RE: AFIN No. 52-00194, General Permit Tracking No. 0061-WG-SW-2
Surface facilities associated with the Yarborough No. 2 SWDS

Dear Mr. Smith:

The Recertification Notice of Intent for coverage under the General Permit 0000-WG-SW for the surface facilities associated with a salt water disposal system was received on May 9, 2012 and has been approved by this Department. A copy of the General Permit is available from the Department or at the website below. Compliance with all conditions and limitations therein is required.

Coverage for your facility under this General Permit is effective as of the date of this letter. Your facility has been assigned Permit Tracking No. 0061-WG-SW-2 and AFIN No. 52-00194. Please use these references in any future correspondence with the Department.

This letter is issued in reliance upon the statements and representations made in the submittal and the Department has no responsibility for adequacy or proper functioning of the system.

If you have any questions, please contact Linda Hanson, P.G. at (501) 682-0646.

Sincerely,

Mo Shafii
Assistant Chief, Water Division
