Notebook Hierarchy

Notebook Hierarchy

- Notebook: Notebooks are the largest component: they store sections and pages.
- Section: Sections store pages that are related under a single topic.
- Page: Pages contain specific notes and information on a particular topic.

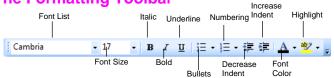

ľ **Subpage:** Subpages can be used if a page doesn't have enough room, or to further organize the content of a page.

Notebook Tasks

- To Copy Part of the Screen (Take a Screen Clipping): Select **Insert** \rightarrow Screen Clipping from the menu. Or, click the 4 Clip Clip button on the Standard toolbar and drag pointer over the area of the screen you want to copy.
- To View Sections in All Open Notebooks: Click the 🔛 All Notebooks List button. Select a section to open it in the window. Or, click the **Expand Navigation Bar** button to view all open notebooks and sections in the Navigation Bar.
- To Create a Task from a Note: Select Insert → Outlook Task from the menu, or click the Task button on the Standard toolbar, and select the type of task you want to create in Outlook. You may also press <Ctrl> + <Shift> + <1-5> to create a task from a note.
- To Tag a Note: Select Insert → Tag from the menu, or click the Tag button on the Standard toolbar, and select the type of tag you want to assign to the note. You may also press <Ctrl> + <1-9> to tag a note.
- To View Tagged Notes: Select View → All Tagged Notes from the menu, or click the **Tag** button list arrow on the Standard toolbar and select Show All Tagged Notes. Choose how to view the tags in the Tags Summary task pane.
- To Add Color to a Notebook: Select Format → Notebook **Color** from the menu. Click the **Color** list arrow and select a color. Click OK
- To Add Color to a Section: Select Format → Section Color from the menu and select a color from the list.
- To Create a Table: Click the I Insert Table button the Standard toolbar and select the number of columns and rows from the grid.
- To View Full Page Mode: Select View → Full Page View from the menu, click the **Full Page View** button the menu bar, or press <F11>
- To View Unfiled Notes: Click the 🖾 Unfiled Notes button on the Navigation Bar.
- To Insert Date and Time: Select Insert → Date and Time from the menu, or press <Alt> + <Shift> + <F>.
- To Add Lines or a Grid to the Page: Select Format → Rule Lines from the menu and select an option from the list.
- To Move Sections: Click and drag the section to rearrange the order of sections in the notebook. Or, click and drag the section into another open notebook in the Navigation Bar to move it into another notebook.
- To Move Pages: Click and drag the page tab and drag it to rearrange it in the section, or drag it to a section tab to move it into the section. Or, click and drag the page into another open notebook in the Navigation Bar to move it into another notebook.

Formatting

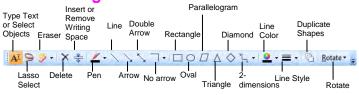

The Formatting Toolbar

To Format Selected Text: Change the appearance of text by clicking the **B** Bold button, **I** Italics button, or **U** Underline button. Change the font type by selecting a font from the Times New Roman Font list. Change the font size by selecting the pt. size from the 12 Font Size list. Add bullets to a list by clicking the **E Bullets** button. Add numbering to a list by clicking the 📃 **Numbering** button. Indent a paragraph by clicking the **Increase Indent** button. Decrease an indent by clicking the **Decrease Indent** button.

Drawing and Graphics

The Drawing Toolbar

- To View the Drawing Toolbar: Click the 🛃 Drawing button on the Standard toolbar, or select **View** \rightarrow **Drawing Toolbar** from the menu.
- To Select Several Notes on a Page: Click the Dasso Select button on the Drawing Toolbar. Click and drag around the notes you want to select on the page.
- To Draw a Line or Shape: Click the button for the line or shape you want to draw on the Drawing toolbar. Draw the shape by clicking on the page with the + pointer and dragging until the shape reaches the desired size.
- To Erase a Line or Shape: Click the **Eraser** button on the Drawing Toolbar. Click and drag to erase content on the page.
- To Change the Eraser: Click the **Eraser** button list arrow on the Drawing Toolbar and select an eraser from the list.
- To Duplicate a Drawn Shape: Click the Duplicate Shapes button. Then click the button for the shape you want to draw. Draw the shape on the page. Then click anywhere on the page, and a duplicate of the previously drawn shape will appear.
- To Draw a Multi-Dimensioned Line: Click the Dimensions button on the Drawing toolbar. Select the type of line you want to draw: 🛄 2 dimensions, positive: 1 2 dimensions, full: 4 3 dimensions. Then click and drag on the page to draw the line.
- **To Use the Pen:** Click the **Pen** button on the Drawing Toolbar and select a pen from the list. Or, select **Tools** \rightarrow **Writing Tools** \rightarrow **Pens** from the menu and select a pen from the list.
- To Change the Pen Mode: Select Tools → Pen Mode from the menu and select a mode from the list.
- To Rotate a Shape: Click the Rotate Rotate button on the Drawing Toolbar and select an option from the list.
- To Add Writing Space: Click the 🖶 Insert or Remove Extra Writing Space button on the Drawing Toolbar and click where you want to add writing space to the page.
