uts ENDÜSTRİYEL OTOMASYON

SOME PRODUCTS WE REPRESENT

We are specialized in components for industrial plants, machinery and it's maintenance, **uts** is based in Germany with subsidiaries in New York and Italy. We have been in business for over 20 years, providing our customers concrete solutions to their needs

WE SUPPLY INDUSTRIAL COMPONENTS

for mechanical, micro-mechanical, electrical, electronic, pneumatic, fluid and hydraulic components, systems automation, manufacturing and spare parts. We always strictly offer the original brands with the related international guarantee. We handle "urgent" services for emergencies and breakdowns.

WE BUY FOR YOU ALL AROUND THE WORLD

No more problems of foreign currencies, languages, customs and terms of payment, this are all services we manage every day for our customers.

THE BEST PRICE THAT WE OBTAIN IS YOURS

We buy for many customers, negotiate discounts and purchase large volumes. We work with the best prices on the market in order to reduce costs. We provide open order creating lists that contain your special needs and simplify your supply process.

WE OFFER TECHNICAL AND PRICE ALTERNATIVES

We manage the search for old products and offering technological alternatives. You will generate significant savings while expanding the base of access to our products.

WE FASTEN YOUR WORKFLOW

We have prepared a series of tools accessible via Internet to share real-time informations:

- Consult an online catalog with more than 400,000 products from over 9000 brands.
- Submit requests for quotes and technical details;
