

AUSTIN GENEALOGICAL SOCIETY QUARTERLY

Vol. IV, No. 1

April, 1963

Published by AGS of Austin, Travis County, Texas

A.G.S. is a non-profit organization chartered by the State of Texas & dedicated to creating and maintaining a society for the study of genealogical history and records & depositing & preserving such records in libraries & archives for the benefit of historians & genealogists. Meetings are scheduled for the fourth Tuesday of each month or as set by the Board of Directors.

The April meeting is at 7:30 pm, Tues, 23 Apr. 1963 in the downstairs auditorium of the Austin Public Library, 9th & Guadalupe. Board members Mrs. Pettibon and Mrs. Golden have asked new AGS member Col. William J. Blyth to be guest speaker. His topic is THE GLORY TRAIL, a story of early American migration West & South down the Tennessee & Ohio River Valleys. This should explain to many of us how our ancestors traveled & where & why they went. One of the largest migrations into Texas about the 1840's began from the Ohio-Indiana-Illinois section; and most "Texicans" have Kentucky and/or Tennessee & North Alabama people. Ancestors just wouldn't stay PUT; you never know where they'll be found next.

Gen. Winn & Col. Darnall report that the speaker at our 28 May meeting will be the Chief of Records & Statistics Section, Texas State Health Department, our State Registrar, Mr. Donald Carroll. He will discuss FRAUD ASSOCIATED WITH VITAL RECORDS. Most of us know little about the security measures necessary to protect our vital records & why--or exactly how & where all of our records are kept. After his speech, we'll have a chance to ask Mr. Carroll about some of the records & where to look--and where not to pry.

As decided by the December Board meeting, AGS programs each month are being provided by 2 Board members. Our 1963 president, Col. Ralph E. Pearson, helped us organize for a new year at 22 January meeting and inspired the members present to an evening of active forum discussion of AGS and genealogy such that we all took home some new ideas & enthusiasm. Mrs. Balch & Mrs. H. R. Gentry arranged the program 26 Feb. 1963. Speaking to a standing-room-only audience at Texas State Archives, Mr. James M. Day, Director, described the history of our own Archives & much of the wonderful research material available to us there and directed distribution of valuable leaflets & a tour of the Archives. Our new AGS librarian, Mrs. R. P. Woods, & Mrs. Walker collaborated on the 26 March meeting. Mrs. Woods explained the source material index she is compiling for AGS, her handling of exchange quarterlies & the plan to place them in the genealogy room at Texas State Library. Quarterlies were available for examination at the meeting. All past issues have been indexed for source material & should be in the genealogy room by 23 April; new ones will be indexed as they arrive & placed at Texas State Library right away. Our AGS librarian receives, checks & mails all exchanges--none are to be mailed to State Library. This will enable AGS to send our quarterly to all who mail to AGS. The Board voted that your Editor should see each exchange before it goes to State; this best serves the welfare of the societies & communication of ideas & information between them.

This issue gives a ROSTER OF AGS 1962 MEMBERS & ROSTER OF NEW 1963 MEMBERS, too. Officers & Board members for 1963 are designated on the Roster. All committee chairmen may be announced in our May quarterly. This is our yearly Anniversary DICTIONARY OF ANCESTORS. All 1962 members who filed new data or changes have listings keyed to their names in the Roster. New 1963 members have listed as many as 6 surnames in which they are most interested.

The DICTIONARY OF ANCESTORS this year consists of one alphabetized section of both new & changed listings; this provides for easier reference. The changed listings are followed by a reference to the previous listing in April 1962 or 1961 issues--by year, page & code number--'62 p.46 C-2. Listings are not repeated from year to year unless new or corrective data is filed or some clarification is needed. Each paid 1962 member was allowed about 30 ancestor listings & as many changed listings as necessary. Husbands or wives not in the direct line but given on cards or charts were listed but not counted in the 30 ancestors allowed. This is a genealogical service to others besides the member filing the data. Please note that each listing usually contains 3 persons; look up the extra two for any further data. If they aren't in this issue, they either haven't yet been filed or were in 1962 or 1961 April issues. Often an earlier listing was made by some cousin of the present member. Since 1961 listings had less detail, repeated listings giving further data are in order. Be sure you refer to the most recent listings for the most correct & full material. Our 1963 members should be able to file an ancestor chart in December for use next April, 1964 (unless AGS manages an issue earlier next year). Please notify the Editor or Staff of any errors in this issue; in spite of all we can do, we are certain that Error Grimlin usually will get the last laugh.

Our 1963 dues were set at the December Board meeting at \$4.00 per year for a single membership including 4 quarterlies per year. A double membership for two persons at one address (including only 4 quarterlies per year) is \$6.00 per year. The franchise tax, postal raises & planned establishment of a fund for buying genealogical material made the raise in dues necessary. Our AGS January Board voted to reserve \$1.00 from each dues paid in 1963 to set up this fund to buy books, films, etc. Purchases will be used first by members who provide matching funds in advance & then placed in Texas State Library & Archives. The AGS Executive Committee was authorized to supervise & vote any purchases & prevent our spending beyond our means. Mr. DeWitt Nogues has been doing most of the tedious detail work on this planned project.

Among those elected as AGS Officers for 1963 at the December Board meeting was Brig. Gen. Dean F. Winn as AGS treasurer. During the first of the year, he did serve as treasurer. We regret that he found it necessary to resign because of severe illness. He placed the treasury matters back in the hands of Mrs David C. Gracy, who substituted for him until recently. At the March Board meeting, we found that Mrs. Doris D. Powell had resigned as a member of the Board because of her move to Cleburne, Texas; she remains an active member but felt she could not serve at Board meetings. Miss Jane Sumner was elected to replace Mrs. Powell on the 1963 Board. At the same meeting, Miss Jane Sumner was elected to serve as our new AGS treasurer. 1963 dues should be paid to her.

Present AGS Officers: Col. Ralph E. Pearson--president; Mr. S. D. Breeding--1st vice president; Mrs Roy H. Morris--2d vice president; Mrs Joseph B. Golden--recording secretary; Mrs Claude B. Tate--corresponding secretary & director of research; Miss Jane Sumner--treasurer; Mrs R. P. Woods--librarian; Mrs Charles A. Walker--editor. These constitute (with chairmen of standing committees) our AGS Executive Committee. Membership chairman is Mrs E. H. Pettibon; other chairmen have not yet been listed for publication.

Quarterly Staff: Advisory--Col. Ralph E. Pearson. Mrs C. W. Balch, Mrs Herbert R. Gentry, Mrs David C. Gracy, DeWitt C. Nogues, Billy Dean Patterson, Mrs E. H. Pettibon, Mrs Helen H. Rugeley, Miss Jane Sumner, Mrs Claude B. Tate, Miss Karen Walker, Mrs. H. J. Weiler, Gifford E. White, Mrs Lelon Winsborough & Mrs R. P. Woods. For this issue, Miss Helen N. Deathe helped with the work. Other AGS members copy & contribute material for publication each time.

We publish the following correspondence as of real interest to genealogists:

A. G. S.

26 January 1963

Honorable John Connally
Governor of Texas
Austin, Texas

Dear Sir:

We note with interest that one of your major aims is to get more tourists to visit Texas; and we agree that this is most desirable. One aspect of this project is to make sure that there is something for the tourists to see, or do, or enjoy, after they arrive. This will affect their plans to return, or to recommend a trip to Texas for their friends.

We suggest that one of the outstanding reasons for tourists to visit Texas, and for their enjoyment after they arrive, lies in the research facilities available to historians, biographers and genealogists. A wealth of original source material is in Texas, not only in the State Library and Archives in Austin, but also in practically every population center in the state.

We are genealogists -- a few of us are professionals; but most are amateurs interested in learning more about our own families. Most of us make one or more trips annually to other states to visit their archives and libraries; some of us go to Europe for our ancestor hunting. One of the biggest obstacles to our enjoyment of these trips, and one which certainly prejudices us against some places, is to drive or fly to some state capital to do research, and find the archives and library closed for the weekend or for a holiday.

We realize that not much can be done about the open hours of private collections, or libraries in colleges and municipalities; however, a good example can be set by the State Library and Archives here in Austin. During the legislative sessions, these facilities are open until 9 o'clock every weekday night; and they are open on Saturdays until 12 noon except on holiday weekends.

We suggest that the State Library and Archives be given a sufficient appropriation to be kept open until 9 o'clock every weekday night throughout the year, all day every Saturday, and particularly all day on all holidays, when the other state offices are closed. This will give the tourist visitors a wonderful memory to take back home with them. We have been informed that this will amount to only \$25,000 per year over present costs.

Very truly yours,

(Ralph E. Pearson)
President

The reply: from John Connally, Governor, Executive Department, Austin 11, Texas, January 28, 1963--to Ralph E. Pearson, President A.G.S., Austin, Texas:

This is in regard to your letter suggesting that the State Library and archives remain open holidays, Saturdays and week nights.

I want to assure you that I shall give careful consideration to your proposal.

Sincerely,

(John Connally)
John Connally

The important fact about the correspondence on the preceding page is that most genealogists & historians have experienced difficulty in finding research facilities open at times they are able to visit them. For most of us, genealogy is a hobby; our daily routine leaves us only vacations, week-ends & holidays for trips to local or distant areas. A good many of us were not aware that the reference section of Texas State Library was kept open evenings and most Saturday mornings during legislative sessions. In order to show the State officials & legislators that we need it open, we should write them, talk to them, and remember to sign the genealogy register in the Library. AGS members have noted that most people do not take time to sign, particularly at night--so this register does NOT show a fraction of the persons using library facilities nights & Saturdays. We commend this to your consideration.

Most genealogical announcements will be printed in the May quarterly. A number of publication announcements have come to AGS--describing new books & material available. We hope to have these at the April meeting for examination.

Permian Basin Genealogical Society of Odessa, Texas, has announced an ALL DAY WORKSHOP...held by the PBG Society on Saturday, April 27, from 9:00 a.m. to 6:00 p.m., in the Club Room of the Ector County Library, Odessa. They would appreciate your bringing any good reference material you have; personal books will be inventoried on your arrival & well cared for all day. The coffee pot will be going all day. They invite interested researchers & members to attend.

AGS member Mrs Joel Smith of Gladewater, Texas, sent AGS a copy of the Private Smith Cemetery near there. STIRPES has printed it in the March '63 issue. It previously printed the Day Cemetery submitted by Mrs Richard R. Smith, III, of Cleburne--another AGS member. Mrs. Joel Smith says she writes a genealogy feature column called head huntin by pal prince for a nearby weekly.

Austin newspapers are again actively considering publishing a genealogy column on Thursdays or Sundays. We are impatiently awaiting the first columns & will announce its birth to genealogists over the State as soon as we see it in real print. We hope that will be in May, 1963. Sunday would be the proper day.

Various members are out copying cemeteries. Miss Jane Sumner turned in copies of stones at a small cemetery near Center Point, Lee Co, Texas (north of Blue) and another at Utley, Bastrop Co, Texas. These we expect to print soon. Mrs. David C. Gracy has been out Webberville way copying stones; we hope to have those burials later this year. Several other members plan to copy a cemetery; please check with Director of Research, Mrs. Claude B. Tate, about your plans so as not to duplicate work already finished or being done.

At University of Texas--Social Sciences Reading Room (west from the Main Desk)--2 bookcases of historical magazines (current) on the east wall, north of center: magazines from Md, SC, RI, Va, New Eng. Hist & Gene Register, Wm & Mary, Va. Mag, Ga, NC, Mo, Minn, Ind, Ill, Ohio, Pa, NJ, Miss, Southwestern Hist. Q., Tenn, etc. They are open shelf, for reference use. In Main Library "stacks"--the 312 section (call numbers) of statistical material: various Historical Records Survey books by states; some 1820 Alabama census (& county maps); 1850 census of Knox Co, Tenn; 1790 census of Edenton District, Bertie Co, NC & Chowan Co, NC & Camden Co, NC; also 1840, '50 & '60 census of Camden Co, NC. There's a Guide to Florida Church Records & an unexpected City Council Census of Charleston, SC, for 1861. In the 929 section & C366s, all 14 books of marriages of Virginia compiled or edited by Catherine Knorr. Don't forget the church papers & magazines there in bound volumes--on a lower floor. Genealogy can be found almost anywhere --especially in Austin libraries. Learn how (& how not) to use them.

 QUERIES

We are republishing here AGS present rules & regulations for filing queries. The first series was published in Nov, 1962 issue; the next will be in May, 1963.

1. We will print FREE queries from members & subscribers only, at present.
2. They will be printed in the order received (if acceptable); only one query to a member in one year, unless no other queries are on file.
3. They need not concern Texas families or locations.
4. Type or print on 8½ x 11 paper (for our files); double-space lines (for legibility & editing); print only one query on a page. Illegible queries will be returned for recopying & lose their place on the waiting-list.
5. File only 50 words; use no abbreviations of words or names. Confusing queries will be returned for explanations. Don't ask too many questions or include a long list of people; you won't get as many answers if you do!
6. Carefully print or type your full name & address underneath your query; they do NOT count in the 50 words allowed.
7. AGS will edit all queries requiring it, using abbreviations usual in this quarterly, cutting out unneeded words or improving form, for your own benefit. If you make entirely clear what you mean, your query will be more successful.
8. Naturally members are expected to answer letters & trade data courteously (unless it is a case of buying information). Remember to use stamped and self-addressed envelopes when requesting information.
9. Mail queries to Editor, Austin Genealogical Society, 6301 Treadwell Blvd., Austin 31, Texas. Mark each query: QUERY for AGS Quarterly.

Membership in AGS is by application & is open to any person interested in the aims & purposes of this Society & acceptable to the Membership Committee. Dues (currently \$4.00 single, \$6.00 double) are payable in advance for the calendar year beginning 1 January. Members failing to pay dues by 1 March are dropped from the rolls & will not receive the April quarterly until paid up. New members may apply at any time during the year, & dues are applied to the current calendar year, that year's quarterlies' being mailed. Applications & dues are mailed to Miss Jane Sumner, Treasurer, AGS, 212 First Federal Bldg., Austin 1, Texas. She notifies anyone else concerned. Inquiries concerning material in the Quarterly go to the Editor. EXCHANGES go to AGS, C/O Mrs. R. P. Woods, Librarian, 1201 Arcadia Ave, Austin 57, Texas. All back issues of the Quarterly are still available. Single issues (except April issues at \$2) cost \$1.00 each; our #1 Nov, 1960 issue sells at \$1 while they last. Four issues of one year (for 1961 or 1962) sell for \$4.00. April issues are for our DICTIONARY OF ANCESTORS; other, are source material of the Austin area: wills, marriages, burials, church records...
