This Information Memorandum shall be read and construed on the basis that such documents are incorporated in and form part of this Information Memorandum.

Neither this Information Memorandum nor any Pricing Supplement nor any other information supplied in connection with the Programme (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer, the Guarantor or any of the Dealers that any recipient of this Information Memorandum or any other information supplied in connection with the Programme should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and the Guarantor. Neither this Information Memorandum nor any other information supplied in connection with the Programme constitutes an offer or invitation by or on behalf of the Issuer, the Guarantor or any of the Dealers to any person to subscribe for or to purchase any Notes.

Investors should review, *inter alia*, the most recent financial statements of the Issuer and the Guarantor when deciding whether or not to purchase any Notes.

The distribution of this Information Memorandum and any Pricing Supplement and the offer or sale of Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Information Memorandum and any Pricing Supplement or any Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Information Memorandum and the offer or sale of Notes in Germany, Japan, the Netherlands, the United Kingdom and the United States (see “Subscription and Sale” herein).

Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period. Such stabilising shall be in compliance with all relevant laws and regulations and rules.

- (b) the amount (or, where applicable, the euro equivalent) of Dual Currency Notes, Index-Linked Notes and Partly Paid Notes (each as defined under "Form of the Notes" herein) shall be calculated (in the case of Notes not denominated in euro, in the manner specified above) by reference to the original nominal amount of such Notes (in the case of Partly Paid Notes, regardless of the subscription price paid); and
- (c) the amount (or, where applicable, the euro equivalent) of Zero Coupon Notes (as defined under "Form of the Notes" herein) and other Notes issued at a discount or premium shall be calculated (in the case of Notes not denominated in euro, in the manner specified above) by reference to the net proceeds received by the Issuer for the relevant issue.

FORM OF THE NOTES

Each Tranche of Notes will (unless otherwise indicated in the applicable Pricing Supplement) be initially represented by a temporary global Note (or, if so specified in the applicable Pricing Supplement, a permanent global Note), without receipts, interest coupons or talons, which will be delivered to a common depositary for Euroclear and Clearstream, Luxembourg and/or any other agreed clearing system. Whilst any Note is represented by a temporary global Note and subject to TEFRA D selling restrictions, payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will be made against presentation of the temporary global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of such Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by the relevant clearing system(s) and the relevant clearing system(s) have given a like certification (based on the certifications they have received) to the Agent. Any reference in this section to the relevant clearing system(s) shall mean the clearance and/or settlement system(s) specified in the applicable Pricing Supplement.

On and after the date (the “**Exchange Date**”) which is not less than 40 days nor more than 90 days after the date on which the temporary global Note is issued, interests in the temporary global Note will be exchangeable (free of charge), upon request as described therein, either for interests in a permanent global Note without receipts, interest coupons or talons or for definitive Notes (as indicated in the applicable Pricing Supplement) in each case (if the Notes are subject to TEFRA D selling restrictions) against certification of beneficial ownership as described in the second sentence of this paragraph unless such certification has already been given. The holder of a temporary global Note will not be entitled to collect any payment of interest or principal due on or after the Exchange Date. Pursuant to the Agency Agreement (as defined under “**Terms and Conditions of the Notes**” herein) the Agent shall arrange that, where a temporary global Note representing a further Tranche of Notes is issued, the Notes of such Tranche shall be assigned an ISIN and a common code by Euroclear and Clearstream, Luxembourg which are different from the ISIN and common code assigned to Notes of any other Tranche of the same Series.

Definitive Notes will be in the standard euomarket form with Coupons or Talons for further Coupons attached. Definitive Notes and global Notes will be to bearer.

Payments of principal and interest (if any) on a permanent global Note will be made through the relevant clearing system(s) against presentation or surrender (as the case may be) of the permanent global Note without any requirement for certification. A permanent global Note will be exchangeable (free of charge), in whole or (subject to the Notes which continue to be represented by the permanent global Note being regarded by the relevant clearing system(s) as fungible with the definitive Notes issued in partial exchange for such permanent global Note) in part, in accordance with the applicable Pricing Supplement, for security printed definitive Notes with, where applicable, receipts, interest coupons or coupon sheets and talons attached. Such exchange may be made, as specified in the applicable Pricing Supplement either: (i) upon not less than 30 days’ written notice being given to the Agent by Euroclear, Clearstream, Luxembourg and/or another relevant Clearing System (acting on the instructions of any of its participants) as described therein or (ii) only upon the occurrence of an Exchange Event. An “**Exchange Event**” means (1) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or have in fact done so and no alternative clearing system is available or (2) the Issuer has or will become obliged to pay additional amounts as provided for or referred to in Condition 8 which would not be required were the Notes represented by the global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 upon the occurrence of an Exchange Event. In the event of the occurrence of any Exchange Event, Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in the global Note may give notice to the Agent requesting exchange and in the event of the occurrence of an Exchange Event as described in (2) above, the Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur no later than 15 days after the date on which the relevant notice is received by the Agent. Global Notes and definitive Notes will be issued pursuant to the Agency Agreement. As at the date hereof, neither Euroclear nor Clearstream, Luxembourg regard Notes in global form as fungible with Notes in definitive form.

The following legend will appear on all global Notes, definitive Notes, receipts and interest coupons (including talons) which are subject to TEFRA D selling restrictions:

“Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in sections 165(j) and 1287(a) of the Internal Revenue Code of 1986.”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Notes, receipts or interest coupons.

Notes which are represented by a global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg as the case may be.

Pursuant to the Agency Agreement the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the Distribution Compliance Period applicable to the Notes of such Tranche.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Pricing Supplement.

A Note may be accelerated by the holder thereof in certain circumstances described in Condition 10 of the Notes. In such circumstances, where any Note is still represented by a global Note and a holder of such Note so represented and credited to his account with the relevant clearing system(s) gives notice that it wishes to accelerate such Note, unless within a period of 15 days from the giving of such notice payment has been made in full of the amount due in accordance with the terms of such global Note, holders of interests in such global Note credited to their accounts with the relevant clearing system(s) will become entitled to proceed directly against the Issuer on the basis of statements of account provided by the relevant clearing system(s) and subject to the terms of the relevant global Note.

FORM OF PRICING SUPPLEMENT

The Pricing Supplement in respect of each Tranche of Notes will be substantially in the following form, duly supplemented (if necessary), amended (if necessary) and completed to reflect the particular terms of the relevant Notes and their issue. Text in this section appearing in italics does not form part of the form of the Pricing Supplement but denotes directions for completing the Pricing Supplement.

The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, are entitled to the benefit of and are subject to all the provisions of the applicable Pricing Supplement which are binding on them.

Words and expressions defined in the Agency Agreement or used in the applicable Pricing Supplement shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

For so long as any of the Notes is represented by a global Note held on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear System (“**Euroclear**”) and/or Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor and any Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which purpose the bearer of the relevant global Note shall be treated by the Issuer, the Guarantor and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant global Note (and the expressions “**Noteholder**” and “**holder of Notes**” and related expressions shall be construed accordingly). Notes which are represented by a global Note held by a common depositary for Euroclear or Clearstream, Luxembourg will be transferable only in accordance with the rules and procedures for the time being of Euroclear or of Clearstream, Luxembourg, as the case may be.

2. Status of the Notes and the Guarantee

- (i) The Notes and the relative Receipts and Coupons constitute direct, unsecured and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and, subject as provided in Condition 3, with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.
- (ii) The Guarantor has in the Guarantee unconditionally and irrevocably guaranteed the due and punctual payment of all sums from time to time payable by the Issuer in respect of the Notes. The obligations of the Guarantor under the Guarantee constitute direct, unsecured and unsubordinated obligations of the Guarantor and rank *pari passu* without any preference among themselves and, subject as provided in Condition 3, with all other present and future unsecured and unsubordinated obligations of the Guarantor save for those preferred by mandatory provisions of law.

3. Negative Pledge

So long as any of the Notes remains outstanding, neither the Issuer nor the Guarantor will grant or permit to be outstanding, and the Issuer and the Guarantor will procure that there is not granted or permitted to be outstanding, and will procure that none of the Material Subsidiaries (as defined in Condition 10) will grant or permit to be outstanding, any mortgage, charge, lien, pledge or other security interest over any of its present or future assets or revenues or any part thereof, to secure any Relevant Indebtedness or any guarantee thereof unless the Issuer and the Guarantor shall, in the case of the granting of the security, before or at the same time, and in any other case, promptly, procure that all amounts payable under the Notes are secured equally and rateably or that such other security or other arrangement is provided as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders.

For this purpose “**Relevant Indebtedness**” means any indebtedness, present or future, in the form of or represented by notes, bonds, debentures, debenture stock, loan stock, certificates or other similar instruments which are, or are capable of being, listed, quoted or traded on or admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system or other securities market (including, without limitation, any over-the-counter market).

4. Redenomination

Where redenomination is specified in the applicable Pricing Supplement as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Agent, Euroclear and Clearstream, Luxembourg and at least 30 days’ prior notice to the Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (i) the Notes and the Receipts shall be deemed to be redenominated into euro in the denomination of euro 0.01 with a principal amount for each Note and Receipt equal to the principal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination into euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, each listing authority, stock exchange and/or quotation system (if any) by which the Notes may be admitted to listing, trading and/or quotation and the Paying Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate principal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;

- (iii) if definitive Notes are required to be issued after the Redenomination Date they shall be issued at the expense of the Issuer in the denominations of euro 1,000, euro 10,000, euro 100,000 and (but only to the extent of any remaining amounts less than euro 1,000 or such smaller denominations as the Agent may approve) euro 0.01, and such other denominations as the Agent shall determine and notify to the Noteholders;
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the “**Exchange Notice**”) that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New certificates in respect of euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;
- (v) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (vi) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period of less than one year, it will be calculated on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed fall in a leap year, the sum of (i) the number of those days falling in a leap year divided by 366 and (ii) the number of those days falling in a non-leap year divided by 365);
- (vii) if the Notes are Floating Rate Notes the applicable Pricing Supplement will specify any relevant changes to the provisions relating to interest; and
- (viii) such other changes shall be made to these Conditions as the Issuer may decide, after consultation with the Agent, and as may be specified in the notice, to conform them to conventions then applicable to instruments denominated in euro. Any such other changes will not take effect until after they have been notified to the Noteholders in accordance with Condition 14.

In these Conditions, the following expressions have the following meanings:

“**Established Rate**” means the rate for the conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into euro established by the Council of the European Union pursuant to Article 1091(4) of the Treaty;

“**euro**” means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty (as defined below);

“**Redenomination Date**” means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (i) above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union;

“**TARGET System**” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System; and

“**Treaty**” means the treaty establishing the European Communities, as amended.

5. Interest

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date (if that does not fall on an Interest Payment Date). The first payment of interest will be made on the

Interest Payment Date next following the Interest Commencement Date and will, if so specified in the applicable Pricing Supplement, amount to the Broken Amount so specified. Subsequent payments of interest will be made on each following Interest Payment Date and will, if so specified in the applicable Pricing Supplement, amount to the Broken Amount so specified.

The amount of interest payable in respect of each Fixed Rate Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Fixed Rate Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.

The amount of interest payable in respect of each Fixed Rate Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the principal amount of such Fixed Rate Note, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards). For this purpose a “**sub-unit**” means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

(b) ***Interest on Floating Rate Notes***

(i) ***Interest Payment Dates***

Each Floating Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate equal to the Rate of Interest payable in arrear on either:

- (A) the Interest Payment Date(s) in each year; or
- (B) if no express Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) ***Rate of Interest***

The Rate of Interest payable from time to time in respect of the Floating Rate Notes will be determined in the manner specified in the applicable Pricing Supplement on the following basis:

(A) **ISDA Determination**

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (1) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (2) the Designated Maturity is the period specified in the applicable Pricing Supplement; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Pricing Supplement.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

When this sub-paragraph (A) applies, in respect of each relevant Interest Period the Agent will be deemed to have discharged its obligations under Condition 5(b)(iv) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (A).

(B) **Screen Rate Determination**

Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation (if there is only one quotation on the Relevant Screen Page); or

- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at the Relevant Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest pursuant to this subparagraph (B) in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

(iii) *Minimum and/or Maximum Rate of Interest*

If the applicable Pricing Supplement specifies a minimum Rate of Interest for any Interest Period, then the Rate of Interest for such Interest Period shall in no event be less than such minimum Rate of Interest and/or if it specifies a maximum Rate of Interest for any Interest Period, then the Rate of Interest for such Interest Period shall in no event be greater than such maximum Rate of Interest.

(iv) *Determination of Rate of Interest and Calculation of Interest Amount*

The Agent or such other agent as is specified in the applicable Pricing Supplement will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the amount of interest payable in respect of each Specified Denomination (each an “**Interest Amount**”) for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the lowest (if more than one) Specified Denomination, multiplying such sum by the actual number of days in the Interest Period concerned divided by 360, or such other denominator as is specified in the applicable Pricing Supplement, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

(v) *Notification of Rate of Interest and Interest Amount*

The Agent or such other agent as is specified in the applicable Pricing Supplement will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Guarantor and any listing authority, stock exchange and/or quotation system by which the relevant Floating Rate Notes are for the time being admitted to listing, trading and/or quotation and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each listing authority, stock exchange and/or quotation system by which the relevant Floating Rate Notes are for the time being admitted to listing, trading and/or quotation and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression “**London Business Day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(vi) *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this paragraph (b) by the Agent or such other agent as is specified in the applicable Pricing Supplement shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor, the Agent, that other agent, if applicable, the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or that other agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) ***Index-Linked Notes and Dual Currency Notes***

In the case of Index-Linked Notes or Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an Index and/or a Formula or, as the case may be, a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.

(e) ***Accrual of Interest***

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (1) the date on which all amounts due in respect of such Note have been paid; and

6. Payments

(a) *Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars, shall be Sydney); and
- (ii) payments in euro shall be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

(b) *Presentation of Notes, Receipts and Coupons*

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against surrender of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against surrender of Coupons, in each case at the specified office of any Paying Agent (in the case of any payments to be made in U.S. dollars, outside the United States).

Payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender of the relevant Receipt. Payment of the final instalment will be made in the manner provided in paragraph (a) above against surrender of the relevant Note. Each Receipt must be presented for payment of the relevant instalment together with the definitive Note to which it appertains. Receipts presented without the definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Index-Linked Notes and Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unmatured Receipts and Talons (if any) appertaining thereto will become void and no payments in respect of any such Receipts and no further Coupons in respect of any such Talons will be made or issued, as the case may be.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index-Linked Interest Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Receipts, Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. Where any such Note is presented for redemption without all unmatured Receipts, Coupons or Talons relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require. A “**Long Maturity Note**” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant global Note against presentation or surrender, as the case may be, of such global Note at the specified office of any Paying Agent. A record of each payment made against presentation or surrender of such global Note, distinguishing between any payment of principal and any payment of interest, will be made on such global Note by such Paying Agent and such record shall be prima facie evidence that the payment in question has been made.

The holder of a global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such global Note. No person other than the holder of such global Note shall have any claim against the Issuer in respect of any payments due on that global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and interest in respect of the Notes will be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(c) ***Payment Business Day***

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Business Day, the holder thereof shall not be entitled to payment until the next following Payment Business Day in the relevant place and shall not be entitled to any further interest or other payment in respect of such delay.

For these purposes (unless otherwise specified in the applicable Pricing Supplement), “**Payment Business Day**” means:

- (i) if the currency of payment is euro, any day which is:
 - (A) a day on which banks in the relevant place of presentation are open for presentation and payment of bearer debt securities and for dealings in foreign currencies; and
 - (B) in the case of payment by transfer to an account, a TARGET Settlement Day and a day on which dealings in foreign currencies may be carried on in each (if any) Additional Financial Centre; or
- (ii) if the currency of payment is not euro, any day which is:
 - (A) a day on which banks in the relevant place of presentation are open for presentation and payment of bearer debt securities and for dealings in foreign currencies; and
 - (B) in the case of payment by transfer to an account, a day on which dealings in foreign currencies may be carried on in the Principal Financial Centre of the currency of payment and in each (if any) Additional Financial Centre.

(d) ***Interpretation of Principal and Interest***

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;

- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Instalment Notes, the Instalment Amounts (as defined in Condition 7(a));
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7(e)); and
- (vii) any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

7. Redemption and Purchase

(a) *At Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement in the relevant Specified Currency on the Maturity Date (in the case of a Note other than a Floating Rate Note) or on the Interest Payment Date falling in the month and year in which the date for redemption of the Notes will fall (in the case of a Floating Rate Note) or by instalments in the amount of each such instalment (each an “**Instalment Amount**”) and on the dates on which each instalment is repayable (each an “**Instalment Date**”) specified in the applicable Pricing Supplement (in the case of a Note redeemable in instalments).

(b) *Redemption for Tax Reasons*

Unless the applicable Pricing Supplement provides that Condition 8 does not apply, Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Notes other than Floating Rate Notes or Index-Linked Interest Notes) or on any Interest Payment Date (in the case of Floating Rate Notes or Index-Linked Interest Notes), on giving not less than 30 nor more than 60 days’ notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable) if, on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in, or amendment to, the laws or regulations of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes.

Notes redeemed pursuant to this Condition 7(b) will be redeemed at their Early Redemption Amount referred to in paragraph (e) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) *Redemption at the Option of the Issuer*

If the Issuer is specified in the applicable Pricing Supplement as having an option to redeem, the Issuer may, having given:

- (i) not less than 15 nor more than 30 days’ notice to the Noteholders in accordance with Condition 14; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Agent, (both of which notices shall be irrevocable), redeem all or some only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or Maximum Redemption Amount, both as indicated in the applicable Pricing Supplement. In the case of a partial redemption of Notes, the Notes to be redeemed (“**Redeemed Notes**”) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, in the case of Redeemed Notes represented by a global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the “**Selection Date**”). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as

the aggregate nominal amount of definitive Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 5 days prior to the Selection Date.

(d) ***Redemption of Notes at the Option of the Noteholders***

If the Noteholders are specified in the applicable Pricing Supplement as having an option to redeem, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 15 nor more than 30 days' notice or such other period of notice as is specified in the applicable Pricing Supplement (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Pricing Supplement, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

If this Note is in definitive form, to exercise the right to require redemption of this Note its holder must deliver such Note at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition.

(e) ***Early Redemption Amounts***

For the purpose of paragraph (b) above and Condition 10, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Zero Coupon Notes, at an amount (the "**Amortised Face Amount**") equal to the sum of:
 - (A) the Reference Price; and
 - (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable, and
- (iii) in any other case, at the amount specified in, or determined in the manner specified in, the applicable Pricing Supplement or, if no such amount or manner is so specified in the Pricing Supplement, at their nominal amount.

(f) ***Instalments***

Instalment Notes will be repaid in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (e) above.

(g) ***Partly Paid Notes***

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Pricing Supplement.

(h) ***Purchases***

The Issuer, the Guarantor or any of their respective subsidiaries may at any time purchase Notes (provided that, in the case of definitive Notes, all unmaturing Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise.

(i) ***Cancellation***

All Notes which are redeemed or purchased by the Issuer, the Guarantor or any of their respective subsidiaries will forthwith be cancelled (together with all unmaturing Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to paragraph (h) above (together with all unmaturing Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be re-issued or resold.

(j) **Late Payment on Zero Coupon Notes**

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (e)(ii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders, in accordance with Condition 14.

8. Taxation

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer or the Guarantor will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In such event, the Issuer or (as the case may be) the Guarantor will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon presented for payment:

- (a) by or on behalf of a Noteholder, Receiptholder or Couponholder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with the Netherlands other than the mere holding of such Note, Receipt or Coupon or the receipt of principal or interest in respect thereof; or
- (b) by or on behalf of a Noteholder, Receiptholder or Couponholder who would not be liable or subject to the withholding or deduction by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or
- (c) more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day; or
- (d) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (e) by or on behalf of a Noteholder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the European Union.

As used herein, the “**Relevant Date**” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

9. Prescription

The Notes, Receipts and Coupons will become void unless presented for payment within a period of five years after the Relevant Date (as defined in Condition 8) therefor.

There shall not be included in any Coupon sheet issued in exchange for a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

10. Events of Default

If any one or more of the following events (each an “**Event of Default**”) shall have occurred and be continuing:

- (i) default is made for more than 14 days in the payment of interest or 7 days in the payment of principal in respect of the Notes; or
- (ii) the Issuer fails to perform or observe any of its other obligations under the Notes or the Guarantor fails to perform or observe any of its obligations under or in respect of the Guarantee and, in either case, such failure has continued for the period of 30 days next following the service on the Issuer or (as the case may be) the Guarantor of notice requiring the same to be remedied; or
- (iii) if any Indebtedness of the Issuer, the Guarantor or any Material Subsidiary, in each case having an outstanding aggregate principal amount of at least Euro 50,000,000 (or its equivalent in any other currency or currencies), shall become due and payable prior to the stated maturity thereof following a default or any security therefor becomes enforceable, or, in the case of finance or capital leases as referred to in sub-paragraph (iii) of the definition of Indebtedness, if the counterparty accelerates the obligations of the Issuer, the Guarantor or any Material Subsidiary, as the case may be, under such capital or finance lease, or the Issuer, the Guarantor or any Material Subsidiary fails to make repayment of any such loan or debt at the maturity thereof or at the expiration of any grace period originally applicable thereto or any guarantee of any loan, debt or other moneys given by the Issuer, the Guarantor or any Material Subsidiary shall not be honoured when due and called upon; or
- (iv) if any order is made by any competent court or resolution passed for the winding up, liquidation or dissolution of the Issuer, the Guarantor or any Material Subsidiary save either (a) for the purposes of reorganisation on terms approved by an Extraordinary Resolution of the Noteholders or (b) in the case of a Material Subsidiary, a solvent winding up where all (or substantially all) of the assets of such Material Subsidiary are vested in the Issuer, the Guarantor or another Material Subsidiary or (c) in the case of the Issuer or the Guarantor in connection with a reorganisation under which the continuing entity effectively assumes all the rights and obligations of the Issuer or (as the case may be) the Guarantor; or

- (i) such documents shall be executed by the Substituted Debtor, the Issuer and the Guarantor as may be necessary to give full effect to the substitution (the “**Documents**”) and (without limiting the generality of the foregoing) pursuant to which the Substituted Debtor shall undertake in favour of each Noteholder and Couponholder to be bound by the Terms and Conditions of the Notes and the provisions of the Agency Agreement as fully as if the Substituted Debtor had been named in the Notes, and the relative Receipts and Coupons and the Agency Agreement as the principal debtor in respect of the Notes and the relative Receipts and Coupons in place of the Issuer and pursuant to which the Guarantor shall guarantee, which guarantee shall be unconditional and irrevocable, (the “**New Guarantee**”) in favour of each Noteholder and each holder of the relative Receipts and Coupons the payment of all sums (including any additional amounts payable pursuant to Condition 8) payable in respect of the Notes and the relative Receipts and Coupons;
- (ii) where the Substituted Debtor is incorporated, domiciled or resident for taxation purposes in a territory other than the Netherlands, the Documents shall contain a covenant and/or such other provisions as may be necessary to ensure that each Noteholder has the benefit of a covenant in terms corresponding to the provisions of Condition 8 with the substitution for the references to the Netherlands of references to the territory in which the Substituted Debtor is incorporated, domiciled and/or resident for taxation purposes. The Documents shall also contain a covenant by the Substituted Debtor, the Issuer and the Guarantor to indemnify and hold harmless each Noteholder and Couponholder against all liabilities, costs, charges and expenses, provided that insofar as the liabilities, costs, charges and expenses are taxes or duties, the same arise by reason of a law or regulation having legal effect or being in reasonable contemplation thereof on the date such substitution becomes effective, which may be incurred by or levied against such holder as a result of any substitution pursuant to this Condition and which would not have been so incurred or levied had such substitution not been made (and, without limiting the foregoing, such liabilities, costs, charges and expenses shall include any and all taxes or duties which are imposed on any such Noteholder or Couponholder by any political sub-division or taxing authority of any country in which such Noteholder or Couponholder resides or is subject to any such tax or duty and which would not have been so imposed had such substitution not been made);
- (iii) the Documents shall contain a warranty and representation by the Substituted Debtor, the Issuer and the Guarantor (a) that each of the Substituted Debtor, the Issuer and the Guarantor has obtained all necessary governmental and regulatory approvals and consents for such substitution and the performance of its obligations under the Documents, and that all such approvals and consents are in full force and effect and (b) that the obligations assumed by each of the Substituted Debtor, the Issuer and the Guarantor under the Documents are all valid and binding in accordance with their respective terms and enforceable by each Noteholder;
- (iv) each listing authority, stock exchange and/or quotation system which has admitted Notes to listing, trading and/or quotation thereon shall have confirmed that following the proposed substitution of the Substituted Debtor the admission to listing, trading and/or quotation of such Notes would be maintained by such listing authority, stock exchange and/or quotation system;
- (v) the Substituted Debtor shall have delivered to the Agent or procured the delivery to the Agent of a legal opinion from a leading firm of local lawyers acting for the Substituted Debtor to the effect that the Documents constitute legal, valid and binding obligations of the Substituted Debtor, such opinion to be dated not more than three days prior to the date of substitution of the Substituted Debtor for the Issuer and to be available for inspection by Noteholders and Couponholders at the specified office of the Agent; and
- (vi) the Issuer and the Guarantor shall have delivered to the Agent or procured the delivery to the Agent of a legal opinion from a leading firm of Dutch lawyers acting for the Issuer and the Guarantor to the effect that the Documents (including the New Guarantee) constitute legal, valid and binding obligations of the Substituted Debtor, the Issuer and the Guarantor under Dutch law, such opinion to be dated not more than three days prior to the date of substitution of the Substituted Debtor for the Issuer and to be available for inspection by Noteholders and Couponholders at the specified office of the Agent.

- (b) In connection with any substitution effected pursuant to this Condition, none of the Issuer, the Guarantor nor the Substituted Debtor need have any regard to the consequences of any such substitution for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and no Noteholder or Couponholder, except as provided in Condition 17(a)(ii), shall be entitled to claim from the Issuer or any Substituted Debtor under the Notes and the relative Receipts and Coupons any indemnification or payment in respect of any tax or other consequences arising from such substitution.
- (c) Upon the execution of the Documents as referred to in paragraph (a) above, and subject to the notice referred to in paragraph (e) below having been given the Substituted Debtor shall be deemed to be named in the Notes and the relative Receipts and Coupons as the principal debtor in place of the Issuer and the Notes and the relative Receipts and Coupons shall thereupon be deemed to be amended to give effect to the substitution. The execution of the Documents shall operate to release the Issuer as issuer from all of its obligations as principal debtor in respect of the Notes and the relative Receipts and Coupons save that any claims under the Notes and the relative Receipts and Coupons prior to release shall enure for the benefit of Noteholders and Couponholders.
- (d) The Documents shall be deposited with and held by the Agent for so long as any Notes or Coupons remain outstanding and for so long as any claim made against the Substituted Debtor by any Noteholder or Couponholder in relation to the Notes or the relative Receipts and Coupons or the Documents shall not have been finally adjudicated, settled or discharged. The Substituted Debtor, the Issuer and the Guarantor shall acknowledge in the Documents the right of every Noteholder and Couponholder to the production of the Documents for the enforcement of any of the Notes or the relative Receipts and Coupons or the Documents.

n.v. NUON

The figures contained in this description relate solely to the consolidated figures as mentioned in the annual report 2003 (presently in progress, availability as of 2nd week of April 2004) of N.V. Nuon.

Incorporation and shareholders

N.V. Nuon (the “**Guarantor**” or “**Nuon**”) was incorporated on 17 December 1998. Nuon is registered in the Amsterdam Chamber of Commerce under number 34108286. It is a limited liability corporation duly incorporated under the laws of The Netherlands and has its registered office at Spaklerweg 20, 1096 BA Amsterdam, The Netherlands.

Nuon’s Articles of Association were last amended by notarial deed executed on 1 May 2000 before Mr. G.W.C. Visser, Notary Public in Amsterdam, the drafts of these articles having received the approval of the Minister of Justice, number NV1055802.

Nuon was formed through the merger of energy companies in the provinces of Noord-Holland, Zuid-Holland, Gelderland, Flevoland and Friesland. Nuon’s shareholders comprise almost 80 public authorities, including the Province of Gelderland (44.4 per cent.), the Province of Friesland (12.6 per cent.), the Province of Noord-Holland (9.6 per cent.), the Municipality of Amsterdam (9.6 per cent. These four largest shareholders have a controlling interest of 76.2 per cent.

Profile

Nuon is one of the two largest Dutch integrated energy companies, which delivers its products and services to business and residential customers in the Netherlands and abroad. Nuon employs approximately 10,000 staff. In the Netherlands Nuon represents about 36 per cent. and 30 per cent. of the electricity and gas markets respectively. The majority of the company’s revenue derives from the retail of energy (about 65 per cent.). The bulk of the operating profit stems from their regulated distribution businesses. In the year 2003, the company generated revenue of EUR 5,424 million (2002: EUR 4,728 million) and EBITDA of EUR 1,048 million (2002: 783 million).

In 2003 Nuon restructured its organisation from 24 business units into 5 core market oriented divisions: Nuon Retail, Nuon Business, Nuon Energy Sourcing and Nuon Network Services and separately Continuon Netbeheer.

- **Nuon Retail** supplies electricity, gas and heat to 2.7 million residential and small business customers. Through subsidiaries Nuon Retail provides energy related services in the fields of installation, safety and maintenance. The Dutch electricity market began the process of deregulation in 1999, first liberalizing energy for large corporations. The mid-sized business market has been liberalised as per 1 January 2002. Electricity and gas are anticipated to move to a complete free market system in July 2004.
- **Nuon Business Customers** is a supplier of electricity, gas, heat and related products and services for business markets. Nuon Business provides about 17,000 Dutch based companies.
- **Nuon Energy Sourcing** is the result of the integration of three former separate business units Power & Gas Assets, Renewable Energy Projects and Energy Trade & Wholesale, supported by a couple of service units. Energy Sourcing focuses on the procurement, production and trade of energy inclusive of the realisation of large-scale projects. For Energy Sourcing, 2003 was marked by a restructuring of the organization and preparations for the takeover and full integration of Reliant Energy Europe BV. The acquisition of Reliant’s Dutch generation assets implies a more balanced portfolio of activities and a reduced exposure to power price volatility. Nuon hedges with the acquired production facilities approx 60 per cent. of demand with own production.
- **Nuon Network Services** is the division responsible for the installation, management and maintenance of electricity, gas, water, heating and cooling infrastructure under the instruction and supervision of Continuon Netbeheer. This division also provides products and services for public lighting and traffic systems for approx one-third of the Netherlands.
- **Continuon Netbeheer** is the grid manager. It is supervised by an independent Supervisory Board. Continuon is responsible for the connections and transportation of electricity and gas for 2.7 million users in the Netherlands. Continuon manages energy consumption data for invoicing purposes and plays an important role in the liberalisation process by facilitating the switch

process. Continuon manages 94,000 km electricity network and 35,000 km gas network. The number of electricity and gas connections amount to respectively 2.7 million and 2.1 million. Nuon's network, with a reliability of 99.994 per cent. in 2003, is recognized as being one of the most reliable of the world.

Nuon Belgium and Germany

Nuon Belgium is presently focused on Flanders. The residential market has been liberalised since July 2003. At the end of 2003 Nuon Belgium provided energy to 100,000 customers. Nuon Belgium has approximately 10 per cent. of the business market, which was liberalised in January 2003. Brussels and the Walloon provinces in Belgium will be liberalised in 2007 at the latest. In Germany Nuon focuses primarily on public lighting and the logistic energy related services for industry parks.

The regulatory framework

2003 was an important year for the Dutch utility industry following the outcome of the negotiations with the regulator Dienst Uitvoering en Toezicht energie (the "DTe") about electricity and gas transport tariffs. The outcome was favorable for Nuon since it was recognized by the DTe as being relatively efficient. After long periods of uncertainty and legal disputes, common ground on the treatment of X-factors has now been reached. For electricity transport, a sector uniform X-factor of 3.2 per cent. for 2001-2003 has been agreed upon. This resulted in approximately EUR 27 million one-off additional revenue for Nuon in 2003. For 2004-2006 Nuon negotiated an X-factor of 1.3 per cent. against a market average of 2.8 per cent. For gas transport, the sector uniform X-factor for 2003-2004 is 3.8 per cent., which resulted in EUR 20 million one-off additional revenue for Nuon in 2003. For 2005-2007 Nuon received a 2.8 per cent. X-factor against 3.7 per cent. sector average. In general, Nuon is well positioned to secure a stable, regulated revenue stream until 2006/2007 and beyond.

Privatisation and unbundling

On 31 March 2004, the Dutch Minister of Economic affairs sent a letter to the Dutch parliament with the cabinet's vision on the structure of the energy market in the future. The Minister proposes splitting the distribution system operator ("DSO") including the gas and electricity networks (the regulated DSO part) from the generation and supply business (the unregulated commercial part). It is proposed that the two parts may not be held by the same holding company in the future. Furthermore, according to the proposal, high voltage interconnected systems of and above 110KV of the DSOs will have to be managed by the Transmission System Operator ("TSO") in the future. The proposed new structure would have to be implemented by 1 January 2007. As soon as the unbundling has been realised, the shareholders of the commercial part would be allowed to sell their shares to private parties. After January 2007, the Minister has indicated that he intends to further investigate the possibility of privatising the DSOs. At this stage no concrete draft legislation implementing these proposals has been published.

Business strategy

Nuon's core activities are the production, sourcing, trading, distribution and sales of energy and related products and services to the retail and wholesale markets. These activities not only generate stand-alone value but also reinforce each other. In addition, Nuon believes in the strong potential of renewable and green energy and aspires a strong position in these markets.

For Nuon's core activities, the geographical focus is on the Netherlands, Belgium and Germany. The renewables activity focuses on Europe as we see this market integrating across Europe.

Nuon's business strategy can be summarized as follows:

- Creating a solid base for business:
 - Nuon strives to be 'best in class' in all core operations it undertakes, both in its Dutch and its international operations.
- Developing 'world class' core competences. In accordance with Nuon's vision, the following competences are viewed as critical:
 - Excellent customer care;
 - Sourcing, trading and risk management operations that lead to competitive pricing;
 - Excellent asset management of Nuon's infrastructure;
 - Developing and managing a clear and simple marketing concept;
 - Developing new products/services.
- Realizing profit enhancing growth. Nuon seeks growth in two directions:
 - Scale: the strategic choice to be a producer, marketer, supplier and distributor demands a certain scale. Scale enables an improved competitive position, lower average costs per customer and optimal use of Nuon's core competences.
 - Scope: by developing new energy related products and services with added value for its customers, Nuon creates new sources of revenue with a positive effect on margins.

Financial performance

Nuon recorded a 2003 operating profit of EUR 536 million (2002: EUR 350 million), an increase of 53 per cent. Total turnover was EUR 5,095 billion, EUR 738 million higher than 2002. Net profit increased 55 per cent. to EUR 236 million (2002: EUR 152 million), reflecting the initial recovery of the financial results relative to 2002 and the consolidation of Reliant Europe Power Generation as per March 2003. Shareholders are entitled to a 2003 dividend of EUR 96 million (2002: EUR 53 million). Including the debt financed acquisition of Reliant Europe Power Generation solvency remained high at 42 per cent. (2002: 44 per cent.). The improved operating profit, contained investment levels and the reduction of working capital contributed substantially to this figure.

Operating revenues

2003 operating revenues were affected by among others:

- Portfolio changes, including the consolidation of Reliant Europe Power Generation as per March 2003.
- Developments in volume and margin in the Belgium and German market, recovery of market share with Nuon Business.
- Power and gas volume delivered to the Dutch retail market increased slightly relative to 2002 levels.
- Favourable effects of DTe x-factor negotiation for gas and electricity.
- Operating revenues from other activities (including energy-related services in the 'Goedgeregeld' package) rose 2 per cent. to EUR 879 million.

Operating profit

Operating profit in 2003 was affected by the following factors:

- Sizable investments in 2002 to improve automation of customer systems and company processes resulted in higher depreciation levels.
- First results of opex control and organisational streamlining start to become visible.

- One off gains (EUR 71 million) related to the divestment of Norit B.V., the 12.6 per cent. participation in B.V. Transportnet Zuid Holland (“TZH”) and the release of the Energiebedrijf Zuid-Holland (“EZH”) escrow account.
- The consolidation of Reliant (EUR 87 million) as at 1 March 2003.
- Extraordinary write-downs on foreign participating interests (EUR 75 million).

Balance-sheet total

The 2003 balance-sheet total was almost 10 per cent. higher at EUR 10.5 billion (2002 year-end: EUR 9.6 billion). Shareholders’ equity was close to EUR 4.5 billion, about 5 per cent. higher than 2002.

Other

- In April 2004 Nuon renewed the EUR 500 million 364-day standby facility.
- The EUR 1.0 billion 5-year Revolving Credit Facility matures in November 2007.
- As of the beginning of 2004, after financial close of the Reliant Europe Power Generation acquisition in December 2003, Nuon’s credit ratings have been reviewed with the following outcome: A+/A1 with negative outlook from Standard and Poors (following the Minister’s proposal to split the Dutch energy companies) and A2/P1 from Moody’s with stable outlook.

NETHERLANDS TAXATION

The following summary of certain Dutch taxation matters is based on the laws and practice in force as of the date of this Offering Circular and is subject to any changes in law and the interpretation and application thereof, which changes could be made with retroactive effect. The following summary does not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to acquire, hold or dispose of the Notes, and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities) may be subject to special rules. Save as otherwise indicated, this summary only addresses the position of investors who do not have any connection with The Netherlands other than the holding of the Notes. Investors should consult their professional advisers on the tax consequences of their acquiring, holding and disposing of the Notes under the laws of their country of citizenship, residence, domicile or incorporation.

1. Withholding Tax

All payments by the Issuer of interest and principal under the Notes or Coupons can be made free of withholding or deduction for, or on account of, any taxes of whatsoever nature imposed, levied, withheld or assessed by The Netherlands or any political subdivision or taxing authority thereof or therein, provided that, if the Notes have no fixed maturity date or a maturity date (including any extensions thereof) exceeding ten years – *de iure or de facto (rechtens dan wel in feite)* –,

A holder of a Note or Coupon who derives income from a Note or Coupon or who realises a gain on the disposal or redemption of a Note or Coupon will not be subject to Dutch taxation on such income or capital gains unless:

- (i) the holder is, or is deemed to be, resident in The Netherlands, or, where the holder is an individual, such holder has elected to be treated as a resident of The Netherlands; or
- (ii) such income or gain is attributable to an enterprise or part thereof which is either effectively managed in The Netherlands or carried on through a permanent establishment (*vaste inrichting*) or a permanent representative (*vaste vertegenwoordiger*) in The Netherlands; or

3. Gift, Estate or Inheritance Taxes

Dutch gift, estate or inheritance taxes will not be levied on the occasion of the transfer of a Note or Coupon by way of gift by, or on the death of, a holder, unless:

- (i) the holder is, or is deemed to be, resident in The Netherlands for the purpose of the relevant provisions; or
- (ii) the transfer is construed as an inheritance or as a gift made by, or on behalf of, a person who, at the time of the gift or death, is or is deemed to be resident in The Netherlands for the purpose of the relevant provisions; or
- (iii) such Note or Coupon is attributable to an enterprise or part thereof which is either effectively managed in The Netherlands or carried on through a permanent establishment or a permanent representative in The Netherlands.

EU Savings Directive

On 3rd June, 2003 the EU Council of Economic and Finance Ministers adopted a new directive regarding the taxation of savings income. The directive is scheduled to be applied by Member States from 1st January, 2005, provided that certain non-EU countries adopt similar measures from the same date. Under the directive each Member State will be required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to an individual resident in that other Member State; however, Austria, Belgium and Luxembourg may instead apply a withholding system for a transitional period in relation to such payments, deducting tax at rates rising over time to 35 per cent. The transitional period is to commence on the date from which the directive is to be applied by Member States and to terminate at the end of the first fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.
