

20 *class of* 22

**MIDYEAR
COMMENCEMENT
DEC. 17, 2022**

Congratulations

The University of Wisconsin Oshkosh is proud of the accomplishments celebrated in today's commencement ceremony. We recognize and applaud the determination of our graduates to complete their studies. We also recognize and appreciate the help families and friends have given to make this graduation possible.

The completion of a program of study is significant. It commemorates a major milestone reached while signaling unlimited opportunities for the future. It is in this spirit of hope and optimism that today we congratulate those who have now completed their studies at UW Oshkosh.

Our newest graduates are an embodiment of a rich tradition of hands-on collaborative learning, academic excellence and personal growth that extends to the date the University was founded in 1871. It is this tradition that links our newest alumni with prior graduates, who are actively enriching the civic, business, charitable and political sectors of our global community.

As a regional center for the celebration and promotion of knowledge, culture and innovation, our University is an integral part of the broader community. With the fresh effort and focus of today's graduates who join us in this broader role, we envision even more opportunities that will connect our University with the region we so proudly serve.

It is my honor as the 11th chancellor of UW Oshkosh to extend this special recognition on behalf of the faculty, staff, students and alumni of the University.

Sincerely,

Andrew J. Leavitt, Ph.D.

he, him, his

Chancellor, University of Wisconsin Oshkosh

UNIVERSITY OF WISCONSIN OSHKOSH

Founded in 1871, the Oshkosh State Normal School became Wisconsin's foremost teacher-training institution. In later years, as the focus and curriculum expanded, the institution underwent several name changes. A graduate school was added in 1963. In its centennial year of 1971, President Roger Earl Guiles guided UW Oshkosh's merger into the Wisconsin system.

The University of Wisconsin Oshkosh's rich 150-year story of excellence and opportunity took center stage in 2021 as the institution marked its sesquicentennial year.

Today, with three Fox Valley campuses nestled in the cities of Fond du Lac, Menasha and Oshkosh,

UW Oshkosh prepares students for fulfilling lives and challenging careers with 77 undergraduate majors and 48 master's degree, certificate and doctoral programs spanning a wide array of disciplines.

Chancellor Andrew J. Leavitt leads this vibrant educational institution under a strategic plan with a focus on student success. The picturesque and environmentally conscious campuses are home to five colleges — Business, Education and Human Services, Honors, Letters and Science, and Nursing. UW Oshkosh's focus on teaching continues to shine in its distinction of having won 11 UW System Regents Teaching Awards of Excellence.

UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System is governed by the Board of Regents, an 18-member board of which 16 are appointed by the governor. The board, in turn, appoints the system president and the chancellors of the 13 universities. The current system president is Jay O. Rothman.

The board is currently comprised of Regent President Karen Walsh, Regent Vice President Amy Blumenfeld Bogost, Angela Adams, Robert Atwell, Scott Beightol, Héctor Colón, Mike Jones, Edmund Manydeeds III, John Miller, Rodney Pasch (Ex-Officio Member), Cris Peterson, Ashok Rai, Jennifer Staton, Brianna Tucker, Jill Underly (Ex-Officio Member), Dana Wachs and Kyle Weatherly.

CEREMONIAL TRADITIONS

Academic Procession

This commencement ceremony marks a special occasion for students completing degree programs offered by UW Oshkosh. The Chancellor grants degrees by virtue of the powers vested by the UW System's Board of Regents. In addition, academic degrees may only be granted upon the recommendation of the University's faculty.

The academic procession is a featured part of the commencement program—a symbolic declaration that all members of the academic community are bound by common purpose and shared commitment to the ideals of higher education, including the search for meaning, truth and understanding.

Academic Attire

The colors and apparel worn in the processional are symbolic of the Middle Ages. Because universities developed from church schools, both faculty and students were regarded as part of the clergy and wore clerical clothing based on monastic dress.

The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap or tam with tassel.

The bachelor's gown, with its long, pointed sleeves, is worn closed. The master's gown has an oblong sleeve open at the wrist; the rear section is square cut. The doctoral gown often was furred, a decoration that survives today as the velvet on the front and sleeves. Graduate degree gowns may be worn open or closed.

The tassel colors seen in the processional correspond to the field of study: crimson, Bachelor of Liberal Studies and Bachelor of Applied Studies; drab (tan), Bachelor of Business Administration; light blue, Bachelor of Music Education, Bachelor of Science in Education and Bachelor of Science—Human Services; gold, Bachelor of Science; white, Bachelor of Arts; brown, Bachelor of Fine Arts; pink, Bachelor of Music; citron, Bachelor of Social Work; and apricot,

Bachelor of Science in Nursing. Master's and Associate of Arts and Science degree candidates wear black tassels.

The Hoods

The academic hood originally was worn over the head in bad weather. Now, it is added to the apparel of those with master's and doctoral degrees. The hood also denotes academic achievement beyond the associates and bachelor's degrees.

The master's and doctoral hoods display a gold and white chevron, denoting the University colors.

College of Business | Drab (tan):

Master of Business—Administration
Master of Science—Applied Biotechnology
Master of Science—Information Technology Management
Master of Science—Sustainable Management

College of Education and Human Services | Light blue:

Doctor of Education—Educational Leadership and Policy
Master of Science—Educational Leadership and Policy
Master of Science in Education—Literacy
Master of Science in Education—Professional Counseling
Master of Science in Education—Special Education
Master of Science in Education—Teaching and Learning
Master of Science—Human Services Leadership

College of Letters and Science | Citron (yellowish-green):

Master of Social Work

College of Letters and Science | Gold:

Master of Science—Athletic Training
Master of Science—Biology
Master of Science—Cybersecurity
Master of Science—Data Science
Master of Science—Mathematics Education
Master of Science—Professional Science
Master of Science—Psychology

College of Letters and Science | Peacock blue:

Master of Public Administration

College of Letters and Science | White:

Master of Arts—English

College of Nursing | Apricot:

Doctor of Nursing Practice
Master of Science in Nursing

Honor Cords

Students wearing gold-colored cords have earned the Latin honors:

- *** Summa cum laude (3.9 and higher GPA)
- ** Magna cum laude (3.75 GPA)
- * Cum laude (3.5 GPA)

Students wearing white-colored cords have earned academic distinction within their college or unit. Students wearing other cords, stoles or insignia wear them in recognition of scholarly achievement in a department, honor society, study-abroad program or in the tradition of an international student's native country.

Honors College

Students who successfully complete the Honors curriculum along with their major requirements earn Honors College designations at either graduate or associate level, depending on their cumulative GPA:

- ◆◆ Honors College Graduates (3.5 to 4.0 GPA) receive Honors Medallions
- ◆ Honors College Associates (3.2 to 3.49 GPA) are awarded Certificates of Recognition

University Seal/Chancellor's Medallion

The University Seal/Chancellor's Medallion symbolizes UW Oshkosh's history and aspirations. At the center of the medal is a fountain of knowledge, divided in three to reflect the school's commitment to realizing the creative power of individuals, the value of learning as a humanizing force and our aspiration to excellence. The word "learning" is centered at the bottom, serving as the foundation of the University's mission. The stylized figure at the center forms the school's initials. The outward sweeping W reflects the Wisconsin Idea—education reaching to the state's boundaries. The date of the University's founding appears at the bottom, representing the importance of those who came before us.

CEREMONY

MUSICAL PRELUDE

AUDIENCE PLEASE REMAIN SEATED DURING PROCESSIONAL

Student Speaker

EMILEE WISE

Emilee Wise graduates with a bachelor's degree in education. A Neenah native, she began her college career at the Fox Cities campus before transferring to the Oshkosh campus. Wise is a dedicated student and found success taking classes in a variety of formats: in person, virtual and hybrid—and also abroad. As a member of The Honors College she participated in a study abroad program in Paris.

Outside the classroom, Wise was a tutor at the Dyslexia Reading Connection, taught Korean students about environmental social governance using Zoom and student-taught a diverse group of students at Oshkosh North High School.

After graduation, Wise hopes to become a high school English teacher dedicated to advancing students' literacy progress and guiding them to become conscientious members of their local, national and global communities.

Faculty Speaker

MARIA GRAF

COLLEGE OF NURSING

Maria Graf is an assistant professor in UW Oshkosh's College of Nursing. She teaches community health nursing and is a lead instructor for the international community health clinical rotations. Her research interests include mental health needs and access to services among women of color, with an emphasis on Latina migrant farmworkers in the upper Midwest. Graf's research has been featured in national and international academic journals.

She is an active member of the campus community and proudly serves as co-advisor for the Student Organization of Latinos. Graf earned a bachelor's degree in nursing science at the Universidad San Luis Gonzaga de Ica-Peru, a master's in nursing education from UW O and a doctorate in nursing philosophy from UW Milwaukee. She is the only certified advanced transcultural nurse in Wisconsin.
