Serene Xmas

Shine like a Christmas Star

Serene Christmas tempts you to reunite with friends and family in an atmosphere of healing, serenity, and peace. Accepting each other for who we are – with all our strengths, quirks, and imperfections – is liberating and enriching. When you celebrate with love, you fill hearts and homes with light.

Leuchten wie der Weihnachtsstern

Serene Christmas lädt dazu ein, wieder mit Freunden und der Familie zusammenzukommen, in einer Atmosphäre der Heilung, der Gelassenheit und des Friedens. Dass wir einander so annehmen, wie wir sind – mit all unseren Stärken, Eigenheiten und Unvollkommenheiten – ist befreiend und bereichernd. Wenn wir mit Liebe feiern, füllen wir unsere Herzen und Häuser mit Licht.

Briller comme une étoile de Noël

« Serene Christmas » vous invite à vous réunir avec vos amis et votre famille dans une atmosphère bienveillante et sereine. S'accepter les uns les autres pour ce que nous sommes, avec toutes nos forces, nos lubies et nos imperfections, est libérateur et enrichissant. Lorsque vous célébrez avec amour, vous remplissez les cœurs et les foyers de lumière.

Timeless joy

Reimagine timeless traditions

Timeless Joy illuminates the pure pleasure you can find in reliving and reimagining traditions. So as everyone comes together, embrace classic festive icons and motifs that conjure up precious memories, inspire wellbeing, and fill the air with the warm spirit of rejuvenation. This year, let's head back to the future!

Zeitlose Traditionen neu interpretiert

Timeless Joy unterstreicht die Lebensfreude, die man spürt, wenn man Traditionen neu erfindet. Wenn alle zusammenkommen, rufen klassische Weihnachtssymbole und -motive, kostbare Erinnerungen wach, sorgen für Wohlbefinden und erfüllen die Luft mit Erneuerung. In diesem Jahr geht es zurück in die Zukunft.

Réinventer les traditions

« Timeless Joy » souligne le pur plaisir que vous pouvez trouver à revivre et à réinventer les traditions. Alors que tout le monde se rassemble, adoptez des icônes et des motifs festifs classiques qui évoquent de précieux souvenirs, inspirent le bien-être et remplissent l'air de l'esprit chaleureux d'autrefois. Cette année, retournons vers le futur !

pep! on paper

Rock when you roll

Life is all about making the most of every moment – as our folks told us about a million times when we were growing up! Inspired by this truth, we have designed this range of playful toilet paper and handkerchiefs. We hope it triggers a cascade of unexpected smiles.

Genießen Sie den Moment

Im Leben geht es darum, jeden Moment zu nutzen - wie es uns unsere Eltern hunderte Male gesagt haben, als wir Kinder waren! Inspiriert von dieser Wahrheit haben wir diese Serie von verspieltem Toilettenpapier und Taschentüchern entworfen. Wir hoffen, dass sie ein unerwartetes Lächeln auf die Gesichter zaubern werden.

L'énergie au bout du rouleau

« Dans la vie, il faut profiter au maximum de chaque instant », répètent les grands en boucle aux petits. Nous nous sommes inspirés de cette adage pour la conception de cette gamme de papiers toilette et de mouchoirs, en espérant qu'ils déclencheront une avalanche de sourires.

CERTIFICATIONS THAT DRIVE SALES

The products in our collection carry a variety of environmental and quality certifications. Here you can find out what they mean.

ZERTIFIZIERUNGEN, DIE DEN UMSATZ FÖRDERN

Die Produkte unserer Kollektion tragen eine Vielzahl von Umwelt- und Qualitätszertifikaten. Hier erfahren Sie, was sie bedeuten.

We now offer napkins with the OK Compost HOME label. You can compost these at home. For instance, by putting them on the compost heap in your garden. This is because they compost at lower temperatures than used for industrial composting.

The Forest Stewardship Council® (FSC) certification ensures the product is made of wood from forests managed in an environmentally appropriate, socially beneficial and economically viable manner.

The Nordic Swan Ecolabel identifies the best products on the market from an environmental point of view.

The BLUE ANGEL is the world's first Ecolabel. The best known environmental certification in Germany, it is the label of the German federal government. It sets high standards for eco-conscious product design, provides reliable information, and promotes sustainable consumption.

DES CERTIFICATIONS QUI DOPENT LES VENTES

Les produits de notre collection ont obtenu plusieurs certifications qualité et environnementales. Elles sont décrites ici.

Ab sofort bieten wir Servietten mit dem OK Compost HOME Label an. Diese können im Haushalt kompostiert werden. Beispielsweise auf dem Komposthaufen im Garten. Dies liegt daran, dass sie bei bereits niedrigeren Temperaturen kompostieren als bei der industriellen Kompostierung.

Die Forest Stewardship Council® (FSC)-Zertifizierung besagt, dass das Holzprodukt aus umweltgerecht und verantwortungsvoll bewirtschafteten Wäldern gefertigt ist.

Das Nordic Ecolabel Swan zertifiziert die vom Umweltstandpunkt aus besten Produkte auf dem Markt.

Der BLAUE ENGEL war das weltweit erste Umweltzeichen und ist die bekannteste Umweltzertifizierung in Deutschland. Es setzt hohe Maßstäbe für umweltbewusstes Produktdesign, liefert verlässliche Informationen und fördert einen nachhaltigen Konsum.

Nous proposons désormais des serviettes avec le label OK Compost HOME. Ces serviettes sont compatibles avec le compostage dans un cadre privé. Elles peuvent être tout simplement mises au compost dans le jardin. Elles se décomposent en effet à des températures inférieures à celles utilisées dans les installations de compostage industrielles.

La certification du Forest Stewardship Council® (FSC) garantit que le produit est fabriqué à partir de bois issu de forêts gérées de façon respectueuse de l'environnement, socialement bénéfique et économiquement viable.

L'écolabel nordique Swan distingue les meilleurs produits du marché sur le plan environnemental.

www.blauer-engel.de/uz5

BLUE ANGEL est le tout premier écolabel de niveau international. Cette certification écologique est un label du gouvernement fédéral allemand. Celui-ci définit des normes très strictes pour des produits de conception écoresponsable, fournit des informations fiables et prône un mode de consommation durable.
