

THE CLASS OF

2021

**MIDYEAR COMMENCEMENT**

DECEMBER 19, 2020

# Congratulations

The University of Wisconsin Oshkosh is proud of the accomplishments celebrated in today's commencement ceremony. We recognize and applaud the determination of our graduates to complete their studies. We also recognize and appreciate the help families and friends have given to make this graduation possible. While we all would prefer the grandeur of a live, in-person commencement, we have worked hard to ensure this safe, virtual ceremony commemorates your resilience and perseverance amid a historic pandemic.

The completion of a program of study is significant. It commemorates a major milestone reached while signaling unlimited opportunities for the future. It is in this spirit of hope and optimism that today we congratulate those who have now completed their studies at the University of Wisconsin Oshkosh.

Our newest graduates are an embodiment of a rich tradition of hands-on collaborative learning, academic excellence and personal growth that extends to the date the University was founded in 1871. It is this tradition that links our newest alumni with prior graduates, who are actively enriching the civic, business, charitable and political sectors of our global community.

As a regional center for the celebration and promotion of knowledge, culture and innovation, our University is an integral part of the broader community. With the fresh effort and focus of today's graduates who join us in this broader role, we envision even more opportunities that will connect our University with the region we so proudly serve.

It is my honor as the 11th chancellor of the University of Wisconsin Oshkosh to extend this special recognition on behalf of the faculty, staff, students and alumni of the University.

Sincerely,

Andrew J. Leavitt, Ph.D.  
he, him, his  
Chancellor, University of Wisconsin Oshkosh

## UNIVERSITY OF WISCONSIN OSHKOSH

The University of Wisconsin Oshkosh was founded as the state's third normal school in 1871. The Oshkosh State Normal School became Wisconsin's foremost teacher-training institution.

In later years, as the focus and curriculum expanded, the institution underwent several name changes. A graduate school was added in 1963. In its centennial year of 1971, President Roger Earl Guiles guided UW Oshkosh's merger into the Wisconsin system.

Today, with three Fox Valley campuses nestled in the cities of Fond du Lac, Menasha and Oshkosh, UW Oshkosh prepares students for fulfilling lives and challenging careers with 70 undergraduate majors and 48 master's degree, certificate and doctoral programs spanning a wide array of disciplines.

Chancellor Andrew J. Leavitt leads this vibrant educational institution under a strategic plan with a focus on student success. The picturesque and environmentally conscious campuses are home to five colleges — Business, Education and Human Services, Honors, Letters and Science, and Nursing. UW Oshkosh's focus on teaching is evident in its distinction of having won 11 UW System Regents Teaching Awards of Excellence.

UW Oshkosh, which will celebrate its sesquicentennial in 2021, is committed to student success, academic and inclusive excellence, community engagement and economic development.

## UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System is governed by the Board of Regents, an 18-member board of which 16 are appointed by the governor. The board, in turn, appoints the system president and the chancellors of the 13 universities. The current interim system president is Tommy G. Thompson.

The board is currently comprised of Regent President Andrew Petersen, Regent Vice President Michael Grebe, Robert Atwell, Scott Beightol, Amy Blumenfeld Bogost, Héctor Colón, José Delgado, Eve Hall, Mike Jones, Tracey Klein, Becky Lezvow (Ex-Officio Member), Edmund Manydeeds III, Cris Peterson, Corey Saffold, Carolyn Stanford Taylor (Ex-Officio Member), Karen Walsh, Kyle Weatherly and Olivia Woodmansee.

## CEREMONIAL TRADITIONS

### Academic Procession

This commencement ceremony marks a special occasion for students completing degree programs offered by UW Oshkosh. The Chancellor grants degrees by virtue of the powers vested by the UW System's Board of Regents. In addition, academic degrees may only be granted upon the recommendation of the University's faculty.

The academic procession is a featured part of the commencement program—a symbolic declaration that all members of the academic community are bound by common purpose and shared commitment to the ideals of higher education, including the search for meaning, truth and understanding.

### Academic Attire

The colors and apparel worn in the processional are symbolic of the Middle Ages. Because universities developed from church schools, both faculty and students were regarded as part of the clergy and wore clerical clothing based on monastic dress.

The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap or tam with tassel.

The bachelor's gown, with its long, pointed sleeves, is worn closed. The master's gown has an oblong sleeve open at the wrist; the rear section is square cut. The doctoral gown often was furred, a decoration that survives today as the velvet on the front and sleeves. Graduate degree gowns may be worn open or closed.

The tassel colors seen in the processional correspond to the field of study: crimson, Bachelor of Liberal Studies and Bachelor of Applied Studies; drab (tan), Bachelor of Business Administration; light blue, Bachelor of Music Education, Bachelor of Science in Education and Bachelor of Science—Human Services; gold, Bachelor of Science; white, Bachelor of Arts; brown, Bachelor of Fine Arts; pink, Bachelor of Music; citron, Bachelor of Social Work; and apricot,

Bachelor of Science in Nursing. Master's and Associate of Arts and Science degree candidates wear black tassels.

### The Hoods

The academic hood originally was worn over the head in bad weather. Now, it is added to the apparel of those with master's and doctoral degrees. The hood also denotes academic achievement beyond the associates and bachelor's degrees.

The master's and doctoral hoods display a gold and white chevron, denoting the University colors.

### Honor Cords

Students wearing gold-colored cords have earned the Latin honors:

- \*\*\* Summa cum laude (3.9 and higher GPA)
- \*\* Magna cum laude (3.75 GPA)
- \* Cum laude (3.5 GPA)

Students wearing white-colored cords have earned academic distinction within their college or unit. Students wearing other cords, stoles or insignia wear them in recognition of scholarly achievement in a department, honor society, study-abroad program or in the tradition of an international student's native country.

### Honors College

Students who successfully complete the Honors College curriculum along with their major requirements earn Honors College designations at either graduate or associate level, depending on their cumulative GPA:

- ◆◆ Honors College Graduates (3.5 to 4.0 GPA) receive Honors Medallions
- ◆ Honors College Associates (3.2 to 3.49 GPA) are awarded Certificates of Recognition

### University Seal/Chancellor's Medallion

The University Seal/Chancellor's Medallion symbolizes UW Oshkosh's history and aspirations. At the center of the medal is a fountain of knowledge, divided in three to reflect the school's commitment to realizing the creative power of individuals, the value of learning as a humanizing force and our aspiration to excellence. The word "learning" is centered at the bottom, serving as the foundation of the University's mission. The stylized figure at the center forms the school's initials. The outward sweeping W reflects the Wisconsin Idea—education reaching to the state's boundaries. The date of the University's founding appears at the bottom, representing the importance of those who came before us.

## Guest Speaker

**DR. JOHN NEWMAN**

PRESIDENT, AURORA MEDICAL CENTER OSHKOSH AND  
CHIEF MEDICAL OFFICER, OSHKOSH/FOND DU LAC PATIENT  
SERVICE AREA

Dr. John Newman has more than 25 years of experience in the field of medicine and surgery. Prior to joining Aurora, Dr. Newman spent nine years with Sentara Healthcare in Norfolk, Virginia. Since joining Aurora in April 2015, his accomplishments include recognition among the Truven Health Analytics Top 100 Hospitals and five stars from the Centers for Medicare & Medicaid Services. Dr. Newman also had a distinguished military career of 17 years, including three tours of duty in Iraq.

Dr. Newman has worked with UW Oshkosh and the community of Oshkosh since early this year, helping the University and a coalition of partners develop robust plans and a coordinated response to contain COVID-19. His support of the UWO Recovery Task Force, helping UWO leaders address health and safety issues particular to a university setting, along with most impactful practices to reduce transmission, was critical to the development of the institution's fall Titans Return plan.

## Student Speaker

**SYDNEY DEVITT**

Sydney Devitt of Crystal Lake, Illinois, graduates cum laude with a bachelor of arts with majors in political science and international studies. Outside the classroom, Devitt helped UW Oshkosh continue its tradition of success by serving as a representative on the award-winning UWO Model United Nations team. Devitt was awarded a Chancellor's Award of Excellence in recognition of her outstanding leadership as a peer mentor for the University Studies Program, a member of Oshkosh Circle K and vice president of the Oshkosh Student Association. Beyond her campus involvement, Devitt has a passion to increase youth voter engagement in a nonpartisan way. She interned for two members of congress and served as an election engagement intern on campus. Devitt plans to pursue a career in political service with dreams of one day serving in Congress.
