CIRCULAR NO. 22/22

TO MEMBERS OF THE ASSOCIATION

Dear Member:

AMERICAN CLUB MOBILE APP

Your Managers are pleased to announce the release of the American Club's mobile app, which is available through both the [Apple Store](#) and the [Google Play Store](#) (search term: The American Club Inc).

Once downloaded and installed, this powerful tool affords users access through their mobile devices to many of the Club's online resources including products and services, Circulars, Member Alerts, By-Laws and Rules, best practices, loss prevention videos and animations, as well as a real-time search feature for correspondents, vessels and contact information for the Club's many professionals around the world.

The new mobile app continues the American Club's proud tradition of empowering Members by now putting the power of the Club in the palm of their hand.

Yours faithfully,

Dorothea Ioannou, CEO
