Children love cookies!

We are delighted to share with you our **Cherry Raisin and Oat Cookie Recipe.**

With reduced sugar but a tasteful, delicious flavor and as well a fit for vegans it will be a favorite on your menu!

16 portions

Ingredients

These biscuits were made by Jenny one of our costumers. She reduced the sugar from the original recipe and also used less cherries to reduce the sugar further.

- * Bebo Cooking & Baking 9oz 250g
- * Caster Sugar 2oz 50g
- * Light brown sugar 2oz 50g
- * Self-rising flour 5oz 150g
- * Porridge oats 8oz 225g
- * Glace cherries 3oz 75g
- * Raisins 3oz 75g

Method

1. Pre- heat the oven to 170°C, 350°F, gas mark 4.
2. Cream together the Bebo Cooking & Baking and the sugars.
3. Mix in the flour and oats.
4. Fold in the cherries and the raisins.
5. Roughly shape into 16 balls, lightly flatten, and bake on a tray for 13-15 minutes or until golden but still soft in the middle.
6. Leave to cook on the baking tray before transferring to wire rack.

Kitchen tip

If you want to reduce the sugar further you could make them with just raisins and leave the cherries out altogether. This will make the sugar per biscuit 9.5g.
