WEST LIBERTY UNIVERSITY  
**FOUNDATION**

**The Foundation supports, strengthens and sustains West Liberty University through fundraising, investment and stewardship of private funds.**

**VISION STATEMENT:**

The WLU Foundation will build donor trust through ethical practices and communication while honoring philanthropic intentions that advance West Liberty University.

**CORE VALUES:**

Integrity, Transparency, Accountability, Donor Centric, Stewardship, Professionalism, Collaboration, Ethical Standards

**DEAR FRIENDS,**

I'm pleased to report that fiscal year 2019 was a time of continued growth for the WLU Foundation. Revenue increased 19% and contributions increased 51% over the previous fiscal year!

The endowment has increased 44% since fiscal year 2016 and last year alone, we welcomed 11 new members to our Nathan Shotwell Planned Giving Society. In 2019, we also saw a huge 44% increase in the number of new donors giving their first charitable contribution ever to the WLU Foundation.

All of this positive momentum can be credited to a few important factors. First, it is a testimony to your generous commitment to West Liberty University and its students. Secondly, it is inspired by the responsible leadership of President Stephen Greiner. Lastly, it is supported day in and day out by our staff and by our Board of Directors, led by Chairman David Croft.

As part of our five-year strategic direction, we plan to continue these positive trends. We are prepared to face continued challenges presented by the realities of limited resources with strength and creativity.

It is my personal goal to continue to earn your confidence and make the WLU Foundation a donor-centered organization, which serves a University that exists to provide opportunity to our students and leadership to our region.

**Thank you for your commitment to WLU!**

In gratitude,

Angela Zambito Hill

# Seven (and a half) FAQs about the Charitable IRA Rollover

## 1. WHAT IS IT?

The charitable IRA rollover, or qualified charitable distribution (QCD), is a special provision allowing certain donors to exclude from taxable income – and count towards their required minimum distribution – certain transfers of IRA assets that are made directly to public charities.

## 2. WHO CAN MAKE A CHARITABLE IRA ROLLOVER GIFT?

Donors over 70 and a half years of age can transfer assets from a traditional IRA or Roth IRA to a permissible public charity such as the WLU Foundation.

## 3. WHAT ARE THE BENEFITS?

In addition to seeing their philanthropic dollars hard at work, donors can count the charitable IRA rollover towards their required minimum distribution and gifts of up to \$100,000 can be excluded from Federal Gross Income.

## 4. WHO CAN BENEFIT FROM IRA CHARITABLE ROLLOVER GIFTS?

The charitable IRA rollover can benefit donors with significant assets in an IRA, donors who make large gifts relative to their income, and donors that choose not to itemize.

## 5. CAN I MAKE A CHARITABLE IRA ROLLOVER GIFT IN MULTIPLE TAX YEARS?

Yes! Current law extends the charitable IRA rollover provision indefinitely, with no expiration date, allowing donors to make separate qualifying gifts each tax year.

## 6. DOES IT MATTER WHICH RETIREMENT ACCOUNT I USE TO MAKE MY GIFT?

Yes. Direct rollovers to a qualified charity can only be made from an IRA. In certain circumstances, however, donors may be able to roll assets from a pension, profit sharing, 401(k), or 403(b) plan into an IRA and then make the transfer directly from that IRA to the WLU Foundation.

## 7. HOW SHOULD I INFORM THE WLU FOUNDATION OF MY PLANS TO MAKE A QUALIFIED CHARITABLE DISTRIBUTION?

You can reach us by phone at (304) 336-5635 or in writing at: WLU Foundation, 208 University Dr. CUB 126 West Liberty, WV 26074.

## 7 ½. I WANT TO MAKE A CHARITABLE IRA ROLLOVER GIFT, WHO SHOULD I TALK TO?

Please contact your tax professional. Then we look forward to hearing from you and assisting you reach your philanthropic goal!

Note: This information is not intended as legal or tax advice.

## WHY I GIVE

I give to ensure that future students benefit from the same experience. West Liberty has been a part of my families’ lives for many years so I have a vested interest in seeing the university continue to succeed, grow, and maintain its high standard.”

**MATT BLAIR '15**

## WHY I GIVE

“I enjoy giving to WLU because the essence of life is more than just making a living with my education. Rather it’s making a worthwhile life by helping others in pursuit of their educations.”

# NEW TRACK & FIELD COMPLEX DEDICATED

West Liberty University topped its Homecoming Weekend with a festive Opening and Dedication Ceremony for the West Family Athletic Complex and Tim Weaver Memorial Track.

“We are grateful to our friends and major donors Gary and Flip West, who together with donors David and Ann Coffaro, made this dream a reality. Our students benefit tremendously through their generosity and we look forward to many, many athletic competitions and practices here in this outstanding facility. It is a perfect addition to the Hilltop,” said President Stephen Greiner.

The October event honored the largest donors in university history, Gary E. and Flip West, who made a \$1,000,000 lead contribution to help fund the new facility which is located along Faculty Drive, just past the Campbell Hall of Health Sciences.

Scheduled in conjunction with the Hilltoppers’ men’s and women’s soccer doubleheader against Charleston, the dedication also honored former WLU Track and Cross Country Coach Tim Weaver. Donors David K. and Ann Coffaro made a major contribution to the project in Weaver’s memory.

The newest member of West Liberty’s athletic facilities lineup made its debut this fall as the state-of-the-art home for WLU’s men’s and women’s soccer, track and cross-country squads. Featuring a fully-lighted artificial turf soccer field surrounded by a full 8-lane all-weather track built to NCAA specifications, the

sparkling green jewel immediately took its place among the top multi-purpose venues in the region.

With the addition of the West Family Athletic Complex and Tim Weaver Memorial Track, the Hilltopper track teams now have the ability to practice and host meets on campus. The men’s and women’s soccer teams have already taken advantage of their new-found flexibility by scheduling multiple night matches, greatly reducing missed class times for the student-athletes.

The event got underway with a private donor VIP event, beginning at 11:30 a.m. The public dedication ceremony for the new complex took place at 12:30 p.m. with a Hilltopper soccer doubleheader following.

From left, Gary and Flip West, David Coffaro, Sally Weaver Hartory (Tim’s sister), Betty Weaver (Tim’s widow) and Kallen Weaver Nelson (Tim’s daughter) gather on the field for the ceremony.

## WHY I GIVE

"I support West Liberty University because it gave me a second chance to be the first in family history to graduate from college. The broad background I received served me well in Law School."

**JOHN HOPPERS '63**

## WHY I GIVE

"The Hilltop is my home and where my heart will always be. I grew up on campus, my father was a professor for almost 40 years and my mother worked in the library. I gained a

foundation of knowledge that has been extremely valuable in advancing my career and most importantly, I met my husband James Taibi '86 there."

**KRIS WILLIAMS '86**

## NATHAN SHOTWELL SOCIETY

The Nathan Shotwell Planned Giving Society, established in 1997, recognizes and honors those who have made provisions for the West Liberty University Foundation through a bequest in a will or other estate-planning arrangement. The Society is named for the Reverend Dr. Nathan Shotwell, who founded West Liberty University in 1837 and served as its leader until 1854. Dr. Shotwell is credited with the establishment of the high academic standards to which the university continues to aspire.

## DR. JOSEPH "COACH" BARTELL

MARCH 5, 1901– JANUARY 21, 1981

Dr. Bartell is remembered at West Liberty University as a beloved coach, professor and administrator who served the institution for nearly four decades. Throughout his career as Head Coach of the Hilltopper football team he built the program into a true powerhouse, capturing three undefeated seasons in 1947, 1949 and 1950 and leading the team to conference championships in 1936, 1939, 1940, 1941, 1946, 1950 and 1956.

The postwar Hilltopper Football team under Bartell was arguably one of the best in the entire country, from Week 3 of the 1946 season and through the second week of 1951, the team notched a 43-1-3 record with 16 and 20 game winning streaks. Upon his retirement as Head Football Coach in 1956 to become Dean of Students, Coach Bartell had accumulated a 118-55-11 career record.

### REMEMBERED BY DAUGHTER JUDITH BARTELL PAESANI

My father first came to West Liberty University (then West Liberty State College) in the summer of 1933 to wear multiple hats as a coach, physical education professor and athletic director. Upon his arrival he found a disorganized and fledgling athletic program; he quickly went to work to recruit players for the football team from the mill towns up and down the valley, but had to warn them to bring their own shoes, for the athletic department had none to outfit the team. It was a chance to help provide the opportunity of an education for those young men that brought him to West Liberty, an opportunity that he himself had been fortunate enough to have pursued.

Joseph Bartell was born in Sarver, Pa. in 1901. Both of his parents were Italian immigrants and worked hard to provide for their large family, later moving to Tarentum, Pa. Grandfather Bartell passed away when my father was about 10, leaving my grandmother with six boys and no visible means of support. The whole family had to pitch in to make ends meet: Grandmother Bartell washed laundry and five of the boys, my father included, delivered the laundry orders and occasionally ice. The oldest brother left school at 14 to work as a laborer in the local steel mill. Life was hard, but the Bartell family stuck together and eked out a living.

My father was fortunate to be able to stay in school, graduating from Tarentum High School in 1920. He was an exceptional athlete; he played football, baseball, and basketball, and was most successful on the hardwood court. Called the "Tarentum Flash," he held the single game scoring record in basketball for Pennsylvania High Schools until Wilt Chamberlin broke that record in the 1950s. His athletic prowess afforded him the opportunity to attend West Virginia University on an athletic scholarship for which he was forever grateful. After graduating in 1924 he worked as a teacher and coach in Parsons, W.Va, Tarentum, Pa. and Fairmont, W.Va. He moved to Fairmont specifically to be closer to my mother, whom he was dating at the time. They married in 1927.

His success as a coach and athletic director at Fairmont East High School caused the principal there to recommend him for the job at West Liberty. In the early years he was essentially the entire Athletic Department: he was the Athletic Director, coached football, basketball and baseball, taught physical education, scheduled games, lined the field, ordered and managed equipment, drove the equipment truck and arranged transportation. He was very frugal in his management of departmental funds. After the Hilltoppers took the lead in a football game with a successful conversion kick, my dad asked the kicker, "Why did you kick it so hard? That ball cost \$14.95."

# DAY OF GIVING SUCCESS

## TEAM BRINGS IN **54 DONORS** FOR DAY OF GIVING

West Liberty University's 2019 Day of Giving was the most successful in University history, raising over \$100,000 in only 24 hours. By partnering with each athletic team and academic college, the Foundation drew donations directly to those areas, increasing the overall total for the day.

"Thank you to all of our donors and partners who made the Day of Giving a success," said Angie Zambito Hill, executive director of the WLU Foundation.

The Foundation provided custom donation pages and secured matching gifts to each area, but it was up to the individual teams and colleges to make sure their matching goal was met. While most reached their match, some – such as women's volleyball – hit their targets out of the park.

"Including our match, we raised just under \$6,300," said Kayla Mull, head coach of the Hilltopper volleyball team. "That money goes directly into providing the quality program that attracts and retains our student athletes."

This season the volleyball team was able to open their season with a tournament in Florida, which would not have been possible without the help of donated funds.

"We try to provide fun experiences over stuff," Mull said. "Ten years down the line none of these athletes will remember a jacket, but they'll likely always treasure that trip with their teammates."

For the Day of Giving, Coach Mull and her team tapped into their previous fundraising efforts, in which students would recruit friends and family to sponsor the volleyball team with small-dollar contributions. As a result, the team was able to bring in 54 donors on the day of giving, the most of any single affinity area.

In addition to raising thousands of dollars for the program, the volleyball team's efforts on the Day of Giving helped spread awareness of the need to raise private funds. According to Coach Mull, she has already heard from alumni who want to be a matching sponsor in 2020.

West Liberty University's fourth annual Day of Giving will occur on Thursday, April 2, 2020. If you are interested in becoming matching sponsor of your favorite team or academic area, please contact Nick Musgrave at 304.336.5635.

### TYPES OF FUNDS

#### NAMED ENDOWED FUND

A named endowed fund can be established to provide scholarships, support a professorship or chair in a particular academic area, or support another purpose based on the interest of the donor. An endowment requires that the principal remain intact in perpetuity, or for a defined period of time, or until sufficient assets have been accumulated to achieve a designated purpose. Named endowed funds are listed on an annual basis in certain WLU Foundation publications.

If not fully funded within five years, the temporarily endowed fund will be considered part of the Foundation's general endowment.

#### NON-ENDOWED FUND

A non-endowed fund is a fund held by the foundation designated for a specific use over a shortened period of time, e.g.; Organization accounts; Study Abroad; Capital Projects, etc.
