HP Officejet Pro 8000 Wireless Printer

Create premium-quality colour documents and save as much as 50% per page compared with competitive laser printers[1] with this high-speed, wireless[2] printer. Share the performance – including two-sided printing – between as many as 10 users.

The HP Officejet Pro 8000 Wireless Printer is designed for micro/small business users wanting an energy-efficient, network-ready printer capable of delivering premium-quality colour and black-and-white at an exceptionally low cost per page.

Print professional colour documents for a cost per page up to 50% lower than lasers[3].
Get professional print quality for high impact general office documents, with a cost per page as much as 50% lower than competitive lasers[3]. Save on external print costs too – produce customised marketing materials as and when you need them. Handle documents straight from the printer with new generation HP Officejet pigment inks – specially formulated to deliver durable, water-resistant outputs[5]. Individual cartridges mean you need only replace those that run out.

Use as much as 50% less energy than lasers[3] and save paper too.
Minimise your impact on the environment with this efficient, ENERGY STAR® qualified device – use up to 50% less energy than with competitive colour laser printers[3]. Reduce paper use by as much as half too, by printing both sides using automatic two-sided printing. Get more usable web pages with HP Smart Web Printing[6] – combine multiple web pages into a single printed page with no cut-off edges. Manage your printers over the network with device management software.

Streamline user productivity – share fast print performance over your wireless network[4].
Boost individual and small workteam productivity – share high-speed performance between up to 10 users via embedded wireless 802.11g[4] or Ethernet networking. Get professional results fast – enjoy speeds equivalent to a laser printer with up to 15 black / 11 ppm colour[7], plus draft/fastest speeds of up to 35 ppm black / 34 ppm colour. Experience fewer interruptions with high-capacity HP Officejet replacement cartridges[8] and a large 250-sheet input tray.
