News from the Auburn Town Hall

Auburn Trail Funding Not Coming in 2017

In August we reported in this space the Town of Auburn had applied to the NH Department of Transportation for funding of a potential multi-use path along NH Route 121 from Eaton Hill Road to Shore Drive.

Auburn was one of 54 communities from throughout the state who submitted applications totaling approximately \$25.5 million for \$5.4 million available through the Transportation Alternatives Program (TAP).

The Town has been notified it was ranked 18th of the 54 communities in this competitive grant program. Although the Auburn scored well in the TAP process, it was not approved for funding in the 2016 grant round. The NHDOT was able to approve 12 projects for funding in this process.

The project submitted by Auburn was a multi-use path that would provide a safe connection for walkers, bicyclists, hikers, runners, snowshoers and cross-country skiers from the center of Auburn to various trails leading around the lake and to other parts of the community.

As envisioned by Town officials, the multi-use path would not be connected to NH Route 121, but would be separated for the safety of the users of the path. When the Town entered into the Payment In Lieu of Taxes (PILOT) agreement with Manchester Water Works in 2014, this potential project being located on MWW property was included as part of the agreement.

Initial cost estimates suggest a total project cost of \$679,176, with construction in 2018 or 2019. Grant funds would cover 80% of the project costs (\$543,340), while the Town would be responsible for the remaining \$135,835.

Town officials may re-submit the project for consideration in the next round of TAP funding which is anticipated in 2018.

Changing Seats

Last month, we accepted the resignation of Jean Worster as a Trustee of the Library. However, we were happy to appoint Jean to serve as an Alternate Library Trustee after Joseph Forest agreed to move from alternate to full Trustee.

Jean has been an active member of the Library Trustees as either a Trustee or Alternative Trustee for nearly the past 10 years. Joe more recently began services as an Alternate Trustee, and is looking forward to more active service as Trustee. Joe will also serve as the Treasurer of the Board of Library Trustees.

Forest Fire Wardens

In coordination with the NH Director of the Division of Forests and Lands, the Board has appointed a new Forest Fire Warden for Auburn, and several Deputy Forest Fire Wardens.

Fire Chief Edward Gannon is now also serving as Auburn Forest Fire Warden. At Chief Gannon's recommendation, Auburn firefighters Patrick Glennon, Alex Phillips, James Saulnier, Joseph Rossino and Kevin Vail have been named as Deputy Forest Fire Wardens.

Chief Gannon is also designating Melissa Gates at the Auburn Police Department as an issuing agent for the purpose of being able to issue forest fire permits.

ADVANCE NOTICE FROM THE TOWN CLERK'S OFFICE

Dates to AVOID doing a motor vehicle transaction this month:

February 17 thru 24th

The State is installing a new driver licensing computer system (VISION) during President's Day weekend. On *Friday, February 17* every town in the state will only be able to produce the Town portion of their registrations and all those customers will have to go to a DMV substation to complete them, so you can imagine how long the lines at DMV will be that day! The new system is scheduled to be in place and ready for when we reopen on Wednesday, February 22 but it is a major installation and I imagine there may be a few problems, so you may want to call or go to our website to check the status

Wednesday, February 22 thru Friday, February 24.

Parks and Recreation Department

Good day to all you Auburnites out there! I hope this finds all of you happy, healthy and still working on those New Year resolutions. I know I am (still trying that is!) Here at Parks and Rec. we are working on lots of things that all of you can enjoy now and when the weather changes in the upcoming spring. I know you probably think it's a little premature to start talking about spring, but we work and plan throughout the winter to prepare for spring and summer. We have been working at the ice rinks, working on the upcoming "Winterfest" on 2/11/17', patrolling and policing our parks, working on repairing the picnic tables that took a beating last year from all the use and in general organizing the rest of 2017' so it's even better than last year.

I would like to apologize to all you skaters out there because the cold weather has not cooperated long enough to establish a good base of ice to keep the rink going. I'm hoping this will change for long enough to establish that ice and keep it.

I also would like to let everyone know that we have the annual "**Winterfest**" scheduled for 2/11/17'. We will be having open skate time, the annual burning of the Christmas trees (thank you to our local Boy Scout troop for collecting the trees), hamburgs, hotdogs, hot chocolate, and if the weather cooperates, a snow hill!

There will be a D.J. and other activities for the kids. ***Please keep in mind that this is all dependent on the weather and if it remains as warm as it has been, the event would be cancelled.*** This happened to us last year and we are really hoping our luck is better this year! It will be held from 1:00pm to 4:00pm and we hope to see all of you there. Our Parks are in good shape and the replacement parts have come in

for Circle of Fun and will be installed in the spring. There has been some minor vandalism at

the ice rinks and I would ask everyone to help keep all the parks in good shape so everyone can enjoy them. The repair of several picnic tables is underway thanks to the kindness of the Parks and Recreation Chairman, David Nye. He has graciously allowed us the use of some space in his barn this winter so we can get this job done and be ready for spring.

We are currently working on several things ranging from the Summer Concert series (thank you to Maureen Juliano), senior trips, park improvements, new kiosks to keep everyone informed to what's happening at your parks, scheduling dates for field usage for all sports starting in the spring, and in general, looking to do more for our community and its citizens this year.

I would like to express a sincere "thank you" to the Longmeadow Church for allowing us to hold our senior dinner at their church on 1/28/17'. We already have over 70 responses to the invitations and if all goes as it has in the past, everyone will leave with a full belly and a good time under their belt. Thank you Pastor Ruth for the use of your church and constant assistance to our community, thank you to Margie Mcevoy for your hard work and organizing the event and finally, thank you to all our seniors for their lifetime contributions to their country and communities.

Mike Dobmeier, Interim Secretary
Auburn Parks and Recreation Department

Pamela Weeks is the Binney Family Curator of the New England Quilt Museum. Author of the book *Civil War Quilts* and articles on quilt history, she lectures nationally on quilt-making and quilt history. **Pam** uses quilts to tell stories of the Civil War, women's history, and industrial history.

Quilts tell stories, and quilt history is full of myths and misinformation as well as heart-warming tales of service and tradition. Quilting is **NOT** just an American art; nearly every world culture that has cold weather uses quilted textiles.

Pam Weeks weaves world history, women's history, industrial history and just plain wonderful stories into her presentation. Prompted in part by the material culture at hand, **Pam** may speak about fashion fads, the Colonial Revival, quilt making for Civil War soldiers, and anything else quilt related she can squeeze in during her presentation.

Participants are invited to bring one quilt for identification and/or story sharing.

Cub Scouts Pack 127

by Jocelyn Malenchini

Amid these colder days of late winter, the Cubs continue their work to complete their requirements for rank advancement. They're not forgetting to have fun, however. On January 13, Arrow of Light and Webelos dens met at the Space Center in Hooksett to compete in a few high energy rounds of laser tag. Scouts won two out of three matches against parents. Nice teamwork, Scouts!

On February 18, Scouts will compete head-to-head in our annual Pinewood Derby. The top three finishers in Tiger and Cub categories will move on to the District race. Certificates will also be given for best design in three different theme categories: Scouting, Space Exploration and Insect. Good luck finishing your cars, boys, and happy racing!

Upcoming Cub Scout events include:

- | | |
|-----------------------|---|
| February 10, Friday | Museum of Science Sleepover |
| February 18, Saturday | Pinewood Derby, AVS Gym, 8AM and 9:30AM |
| February 25, Saturday | Winter Carnival at Camp Carpenter, 9AM - 3PM |
| February 28, Tuesday | Water Stop: Fat Tuesday |

MASSABESIC SENIORS NEWS

The Massabesic Seniors have started the New Year in a new location, the Longmeadow Church and we welcomed two new members at our first meeting.

A number of us joined the knit/crochet group at the Griffin Library. One of the first things we chose to do was to help with the Longmeadow scarf project. The project was noticed by the Associated Press who interviewed 2 of our members as well as members of the church. The story (as well as our names and pictures) went world-wide. Chris and Pat were surprised when they each received a box of yarn to help with this project. One was from a person in Florida and one was from Texas. We've already started turning this yarn to scarves for 2017.

One of the other things our group tries to stress is making sure other seniors are not forgotten. We made over 350 visits to shut-ins and nursing homes in 2016. If you have someone who needs a visit give any of the Massabesic Seniors a call.

We have a lot of fun things planned for this year. Come join us!

March 7th is town voting and we wanted to mention a warrant article we will be having on the ballot.

To see if the Town will vote to raise and appropriate the sum of Fifteen thousand dollars (\$15,000) to purchase a Radar Message Sign for the Auburn Police Department; and to authorize the Board of Selectmen to accept Seven thousand, seven hundred and fifty dollars (\$7,750) received through New Hampshire Department of Safety, Office of Highway Safety grant, with the balance of \$7,750 to be raised by taxes.

We have already secured a grant from New Hampshire Highway Safety for \$7,750.00 to cover half of the cost for the new speed trailer. Our current speed trailer is 17 years old, and can no longer hold a battery charge for very long due to advanced age and maintenance issues.

With the new year, we are asking for people to update their information with the police department in case of an emergency. Residents are not required to register home alarm systems, but we can enter the information into our computer system in case of an emergency. If you do not have a home alarm but would like us to have contact information in case of an emergency you can also fill out the form. The form can be mailed in, emailed or dropped off at our Safety Complex.

Lastly, we wanted to announce the date for our Annual Auburn Police VS. Auburn Fire Silly Chili Cook off and Comedy night. This year the event will be on April 8th at the Auburn Village School. We will have more details in the March edition of the of the Crier, but wanted you to mark your calendars!!!
