Annual Report of Giving

Message from the President

Students make filters for use in Nepal and other countries in need of clean water.

Each year since 2008, Bellarmine has selected a different theme for its Summit on Human Dignity. For the 2019-20 school year, we are exploring the topic of Economic Justice. The various opportunities to focus on this important issue throughout this school year began with the Mass of the Holy Spirit and continued in October, when the founder and the CEO of Wine to Water, an organization whose mission is to bring clean water to the developing world, spoke to the student body. Right after their presentation, several hundred Bells and their teachers and coaches built 850 filters that were immediately deployed to communities and families in need in Nepal and other parts of the developing world.

Throughout the winter months, we will continue our partnership with Safe Park, which provides a safe place for people who live in their cars to park overnight, have a meal, and an opportunity to shower at the local YMCA. In January, a “summit day” will feature dozens of speakers from off campus, who will join with student and faculty speakers in addressing a variety of subjects relative to this year’s focus. Finally, during the Lenten Season, we will once again welcome Thomas Awiapo from Catholic Relief Services who will talk about his own experience of how the CRS Rice Bowl program literally saved his own life growing up in Ghana.

Our hope and goal in providing students with these opportunities is to open their eyes to some of the challenges that people face around the world. We feel that it is important for them to understand that economic challenges are not exclusively overseas, but literally sometimes are right around the corner from where we are.

One of the most important and impactful ways that we can support economic justice right here on our campus is through providing tuition assistance. This year, we will distribute more than \$5.1 million in tuition assistance, to 25.8% of the student body; both the amount of aid we are giving out and the percentage of students receiving it are record highs for Bellarmine. Although the economy is doing well, there still are many people who need assistance in order to be able to afford a Bellarmine education. We are deeply committed to making that education available to all qualified students – regardless of their families’ economic circumstances.

This Annual Report edition of Bellarmine College Prep Magazine bears witness to how you and the many other benefactors of Bellarmine make this important work possible. It is absolutely essential that we “practice what we teach,” and your financial assistance to the school helps ensure that we don’t just talk about justice, but are able to pursue justice in how we serve our students and families. From the bottom of my heart, thank you very much for the many ways you support our mission.

Editor's Note

The holiday season is such a special time of year during which I find myself filled with nostalgia, reminded of Thanksgivings and Christmases gone by; memories of good times spent with family and friends, far too many of whom are now gone.

It is appropriate that, especially during this season of gratitude, we thank you for the very gift you are to Bellarmine. This Annual Report of Giving edition of our publication reflects the generosity of so many individuals, companies, and foundations that support our efforts to advance opportunities for our students. We are grateful beyond measure.

This gratitude also extends to the administration, faculty, staff, students, parents, alumni, parents of alumni, grandparents, and all who form the Bellarmine community, making a positive difference in the lives of our students. We are so very blessed to be part of the apostolate of Jesuit education.

May you, and all those you love, embrace the spirit of goodness and each other this holiday season and always.

Warm regards,

Brian Adams

Jesuits and Yell Leaders feel the spirit move them.

Bellarmino students often amaze me with their generosity and kindness. Each year, over 100 junior and senior students serve as Big Brothers to welcome and support our freshmen. The Big Brother program allows our students to develop as leaders and ensure that all freshmen have an older student to watch out for them. The Big Brothers mentor freshmen throughout the year and facilitate our day-long freshman retreat. During the retreat, they model prayer and reflection along with how to be goofy and have fun with one another.

This year when we asked for parent volunteers to facilitate a discussion group during the retreat, we had over 100 parents volunteer. This solidified my belief that our students learn to serve and give back to the community from their parents and family members. Our parent and alumni community never hesitate to jump in and help. Thank you for the many ways you model servant leadership for our students. It makes such a difference.

I'm also grateful for the authenticity of our students. Our opening spirit rally was a true celebration of the Bellarmino community. It included a dance-off between our Jesuits and our Yell Leaders, a pool-noodle jousting match, a trivia game between students and faculty members, and a collective rendition of the song "Country Roads." The energy in the gym was fantastic, and it was great to see that same energy present during our freshman retreat and opening football game.

Every day I walk on campus, I am overcome by gratitude. Because Bellarmino is a community that celebrates the unique gifts and talents of all students, there is so much happening throughout campus on any given day.

Thank you for the role you play in making Bellarmino the vibrant community that it is today.

National Merit Scholarship Semifinalists

A total of 19 Bellarmine seniors were named among the 16,000 semifinalists in the 65th annual National Merit Scholarship Competition. Those students are: Aditya Behal, Arnav Bhau, Anson Bridges, Tarun Chiruvolu, Akshaj Dwivedula, Justin Garlep, James Garrow, John Gnibus, Jacob Gonzalez, Aditya Gupta, Yun Jae Kim, Anuj Kothari, Sherwin Lai, Marcus Ma, Tanay Menezes, Matthew Nazai, Shaan Patel, Matthew Phan, and Jay Vishwarupe. To be considered for a Merit Scholarship® award, semifinalists must fulfill several requirements to advance to the Finalist level of the competition, according to the National Merit Scholarship Corporation. Over 90 percent of the Semifinalists nationally are expected to attain Finalist standing, and about half of the Finalists will win a National Merit Scholarship, earning the Merit Scholar® title next spring.

Congratulations to the semifinalists!

Bellarmino Junior Named Most Philosophical Student in America

During the summer, Sahith Kudaravalli '21 was named the 2019 Most Philosophical Student in America by the Kids Philosophy Slam. His was the winning essay among those submitted by more than 4,000 high school students.

Kudaravalli, a resident of Fremont, initially learned about the competition from Bellarmine alumnus Ashwin Pillai '19 of Santa Clara, who previously won the competition as a senior. "I drew inspiration from him to marinate in my ideas and find a way to communicate them with the world surrounding me," noted Kudaravalli recently. His winning essay addressed the topic, Hate or Love: Which Has a Greater Impact on Society? Entries were judged on originality, creativity, strength of philosophical argument, organization, thought development, as well as spelling and grammar.

The student was mentored by Bellarmine faculty member and alumnus Nick Creech '03. "I served as Sahith's mentor for this competition, but in truth he was

the driving force behind this endeavor and my role was merely to offer feedback as he turned his ideas into the final product," Creech said. "As a student, Sahith is a dynamic and expressive speaker, but he's probably one of the best listeners that I've taught in a while. His ability to pay close attention to what others are saying, rather than just waiting for a turn to speak, makes him someone who can build on ideas and advance the conversation for everyone."

The mission of Kids Philosophy Slam (www.philosophyslam.org) is to provide a voice and to inspire kids to think by unlocking their intellectual and creative potential through a unique and powerful philosophical forum.

"I think that creativity ultimately allows us to diagnose problems in the real world and devise infinite viable solutions, making our world a better place," noted Kudaravalli, who shared that Bellarmine changed the fundamental way in which he perceives education. "Bellarmine helped me discover for myself that many things in this world are connected to each other and without learning about these 'many things,' you can't really understand the one specific thing you're trying to study."

Bellarmino Honors Four Hall of Fame Inductees

Four distinguished Bellarmine College Preparatory alumni were inducted into the school's Hall of Fame at an on-campus event that included the ceremony, reception, and dinner held on August 24.

The 2019 Hall of Fame inductees are Kevin Frandsen, Class of 2000 (*Athletics*); Bill Del Biaggio, Jr., Class of 1958 (*Business*); Jim Harville, Class of 1963 (*Humanities & Fine Arts*); and Major General D. Scott McKean, Class of 1986 (*Public Service*).

Frandsen, who was introduced by former Bellarmine baseball coach Gary Cunningham, played professional baseball for multiple Major League teams before his current career in sports broadcasting. He is a founding member of the 19 For Life Foundation, established in memory of his late brother DJ Frandsen, to fund services for children dealing with childhood illness and provide financial support to students at Bellarmine and other local schools. "When you think of all the people who helped you get to where you are, that's what the Hall of Fame is," remarked Frandsen in a video before accepting his award on stage. "It's a big thank you to everyone, and I'm more than honored."

Del Biaggio, Jr., introduced by his grandson William "Boots" Del Biaggio, IV, served the San Jose community through his business and philanthropic ventures as founding chairman of Heritage Bank and his volunteer service to numerous nonprofit organizations in Santa Clara County. He is also a 1986 inductee into the Bellarmine Athletic Hall of

Fame. "I'm really grateful for my experiences here at Bellarmine," said Bill. "It was a well-rounded education for a young man, and it set me up for the successes I had, and I owe a debt of gratitude to Bellarmine."

A popular English teacher for 45 years at Bellarmine, **Harville**, introduced by former colleague Bill Chambers, was also a legendary Speech and Debate coach for 32 years. Jim's work with the program contributed to the development of 10 individual national champions, 44 individual state champions, 13 California state sweepstakes awards, plus a national team championship in 1994. In his acceptance remarks, Harville poignantly recalled a yearbook inscription written by a Jesuit priest that read: "God has given you much. Thank him for it."

A decorated senior officer in the United States Army, **Major General McKean**, introduced by his brother Steve McKean, is a two-star General currently stationed in South Korea. During his nearly 30 years in the military, he has negotiated amicable resolutions of conflict, built positive relations between nations across the globe, and supported local and federal government relief efforts in the wake of Hurricane Andrew in 1992. McKean referenced the concept of duty, honor, and country. "As Douglas MacArthur stated, 'Those three hallowed words will reverently dictate what you ought to be, what you can be, what you will be.' The mission of West Point, to develop leaders of character for a lifetime of service to our nation, just really further amplified what Bellarmine instilled in all of us."

Bellarmino principal Kristina Luscher (left) and president Chris Meyercord '88 (right) congratulate 2019 Hall of Fame inductees (from left) Jim Harville '63, Bill Del Biaggio '58, Kevin Frandsen '00, and Major General D. Scott McKean '86.

Jim, pictured with Molly Rhine above, gathers produce for delivery.

ALUMNUS PROFILE:

JIM FALTERSACK '47

“A true gentleman.” That’s how Molly Rhine, a volunteer with Peninsula Food Runners, describes Bellarmine alumnus Edward “Jim” Faltersack '47, with whom she has sorted produce to deliver to local charities for the past several years. Jim has, in fact, been doing this work for some three decades, the last 20 years of which has occurred faithfully each Friday morning. “He’s a shining example of selfless service,” added Molly, who brought to our attention Jim’s example of being a man for and with others.

“I enjoy helping people out,” Jim said when we met at a Trader Joe’s grocery store in San Jose on a summer morning in June, the date coincidentally falling just one day after his 90th birthday. “My health is good considering my age,” he said with a grin.

That Jim is in relatively good shape should come as no surprise to those aware of his fitness routine, one that includes doing plenty of yardwork and walking three miles four days a week, with Mondays reserved for an exercise class. He’s also known to be a pretty good square dancer. “He’s forever self-improving,” said Molly, adding that Jim is also very respectful and considerate. “He’s the only gentleman I know who still tips his hat to say hello.”

A boarder while at Bellarmine, Jim briefly attended college after graduation before entering the U.S. Navy in which he served from April 1948 to April 1952. His military travels took him from boot camp in San Diego to stints in Hawaii, Guam, Japan, and Moffett Field. He subsequently followed in the footsteps of his father as a plumber, then was a mechanical inspector and supervisor for the City of San Jose for 21 years before his retirement.

Jim, who is a widower, father, grandfather, and great-grandfather, said that while a student at Bellarmine, he “had a nice time ... everyone was sociable.” Math was his favorite subject and he enjoyed boxing.

Now the boxing he experiences is of the cardboard variety, helping to ensure that those in need benefit from produce contributed by local markets which, although still consumable, has been deemed unsellable. Jason Jacob, the captain at Trader Joe’s on Almaden Expressway in San Jose, said of Jim that, “It’s amazing at his age that he’s still doing what he does.” He describes Jim as being a humble person who performs the volunteer work “out of love.” The food that Jim picks-up from Trader Joe’s is donated to the food pantry at St. Julie Billiard Parish in San Jose which, according to its website, last year distributed food to as many as 1,400 people each month.

Beyond the knowledge of how his efforts are helping countless others in the community, Jim’s goodness certainly deserves the ultimate reward he is hoping for: “By doing some good deeds, I figure maybe Saint Peter will let me in!”

What's Cooking?

Chef Jeremy Soulia in the kitchen.

In addition to great meals, special initiatives have been prepared recently in Bellarmine's Liccardo kitchen.

While "going green" in the dining areas for some may refer to consuming more vegetables, it also speaks to the school's efforts to be mindful of sustainability. That mission is evident in such implementations as using biodegradable napkins and serving utensils and offering cage-free eggs and free-range chicken.

Fair Trade coffee is being served, with coffee grounds and other food waste being used in the Bellarmine Garden for composting and fertilizing. The serving of plastic bottles on campus will soon completely be a practice of the past, as more than a dozen beverage products previously sold in plastic bottles are now served in cans.

Such efforts being undertaken by the Liccardo kitchen team, under the direction of chef Jeremy Soulia, and campus-wide in partnership with Patrick Adams, Green Initiatives Coordinator, are in-line with Bellarmine's commitment to ecological stewardship and solidarity with creation, as encouraged by Pope Francis in his encyclical, *Laudato Si: On Care for Our Common Home*.

Much of the produce grown in the Bellarmine Garden is utilized by the school. "We've used artichokes and herbs from the Garden, and in the future are looking to putting in an order, so the students can collect in the Garden what we're asking for," said Soulia who has been with the school more than 15 years and whose father cooked for the Jesuit community at Santa Clara University. His local culinary roots run deep. "My grandmother and my dad both worked in an Italian restaurant in Santa Clara {Mariani's}; I grew-up in that restaurant." In addition to Mariani's, his previous work experience includes The Toll House in Los Gatos, and Macaroni Grill in both Milpitas and Dublin. What most distinguishes the chef's work at Bellarmine from his years in the restaurant business? "At the end of the day, there's a family here you don't find at other places."

The serving of healthier food options for students, faculty, and staff and accomplishing further sustainability goals, are ingredients for a recipe that will have a lasting and positive impact for the Bellarmine community and beyond.

Safe Car Park

Since the winter season of 2018, Bellarmine has been a participant in a special program known as Safe Car Park. Working with the Winter Faith Collaborative, an interfaith movement formed to serve, shelter, and advocate for the houseless community in Santa Clara County, Bellarmine again this winter will host a Safe Car Park during January and February at the parking lot adjacent to Brigit Whims Memorial Field.

All houseless participants with the Safe Car Park program are prescreened by Amigos de Guadalupe Center for Justice and Empowerment. Amigos de Guadalupe also provides ongoing case management to help guests stabilize their lives and move forward to better life situations. The Central YMCA has partnered with Bellarmine and provides Safe Car Park guests with towels and daily access to their shower facilities. Under the supervision of the school's Christian Service Program (CSP), Bellarmine provides our guests with breakfast burritos and coffee on weekday mornings and students serve dinner to our guests each Wednesday evening.

"Jesus tells us that our greatest commandments are to love God and to love our neighbors. This love must move beyond words and be exercised in deeds," said Steve Pinkston, director of Bellarmine's CSP.

The experience of being in solidarity with many of the houseless in our community is very impactful for our students, as noted in a reflection paper by a member of the Class of 2019: "There is certainly joy in service. Let me be clear, I'm not talking about that feeling of 'Wow, I'm a really good guy for doing this.' Serving the poor is an opportunity, not a sacrifice. My service then centers itself around love and solidarity with those in poverty. This is where I find true joy."

Over the past two years, Bellarmine has had zero negative incidents with our Safe Car Park guests. We attribute this to the fact that all guest have adhered to our request to respect themselves, to respect other guests, and to respect the Bellarmine community and grounds.

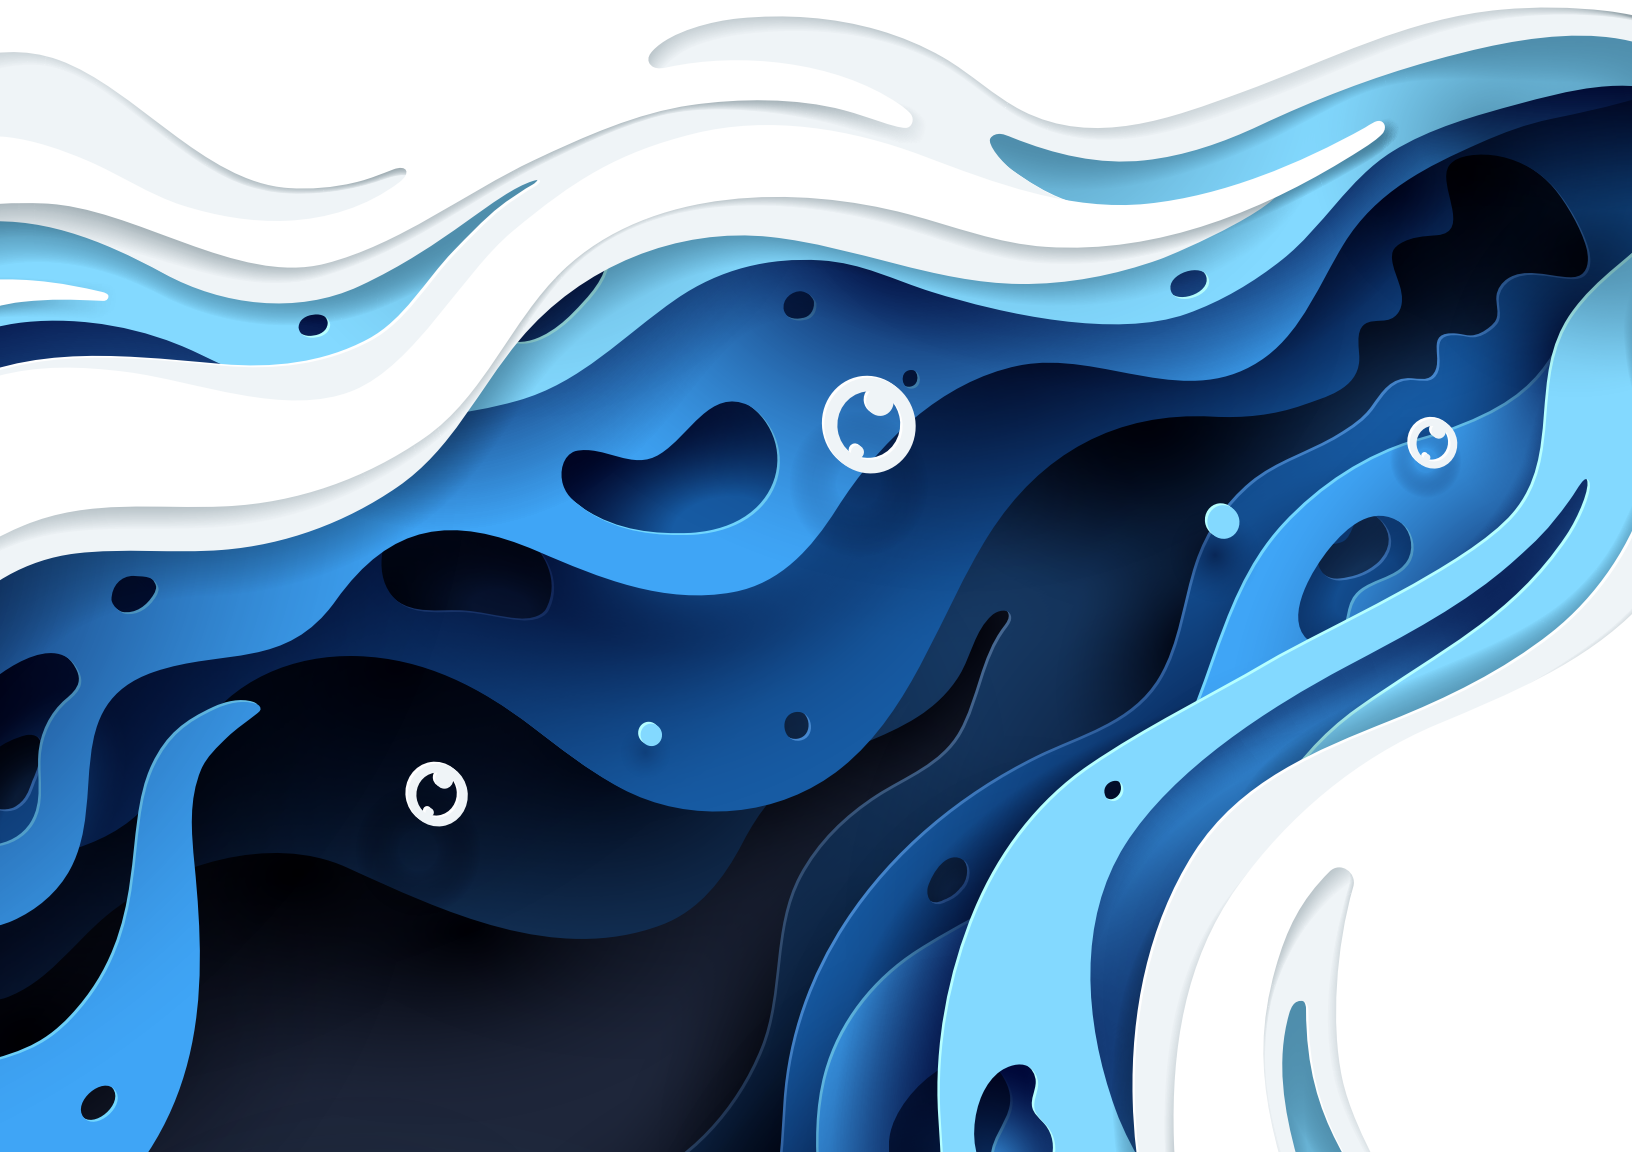

This winter, Bellarmine plans to host a Safe Car Park from January 5 to March 1, 2020 for up to 15 vehicles between the hours of 9:00 p.m. and 6:00 a.m.

Message from the Chairman of the Board of Trustees

As a Bellarmine alumnus myself, and further a father and grandfather of Bell alumni, I am grateful to each of you who has so generously contributed to this great institution. You are financially enabling Bellarmine to carry on the Jesuit tradition of educating our youth as “men for and with others.” This Jesuit mission has never been more relevant to the needs of our country and the world than today. I know of no high school, private or public, better equipped with an administration, faculty, staff, physical plant and facilities to carry out this mission than Bellarmine.

I am grateful to all my fellow Trustees, members of the Board of Regents, and emeriti of both boards for their many years of dedicated service to the Bellarmine Community. I especially want to convey my gratitude for the dedicated assistance this year of my vice-chair, Matt Medeiros; past chair, Andrew Moley; Trustees Fr. Mario Prietto, S.J. and Fr. Jerry Wade, S.J. ‘55.; Regent chair, Rob Selvi ‘74; and vice-chair, Judge Ray Davilla, Jr. ‘65.

This Annual Report of Giving for last fiscal year evidences the tremendous financial support and dedication of each of you, Bellarmine’s benefactors. I join our president, Chris Meyercord ‘88, principal Kristina Luscher, Jesuit Community superior, Fr. Mario Prietto, S.J., and chancellor, Fr. Jerry Wade, S.J., in conveying our gratitude to all of you who continue to make such a positive difference in the lives of our students.

Your spirit of generosity toward Bellarmine allows all of us to continue our vital mission of forming “men for and with others.”

“Leave the campground cleaner than you found it.”

That’s the philosophy of Jeanette LaCorte and John Ambroseo. Very simple, very clear, very concise. The response is not surprising given the unassuming nature of this extraordinary couple who have supported the educational endeavors of scores of students through their J2 Scholars Fund.

As tech industry professionals, both Jeanette and John have done well, and they do good. That goodness is conveyed in many ways, including providing support to numerous private and public high schools and universities, with a generous goal of helping 1,000 students over 10 years achieve their academic objectives.

“In their very humble way, John and Jeanette have been incredible supporters of Bellarmine,” said Bellarmine president Chris Meyercord ’88. “They were the lead supporters in our effort to renovate the Carney Science Center last summer, while at the same time providing for a remarkable number of J2 scholars here at Bellarmine.”

John, whose educational background includes Cardinal Spellman High School and Purchase College in New York, and University of Pennsylvania; and Jeanette, a graduate of Branham High School and San Jose State University; are the parents of Alexa,

a 2015 graduate of Presentation High School studying at Tulane University; and Bellarmine alumnus Zach ’18, now attending Gonzaga University.

While they prefer to remain under the radar, Jeanette and John allow their philanthropy to be public if it can inspire others to join in supporting a worthy cause. That has been evident at Bellarmine’s annual Golden Bell Auction where John and Jeanette have been the “Last Bells Standing” in support of tuition assistance. The event is also enhanced by Jeanette’s dedicated work behind-the-scenes. “Jeanette’s advice stems from her true desire to see the Golden Bell continue to be a huge success for the Direct Tuition Assistance Fund,” notes Leslie Goodykoontz, Bellarmine’s Donor Relations and Events Coordinator. “Jeanette expertly blends practical fundraising strategies and elements of fun, with the goal of creating a lively environment to celebrate the Bellarmine community.”

When asked what it is about Bellarmine that motivates he and Jeanette to provide such generous support to the school, John’s response was, “Our own exposure to Bell is that it enriches the soul while educating the mind.”

We are grateful beyond words to Jeanette LaCorte and John Ambroseo for enriching the souls of so many Bellarmine students.

THANK YOU ALUMNI!

CURRENT STUDENT GIVING

Listed below are the names of Bellarmine students who made a financial contribution to the school during Fiscal Year 2018-2019. Support by current students sets an example for their peers and for alumni, as their gift – of any amount – represents the importance of giving back to the school from which they have benefitted greatly. (NOTE: Members of the Class of 2019 are included on this list as they were students at the time their gifts were made during the last fiscal year.)

GIFTS-IN-KIND

In addition to receiving financial support, Bellarmine relies on the generosity of those who contribute non-monetary items and services, considered Gifts-in-Kind. This type of support saves the school funds which can instead be applied directly to programs and services for the benefit of our students. The following individuals and companies provided Gifts-in-Kind to Bellarmine during Fiscal Year 2018-2019.

Q&A With
STEVE CONNOLLY '04,
Director of Alumni Relations

WHAT INTERESTED YOU MOST ABOUT TAKING ON THE POSITION OF DIRECTOR OF ALUMNI RELATIONS?

SC: The biggest draw was just being part of this community again. Bellarmine's alumni are a remarkably fraternal group, which is something I encountered regularly even before I took the position. The opportunity to be at the center of that network, interacting with alums and putting on fun events, was extremely enticing.

WHAT IS/ARE AMONG YOUR FONDTEST MEMORIES OF YOUR TIME AS A BELLARMINE STUDENT?

SC: That's tough to narrow down. I suppose the highlight of my time as a student was finally making the baseball team as a senior after having been cut three straight years, then getting a start and picking up my first and only win against Palo Alto. I also went on two immersion trips to Mexico, which were incredibly memorable experiences and had a profound effect on my worldview. Bellarmine gave me my favorite summer job as well, working for Pat Orr and then Gary Cunningham in the old bookstore. But now that I'm back on campus, I find myself feeling a great deal of nostalgia for some of the mundane aspects of my high school experience, like taking the early Caltrain in the morning so I'd have time to get chocolate chip cookies for breakfast from Br. Ryan in the co-op.

IN YOUR ROLE, YOU INTERACT WITH MANY ALUMNI, SPANNING DECADES. WHAT DO YOU SEE AS A COMMON TRAIT/ATTRIBUTE AMONG OUR BCP ALUMNI THAT STANDS THE TEST OF TIME?

SC: I enjoy the camaraderie that's so ingrained in our alumni community, but the most common trait I encounter is generosity, which must be a credit to our Jesuit tradition. In my experience, Bellarmine alumni of all different ages and walks of life seem to truly embrace the mantra of being men for and with others in the way they donate their time and energy, the way they treat other people with warmth and respect, and the way they positively influence their communities in a myriad of ways.

WHAT ARE YOUR SHORT-TERM AND LONG-TERM GOALS FOR ALUMNI RELATIONS?

SC: This is already such a strong alumni network that my main short-term goals are to continue to host successful events, meet as many people as I can, and try to build relationships with alumni of all different ages in order to serve as an effective resource for them. I would also love to institute an Alumni Day of Service. In the long-term, my overarching goal is to grow the scope of Alumni Relations to better reflect the diversity of the school. I hope to put on events for a wider array of affinity groups, expand and solidify our regional alumni chapters across the country, and create more opportunities for young alumni to engage with Bellarmine during and after college. Finally, one thing I've realized quickly in the months since I started this position is that many of our alumni have incredible stories, so another one of my goals is to help strengthen our community by sharing those stories.

In July 2019, Steve Connolly '04 joined Bellarmine's Office of Advancement in the position of director of Alumni Relations. A native of Massachusetts, Steve moved to the Bay Area with his family shortly before starting sixth grade. After graduating Bellarmine, he went on to earn a bachelor's degree in English from Loyola Marymount and a

master's degree in the same discipline from San Jose State University, competing on the baseball team at both institutions. Prior to joining the staff at Bellarmine, Steve spent the past seven years serving as director of Athletic Communications at Cal State East Bay in Hayward. He currently resides in Santa Clara with his wife, Jody, and their two children.

Alumni revel at the Grand Reunion

ALUMNI *Grand Reunion*

More than 300 alumni and guests attended the Grand Reunion Weekend celebration that occurred on the Bellarmine campus the afternoon and evening of October 12. Class years included 1974, 1979, 1984, 1989, 1994, 1999, 2004, and 2009. Several members of the Bellarmine Jesuit community attended, as did many faculty and staff members. Former faculty member Pat Taylor organized a gathering of former prefects to coincide with the event. A Mass was held in the Leontyne Chapel, followed by campus tours and dining al fresco during a beautiful fall evening on the Mary G. and Leo J. Lucas Quad.

ALUMNI *Milestone Reunions*

During the weekend of May 31 and June 1, Bellarmine welcomed back to campus more than 230 alumni and guests from several classes to celebrate milestone reunions. The class of 1969 marked their 50-year reunion. Additionally, we were pleased to host alumni from the classes of 1959 and 1954, who celebrated their 60 and 65-year milestones respectively. The events included campus tours and dinner in the Samuel A. Liccardo Center and Mass in the Leontyne Chapel. We are grateful to all those who attended this significant alumni weekend.

ANNUAL *Bocce Tournament*

The 24th Annual Fr. Joe Costa '41 Bocce Tournament took place on Saturday, July 27, at Campo di Bocce in Los Gatos. More than 100 players competed, including alumni ranging from class years 1956 to 2019. The event, which was the first under the direction of Stephen Connolly '04, Bellarmine's new director of Alumni Relations, provided an opportunity for alumni and friends to reconnect with each other and to their alma mater. The team of JD Testa '93, Nico Flores '92, Kevin Shannon '85, Greg Shannon, and Joey Bernardi claimed the 2019 trophy.

Special thanks to Geoff Mace '99 of Calerrain Wines for providing the wine, and to event sponsors Josh Burroughs '04, Sean Raft '94, Eric Hayden and Morgan Mackles of Urban Catalyst; and Carlos Azucena '99 of CFA Property Advisors of Marcus & Millichap.

ANNUAL *Golf Classic*

The annual Golf Classic was held on October 14 at Cinnabar Hills Golf Club in San Jose as part of Grand Reunion Weekend. More than 200 golfers participated in the tournament, including alumni ranging from the classes of 1957 to 2019. The winning team, with a score of 52, was that of Kelly Hyland '93, Tim Duus '93, Julian Hamill '93, and Josh Aber '93. They won a tiebreaker over the foursome of Eric McAllister '98, Michael MacDonald '98, Jeff Lisenbee '98, and Charles Hazelbaker, who also scored 52. JD Engquist '03 got a hole in one, an achievement that awarded him a two-year Jeep lease courtesy of Normandin Chrysler Jeep Dodge Ram FIAT. We are grateful to all who participated in, contributed to, and sponsored the event, with special thanks to Heritage Bank of Commerce, course sponsor. Proceeds from the Golf Classic benefit Bellarmine's Direct Tuition Assistance Fund.

Proactive Planning and Charitable Giving

by Bill Colucci, Esq. '82, Director of Planned Giving

I recently had the opportunity to attend a professional development seminar with an estate planning attorney and a CPA (both Bellarmine grads who did an excellent job, of course). While they provided me with some really good nuts and bolts information, one of the big takeaways for me was the need to be proactive rather than reactive when considering estate planning. They mentioned that receiving advice and doing some planning early would provide an individual or family with more options and could result in a more cost-effective strategy for passing on their assets, including being able to provide more to their beneficiaries (and possibly even your favorite charity).

While crafting an estate plan involves a bit of work, proactive planning provides you with more options. The more time you have to think and ask questions about what you want to do, the more flexibility you will have in formulating that plan. As you craft an estate plan for you and your family, adding a charitable gift can be an important part of that plan. A legacy gift to the school will help provide us the tools we need to continue to make Bellarmine an even better place to attend high school.

Estate planning can be a straightforward process that only requires some thinking and a bit of follow through. In a few cases, you may be able to do some of the planning yourself. Many of these planned gifts can be altered as your circumstances change. Here are some easy, cost efficient ways you can enjoy the rewarding benefits of helping Bellarmine continue its work that also keeps your commitment to us flexible:

- Remember Bellarmine in your will or living trust. Including a gift to us in your will or living trust is a simple yet powerful way to offer future support. You can leave a specific asset, a specific dollar amount, or a percentage of the residue of your estate. This gift ensures that you and your family have the resources you need now, and that Bellarmine will have the support we need in the future.
- Name us as a beneficiary of your retirement account. Naming any individual other than your spouse as beneficiary of your retirement account exposes that person to income and other taxes, potentially consuming a substantial portion of your gift. Leaving a direct gift to a child or grandchild while naming Bellarmine as the beneficiary of your retirement account gives your family member a tax efficient gift, plus your estate will receive an estate tax charitable deduction.
- Leave us all or a portion of your life insurance. Often overlooked as a gift, life insurance is an easy and flexible way to make an impact. You can name Bellarmine as beneficiary of a percentage of your existing life insurance policy's death benefit.
- Many people like to leave a gift to charity as a part of their estate plan because they care about causes that are important in their lives. We are here to help you determine the best way to support Bellarmine as we continue to educate and form young men to be people of competence, conscience, and compassion.
- If you have already established a bequest or other gift to Bellarmine in your estate plan, please let us know so that we can acknowledge your generosity and include you as a member of our legacy giving society.

We stand ready to help if you have any questions about how to proceed or need additional estate or gift planning information. Please do not hesitate to contact us about the possibility of a legacy gift.

CROSS COUNTRY:

The 2019 Bellarmine Cross Country season has been quite a success! The 190 Bells who have stuck out the long, tough season have improved incredibly, growing as athletes, teammates, and citizens. Their commitment and dedication have produced an incredibly eventful year for BCP XC!

The frosh have lost only one race this year, and after producing their best race of the year at WCAL II in San Francisco, the Baby Bells are poised to capture the 13th straight frosh league title!! The hallmark of this year's team has been depth; despite not having four of their top seven runners at WCAL II, the freshmen posted their biggest victory to date over archrival St. Francis.

The Sophomores are still unbeaten ... for their Bellarmine careers! That's right, the second-years have never lost a race; at WCAL II, the Bells pulled off a perfect score, going 1-5 to score 15 points. Jack Glanville, Sebastian Penner Brown, Ryanosuke Yanashita, Tanish Chettiar, Azariel Martinez-Sigala, Vibhu Krishna, and Uriel Ramirez have been a solid top seven all year.

The Junior Varsity team is truly a Varsity; they have raced every top Varsity team in the CCS this year and have only been beaten once, by St. Francis when we ran the JV in the Varsity race at WCAL II ... but it was close. The depth of the JV team is truly remarkable: at the Westmoor Ram Invite, we split the JV in to four teams, and won both JV races and both Varsity races! At WCAL III, the JVs captured the 13th straight JV league title.

The Varsity has spent most of the year ranked in the top 20 nationally and the top 5 in California. Losing only once so far, to a talented Claremont team at the Crystal Springs Invite, the Varsity has already run the 9th fastest team time ever in the history of the vaunted Crystal Springs course. That said, the Varsity won the 2019 WCAL Championship and set an all-time course record at Crystal Springs Park in Belmont, CA in 76.10! The boys also won the 2019 CCS Title. Colin Peattie, Nolan Topper, Galen Topper, Clem Welsh, Aiden Theocheung, Casper Aliaga, and Christian Yarwood have high hopes to make the podium at the State Championships on November 30th.

WATER POLO:

The Bells won their final WCAL game against Archbishop Mitty 16-11, which clinched the #2 seed going into the WCAL Tournament. The Boys finished 3rd in the WCAL Tournament, 2nd in the CCS Open Division Championships and that momentum got them to the CIF NorCal Semi-Final game for the first time in school history! The Bells lost a tough battle against Campolindo High School in their NorCal Semi-Final match, which ended another successful water polo season.

The JV Water Polo team clinched a WCAL title with their 8-1 win over Mitty. The JV Bells went undefeated through league play. They will finish their season at the 24 team, 5 game tournament hosted by Las Lomas HS called the Shorty Invite. The Bells hope to finish strong with a great tournament win.

Frosh Water Polo recently concluded their season by defeating Mitty. The Baby Bells only lost one game in WCAL play to Valley Christian to finish 2nd in WCAL. Great improvement and effort were shown by the Frosh throughout the season.

FOOTBALL:

As of publication deadline, the Varsity Football Team finished WCAL play with an overall record of 3-7. The Bells made the D2 CCS Playoffs, due to their strength of schedule, but lost in the first round to Sacred Heart Prep. Seniors Marcus Mifsud, Dominic Guttadauro and Aizon Henry were standouts for the Bells this season.

The JV Football Team was competitive all season and finished the year 4-5.

The Freshman Football Team has a brand-new coaching staff for the 2019 season and the team clinched the WCAL Title with a 35-23 win over St. Francis HS at Ghiorso Field. The Baby Bells finished the season with a perfect 9-0 record.

In Memoriam

Andrew John Honzel '49 passed away on June 18, 2019, at home at Lake Oswego, Oregon. In the mid-1940s, the family settled in Klamath Falls, where Andy attended Sacred Heart Academy before graduating from Bellarmine College Preparatory and Santa Clara University. Andy married Beverly Young (pictured here with Andy) in 1953, settling in Klamath Falls where they raised three children. The family moved to the Portland area in 1967. Andy was a driving force in the growth of Columbia Forest Products from a single plant in Klamath Falls to the largest producer of hardwood plywood and veneer in North America. He was especially proud that the company became employee owned under his leadership. A man of deep and unwavering faith, he credited God for all that was good. Andy had a long tradition of community involvement, and after his retirement was able to use his considerable talents for the benefit of others.

Richard A. Hotaling '50 died on May 17, 2019 at his home in Pasadena, California. He attended St. Joseph Elementary School, The Thatcher School, Bellarmine College Prep (for which he served as a Regent, 1999-2003), and Denison University. In November of 1955, he married the love of his life, Elizabeth Purdon Duque ("Bitsy") of Los Angeles and moved to San Francisco before settling down to raise their family in Hancock Park. Dick took great pride in his 29-year career with Orange County Lumber Company, which was followed by other business ventures. As noted in his obituary, Dick will be remembered as "truly one of the greats of the Greatest Generation, trustworthy and dependable; his word was his bond. He touched countless lives with his humor, frankness and firm handshake."

Bellarmino College Preparatory is a community of men and women gathered together by God for the purpose of educating the student to seek justice and truth throughout his life. We are a Catholic school in the tradition of St. Ignatius of Loyola, the Founder of the Society of Jesus. As such, our entire school program is dedicated to forming “Men For and With Others” – persons whose lives will be dedicated to bringing all their God-given talents to fullness and to living according to the pattern of service inaugurated by Jesus Christ.
