Academy Prayer

O God Thank You for the many blessings of my life.

Thank You for the opportunity at the Academy to develop my gifts further, to expand my knowledge,

to mature in my beliefs and values, and to become more sensitive to Your presence.

During my years on campus, may I know the joys of friendship as well as have the courage at times to stand alone.

May I respect and respond to the needs of those around me.

May I approach my studies with intensity but keep my perspective and sense of humor. May the Academy of Our Lady be a better place because I am here. Amen.

---

Alma Mater

Academy, Beloved, shrine of Our Lady dear,  
Behold! We gather 'round thee, we've come  
from far and near

To learn from thee those Truths divine,  
That on us they may ever shine,  
Our Lady, sweetest Mother  
Watch o'er these children thine.

Academy, Beloved, e'er faithful we will be,  
Although the years before us may find us far  
from thee:

Far from thy halls and friends so dear.  
O Mother! Be thou ever near!

Academy, Beloved, our love we pledge thee  
here.

Academy, Beloved, the parting hour is near.  
Thy blessings show'r upon us and banish doubt  
and fear.

Our Lady dear, may thou e'er be  
With us through life's tempestuous sea  
Academy, Beloved, farewell, farewell to thee!

*Sister Mary Angela Perez, RSM '64*

Dear Alumnae, Parents, Friends and Benefactors,

We experienced a quite different school year at Academy. It started with our wonderful 70th Anniversary Mass Celebration in September, followed by our very successful *1st Annual President's Cup Golf Tournament* in October, then the continued emulation of our students as "the Body of Christ" in November with the burial of our brothers "Joseph" and "Leonardo." The Christmas season then came around with our annual 2K/5K starting the new year and the unforgettable annual Song Fest Family Night 2020 in February.

With tremendous gratitude, we thank all those who contributed to our successful Accreditation Visit from March 4 to 6, 2020. We were blessed to complete the review with our Visiting Team prior to the "stay at home" Government of Guam mandate imposed due to the presence of COVID-19 on island. Third quarter ended in March, and we were caught off guard with this growing pandemic. In the blink of an eye, compulsory home quarantine was the new norm. In spite of this unforeseen impediment, we continued to forge on with distance learning and even managed to give the Class of 2020 an unforgettable graduation experience no other Academy class has experienced. Virtual classrooms and offices completely dominated the traditional school campus.

Regardless of the challenges we faced and continue to face with the pandemic, we will treasure the many fun-filled and exciting traditional and non-traditional activities for School Year 2019-2020. We moved from our traditional school hallways to virtual learning from home with our laptops. From pep rally gatherings in the gym to virtual meetings. We will cherish the many "footprints" we kept and stored along the way on our electronic platforms as we progressed into the virtual means of surviving.

Thank you to the many benefactors, alumnae, parents, Advisory Board, and Finance Council who have generously donated their time, goods, and money for another successful and exciting school year. Your hard work and dedicated efforts shone through the success of these events and the many accomplishments and achievements of our students. The Academy students never cease to amaze me with many unforgettable experiences and memories as our school continues to progress into the "new normal."

I pray for God's continued blessings and guidance on you and our Academy family as we grow the Academy legacy into a new unknown territory. Santa Marian Kamalen, pray for us. As we look forward to the new school year, I am eager for the many adventures our future holds, and I look forward to the many changes we will adapt to as we face a new world.

In mercy,

Sister Mary Angela Perez, RSM '64  
President

## ACADEMY OF OUR LADY OF GUAM

*“...dedicated to excellence”*

Welcome to the Academy of Our Lady of Guam. We are pleased to present our Annual Report for School Year 2019 - 2020. We hope that you will find our report informative as well as inspiring.

The Academy of Our Lady of Guam is a Catholic high school for young women centrally located in the capital city of Hagåtña, Guam. The school community promotes secondary education in a college preparatory environment in the center of a governmental, religious, and business locale. The school philosophy focuses on learning in a Catholic environment. Working together with the local and business communities, the Academy of Our Lady of Guam provides for the overall development of each and every student.

Since its foundation in 1949 and for the past 70 years, the Academy has been dedicated to nurturing and mentoring young women and empowering them to make significant contributions in Church, society, and the world at large. Over 99% of the graduating class go on to higher education and receive acceptance at top colleges and universities. Today, alumnae are found in leadership positions as doctors, judges, lawyers, corporate executives, educators, Church leaders, foreign relation officers, public officials, and many more. The hallmark of the Academy is excellence, and we are proud of the many young women who have been part of the Academy family experience.

## SCHOOL PROFILE SCHOOL YEAR 2019—2020

### SCHOOL STATISTICS:

**Type of School:** Four-year Archdiocesan College Preparatory School for girls.

**Enrollment for SY 2019-2020:** 356

**Tuition for SY 2019-2020:** \$530.00 per month

**Accreditation:** Western Association of Schools & Colleges (WASC); and,  
Western Catholic Educational Association (WCEA)

**Student body ethnicity:** Chamorro, Filipino, Asian-Pacific, Korean, Japanese, Chinese, Caucasian, Micronesian, Hispanic, African American

**Faculty ethnicity:** Chamorro, Caucasian, Filipino, Japanese, Hispanic, Russian

**Facilities:** The campus is comprised of a 2-story multi-faceted building with spacious, air-conditioned classrooms, state-of-the-art computer and learning laboratories in the school's Science, Technology, and Resource (STaR) Wing and throughout the school, a Cafeteria and an Auditorium in the Ysrael Auditorium of Fine Arts Building, and a school Gymnasium.

### TECHNOLOGY:

The Academy continuously strives to upgrade its institutional technology to enhance the teaching and learning process at the school. The school also engages in distance learning for its students. Through fundraising efforts and the contributions of generous supporters, the Academy has been able to continue to provide and maintain the following:

- Four technology laboratories: a 16-station computer classroom equipped with advanced software for graphics and artwork, a MAC lab consisting of 19-MAC Book Pros and 10-IPads, a 35-station computer classroom fully equipped to perform simulated Science experiments and also equipped with Geometer's Sketchpad, and a 23-station resource computer lab in the school library; and 3 media carts each equipped with 30 portable laptops.
- Multi-media cart systems for instructional use equipped with laptop, projector, and speakers;
- Internet ready classrooms and campus wide;
- Access to the use of Interactive Boards throughout the campus;
- Secured wireless access on campus; and,
- TeacherEase that serves as a means of communications between home and school as well as a grade book system.

# Year In

The Academy of Our Lady of Guam High School opened School Year 2019-2020 with tremendous excitement and in celebration of its 70<sup>th</sup> anniversary. Prior to the actual start, new students entering the Academy were treated to a school picnic in the summer and two days of orientation prior to the first day of school. The staff and faculty launched the beginning of the year on

Faculty & Staff

Weiner Roast

August 1 to 6, 2019 with the first Faculty Meeting of the school year. An array of meetings and workshops then filled the school calendar for the faculty and staff until the first official day of classes, August 7, 2019. On the first day of school, the traditional Mass of the Holy Spirit was celebrated and followed by a general assembly of the entire school signifying that the school year was in full swing with faculty and students on board.

First semester opened with a special Mass held on September 24, 2019 in celebration of the school's 70<sup>th</sup> Anniversary. The school celebrated its anniversary in a non-traditional manner. In lieu of a traditional celebration feast, the focus was on the students' Spiritual and Corporal Works of Mercy in the community. The first annual AOLG President's Golf Tournament along with the traditional Weiner Roast celebration were held in October. Both successful events kept the Academy family and school spirit alive and on fire! Students shared their talents and enjoyed an evening of camaraderie, fun, food, and games at the fun-themed Weiner Roast, "Lights Out."

The Body of Christ

Also, in the Fall and keeping in line with the 70<sup>th</sup> Anniversary theme of "We are the Body of Christ," the Academy family held a special Mass in honor of the school's deceased loved ones. At the Mass, the school helped lay to rest two unclaimed bodies from the morgue, "Joseph" and "Leonardo." It was a very touching prayerful and solemn celebration for all those present both at the church and at the cemetery.

December 8 Procession

As fall continued, Academy students participated in IIAAG High School Girls' Volleyball, Cross Country, Golf, Basketball, and Wrestling. GO COUGARS! was a constant chant that echoed throughout the school grounds. Congratulations to our golf team who garnered overall first place. The holiday season soon approached, and students embarked on their seasonal holiday giving to the many organizations and people in need on island. The students entered the Advent season with the traditional Advent retreat held on November 22, 2019. In addition, since the establishment of the school, the

"Lord of Glory"

Academy school community joined once again in the island celebration of the annual December 8 procession in honor of the Academy's patron saint, Our Lady of Camarin. As 2019 ended, preparations were on the way for the traditional gift to the Academy parents and families, the school's annual Christmas program. A cantata, entitled, "Lord of Glory," by Dan Forrest, was held December 13, 2019. In spite of the hectic time of the year, everyone was able to relax and enjoy an evening of glorious entertainment and reflect on the true meaning of the season.

17th Annual 2K/5K

Happy 2020! With the new year and third quarter in play, the Cougars garnered the following in IIAAG sports: 2nd place overall in Softball, 2nd place in Tennis, 6th place in Rugby, and 3rd place Beach Volleyball. In addition, island wide competitions included Academy's Academic Challenge Bowl (ACB), National Forensic League (NFL) and Mock Trial teams. The annual 5K "Fund" Run/Walk was held on January 18, 2020 and over 1,000 supporters came out to walk, run, and have fun. This year, the school expanded its race to include a 2K for children, inclusive of future "Cougars." Alumnae gathered and reminisced of their days at the Academy, members of the community joined in the camaraderie, and family members took in the beautiful morning as participants made it to the finish line. On January 24, 2020, the National Honor Society Induction Ceremony was held in which outstanding students in Character, Leadership, Scholarship, and Service were tapped into this highly acclaimed organization.

National Honor Society

CSW Liturgy 2020

Also celebrated in January was the traditional Catholic Schools Week (CSW). *Catholic Schools: Learn, Serve, Lead, Succeed* was the theme and students were excited to participate in the fun-filled events during this week. Academy participated in the Archdiocese of Agaña "March for Life" Walk, a pro-life event protesting abortion, held on January 24, 2020.

As the first signs of second semester came around, so did the harmonious and melodious songs of the various classes. Hints of the upcoming 53rd Annual Family Night Songfest filled the halls as students were dancing, singing, and even acting

Annual Family Night Songfest

their class songs. This year's theme was "*Celebrating a Legacy of Sisterhood.*" Finally, as February came to an end and in preparation for the Easter celebration, students began the Lenten season with receiving ashes on their foreheads the first day of Lent at the school's Ash Wednesday Mass on February 26, 2020.

Ash Wednesday

The entire world then changed and came to a halt on Guam on March 16, 2020 as the final quarter of the school year started. The world-wide pandemic, COVID-19, affected every nation and forced people into home quarantine. The school was challenged to continue the school year with distance learning. Administration, faculty, staff, and students championed the challenge and managed to continue learning online. Break and lunch in the cafeteria were now the past, and Google Classroom, Google Meet, and Zoom were the new meeting grounds. As fourth quarter continued, students adjusted to the new way of learning and teachers adapted to their virtual classrooms.

School Year 2019-2020 finally drew to a close. A year that ramped up with tremendous energy-filled events then came to a sudden standstill in order to restart with a new normal in March. The Juniors were not able to have their long-awaited prom or their traditional Ring Ceremony pronouncing them as "almost Seniors." The Class of 2020 held a virtual countdown with many tears flowing online as they recollected their time at the Academy over the past four years. As they counted down virtually and bade farewell to the school, they were proclaimed Academy's newest alumnae. A drive through graduation photo op was held over the course of two

Class of 2020

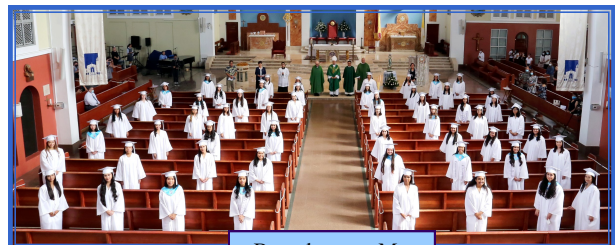

Distant Learning

(2) days for the sixty-seven (67) graduates to give each of them the opportunity to take a picture receiving her diploma and turning her tassel. May Crowning and Baccalaureate were held on June 4, 2020 with Elizabeth Justine Camacho as *May Queen* and Cassidy M. Murphy as *Queen's Attendant*. The Class of 2020 will be remembered in Academy's history with the many challenges they faced from birth after 9-11 in 2001 to graduation during a worldwide pandemic. They are the "chosen ones" to face and conquer today's uncertain world.

With the close of school year, both teachers and students were thankful they survived the over night change to 100% distance learning and gladly went off-line for the summer break. Teachers wrapped up the school year with a week of professional development classes for advanced distance learning techniques to prepare for the next school year. Finally, on June 30, 2020 as the doors of the school "closed," masks and face shields, hand sanitizers and social distancing were already in place. School Year 2019-2020 will always be remembered as the year when learning changed, not only for the Academy, but worldwide. May the Academy family continue to receive God's blessings as we venture into more changes next school year and adjust to the new normal.

New Sewer Line Installation for New Restroom Facility	\$3,095.00
Materials & Labor for New Restroom	\$3,124.15
Replacement of Library A/C	\$5,203.00
Furniture for Mercy Conference Room	\$800.00
<b>TOTAL</b>	<b>\$42,155.15</b>

Capital projects continued to take place in SY 2019-2020 in order to maintain and upgrade school facilities and to continue to address technology needs. The school upgraded its internet service and installed a new Wi-Fi system operating at 100 Mbps. Maintenance of air conditioners continued campus wide to ensure they were operating efficiently and effectively. The final stages of retrofitting LED lights to be more energy efficient were also done. Added to capital projects in response to security concerns was the completion of the installation of the security doors/system and the new intercom system campus wide. General maintenance projects also continued. Finally, with the onset of the pandemic, COVID-19, the school had to quickly ensure the sanitizing of the campus while it remained closed during the Governor's Executive Order mandating everyone to stay-at-home as distance learning became the new normal way of learning and brought the school year to a close.

# ABOVE AND BEYOND

ADLG Interact Club

ADLG Interact Club members prepare raffle prizes at the VARO Duck Race Event L-R: Lizalette Basa, Kyrsten Cruz, Kohana Fejeran, and Raemier Javelosa

Academy plants 100 trees

L- R: Amara Sulla, Andrea Cruz, and Trisha Marquez

On September 28, 2019, students of the Academy of Our Lady of Guam reached out to the community by participating in the VARO Duck Race Event and the Mannell Watershed Tree Planting Event. Held at Hilton Resort and Spa, the Interact Club of ADLG served as facilitators for the VARO Duck Race, an event that would go toward the VARO non-profit organization that reaches out to victims and families of domestic violence, sexual assault, and abuse.

Meanwhile in Merizo, the senior class of Academy went out to improve Guam's environment by planting trees to protect the southern part of Guam from erosion and wildfires. This day provided enriching opportunities for the students of the Academy to adequately serve the community. Participating in these community service projects served as a way for them to be aware of the issues that our island faces. By being aware of these issues, we can all strive for the nourishment and the enhancement of our island.

Check presentation for winning the Toys for Tots Small/Medium High school Challenge. Students present are Kohana Fejeran, Raemier Javelosa, Madison Eclavea, Keisha Orpilla, and Alyssa Dela Cruz.

Robotics club in preparation to participate in competition. Competition encourages students to gain experience in STEM related fields. Cancel due to Pandemic.

# IN Appreciation

A warm despedida to Mary A.T. Meeks as principal of her alma mater. As a long time educator on the island, Mrs. Meeks' experience in the field ranges from teacher to counselor and even from assistant principal to principal at various public and private schools on Guam. Her commitment to the field and public service is evident in the many organizations she is affiliated with such as the National Catholic Education Association, Association for Supervision and Curriculum Development, National Association for Secondary School Principals, Member of Blueprint for Excellence, Christian Mothers, Mercy Associates, and Catholic Daughters of America to name a few. Un Dangkolo Na Si Yu'os Ma'ase' for your commitment and dedication in public service and your many contributions in the field of education for more than forty-five (45) years, and especially to your contributions and commitment as an alumna and member of the Academy family.

*Un Dangkulu Na Si Yu'os Ma'ase!*

**RECOGNITION HIGHLIGHTS**  
**Meeks Appointed As New Principal**  
 Ms. Mary Meeks has been appointed to the new elementary school office as the principal of St. Rose. She will be working with the faculty and staff to ensure the school's success. She is a graduate of the University of Guam and has a Master's degree in Education. She has been a member of the National Catholic Education Association and the National Association for Secondary School Principals. She has also been a member of the Academy family.

**A Timeless Circle of Mercy at the Academy: We Are the Body of Christ:**

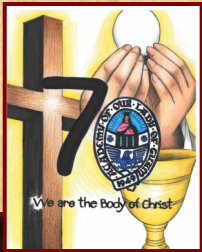

Commemorating its 70th Anniversary as the only all-girls college preparatory high school in Guam, the Academy of Our Lady of Guam celebrated Mass on September 24, 2019 at the Cathedral-Basilica. The Academy family present at the Mass consisted of many supporters along with its students, faculty and staff, administration, and Sisters of Mercy. Fr. Tom McGrath, S.J., presided over the Mass and spoke during his homily of God's mercy towards the Academy and its students. In turn, as alumnae, they share their mercy, character, and gifts learned not only in Guam, but also in different parts of the world to be inspiring to others with their faith and love expressed in their merciful deeds. After the Eucharistic liturgy, a commemorative photo of the historic celebration of everyone present encapsulated this historical moment for the school.

The school chose to celebrate this milestone anniversary in a non-traditional manner starting with the Mass and throughout the school year by focusing on nurturing the Spiritual and Corporal Works of Mercy. Emphasis placed on helping those in need in lieu of a traditional celebration feast was key to the anniversary celebration. Resources which would have been used for a gala event were dedicated to help the students engage in their acts of mercy year-round to help feed the hungry, care for the homeless, and provide for the less fortunate in the community.

In the words of Sr. Mary Angela Perez, RSM, school president:

*Our resources are limited. However, throughout the 70 years of Academy, there have been many miracles of abundance through the grace of God! In gratitude, we want to share this abundance of blessings with those in need through our spiritual and corporal works of Mercy for we are the Body of Christ. In this spirit, we share our plate with you in gratitude for your presence with us and ask for your prayers and support in our mission. Thank you so much for 70 years of sharing mercy and providing a table of plenty for those in need. Si Yu 'os ma'ase!*

# WE ARE THE BODY OF CHRIST

## We Are the Body of Christ

In keeping with the 70<sup>th</sup> Anniversary theme of “We are the Body of Christ,” the Academy family held a special Mass in honor of the Academy Resurrection held on November 6, 2019 was especially dedicated to our brothers, who were unclaimed at the Guam Memorial Hospital Morgue,

of “We are the Body of Christ,” the Academy families’ departed loved ones. The special Mass of the especially dedicated to our brothers, who were “Joseph” and “Leonardo.”

As part of the Academy’s mercy mission during the 70<sup>th</sup> Anniversary year, the AOLG Class of 1963 along with the help of the Arimathea Society, helped the students lay our two brothers to rest. It was a very touching prayerful and solemn celebration for all those present both at the church and at the cemetery.

*Un Dangkulu Na Si Yu’os Ma’ase!* to all who helped make this sacred memorial possible. May the souls of “Joseph” and “Leonardo” and all the souls of the faithful departed rest in peace.

## GOLF TOURNAMENT

The inaugural AOLG President's Annual Golf Tournament was held on October 12, 2019 at the Talofofu Onward Golf Course. The overwhelming tremendous support of the local community, families, alumnae, friends, and benefactors helped make this event truly outstanding and extremely successful. We are especially grateful to Frank Florig and Bill Reyes who led in the planning, organization, and execution of "tee off." The event was "sold out" with 144 players! Over 20 volunteers assisted in the registration, preparation and serving of refreshments, and "hole" watching. The many supporters who participated in this exciting day received superb "ditty bags" filled with a wide array of "goodies"—from necessities such as mosquito repellent bracelets, AOLG Golf Caps, golf balls, and recyclable drink containers to fine luxury items such as *Kavalan Whisky*. Over \$5,000 in raffle prizes were given, which included fine jewelry, electronics, fine dining, and designer handbags to name a few. A wonderful and scrumptious banquet ended the day as top golfers were recognized. Congratulations and *kudos* to the planning committee under the guidance of the AOLG Advisory Board and Tournament Co-chairpersons JoAnn Tanaka Mafnas '85 and Terese Ada John '85 for such a spectacular job!

# AOLG 2K/5K "Fund" Run/Walk 2020

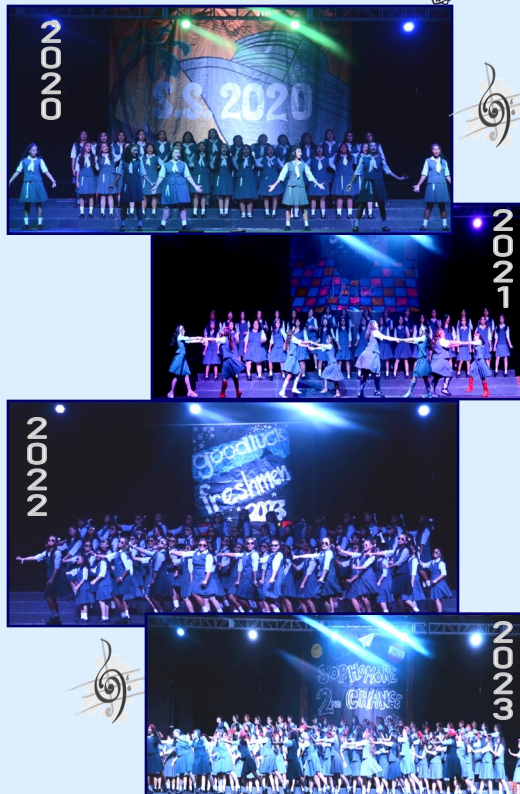

**Golden Class of 1970**

The passing of the torch kicked off the Academy of Our Lady of Guam's 18th Annual 2K/5K "Fund" Run/Walk held on January 18, 2020. Academy families, alumnae, friends, benefactors, and members of the local community celebrated another year of fun and fitness. The pre-race ceremony, which gives honor to our "Sisters" who have gone before us, makes Academy's 2K/5K unique. In addition, the passing of the ceremonial torch honoring members of the 50th Jubilee Class is a distinctive way of inviting our alumnae home. This year, we celebrated the Class of 1970. All in the spirit of raising funds for much needed scholarships and tuition assistance, the event records about 1,500 participants. The circuit course begins in front of the Academy and channels through the Hagatña Historic Trail with the finish line at the school gym. Top finishers in each division receives certificates and medals. A special recognition certificate is given to the top finishing alumna in each respective category. Energy was at an all-time high throughout the morning, especially when the first and last runners crossed the finish line. The success of this event is made possible through the support of the many participants, friends, family, alumnae and benefactors of the Academy of Our Lady of Guam.

## Annual Songfest Family Night

Songfest, a memorable entertaining annual event, is an integral component of student life at the Academy. Students work diligently for months to create a show-stopping performance for family and friends. On February 15, 2020, a night of "sisterhood" reflected this year's theme, *Celebrate the Legacy of Sisterhood*. Family and friends were entertained by a spectacular show at the packed UOG Galvo Field. The evening began with a wonderful fiesta dinner followed by a beautiful prayer service.

Each class organized a 15-minute performance complete with choreography and five songs describing their class. Members from the island community served as a panel of judges, who judged each class based on performance, entrance and exit, stage design, and musical and choreography presentation.

Several themes emerged as the young ladies sang, clapped, and danced on stage adorned with themed pieces, captivating make up, and various hairstyles. The night came alive when the youngest "sisters" of the Academy family, the **Class of 2023**, the **'Goodluck Freshmen'** made their debut and blossomed on stage adorned with flowers. The Sophomores draped with leis, the **Class of 2022**, *"Sophomore 2nd Chance,"* surfed on stage with surfboards in hand. The **Class of 2021**, *"Juniors at The Disco,"* danced, swiveled, and showcased their hidden talents. Finally, the **Class of 2020**, *"S.S. 2020"* excitedly and jubilantly "boarded" on stage and presented their final song. As the "big sisters," they reflected and reminisced of their four years at the Academy. The audience along with the students were moved to tears as they bade their final farewell on stage. From start to finish, the audience was kept entertained with the brilliant musical arrangements, amazing choreography, and incredible stage designs.

As winners were announced in the different categories at the end of all performances, constant roaring claps and cheers resounded in the Fieldhouse. Finally, the evening climaxed as the **Class of 2020** was proclaimed the overall champions! *Kudos* to all the classes for a heart-warming performance, and especially for being part of the "sisterhood."

# Distance Learning

## Covid-19

Overnight, a shift in learning occurred and the Academy family was thrown into a whole new world. The entire planet transformed into an arena for a growing perilous pandemic, COVID-19. Guam came to a halt on March 16, 2020 as the final quarter of the school year started and the Corona Virus forced everyone on island into home quarantine. With the local mandate to stay home, the school was challenged to stay the course and continue the school year with distance learning.

Administration, faculty, staff, and students undertook the challenge of virtual classrooms and championed the arduous task of learning and completing the school year online. Break and lunch in the cafeteria no longer existed. Students, faculty, and staff remained quarantined at home and relied solely on virtual access. Google Classroom, Google Meet, and Zoom were the new meeting grounds and homes turned into classrooms and offices. As fourth quarter continued, students adjusted to the new way of learning and teachers adapted to their virtual classrooms. A new norm was developing, which will eventually drive in the new school year.

Before the school year completely ended, teachers were asked to remain an additional month before taking their much-deserved summer break. The added time was needed to ensure the return of books, technology, and other school equipment in line with the new safety and health guidelines and protocols set forth by the CDC and government mandates. Teachers also needed more time to prepare their final quarter and semester grades considering the new learning means of distance learning.

Finally, at the end of June, teachers, staff, and even administration, participated in a one-week profession development involving teaching, communicating, and working online. All were refreshed and trained in detail with Google platform in preparation for a new way of learning and a new schedule to adhere to with the upcoming new school year.

# HIGHLIGHTS

The Academy of Our Lady of Guam's spacious gymnasium, equipped with a 50-ton air-conditioning system, is opened year-round for school sports, events, entertainment, and activities. The gym also boasts of a state-of-the-art scoreboard and volleyball net system. The school provides an arena where student athletes are guided towards excellence in physical performance and leadership through Christian principals and value.

The dedicated coaches and assistants guide and develop these student athletes in various sports, such as, Volleyball, Cross-Country, Golf, Basketball, Wrestling, Softball, Tennis, Rugby, Soccer, Paddling, and Track and Field. The pursuit of excellence at times take our young athletes on the road, to Japan, Korea, and the Philippines, many of which our student athletes have brought home numerous individual and team trophies.

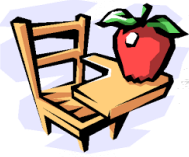

The Academy of Our Lady of Guam is regarded throughout the island as a first-class program both in producing champions and champions for life. Go Cougars!

# Academic Life

The Academy of Our Lady of Guam is fully accredited from the Western Association of Schools and Colleges and the Western Catholic Educational Association. As a fully accredited college preparatory high school for young women, the school's curriculum provides for the complete development of any ambitious college or career-bound young woman. Classes are small with a student-teacher ratio of 17:1, which promotes a more individualized learning atmosphere.

Academy students excel in both academic and athletic endeavors. Students benefit from various teaching strategies that maximize student learning and address unique learning styles. The teachers facilitate learning by providing experiences which are motivating and challenging to the students. The school is equipped with numerous computer labs. Students have access to the use of technology throughout the school in order to nurture and enhance learning. The school's Science, Technology, and Resource (STaR) Wing gives students the added advantage for learning math and science in preparation for higher learning in these areas. STEM and Robotics are part of the school curriculum. Students actively participate in island wide competitions in these areas.

The minimum requirement for graduation from the Academy of Our Lady of Guam High School is 23.0 units of credit, plus the credit earned in Theology. Students must

complete all required courses as prescribed by the Territory of Guam, the Archdiocese of Agaña, and the school.

Honor courses are offered in all major subject areas. Advanced Placement (AP) Courses are also offered in various subject areas. The advanced Placement Program provides an opportunity for secondary students to pursue and receive credit for college-level course work at the secondary school level. Set units for either the "College Preparatory Program" or the "Business Program" are outlined for the students.

Academy students constantly excel in the area of academics. Each year, students are awarded recognition nationally for their achievements, such examples are the AP<sup>®</sup> Scholar Awards and the National Merit<sup>®</sup> Scholarship Program. Graduates are often given scholarships from various universities and organizations and are also given the opportunity to enroll in their selected university's honors program.

At the Academy, involvement in school activities and organizations increases student learning. Participation in co-curricular activities enables students to be more globally aware and allows them to practice responsible leadership as well as exemplify Christian moral values. Numerous clubs and a variety of social events are available at the Academy to

enhance a student's academic life.

Organizations and clubs are available for students to join;

such clubs and organizations include, but are not limited to, Math Club, Pacific Dance Club, Japanese, Spanish, and Chamorro Clubs, Soroptimist Club, Interact Club, Responding To the Spirit of Mercy (RSM)/Altar Servers, Green Club, Girls Scouts

Troop 487, Mock Trial Team, Academic Challenge Bowl (ACB) Team, National Forensic League (NFL), Academic Challenge Bowl, National Honor Society, and the Student Council. Annual events include, but are not

limited to the 5K "Fund" Run/Walk, Songfest Family Night, Junior-Senior Prom, Ring Ceremony, Christmas Show, and the Spring Production.

In addition to the academic life, the many student services and activities offered promote community service, school spirit, and camaraderie. Many of the students volunteer for worthwhile events such as the Special Olympics, Pro-Life activities, American Cancer Society Relay for Life, Coastal Clean Up, and services sponsored by Island Girl Power.

Community Service has always been encouraged and has been part of being an Academian. Students participate in feeding the homeless at Kamalen Kari-dad, participating in In-afa'Maolek Student Leaders Conferences, helping the *mana-mko* (elderly) at Saint Dominic's Nursing home, visiting the sick at the hospital, working with children at Erica's House and the Alee Shelter, and adopting bus shelters.

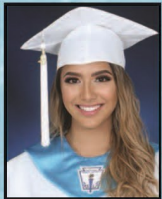

This school year, students in RSM, under the supervision of Sr. Dorothy Lettiere, continued "The Walking Nuns" project. During the school year, "The Walking Nuns" take to the streets at lunch time to help feed and clothe the homeless along the surrounding streets of the school in Hagatña.

The opportunity and experiences offered are limitless. The Academy, which has been in existence for 70 years, has been home to our many students and families. Our parents and families are always welcome to participate in the life of the Academy and be an integral part of the community alongside their daughters.

Dear Sr. Angela,

Western Catholic Educational Association has granted your school accreditation through June 30, 2026. Included you will find more information on your school's status and a description of the actions that are required to maintain your accreditation status.

Please continue to work with your WCEA Commissioner on your schoolwide action plan and the areas addressed by the Visiting Committee. We look forward to your continued progress and commitment to student learning.

In recognition of the quality of Catholic education at your school and your dedication to the students, WCEA is pleased to present you with a certificate of accreditation.

May God continue to bless your school community.

Sincerely,

Nancy J. Coonis

# Academy Endowment

*A Gift That Keeps Giving*

We are incredibly proud to recognize the generosity of the following individuals who made gifts to the Academy of Our Lady Endowment Fund. Their contributions support every aspect of our faith based Catholic secondary educational institution and promote an environment where our students are Christ-centered, intellectually competent and resourceful, catalysts for change, lifelong learners, and effective communicators.

## Mission Statement

The Academy of Our Lady of Guam,  
rooted in the unique  
charism of Catherine McAuley,  
foundress of the Sisters of Mercy,  
is an Archdiocesan secondary school.  
With a dedicated faculty and staff,  
the school promotes the holistic development  
of a diverse population of young women,  
fostering academic  
excellence, responsible leadership,  
global awareness, social justice,  
and compassionate service  
for all in the tradition  
of the Catholic faith.

**1949** **2020**

## Vision Statement

The Academy of Our Lady of Guam will strive to be the  
premier all women school  
providing a holistic,  
comprehensive and challenging  
quality education in a  
technologically advanced  
environment maintaining a competitive  
advantage through academic excellence, faith  
formation, values, and image.
