

- Aloe, Bitter (*Aloe ferox*)
- Aloe, Krantz (*Aloe arborescens*)
- Blue kuni bush (*Rhus glauca*)
- Brown gonna (*Passerina filiformis*)
- Bush tick berry (*Chrysanthemoides monilifera*)
- Common cabbage trees (*Cussonia spicata*)
- Common guarri (*Euclea undulata*)
- Common saffron (*Elaeodendron croceum*)
- Common spike-thorn (*Gymnosporia Buxifolia*)
- Common wild current (*Searsia pyroides / Rhus pyroides*)
- Glossy current (*Searsia lucida / Rhus lucida*)
- Iornwood (*Olea capensis*)
- Karoo num-num (*Carissa haematocarpa*)
- Olive, False (*Buddleja saligna*)
- Olive, Sand (*Dodonaea viscosa / angustifolia*)
- Olive, Wild (*Olea Europaea*)
- Real yellowwood (*Podocarpus latifolius*)
- Red current (*Rhus chirindensis*)
- Rub-rub berry (*Rhus incisa*)
- Sagewood (*Buddleja salviifolia*)
- September bush (*Polygala myrtifolia*)
- Star-apple (*Diospyros simii*)
- Poison peach (*Diospyros dychrophylla*)
- Sweet thorn (*Acacia Karoo*)
- Wild camphor bush (*Tarchonanthus camphoratus*)
- White milkwood (*Sideroxylon inerme*)
- Wild peach (*Kiggelaria africana*)

Star-apple (*Diospyros simii*)

September bush
(*Polygala myrtifolia*)

Protea Family

- Protea, King (*Protea cynaroides*)
- Protea, Sugarbush (*Protea nitida*)
- Protea, Sugarbush (*Protea coronata*)
- Protea, Sugarbush (*Protea eximia*)
- Protea, Sugarbush (*Protea neriifolia*)
- Protea, Sugarbush (*Protea repens*, Suikerbos)

Cone bush

- Cone bush (*Leucadendron salignum*)
- Cone bush (*Leucadendron xanthoconus*)
- Cone bush (*Leucadendron meridianum*)
- Cone bush (*Leucadendron laureolum*)

Pincushion

- Pincushion (*Leucospermum cuneiforme*)
- Pincushion (*Leucospermum praecox*)
- Pincushion (*Leucospermum cordifolium*)

Erica - Heath

- Heath (*Erica hispidula*)
- Heath (*Erica pulchella*)
- Heath (*Erica transparens*)
- Heath (*Erica seriphiifolia*)
- Heath (*Erica coccinea*)
- Heath, Hangertjie (*Erica plukenetii*)
- Heath (*Erica discolour*)
- Heath (*Erica versicolor*)
- Heath, Green (*Erica sessiliflora*)
- Heath, Water, water-bos (*Erica curviflora*)
- Heath, Water, waterheide (*Erica caffra*)

Protea, Sugarbush (*Protea eximia*)

Metalasia

- Metalasia, Blombos (*Metalasia densa*)
- Metalasia, Blombos (*Metalasia muricata*)
- Metalasia, Blombos (*Metalasia pungens*)

Arctotis

- Arctotis, Renostergosblom (*Arctotis acaulis*)
- Arctotis, Renostergosblom (*Arctotis incise*)

Restio

- (*Chondropetalum ebracteatum*)
- Calopsis, Besemgoed (*Calopsis paniculata*)
- Reed, Silver, Silverriet
(*Thamnochortus cinereus*)
- Cape Thatching Reed, Horsetail Restio (*Chondropetalum ebracteatum*)

Other

- Redhot Poker (*Kniphofia uvaria*)
- Belladonna, Maartblom (*Amaryllis belladonna*)
- Pondblossom, Waterblommetjie
(*Aponogeton distachyos*)
- Rush iris, Blombiesie (*Bobartia orientalis*)
- Freesia, Flissie (*Freesia alba*)
- Babiana, Bobbejaantjie (*Babiana*)
- Nebelia (*Nebelia paleacea*)

Everlasting

- Everlasting, Vlaktetee (*Syncarpha gnaphalodes*)
- Everlasting (*Syncarpha paniculata*)
- Everlasting (*Syncarpha argyropsis*)
- Everlasting (*Syncarpha canescens*)
- Cape snow (*Syncarpha Vestita*)

Scabious

- Scabious, Bitterbos (*Scabiosa columbaria*)
- Scabious (*Scabiosa incisa*)

Lily

- Lily, April fool, Veldskoenblaar
(*Haemanthus sanguineus*)
- Lily, Arum, calla, varklelie,
(*Zantedeschia aethiopica*)
- Lily, Chandelier, Koningskandelaar,
(*Brunsvigia orientalis*)
- Lily, Kapok (*Lanaria lanata*) Perdekapok
- Lily, Paintbrush, Misryblom
- Lily, Malgas (*Amموcharis longifolia*)
(*Haemanthus coccineus*)
- Lily, Parasol, Sambreelblom
(*Crossyne guttata*)

Gladiolus

- Afrikaner, Brown (*Gladiolus maculatus*)
- Afrikaner, Small brown (*Gladiolus hyalinus*)
- Afrikaner, Large brown, Ribbokblom
(*Gladiolus Nlinceus*)

Restio - various
