The next Committee meeting will be at 7.30pm on Wednesday 6th. November, at the Bellfield Community

The Warringal Orchid society meets every third Wednesday of the month at the Senior Citizens Hall in Hawdon Street Heidelberg. **The next Meeting will be on Wednesday 16th. OCTOBER**

The hall will be open from 7.00pm you are welcome to bench plants for judging and to socialise with other members. A sales table operates with pots and other orchid accessories available. Members are able to submit up to 6 orchid plants for sale, the society deducts a 10% commission. Plants to be listed on sales form available at sales table.

This month's speaker will be: Michael Coker

Michael is a well-known Melbourne orchid personality and has been growing and showing orchids since 1978. Michael will be presenting a talk on his trip to Japan for the Japan Grand Prix International Orchid festival. This festival is the largest in the world and has been held annually since 1991. Up to 10,000 orchids are exhibited at this show.

NOTICES

BULLETIN EDITOR

Unfortunately, Alex has relinquished the position of Bulletin Editor. We would like to thank him for his work and effort in producing the Monthly Bulletin over the many years.

We now need a new Editor to take over the reins. If you would like to volunteer to do the job contact the secretary George Dimech.

Basic computer skills required and help with layout is available.

MONTHLY BULLETIN

Members supplying an email address will receive their monthly bulletin free of charge.

Those members wishing for a hard copy to be posted will have to pay the \$11 annual postage fee.

You can also download the bulletin from our web-site www.warringalorchidsociety.com.au

NEW GROWERS GROUP

New members wishing to get some extra instruction are welcome to join the **New Growers Group** conducted by Jason Khoo. This group runs for approximately 30 minutes prior to the start of the monthly meeting.

LIBRARY

We have an extensive library available to all members. Books cover all aspects of orchid growing and genera with many specialist editions. Members can borrow books on a monthly basis, see librarian Mario Borstelj.

SUGGESTIONS

Members wishing to have contributions or articles printed in bulletin, please contact: The Editor

Members wishing to hear speakers on particular subjects or to propose direction in which they wish the society to go, contact Secretary or any member of committee for further discussion.

SUPPER

All members are invited to bring a plate of supper to share at the end of our meeting, we all enjoy this time so do not leave it to the same ones every month.

[Please help pack up the hall prior to partaking.](#)

WELCOME BACK AILING MEMBERS

Hoping that you are fit and well

John Prosser, Ian Pratchett, Zac Giavaris

PSlc Waianae Leopard x Lana Caryell Hybrid

Grown by J. Jenkins

Plant known as Rlc. CRB's Leopard first
registered 2010 by Mr. Ron Greinke.

Intermediate grower, shade house,
glasshouse or Heated Glasshouse.

Vale Trevor Myers

It is with sadness we announce the passing of Trevor Myers aged 78. Trevor was a much-respected AOC judge and member of the Warringal Orchid Society. He spent many years as the assistant registrar for the AOC judging panel, also for a period of time producing our monthly bulletin. A true gentleman who will be sorely missed. Our condolences go out to his family.

FUNGAL AND BACTERIAL CONTROL FOR CYMBIDIUMS

Fungal control using a swimming pool algacide using this process has been found to be very effective and economical. The product suggested (Guardex) is no longer readily available and we have used a product called Alginox which is readily available at the K Mart pool chemical section.

Cost is approximately \$9.00 per 2.5 litre container.

The active chemical in Alginox is apparently the same as in Guardex but the spelling is slightly different. It is a sterilent/antiseptic and as it is bought in the concentrated form it can irritate skin and eyes. **READ THE WARNING ON THE LABEL.**

As a preventative measure spray the plants monthly or when problems are apparent using 4 mls of Alginox to 1 litre of water – less than 1 teaspoon per litre. **DO NOT EXCEED** 4 mls per litre.

If bulb rot is apparent cut the infected bulb through with a knife. If the cut bulb is black inside simply apply a mixture of Limil (brickies lime), and sulphur, 50% of each and the bulb will dry out.

However if the cut bulb is yellow and smells fermented, this particular rot is very serious and usually results in the loss of the plant.

It shows up when a healthy green bulb quickly turns yellow and the bulb shrivels. Treat this problem by putting the complete plant (pot and media) in a bucket or pail (10 litre ideal), and add water and algacide: 4 ml/litre as previously, until it is immersed to the top of the pot rim. **ALLOW TO SOAK FOR 10 – 12 HOURS.** Then drain and place the pot in a warm position and keep the media on the dry side. Some of the plant may survive and next season can be re-potted into new mix after removing old roots and bulbs.

WARRINGAL ORCHID SOCIETY INC. - SPRING SHOW SUMMARY - 2019

AWARD	Plant No.	PLANT NAME	PLANT OWNER

Upcoming Events

END OF YEAR BREAK-UP DINNER

Delicious 2 course buffet style meal, held on the **Second Wednesday, 11th December**, members \$25 and non-members \$28, bookings and payments to be made by **November** meeting, BYO drinks, glasses and nibbles. This is a great night and a wonderful way to celebrate our successful year, enjoyed by all who attend.

CLUB SOCIAL BBQ

Will again be held on 24th November, at George and Chris's home: 77 Carrington Blvd. Thomastown, starting 11am. BYO drinks and please bring a plate to compliment the meal.

This is another event not to be missed especially by new members as they can look over George and Chris's collection and their growing conditions. A great day that lasts well into the afternoon.

Maribyrnong Orchid Society – Sarcophilus Orchid Festival

Maribyrnong Community Centre, Randall Street, Maribyrnong
Saturday November 9th. and Sunday November 10th. 9am – 4pm
