Kerry L. Glenn Appointed to Anythink Board of Trustees

Lifelong resident of Adams County brings science education background to Anythink

THORNTON, Colo.—August 27, 2013—Kerry L. Glenn is the newest member of the Rangeview Library District Board of Trustees, a five-member governing board that oversees Anythink’s finances and formulation of policies. Glenn fills the slot vacated by long-time board member Kay Riddle, whose term expired this year.

A lifelong resident of Adams County, Colo., Glenn works for Adams 12 Five Star Schools, the same school district he attended as a young student. Glenn received his bachelor’s degree from the University of Colorado at Boulder in applied mathematics and aerospace engineering before earning a master’s degree in curriculum and pedagogy from the University of Colorado at Denver. After 23 years as a math instructor, Glenn now serves as the STEM coordinator at Northglenn High School. He is a district liaison and also designs and reviews curriculum and support for problem-based learning.

“There are many parallels with STEM education and our approach to library services,” says Anythink Director Pam Sandlian Smith. “Having Kerry Glenn as part of our board is a terrific addition to an already outstanding group of leaders who provide stewardship for our library.”

About Anythink™

Anythink is a new style of library – a place of unlimited imagination, where play inspires creativity and lifelong learning. Rangeview Library District serves the residents of Adams County with seven Anythink libraries and Anythink in Motion – the district’s mobile library – and is one of the recipients of the 2010 National Medal of Museum and Library Service from the Institute of Museum and Library Services.
