THE AMERICAN LEGION

RALPH D. COLE POST No. 3

FINDLAY, OHIO

worldwartwoveterans.org

As a Veteran of World War I, I am grateful of the opportunity of recommending this book to the public of Hancock County who may or may not be represented within its pages.

This book is dedicated to the memory of those valiant men and women who made the supreme sacrifice in World War II, and to create a permanent historical record of those veterans of Hancock County who did their part to bring this world conflict to victory.

All the relatives and friends of these World War II veterans, together with every citizen of Hancock County, after reading the record of these gallant men and women, should feel a greater appreciation of their many and great sacrifices.

Much effort has been given to secure the pictures and service histories of all veterans in Hancock County, and any omission is regretted. This lasting tribute to those who served in World War II will be greatly treasured by future generations.

AMERICAN VETERANS, WORLD WAR II

P. O. BOX 548

FINDLAY, OHIO

worldwartwoveterans.org

I am grateful for the opportunity of expressing my appreciation of this Hancock County World War II Book. As time goes by, we will cherish this book with a feeling of pride in a job well done. It will bring back happy memories of our friends and comrades pictured here, and make our determination even greater that those who did not return have not made the supreme sacrifice in vain.

Each man of Hancock County who served in uniform owes a debt of gratitude to the men and women who did not wear a uniform but were loyal soldiers on the home front.

To you who have returned and are returning each day, I urge you to become a member of the American Veterans, World War II. This is your organization. You have fought to gain the peace, but this peace was gained only by the combined efforts of all of us. Now, you must work as a combined group and organization to preserve this peace. It was a cruel job that had to be done the hard way, but it was our privilege to be a part of preserving our American way of life.

As a member of the Amvets, you will belong to an organization of far-reaching influence and prestige that will offer you an opportunity of continuing your service and duty to your country.
