CONCLUDING REPORT ON PERSONALITY DEVELOPMENT LAB

Personality Development Lab sessions were conducted to bridge the gap between Eligibility and Employability with a focus to improve confidence of students and making them corporate ready. The sessions were conducted for all the students of 2nd Sem MBA batch 2018-2020 from 21.01.2019. The sessions were conducted by Prof. B.K Bal Faculty at BIITM. and Assistant Prof. Sandra Rozario, Faculty at BIITM.

Presentation skills, Public Speaking, Role Plays, Interpersonal skills were the primary focus of these sessions.

How to present, stand, groom, manage time, manage content, dressing sense, voice modulation, use of tone and pitch, eye contact, etc. Students were called to speak about something, so that other students can also observe and learn from mistakes and good practices. This helped them to overcome the fear of public speaking and at least making a start to overcome their fear.

Different situations were given through Role Plays to enhance Interpersonal Skills.
