2016 ANNUAL REPORT

BOYS & GIRLS CLUBS  
OF BOSTON

Our mission is to help young people, especially those who need us most, build strong character and realize their full potential as responsible citizens and leaders.

We do this by providing: a safe haven filled with hope and opportunity, ongoing relationships with caring adults, and life-enhancing programs.

# Dear Friends,

At Boys & Girls Clubs of Boston we're dedicated to the children of our city.

Our 11 Clubs are strategically located in neighborhoods with pronounced need and our caring youth development professionals serve as positive role models to our members. We thoughtfully design our programs and activities to expand children's horizons by exposing them to the arts, technology, and more. With the help of more than 200 community partners, we are able to provide the young people we serve with life-changing opportunities and experiences that they would not have otherwise.

And none of this would be possible without you.

Each one of the generous contributions — regardless of shape or size — made by the individuals, corporations, foundations and community partners listed in this report have an impact on the lives of thousands of children. While BGCB invests \$3,100 to serve each member — many of whom come from households with incomes of less than \$27,000/year — we only charge \$25 per school year for 6-12 year olds and just \$5 for teens, and no youth is turned away because of an inability to pay. In order to stay affordable and continue to offer even more enriching programs to the kids who need us most, we are in the midst of a five-year comprehensive campaign to raise \$125 million.

Our members, past and present, all benefit from the Club in unique ways.

From homework help and music lessons to the warm, nutritious meals served nightly, we support our members across multiple dimensions. We invite you to read about some of the many opportunities we provide to nearly 16,000 young people at our Clubs and through our direct service programs each year. We hope the stories will inspire you.

On behalf of all the young people who benefit from the opportunities you help us provide to them, thank you.

With gratitude,

Josh Kraft

\*The senior professional position at Boys & Girls Clubs of Boston was named in 2006 in recognition of Pete and Ginny Nicholas to honor their deep commitment to the organization and to further their dedication to ensuring excellence in organizational leadership.

THE CAMPAIGN FOR OUR CHILDREN | OUR CITY | OUR FUTURE

## Your Support Opens Doors to Opportunity for 16,000 Young People

In 2013, Boys & Girls Clubs of Boston embarked on a comprehensive campaign to raise \$125 million in three crucial funding areas: capital improvements, endowment, and five years of operating costs and strategic investments. BGCB is grateful to the many individual, corporate and foundation donors who had contributed a total of \$115.1 million as of the end of the campaign's fourth year, June 30, 2016, allowing BGCB to make the following advancements:

### 1. Opened the Hennigan Club

Opened in 2013 in Jamaica Plain's James W. Hennigan Elementary School, the Hennigan Club serves approximately 230 children ages 6-12.

### 2. Transformed the former Mattapan Library into the new state-of-the-art Mattapan Teen Center

The 2014 creation of the Mattapan Teen Center addressed the serious need for a positive place for teens in that community, and in its first year it saw nearly 300 members.

Mattapan Records offers opportunities in music production, song writing, recording, and performing.

### 3. Renovated the Edgerley Family South Boston Club

The new space, renovated in 2015, includes safe, accessible, and thoughtfully designed program spaces, which are a necessary component of the experience we create for members.

In its new space and through new partnerships, the Club reached an average daily attendance of 261 members. Sparked by the renovation, Club staff found creative methods to implement programs in ways that take advantage of the redesigned space.

### 4. Grew BGCB's Endowment by more than \$20 million

The endowment growth is giving the agency the stability we need to create a brighter future for Boston for generations to come. Endowment income now generates approximately 8% of our annual operating budget.

### 5. Enhanced programming to benefit the youth we serve

The largest portion of our five-year campaign goal supports our ongoing efforts to enable our talented and compassionate staff of more than 240 to deliver high quality programs in a safe, supportive environment to the children we serve each and every day. In FY16, unrestricted operating funds from the Opening Doors Campaign allowed for the following investments at Clubs, instrumental to offering innovative programs to reach more young people and keep them coming back.

- Increased staff hours across Clubs, resulting in more one-on-one attention per member
- Added part-time staff for Friday and Saturday leagues at the Yawkey Club of Roxbury
- Added and strengthened targeted evening programs for teens at the Yawkey Club of Roxbury and Charlestown Club
- Improved outreach at all Clubs to increase number of summer campers served
- Created pre-teen transition programs at the Edgerley Family South Boston Club and Jordan Club
- Strengthened aquatics programming and swim teams by adding lifeguard hours at the Berkshire Partners Blue Hill Club and improving outreach to potential swim team members at the Charlestown Club

EPIC was a  
commitment

I had to make to better  
myself and my future.

It was an  
opportunity  
to tap in to my  
**SUCCESS** and get me  
prepared for the real world.

Ron, a freshman at the Boston Arts Academy, was 13 when he participated in the EPIC program and learned invaluable life lessons. He says, "EPIC was a commitment I had to make to better myself and my future. It was an opportunity to tap in to my success and get me prepared for the real world." For one year, Ron attended workshops every other week and visited the Mattapan Teen Center regularly, where he enjoyed singing in the music studio. "We learned a lot of practical skills like how to budget money, communicate, and also learned about different career options. The program helped me become a better role model for my four younger siblings."

## Opening Doors and Inspiring EPIC Change

Last spring, 46 young people became the first graduating class of EPIC: Enhancing Potential, Inspiring Change. The program, developed in partnership by Boys & Girls Clubs of Boston's YouthConnect, the Mayor's Office of Public Safety and John Hancock, addresses the serious need to provide a positive experience for at-risk youth ages 11-14 during these critical adolescent years, often a time of transition. EPIC aims to increase self-awareness as well as empower participants to reach their full potential. The 12-month

intensive program follows a curriculum with many small group workshops like career exploration and money management, coupled with regular meetings with an appointed social worker who also works with the young teen's immediate family. Teens visit the Mattapan Teen Center as part of the program and earn a stipend, up to \$800, over the course of the program for participation and attendance. EPIC is funded by a grant from John Hancock and will continue as an annual program serving 50 youth each year.

## Berkshire Partners Blue Hill Club: 20 Years of Great Futures, Inspired by You

On June 29, 1995, the Blue Hill Boys & Girls Club opened its doors in one of Boston's most underserved neighborhoods, at the corner of Blue Hill Avenue and Talbot Avenue in Dorchester. BGCB's fourth Clubhouse, the Blue Hill Club provided a safe haven for youth, attracting more than 1,300 members in its first year of operation. Now the heartbeat of the Dorchester community, the Blue Hill Club has helped shape thousands of young people into effective citizens and leaders who have embarked on lives of achievement.

Several of BGCB's Board members spearheaded the creation of the Blue Hill Club. One of these individuals was Russell L. Epker, Co-Founder of

Berkshire Partners and Chair of BGCB's Board of Directors from 1992 - 1995. In the years since Russ Epker passed away in 2003, his colleagues at Berkshire Partners have carried on his legacy with tremendous generosity and continuing support of Boys & Girls Clubs of Boston. To celebrate the Blue Hill Club's 20th anniversary, several of these colleagues established the Berkshire Partners Endowment Fund for the Blue Hill Club, which supports day-to-day operating costs and ensures the long-term sustainability of the facility. To recognize Berkshire Partners' unwavering financial support, in 2016 the Club was renamed in their honor as the Berkshire Partners Blue Hill Club.

“The Club has changed a lot in 20 years, in a lot of positive ways, but the best thing is that it’s still a place where members can feel safe and comfortable, like a second home.”

In 1997, just two years after the Club opened, 6-year-old Shavoryia McElroy became a member. “The staff at the Club were like family to me,” Shavoryia says. “They opened their arms and their hearts to me, cared for me, made me feel safe and gave me memories I will never forget.” In 2009 she was named Boys & Girls Clubs of Boston’s Youth of the Year, and went on to attend the University of Massachusetts Amherst, spending her summers working at the Club. After graduating Shavoryia became an auditor with PwC, and now works at WGBH as a staff accountant. She also recently helped to launch the Berkshire Partners Blue Hill Club’s alumni committee. Shavoryia says, “Without the Club I wouldn’t have made it as far as I have. The Club has changed a lot in 20 years, in a lot of positive ways, but the best thing is that it’s still a place where members can feel safe and comfortable, like a second home.”

“ I am thankful every day for the Club and the opportunities it has provided

me—I have stepped out of my comfort zone at the Club and my leadership skills keep growing.

The communities that BGCB serves have low rates of high school and college graduation and high rates of poverty and unemployment. Our Teen Education programs are designed to help our members set goals for on-time high school graduation, post-secondary education, and future careers. In particular, our Life After the Club program, which serves about 2,500 teen members annually, ensures that each teen member has a positive relationship with a caring, knowledgeable mentor. Through Life After the Club, members are provided with opportunities for enrichment, life skills development, and experiences and expectations that will aid their successful transition into adulthood.

## Career Ready, with Help from You

Aminata is only a junior in high school, but she is already working toward her post-college goals of becoming a pediatric doctor or nurse practitioner, and credits her time at the Yawkey Club of Roxbury over the course of the last 8 years with keeping her on track and inspired. Aminata has worked her way up the “leadership pipeline” at the Yawkey Club, participating in programs designed to build her social and leadership skills, including Girls Group, Torch Club, Young Leaders, and Keystone Club. Through College Club, which she joined in 7<sup>th</sup> grade, Aminata has visited more than 10 colleges and universities, studied for her SATs, and learned about scholarships and financial aid.

Aminata also gained real world experience last summer as an intern in the Renal Associates Department at Massachusetts General

Hospital, through BGCB’s Summer Jobs initiative, spearheaded by Dana Smith, Chair of the Board. This year at the Club, Aminata is focused on serving as the Vice President of Keystone Club and participating in Explore India, through which she will travel across the world with support from the Fish Family Foundation. Aminata says, “I am thankful every day for the Club and the opportunities it has provided me—I have stepped out of my comfort zone at the Club and my leadership skills keep growing.”

The opportunities Aminata has earned through her hard work at the Club are extremely valuable to her. “My parents are from Sierra Leone, West Africa,” she says, “and I have so many family members back home who look up to me. For them, I am determined to do well.”

# President's Circle

Boys & Girls Clubs of Boston gratefully acknowledges the members of the President's Circle for their exceptional leadership and generous financial support. Individual, corporate, and foundation members of the President's Circle contribute \$100,000 or more each year, making a positive, lasting impact on the 16,000 youth we serve in Boston and Chelsea. The following list recognizes those donors who made unrestricted and restricted current use, endowment and capital gifts totaling \$100,000 or more during fiscal year 2016.

## FREDERIC C. CHURCH SR. LEGACY SOCIETY

*Known as "Mr. Boys Club," Frederic C. Church Sr. was a driving force in the growth of what is now Boys & Girls Clubs of Boston. This civic-minded World War I veteran served as a BGCB volunteer leader for nearly 55 years and as Board president from 1935-1955. Mr. Church sought to ensure BGCB had a financial foundation that was built to last. He worked tirelessly to secure annual gifts, endowment support and bequest commitments.*

*Frederic C. Church Sr. (1897-1983)*

Today, members of Boys & Girls Clubs of Boston's Frederic C. Church Sr. Legacy Society are establishing legacy gifts to ensure the financial security of this organization for future generations of Boston and Chelsea's youth. They are doing this by including BGCB in their wills or trusts, designating us as a beneficiary of their retirement plans, or remembering us through other types of planned gifts.

We thank the below members of the Church Society for their special commitments, and invite you to join them. For more information please contact Elizabeth Stevens, Planned Giving Officer, at (617) 994-4784 or [estevens@bgcb.org](mailto:estevens@bgcb.org).

# In Memoriam:

## **Robert Cleary Sr.— always said “yes” when it came to BGCB**

***By Robert B. Cleary Jr.***

Dad always had a BIG smile and always said “yes” when it came to BGCB. He dedicated more than 50 years to the organization serving in numerous roles such as Board Chair, Director and Senior Advisory Board Member until his passing in September

2015. He was honored posthumously by BGCB and the Lovejoy family in re-naming an exclusive annual event, The Lovejoy-Cleary Luncheon.

His local, national and world athletic accolades and achievements from 1952 to 1960 were uniquely highlighted through team sports of baseball and ice hockey at Belmont Hill School, Harvard College, The Cape Cod Baseball League, Hearst U.S. All-Stars, U.S.A. Hockey and the 1960 Winter Olympic Games. He learned valuable life lessons through these experiences, which he shared with every community he visited. Offering opportunity and direction was important to him as he understood it was highly influential for kids of all ages. It is no wonder that he recognized the Boys Clubs of Boston as his passion early in his career with its athletic and mentoring programs for kids in need. Dad was known for his personal style and his interactions with the kids and staff were always full of enthusiasm and encouragement, reminding them that anything is possible.

During his leadership years in the late 1970s and early 1980s, the Clubs expanded to include girls’ programs and they renamed the organization Boys **and Girls** Clubs of Boston. Dad also shared his passion by introducing his friends and business leaders in Greater Boston to the cause, many did get involved and some became BGCB icons, namely Kevin Phelan, Jack Connors and, of course, Myra Kraft, each of whom met challenges, raised the bar and had great influence on BGCB during their leadership. For being involved with introductions such as those, and others, he was very proud.

*Robert B. Cleary Jr. has been involved with BGCB since 1995, currently serving as a Director and Chair of the Facilities Committee. Bobby is Senior Vice President at Colliers International, a global, full-services commercial real estate company.*

## **Dr. Larry Cohn — world-class surgeon and mentor**

***By Anthony Norman***

Boys & Girls Clubs of Boston Trustee Dr. Lawrence H. Cohn M.D., Hubbard Professor of Cardiac Surgery at Harvard Medical School, was not only a world-class cardiac surgeon but also an incredibly generous and caring mentor.

I had the privilege of meeting him at BGCB's Annual Dinner in 2013 when I was a sophomore at Boston College with aspirations of becoming a physician. I would later join Dr. Cohn as his research assistant, an opportunity that allowed me to peer through the gilded doors of academia and surgery. I still think I have stars in my eyes from my very first summer in his lab.

I had been somewhat interested in the heart after an anatomy class in high school, but Dr. Cohn ignited my passion for cardiac surgery. Before I knew it, I was reviewing medical charts, reading journal articles and watching surgical videos at all hours of the day. I was always interested in medicine, but never had I found myself more engaged. Fortunately, that excitement remains steadfast as I work diligently in medical school today. Dr. Cohn was inspirational, but it was our interactions that ultimately elevated him to becoming a great mentor in my book.

To this day, I'm perplexed by the undivided attention I received in the midst of his responsibilities as a leader in the field. Over the course of a short three years, Dr. Cohn took the time to learn about who I was and what got me up every morning. He knew about my passion for medicine, but also my hobbies and home life. He was invested in me, and my triumphs became his triumphs. I remember the day I got accepted to Tufts; I got the call right after a research meeting and I swear he was as excited as I was. I also vividly remember speaking at the Corporate Leadership Council Breakfast in December 2015. Dr. Cohn was the first one there, front row and center. He would introduce me with great enthusiasm saying, "Hey! I want you to meet Anthony. He's a research assistant in my lab at the Brigham and he's going to medical school too! I think he might be the first one from BGCB!" He didn't have to come to the breakfast, but he did, and he was truly proud of me!

Most important, Dr. Cohn became my greatest advocate. He always had my back, and I never doubted that. His dedication was the greatest gift he could ever give me and I hope that one day I can be a mentor like that for someone else.

*Anthony Norman is an alum of the Jordan Boys & Girls Club in Chelsea and is currently enrolled at Tufts University School of Medicine. Dr. Cohn offered Anthony an internship after hearing him speak at BGCB's 2013 Annual Dinner.*

## **Tom Leggat—our unsung hero**

***By John U. Harris Jr.***

Tom and I joined what is now Boys & Girls Clubs of Boston in the 1960s, as the elders Frederic C. Church Sr. and Forrester A. (“Tim”) Clark Sr. brought younger men on to the Board. I found myself spending a lot of time with Tom as the new Roxbury Clubhouse was coming on stream, a move which required numerous evening meetings in the Clubhouse to work out what changes should be made in staffing and governance to respond to the need for community participation. Since I was too cheap to park my car in the city during the work day, after the meeting Tom would give me a ride out to Newton where I had parked, and during this period we formed a strong and lasting friendship.

I did not, as was the case with most of the Directors, realize how much time Tom had spent on the Roxbury project. He volunteered his experience in real estate for many hours on this and virtually every major renovation and construction project for many years, including the sale of the abandoned Girls Club property in South Boston. He worked in the shadows, so to speak, ensuring that the work approved by the Board was completed on time and on budget. He spoke little at meetings, but when he did, we all listened closely.

In 1998 Tom was accorded The Unsung Hero Award for this silent service. Belated as this may seem, it is high time that we sing the praises of this dear departed friend.

*John U. Harris Jr. is a member of the Senior Advisory Board and has been active with BGCB since 1963, also serving as a Trustee, a Director and Board Chair (1972-1976). John recently retired as Vice President at Winslow, Evans & Crocker, Inc., a Boston-based investment services firm.*

# Community Partnerships

Throughout our history, BGCB has leveraged the expertise and resources of other organizations to broaden our reach and deepen our impact. Our reputation for exceptional program delivery has, in turn, made us a sought-after partner for organizations seeking to provide beneficial programs or services to children and teens. # Artemis Circle Leadership

The Artemis Circle, Boys & Girls Clubs of Boston's women's leadership council, was designed to allow women to be involved with BGCB in a way that works best for them. This initiative is bringing the energy and passion of like-minded women together to collectively make a difference in the lives of Boston's youth. Through fundraising, volunteering and a collective voice, the Artemis Circle supports BGCB's commitment to help all children discover their talents and work towards achieving their dreams.

# Independent Auditor's Report

To the Board of Directors  
The Boys and Girls Clubs of Boston, Inc.  
Boston, Massachusetts

## Report on the Financial Statements

We have audited the accompanying financial statements of The Boys and Girls Clubs of Boston, Inc. (the "Organization") which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Boys and Girls Clubs of Boston, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
