HONOR ROLL OF DONORS

SAINT
ANSELM
COLLEGE

1889

DEAR ALUMNI AND FRIENDS

Once a year, I write to you with the very special purpose of expressing my appreciation for your financial contributions. Please trust me when I tell you that it is always heartfelt, and never more than in a year such as this, when the economic challenges of the world economy are on everyone's mind.

I am profoundly grateful—on behalf of all my colleagues and nearly 2,000 students—to each and every one of you for your loyal support. By contributing to the college, you remind us all of the importance of what we do. We strive to provide the very best in Catholic, liberal arts education, to as many bright and deserving students as possible. And with your donation, you demonstrate that you value that not only in your thoughts, but your actions.

As you know, the large majority of our students receive some form of financial aid, whether it is scholarships, grants, loans, or work-study experience. That support is more critical than ever in these troubled economic times. Your financial contribution, regardless of how large or small, enhances educational opportunities and enriches the college environment. Without it, Saint Anselm College would not be able to continue its mission and achieve its vision for the future.

Saint Anselm means something special to you. You recognize and appreciate the college's commitment to providing a solid liberal arts education in the Benedictine tradition. Your contribution comes from the heart; and I can assure you with the utmost confidence that the college's officers and trustees will steward it wisely.

In an effort to be conservative with our resources, and also to take "green" measures for the health of our planet, we have put our Honor Roll of Donors online for the first time. We realize that for some of our friends, it is not possible or practical to read it this way, so we have a limited number of printed copies available upon request.

Thank you again for your faith in Saint Anselm College—and in the future.

Sincerely,

A handwritten signature in dark ink, reading "Jonathan DeFelice, O.S.B.". The signature is written in a cursive, flowing style.

Jonathan DeFelice, O.S.B.
President of the College

Faculty and Staff

Each member of the Saint Anselm College faculty and staff is a valued member of our community, and we would like to thank all employees for their dedication and professionalism. We are especially grateful to those who, above and beyond the skills and talents they bring to work, supported the college through their generous donations this year.

WAYS TO GIVE

You can support Saint Anselm College in many ways. We are always pleased to discuss in more detail the various methods of giving. For further details, please contact John Gennetti, assistant vice president of individual gifts, at 603-641-7210 or jgennetti@anselm.edu

Outright Gifts

Cash

Gifts of cash make funds available for immediate use by Saint Anselm and are fully tax-deductible for donors who itemize deductions. Checks should be made payable to Saint Anselm College. The college also accepts payments by Visa and MasterCard, as well as direct debit contributions from a checking or savings account. You can give by mail, telephone, or online via the college's Web site at www.anselm.edu/giving.

Securities and Mutual Fund Shares

Gifts of long-term appreciated securities and mutual fund shares offer the benefits of deducting the gift (at fair market value) on the date of transfer to Saint Anselm. In addition, donors are not required to pay capital gains tax on the appreciation of the stock.

Matching Gifts

Many businesses and corporations match their employees' gifts to educational institutions. Please ask your human resources department whether your company offers such a program.

Pledges

Pledges allow you to make a commitment to the college to be paid over a period of time. Installments are based on an agreed-upon schedule of payments and may be made by any of the above methods.

Planned Gifts

Bequests

Including the college in your will, retirement plan, or life insurance policy are three possible ways to make a bequest. We can help draft language for your bequest and provide information about how a bequest can reduce your estate taxes.

Charitable Remainder Trusts

An annuity or unitrust can be established by transferring cash or appreciated property (stock or real estate) to Saint Anselm College. The college, as trustee, manages the trust for you or your appointed beneficiaries. You receive an annual income of at least five percent from the trust for the remainder of your life or your beneficiaries' lifetimes, or for a term of years. You also receive a charitable deduction for your gift, and, if appreciated property is used to fund the trust, you avoid capital gains tax on the sale of the asset.

Charitable Gift Annuity

This form of giving allows you to transfer cash or securities to the college in return for an annuity that pays you or your appointed beneficiary a fixed income for life. The charitable deduction depends on the age of your income beneficiaries, the annuity rate of yield, and the amount of your gift. Saint Anselm pays charitable gift annuity income quarterly.

Charitable Lead Trusts

For donors with substantial assets whose estates, under current tax law, will be taxed at a higher rate, a lead trust can be mutually beneficial. It offers a way to make a significant gift to Saint Anselm without depriving heirs.

Real Estate

You may make a gift of real estate to the college or transfer the property into a charitable trust. You may also contribute real estate to the college while reserving the right to occupy the property. Each plan has its own unique tax and income benefits.

Personal Property

A gift of capital assets (such as art, rare objects, equipment, antiques, etc.) can sometimes be given for educational purposes for the immediate benefit of the college. In order to ensure full deductibility, such gifts must possess a "related use" for the college.
