several reinforced bunkers and shelters were spotted and also freshly cut trees. Fixed wing aircraft were called in with the following results; 4 secondary explosions and several bunkers destroyed. A total of 670 rounds of artillery were fired with 30 secondary explosions. Also a squad spotted 4 PW's north side of a hill. Attack wing air support was called again and there was several secondary explosions.

From the 1st to the 12th of a few sightings and contacts were negligible around VC, however 13 to 15 aircraft daily received 5-10 107mm rockets impacting on the air strip. These were coming from the area of grid. XD9347 and further to the north.

On the 13th of a 3d Battalion, 9th Marines (-) assumes responsibility for new AO north of VC. Conduct road sweep operations to CA 10 from LIL'G. CO BATT B. Commence search and destroy operations east of route 9.

On the 15th of a Lima Company was assigned responsibility of LIL'G CO BATT B (CB).

On the 16th of a while on Operation SPANISH GUYANA, Lima Company spotted 15 NVA at XD91536 evading a recon team leaving the area. Artillery and air (fixed wing) was called. Results after search was 3 pitfall traps and 2 VC casualties.

On the evening of 23rd at the recon report on the RUC WILL formation was attacked by 10-15 NVA wearing CS gas masks. The attack failed and was suppressed with fixed wing aircraft.

On the morning of the 25th Lima Company had a squad ambush triggered by 4-5 NVA at XD924543. A search at daylight disclosed body drag marks in the killing zone.

On 26th at Operation CA LIMA FIELDS began with the 3d Battalion, 9th Marines reinforced was given the mission of reactivating FSB SIEPARD and conducting search and destroy operations in the vicinity and east of FSB SIEPARD.

NVA wore combat helmets, green utilities, olive flat jackets, black tennis shoes and were equipped with M-16's, RPG launchers, light machine guns, and ChiCom grenades. It is thought the draw runs through this grid as a infiltration route for bringing rockets to the fire den river to the north of route 9. Mike Company had a squad make contact with 5-10 NVA capturing one POW at XD983407. Also Mike Company had a zapper make contact at XD983415 getting one NVA confirmed.
