# Jacksonville Track Club

► RUNNERS, JOGGERS & TRACKSTERS OF EVERY AGE AND PACE ◀

## MEMBERSHIP APPLICATION

**Purpose:** Jacksonville Track Club is a not-for-profit organization whose purpose is to promote interest in running as a form of athletic competition and to promote interest in health and physical fitness through running. Membership is open to all: young and old, the elite and the "back of the pack".

**Races:** The most visible activities by which JTC pursues its purposes are the club-sponsored local races. The nationally prominent River Run 15000 annually draws several thousand runners, joggers and walkers, plus elite runners from around the world. The other JTC races in the community are the Winter Beaches Run (5 & 10 miles), Summer Beaches Run (5 miles), 2 FOR 1 Couples 5K, Ladys' 5K and the Last Gasp 5 mile cross-country race.

**Track Meets:** In the spring and summer, JTC coordinates six track meets at a local high school. These can be all out efforts for the elite runners, or low key evenings of participating or spectator pleasure for adults and children. Most of the meets also include field events (long jump, shot put, etc.).

**Awards, Scholarships & Financial Support:** During the year JTC allocates funds for various running/fitness programs such as for local high school running events, youth running programs and for local college scholarship programs. Two high school undergrads are recognized with scholarships to a summer running camp. At an annual awards dinner, JTC recognizes two top runners from area high schools (one male, one female), the community's top running coaches and special accomplishments or contributions of JTC members.

**Etcetera:** Membership in the JTC also includes:

- *The Starting Line*, a monthly newsletter with timely articles and a calendar of area races
- Discounts at all JTC sponsored races.
- Use of track facilities at select local schools.
- Membership in the Road Runners Club of America (including its quarterly newspaper, *Footnotes*.)
- Monthly program/social meetings featuring JTC activities and guest speakers.
- Eligibility for JTC OPEN and Masters racing teams (male and female).
