PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:
 The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

Leeds City Schools will determine the most important educational needs for the district based on the financial impact of COVID-19. With the anticipation of reduced revenue from local, state and federal funding sources, the greatest percentage of our annual operating budget, (personnel costs), will be the focus for supplemental support.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

Leeds City Schools will assess and address learning gaps by using pre and post assessment data to target learning deficits among its students. This data will indicate the level and severity of disruption in educational services from March 2020 to present, and provide the framework for meeting the instructional needs of students in Pre-K through 12th grade. Assessment platforms will include Global Scholar, DIBELS, aimsweb.

(a) The purpose of this section is to assist the Department in implementing the Department's mission to ensure equal access to education and to promote educational excellence throughout the Nation, by -

What steps does the LEA propose to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program?

The Leeds City School System does not discriminate on the basis of sex, race, national origin, creed, age, marital status, disability, or any other reason prohibited by state or federal law in its educational programs, activities, or employment policies and provides equal access to the Boy Scouts and other designated youth groups as required by Title VI of the Civil Rights Act of 1964 and Title VII of the 1964 Civil Rights Act, Title IX of the 1972 Educational Amendments, Section 504 of the Federal Rehabilitation Act of 1973, and the American with Disabilities Act (ADA). Leeds City Schools utilize curriculum materials that reflect the cultural and racial diversity present in the United States and the variety of careers and roles open to women as well as men in our society. An objective of the total curriculum and teaching strategies is to reduce stereotyping and to eliminate bias on the issue of sex, race, religion, and disability, to include Boy Scouts and other designated youth groups. The Curriculum should foster respect and appreciation for the cultural diversity found in our country and an awareness of rights, duties, and responsibilities of each individual as a member of pluralistic society. It is against the policy of the City of Leeds Board of Education to have different rules or regulations on the basis of sex in employment, including recruitment, hiring classification, and other terms, conditions or privileges of employment.

To the best of my knowledge and belief, all the information and data in this agreement are true and correct.
