## UGC Guidelines regarding Anti Ragging Documentation

Why should & How can I use On Line affidavits?

1. It is mandatory for every student and his/her parents to submit an anti ragging affidavit at the time of first admission and there after each year at the time of annual registration. These are UGC's regulations.
2. It is the order of the Hon. Supreme Court that contact details of a students must be collected from these affidavits and stored electronically at a central location.
3. Until now each college collected such information. But it was not stored in any central location. But this year the Ragging Prevention Program developed an ON LINE procedure for downloading anti ragging affidavits. As a result, college authorities do not have to collect information separately and compile it. It will save a lot of their time and energy.

### How ?

1. It is a simple procedure comprising 3 steps.

Step 1: Log on to [www.antiragging.in](http://www.antiragging.in) or [www.amanmovement.org](http://www.amanmovement.org). Click on the button called- On line affidavits.

Step 2: Fill in the information as desired and submit the form.

Step 3: On successful completion you will receive affidavits, both for students and parents, through E mail.

2. If you do not have an E mail address, please create one before you log in. If your parents do not have an Email/Mobile/Landline Phone number, please do not panic. You can give those of your friends or relatives. There is absolutely nothing to worry, If you make a mistake while submitting your form you can start a fresh and submit the information again. There is no problem. It is a very easy Process.

### What Constitutes Ragging?

Ragging constitutes one or more of any of the following acts :

- a) Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.

- b) Indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
- c) Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.
- d) Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.
- e) Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- f) Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.
- g) Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;
- h) Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.
- i) Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher.

### Where can I get Help ?

1. I do not want you to feel that you are alone and help less. We are all with you.
2. Your parents are there to help. Please do not feel that you will burden your parents. Talk to them freely and openly. If you are being ragged- it is not your fault. They understand that.
3. We, at the Ragging Prevention Program are ready to help. You can call us any time on 1800 180 5522. It is a free phone. You can also send us an E mail on [helpline@antiragging.in](mailto:helpline@antiragging.in).

5. Any body can register a complaint of Ragging. It does not have to be only the victim. If you notice an incidence of Ragging you must inform the call center. It is your duty to do so.
6. You can also register a complaint of Ragging- Anonymously. You must however avoid this option because without knowing details it becomes difficult for us to take any action. We can assure you of confidentiality.

### Few Common questions on Ragging

### **What is ragging?**

**Ans:** Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or a junior student. 2. Indulging in a rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student. 3. Asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.

### **Why would anyone indulge in ragging?**

**Ans:** a) To derive a sadistic pleasure and b) To show off power, authority or superiority over juniors or fresher's.

### **Is some form of ragging good?**

**Ans:** No. Ragging, in any form, is a reprehensible act which does no good to anyone. Every act of ragging, major or minor, is beyond the limits of decency, morality and humanity. Civilized societies across the world are doing away with this nefarious practice. Some states in India have done the same. Madhya Pradesh will do it this year.

### **Why does ragging still exist ?**

**Ans:** a) Earlier, public opinion against ragging was not as strong as it is now. b) It was not clearly defined what ragging is c) Earlier, the concern was limited to violent form of ragging and other forms were considered tolerable, even desirable. This is not the case now.

### **What is "zero tolerance" policy?**

**Ans.** No act of ragging major or minor, shall go unnoticed. No ragger, male or female, student or non-student, shall go unpunished. No institution that fails to take action against ragging shall be allowed to operate.

### **Who will implement this policy ?**

**Ans :** Everyone concerned, specially: 1. The heads of the educational institutions. 2. The state Government, through Divisional Commissioners. 3. The opinion makers.

How can we exterminate this evil practice?

**Ans :** By exercise of the disciplinary authority of the teachers over the students and of the management of the institutions over the teachers and students. No effort should be made to minimize the number of "reported cases". Reporting is to be encouraged through all available means. Anti-ragging movement should be initiated by the institutions right from the time of advertisement for admissions. The prospectus, the form for admission and /or any other literature issued to the aspirants for admission must clearly mention that ragging is banned in the institution and anyone indulging in ragging is likely to receive deterrent punishment.
