions like “the swarm,” and, on the other hand, “good” immigrants. She calls attention to the harmful way in which Western governments privilege certain dangers over others. With surprising and provocative questions, *The Ungrateful Refugee* challenges us to rethink how we talk about the refugee crisis. “A writer who confronts issues that are key to the refugee experience.” —Viet Thanh Nguyen, Pulitzer Prize-winning author of *The Sympathizer* and *The Refugees*

The Coddling of the American Mind Jonathan Haidt 2018-09-04 'Excellent, their advice is sound . . . liberal parents, in particular, should read it' Financial Times The New York Times bestseller What doesn't kill you makes you weaker Always trust your feelings Life is a battle between good people and evil people These three Great Untruths contradict basic psychological principles about well-being, as well as ancient wisdom from many cultures. And yet they have become increasingly woven into education, culminating in a stifling culture of "safetyism" that began on American college campuses and is spreading throughout academic institutions in the English-speaking world. In this book, free speech campaigner Greg Lukianoff and social psychologist Jonathan Haidt investigate six trends that caused the spread of these untruths, from the decline of unsupervised play to the corporatization of universities and the rise of new ideas about identity

and justice. Lukianoff and Haidt argue that well-intended but misguided attempts to protect young people can hamper their development, with devastating consequences for them, for the educational system and for democracy itself.

Poland in a Colonial World Order Piotr Puchalski 2021-11-18 *Poland in a Colonial World Order* is a study of the interwar Polish state and empire building project in a changing world of empires, nation-states, dominions, protectorates, mandates, and colonies. Drawing from a wide range of sources spanning two continents and five countries, Piotr Puchalski examines how Polish elites looked to expansion in South America and Africa as a solution to both real problems, such as industrial backwardness, and perceived issues, such as the supposed overrepresentation of Jews in "liberal professions." He charts how, in partnership with other European powers and international institutions such as the League of Nations, Polish leaders made attempts to channel emigration to South America, to establish direct trade with Africa, to expedite national minorities to far-away places, and to tap into colonial resources around the globe. Puchalski demonstrates the intersection between such national policies and larger processes taking place at the time, including the internationalist turn of colonialism and the global fascination with technocratic solutions. Carefully researched, the volume is key reading for scholars and advanced students of twentieth-century European history.

Lost White Tribes Riccardo Orizio 2001 Following the trail of the last colonials, Orizio lifts the veil on a hidden world, bringing readers on a journey to the lost corners of the post-colonial world to meet the people voyaging Europeans left behind. Photos.

Global International Society Barry Buzan 2018-08-23 A new and systematic view of how global international society (GIS) came into being and acquired its current structure and dynamics. Buzan and Schouenborg integrate states, intergovernmental and international non-governmental organisations, and the diffusion of norms, into a single theoretical framework for the study of GIS.

The Lost Tribes of Tierra Del Fuego Christine Barthe 2015 A striking photographic testimonial to the people of Tierra del Fuego, a society defined by magic, spirits, and communion with nature

The Collapse of Complex Societies Joseph Tainter 1988 Dr Tainter describes nearly two dozen cases of collapse and reviews more than 2000 years of explanations. He then develops a new and far-reaching theory.

The Absolutely True Diary of a Part-Time Indian (National Book Award Winner) Sherman Alexie
2012-01-10 A New York Times bestseller—over one million copies sold! A National Book Award winner A Boston Globe-Horn Book Award winner Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and black-and-white interior art throughout, this edition is perfect for fans and collectors alike.

[A Peculiar Imbalance](#) William Davis Green 2008-10-14

Communities in Action National Academies of Sciences, Engineering, and Medicine 2017-04-27 In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in

a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. *Communities in Action: Pathways to Health Equity* seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

Researching South-South Development Cooperation Emma Mawdsley 2019-05-24 Over the last two decades the expanding role of Southern countries as development partners has led to tectonic shifts in global development ideas, practices, norms and actors. Researchers are faced with new questions around identity, power and positionality in global development. *Researching South-South Development Cooperation* examines this rapidly growing and complex phenomenon, asking to what extent existing assumptions, conceptual frameworks and definitions of 'development' need to be reframed in the context of researching this new landscape. This interdisciplinary book draws on voices from across the Global South and North to explore the epistemological and related methodological challenges and opportunities associated with researching South-South development cooperation, asking what these trends mean for the politics of knowledge production. Chapters are interspersed with shorter vignettes, which aim to share examples from first-hand participation in and observation of South-South development cooperation initiatives. This book will be of interest to anyone conducting research on development in the Global South, whether they are a practitioner or policy maker, or a student or researcher in politics, international development, area studies, or international relations.

Crisis and Communitas Dorota Sajewska 2023-05-29 This book is a critical, transdisciplinary examination of a broad range of philosophical ideas, theoretical concepts, and artistic projects of community in the 20th and 21st century in the context of global/local social and political changes. This volume opens new vistas by focusing on carefully selected instances of multipronged crises in which existing concepts of commonality are questioned, reformulated, or even speculatively designed with a (better) future in view. As many authors of this volume argue, in the face of today's unprecedented global ecological and economic challenges speculative design is of utmost importance as it can foster alternative, unthought-of

forms of connectivity that go far beyond progressivist narratives of nation, corporation, and nuclear family. Focusing on the situations of upheaval, both historical and fabricated, the collection not only examines how multipronged crises trigger antagonisms between egalitarian forms of *communitas* and the normative concept of the nation (and other normative forms of communities) as a community that separates and excludes. It also looks closely at philosophical and artistic projects that strive to go beyond the dichotomies and typically extrapolated utopias, envisaging new political economies, ways of living and alternative relational structures. It will be of great interest to students and scholars in performance studies, cultural studies, political studies, media studies, postcolonial and decolonial studies, critical anthropology.

Lost Tribes and Promised Lands Ronald Sanders 1992 An utterly revelatory work. Unprecedented in scope, detail, and ambition.

The Civil War Veteran Larry M. Logue 2007 *The Civil War Veteran* presents a profound but often troubling story of the postwar experiences of Union and Confederate Civil War veterans. Most ex-soldiers and their neighbors readjusted smoothly. However, many arrived home with or developed serious problems; poverty, drug and alcohol addiction, and other manifestations of post traumatic stress syndrome, such as flashbacks and paranoia, plagued these veterans. Black veterans in particular suffered a particularly cruel fate: they fought with distinction and for their freedom, but postwar racism obliterated recognition of their wartime contributions. Despite these hardships, veterans found some help from federal and state governments, through the establishment of a national pension system and soldiers' homes. Yet veterans did not passively accept this assistance—some influenced and created policy in public office, while others joined together in veterans' organizations such as the Grand Army of the Republic to fight for their rights and to shape the collective memory of the Civil War. As the number of veterans from wars in the Middle East rapidly increases, the stories in the pages of *The Civil War Veteran* give us valuable perspective on the challenges of readjustment for ex-soldiers and American society.

The Dutch Diaspora Howard J. Wiarda 2007-09-16 *The Dutch Diaspora* is a comprehensive and personal study of the former colonial empire of the Netherlands. The Netherlands is considered one of the most successful societies and at one point was the world's largest empire, stretching from Japan to the United

States. The author, Howard Wiarda, who grew up in western Michigan and is himself of Dutch descent, combines thorough scholarship with first-hand experience of travels to the far-flung former colonies. The study analyzes how colonies reacted to the ideological beliefs implanted by the Dutch settlers and how those colonies evolved in terms of cultural, religious, and political beliefs. For example, the Dutch in the seventeenth century brought Calvinism to South Africa and entrepreneurialism to New Amsterdam and Cura_ao and in the nineteenth century supported slave plantation systems in Indonesia and Suriname, but as time passed the evolution of the colonies was telling. The United States outgrew Great Britain in wealth and power, but while Calvinism declined in the Netherlands it remained vibrant and progressive in the American Midwest. In many ways, the former colonies adapted to modernization better than the mother country. *The Dutch Diaspora* is an insightful and accessible study of colonialism useful to upper-level undergraduates and all students and researchers of Dutch history.

When Scotland Was Jewish Elizabeth Caldwell Hirschman 2015-05-07 The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Lost White Tribes Riccardo Orizio 2011-01-11 Over three hundred years ago the first European colonialists set foot in Africa, Asia and the Caribbean to found permanent outposts of the great empires. This epic migration continued until after World War II when these tropical outposts became independent black nations, and the white colonials were forced, or chose, to return home. Some of these colonial descendants, however, had become outcasts in the poorest stratas of the society of which they were now a part. Ignored by both the former slaves and the modern privileged white immigrants, and unable to afford the long journey home, they still hold out today, hiding in remote valleys and hills, 'lost white tribes' living in poverty with the proud myth of their colonial ancestors. Forced to marry within the tribe to retain their fair-skinned 'purity' they are torn between the memory of past privileges and the present need to integrate into the surrounding society. The tribes investigated in this book share much besides the colour of their skin: all are decreasing in number, many are on the verge of extinction, fighting to survive in countries that alienate them because of the colour of their skin. Riccardo Orizio investigates: the Blancs Matignon of Guadeloupe; the Burghers of Sri Lanka; the Poles of Haiti; the Bastards of Namibia; the Germans of Seaford Town, Jamaica; the Confederados of Brazil.

Long Live the Tribe of Fatherless Girls T Kira Madden 2019-03-05 "The book I wish I'd had growing up." - Chanel Miller, author of Know My Name Best Books of 2019: Esquire O, The Oprah Magazine Variety Lit Hub Book Riot Electric Literature Autostraddle Finalist: NBCC John Leonard First Book Prize Lambda Literary Award New York Times Book Review Editors' Choice Selection Paste Best Memoirs of the Decade Elle Best Books of the Season Washington Post Best Books of the Month Indie Next Pick Indies Introduce Pick "A fearless debut." -New York Times "[A] gorgeous reckoning." -Washington Post "Flat out breathtaking." -Lit Hub "Gripping and gloriously written." -Elle "Utterly unforgettable." -NYLON "Unnervingly satisfying." -Oprah Magazine "Deeply compassionate." -NPR.org "Truly stunning." -Cosmopolitan Acclaimed literary essayist T Kira Madden's raw and redemptive debut memoir is about coming of age and reckoning with desire as a queer, biracial teenager amidst the fierce contradictions of Boca Raton, Florida, a place where she found cult-like privilege, shocking racial disparities, rampant white-collar crime, and powerfully destructive standards of beauty hiding in plain sight. As a child, Madden lived a life of

extravagance, from her exclusive private school to her equestrian trophies and designer shoe-brand name. But under the surface was a wild instability. The only child of parents continually battling drug and alcohol addictions, Madden confronted her environment alone. Facing a culture of assault and objectification, she found lifelines in the desperately loving friendships of fatherless girls. With unflinching honesty and lyrical prose, spanning from 1960s Hawai'i to the present-day struggle of a young woman mourning the loss of a father while unearthing truths that reframe her reality, *Long Live the Tribe of Fatherless Girls* is equal parts eulogy and love letter. It's a story about trauma and forgiveness, about families of blood and affinity, both lost and found, unmade and rebuilt, crooked and beautiful. One of the Most Anticipated Books of the Year: Entertainment Weekly, Huffington Post, BuzzFeed, The Millions, Nylon, The Rumpus, Electric Literature, Lit Hub, Refinery29, and many more

Violence as Usual Marie Muschalek 2019-12-15 Slaps in the face, kicks, beatings, and other forms of run-of-the-mill violence were a quotidian part of life in German Southwest Africa at the beginning of the twentieth century. Unearthing this culture of normalized violence in a settler colony, *Violence as Usual* uncovers the workings of a powerful state that was built in an improvised fashion by low-level state representatives. Marie A. Muschalek's fascinating portrayal of the daily deeds of African and German men enrolled in the colonial police force called the *Landespolizei* is a historical anthropology of police practice and the normalization of imperial power. Replete with anecdotes of everyday experiences both of the policemen and of colonized people and settlers, *Violence as Usual* re-examines fundamental questions

about the relationship between power and violence. Muschalek gives us a new perspective on violence beyond the solely destructive and the instrumental. She overcomes, too, the notion that modern states operate exclusively according to modes of rationalized functionality. *Violence as Usual* offers an unusual assessment of the history of rule in settler colonialism and an alternative to dominant narratives of an ostensibly weak colonial state.

Worldmark Encyclopedia of the Nations 2004 Presents easy-to-understand information on 200 countries and dependencies from around the world. Entries discuss a variety of topics in detail, from banking and securities to climate, from government data to demographic statistics. Also includes biographical essays on national leaders.

Between the World and Me Ta-Nehisi Coates 2015-07-16 Winner, Kirkus Prize for Non-Fiction, 2015 In the 150 years since the end of the Civil War and the ratification of the Thirteenth Amendment, the story of race and America has remained a brutally simple one, written on flesh: it is the story of the black body,

exploited to create the country's foundational wealth, violently segregated to unite a nation after a civil war, and, today, still disproportionately threatened, locked up and killed in the streets. What is it like to inhabit a black body and find a way to live within it? And how can America reckon with its fraught racial history? *Between the World and Me* is Ta-Nehisi Coates' attempt to answer those questions, presented in the form of a letter to his adolescent son. Coates shares with his son the story of his own awakening to the truth about history and race through a series of revelatory experiences: immersion in nationalist mythology as a child; engagement with history, poetry and love at Howard University; travels to Civil War battlefields and the South Side of Chicago; a journey to France that reorients his sense of the world; and pilgrimages to the homes of mothers whose children's lives have been taken as American plunder. Taken together, these stories map a winding path towards a kind of liberation—a journey from fear and confusion, to a full and honest understanding of the world as it is. Masterfully woven from lyrical personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* offers a powerful new framework for understanding America's history and current crisis, and a transcendent vision for a way forward. Ta-Nehisi Coates is a national correspondent for the Atlantic and the author of the memoir *The Beautiful Struggle*. Coates has received the National Magazine Award, the Hillman Prize for Opinion and Analysis Journalism, and the George Polk Award for his Atlantic cover story 'The Case for Reparations'. He lives in New York with his wife and son. 'Coates offers this eloquent memoir as a letter to his teenage son, bearing witness to his own experiences and conveying passionate hopes for his son's life...this moving, potent testament might have been titled Black Lives Matter.' Kirkus Reviews 'I've been wondering who might fill the intellectual void that plagued me after James Baldwin died. Clearly it is Ta-Nehisi Coates. The language of *Between the World and Me*, like Coates' journey, is visceral, eloquent and beautifully redemptive. And its examination of the hazards and hopes of black male life is as profound as it is revelatory. This is required reading.' Toni Morrison 'Extraordinary...Ta-Nehisi Coates...writes an impassioned letter to his teenage son—a letter both loving and full of a parent's dread—counselling him on the history of American violence against the black body, the young African-American's extreme vulnerability to wrongful arrest, police violence, and disproportionate incarceration.' David Remnick, *New Yorker* 'A searing meditation on what it means to be black in America today...as compelling a portrait of a father-son relationship as Martin Amis's *Experience* or Geoffrey Wolff's *The Duke of Deception*.' *New York Times* 'Coates possesses a profoundly empathetic imagination and a tough intellect...Coates speaks

to America, but Australia has reason to listen.’ Monthly ‘Heartbreaking, confronting, it draws power from understatement in dealing with race in America and the endless wrong-headed concept that whites are somehow entitled to subjugate everyone else.’ Capital ‘In our current global landscape it’s an essential perspective, regardless of your standpoint.’ Paperboy ‘Impactful and poignant.’ Reading With Jenna

Lost White Tribes The End Of Privilege And The Last Colonials In Sri Lanka Jamaica Brazil Haiti Namibia And Guadeloupe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Lost White Tribes The End Of Privilege And The Last Colonials In Sri Lanka Jamaica Brazil Haiti Namibia And Guadeloupe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Lost White Tribes The End Of Privilege And The Last Colonials In Sri Lanka Jamaica Brazil Haiti Namibia And Guadeloupe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to

filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading *Lost White Tribes The End Of Privilege And The Last Colonials In Sri Lanka Jamaica Brazil Haiti Namibia And Guadeloupe* free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading *Lost White Tribes The End Of Privilege And The Last Colonials In Sri Lanka Jamaica Brazil Haiti Namibia And Guadeloupe*. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading *Lost White Tribes The End Of Privilege And The Last Colonials In Sri Lanka Jamaica Brazil Haiti Namibia And Guadeloupe* any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About *Lost White Tribes The End Of Privilege And The Last Colonials In Sri Lanka Jamaica Brazil Haiti Namibia And Guadeloupe* Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. *Lost White Tribes The End Of Privilege And The Last Colonials In Sri*

Find Lost White Tribes The End Of Privilege And The Last Colonials In Sri Lanka Jamaica Brazil Haiti Namibia And Guadeloupe

What You'll Need Before You Can Get Free eBooks. Before downloading free books, decide how you'll be reading them. A popular way to read an ebook is on an e-reader, such as a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall. All of the free books at ManyBooks are downloadable – some directly from the ManyBooks site, some from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose. When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file formats. There aren't a lot of free Kindle books here because they aren't free for a very long

period of time, though there are plenty of genres you can browse through. Look carefully on each download page and you can find when the free deal ends.
