## Welcome to the 51st Academy (May 18 – June 27, 2014)

The Academy is particularly valuable if you are a non-U.S. lawyer or other legal professional who works for a multi-national corporation or for law firm that represents either U.S. clients or multi-national clients with U.S. interests. The Academy is not intended for the highly experienced international lawyer.

We believe the Academy is the only program in the world that can offer these benefits:

If you are a corporate General Counsel or Law-firm Managing Partner, here's what you can expect your participant to gain from attending the Academy:

- **A practical understanding of the U.S. legal system**, including its constitution; federal, state, and local court systems; and a breadth of topics that include the latest developments such as recent antibribery provisions amending the Foreign Corrupt Practices Act and the newly implemented America Invents Act. The instructors will be expert law professors, judges, and legal practitioners (see page 19 for an introduction to this year's Academy faculty and pages 20–21 for a list of topics).
- **Six weeks experiencing U.S. culture first hand** in a variety of contexts, which will help the participant to interact with U.S. clients or colleagues with more understanding and empathy.
- **Increased awareness of the dynamics of international business** by conversing and developing relationships with classmates from as many as 30 countries across the world.
- **Sharpened language skills through immersion in English.**
- **A worldwide network of business contacts** including friends among Academy classmates and more than 3,000 Academy alumni from 120 countries.

Go to page 4 to explore your pricing options as a participant sponsor.

If you yourself are considering attending the Academy, consider these additional benefits:

- **Learn through a variety of interactive sessions**, including mock civil litigation, law firm simulation, and negotiation and arbitration simulations.
- **Earn recognition as an Academy Fellow** – In addition to the Certificate of Participation that each participant earns by attending class each day, you may also earn a certificate as an Academy Fellow by taking and passing a series of short exams during the Academy.
- **Gain three hours of L.L.M. credit** toward a Master of Laws degree at Southern Methodist University's Dedman School of Law by gaining admission to its Master of Laws program before attending the Academy and then passing a subsequent examination, prepared by the law school.
- **Enjoy a variety of extra-curricular events that all will attend**, including a professional baseball game, professional rodeo, law school and law firm receptions, international food festival, Memorial Day picnic, tours of Dallas and Fort Worth, and an end-of-Academy talent show. In addition, local hosts will invite you to join them at concerts, museums, lectures, sporting events, restaurants, or night clubs. Many Academy alumni have called the Academy "the best experience of my life."

## About Us

For the past 51 years, the Academy of American and International Law has been a program of the Southwestern Institute for International and Comparative Law (SWIICL), a division of The Center for American and International Law (CAIL). CAIL, founded in 1947, is recognized as a major national and international forum for continuing legal and professional education.

Founded in 1963, SWIICL seeks to promote the rule of law in international transactions. The Institute emphasizes business transactions with programs focusing on practical issues that confront lawyers, business executives, and policy-makers in the international community. Lecturers are drawn not only from academia but also from the world of international law practice.

The Institute's **Symposium on Global Markets** and its **Academy of American and International Law** are offered annually. The Symposium serves as an important annual forum for lawyers, business leaders, and government officials to learn about developments in international and comparative law. The Symposium facilitates an understanding of the increasingly complex laws and political realities that influence international business relationships. Academy participants attend the Symposium as part of the Academy curriculum.

Additional programs are in the planning stages. SWIICL plans to launch an Academy for lawyers from the U.S. and other common law countries. Three intensive days of training will focus on "What I Wish I Knew When Beginning International Practice." A second program will seek to deploy both live and archived videos from a website dedicated to international business law.

SWIICL's members are corporations, law firms, and individuals scattered throughout the world. Together they form a network of international legal professionals—lawyers, judges, law professors, diplomats, and politicians—who cooperate to promote the rule of law, mutual understanding between nations, and the establishment and maintenance of peace across borders, continents, and oceans.

SWIICL invites you or your organization to become a member. The range of membership levels makes possible the inclusion of virtually every organization or individual, resulting in the rich geographical, ethnic, and cultural diversity that makes the Institute thrive and grow.

## Academy Tuition: For Sponsoring Organizations

---

**Tuition** – Members of SWIICL may send one or more participants to the Academy for either free tuition or a discounted rate, depending on the membership level. (Tuition for non-members is \$8,000.)

Here are the details:

Academy tuition includes classroom instruction, lunches each class day, a variety of field trips and extra-curricular activities, and entrance to both the Symposium on Global Markets and the Transnational Arbitration Workshop. Travel, hotel, and other meals are not included.

### How Much Will It Cost?

A. Members of the Southwestern Institute for International and Comparative Law (SWIICL) receive a substantial discount for Academy tuition:

Current SWIICL Members:	Tuition for 1st Participant:	For 2nd Participant:

As an alternative, you may pay by credit card (call Ann Lopez at 214-244-3403) or by wiring funds to CAIL (please request wiring instructions from Ann Lopez at [alopez@cailaw.org](mailto:alopez@cailaw.org)).

## Academy Tuition: For Participants

The cost of your tuition depends on whether your organization is a member of the Southwestern Institute for International and Comparative Law, as well as its level of membership.

### How Much Will It Cost?

- A. If your organization is a member, please see the rates listed on page 4, section A. Member organizations routinely pay the tuition for the participant(s) they sponsor, and often, they even pay for the hotel and the travel expenses. Talk with the manager of your organization to work out these details.
- B. If your organization is not a member of SWIICL, they may be willing to become a member in order to sponsor you to attend the Academy. Please refer your manager to page 4, section B, to review with them the costs involved.
- C. Your organization may be willing for you to attend the Academy but may prefer not to become a member of SWIICL. In this case, you yourself may become an individual member of SWIICL in order to receive a discounted rate for your Academy tuition.

Here are the details:

Your Academy tuition includes classroom instruction, lunches each class day, a variety of field trips and extra-curricular activities, and entrance to both the Symposium on Global Markets and the Transnational Arbitration Workshop. Travel, hotel, and other meals are not included.

Level of Membership:	Annual Dues		Academy Tuition	=	Total
Individual Member	\$ 650	plus	\$ 2,850	=	\$3,500

As an individual member of SWIICL, you also become a member of the Advisory Board and may attend the Symposium tuition-free.

**Payments – A deposit of \$1,000 is due by May 6, 2014.** Make your check or money order for tuition payable to The Center for American and International Law and mail to: The Center for American and International Law, 5201 Democracy Drive, Plano, Texas, U.S.A. 75024-3561. As an alternative, you may pay by credit card (call Ann Lopez at 214-244-3403) or by wiring funds to CAIL (please request wiring instructions from Ann Lopez at [alopez@cailaw.org](mailto:alopez@cailaw.org)).

Academy participants use the CAIL courtyard as a venue for their small group discussion.

## Fellowships

Victor Folsom

Victor Folsom Fellowships – The Center for American and International Law may award one or more annual Victor Folsom fellowships to the Academy of American and International Law.

Please keep in mind that fellowships are very limited and do not cover travel or hotel expenses, and for tuition, they cover only a portion of the expense. To help ensure diversity within the Academy class, fellowships take into consideration the home country and region of the candidates.

Applicants will be evaluated on their career and educational achievements and the diversity they bring to the Academy. The Admissions Committee will select recipients from among the Academy applicants. **There is no need to apply for this fellowship because every applicant will be considered.**

Victor Folsom and his wife Vicki were long-time supporters of CAIL and its Academy. Mr. Folsom chaired the Advisory Board of SWIICL and lectured for many years in the Academy. He had an opportunity to meet and know many Academy participants and developed friendships around the world. Through the generosity, the Academy experience will be more readily available to future generations of international lawyers.

Academy participants relax as they return to the hotel after attending the closing ceremonies.

## The Storey Award

---

The Robert G. Storey International Award for Leadership is named after Dean Robert G. Storey, the founder and first President of CAIL. Among his many roles, Dean Storey was President of the Center, Dean of the Southern Methodist University Law School, and President of both the American Bar Association, and the Inter-American Bar Association. In recognition of his dedication to peace, justice, and the rule of law in the international community, CAIL has established the Robert G. Storey International Award for Leadership.

Dean Storey

From 1990 to the present, the Storey Award has been presented to former participants in the Academy of American and International Law

who have exhibited the qualities of leadership and integrity embodied in Dean Storey. Here is a list of the Storey Award Recipients:

- Marcelo B. Fernan (class of 1974), Chief Justice of the Philippines
- Mochtar Kusuma-Atmadja (1968), former Minister of Justice of Indonesia
- Antonio Brancaccio (1967), Chief Justice of Italy's Supreme Court of Cassation
- Sergio Abreu (1980), Minister of Foreign Affairs of Uruguay
- Rene Blattmann (1980), Minister of Justice of Bolivia
- Raul I. Goco (1967), Solicitor General of the Philippines
- Antonio Cassese (1970), President of the U.N. International Criminal Tribunal for the former Yugoslavia
- Didier Opperti (1968), Minister of Foreign Affairs of Uruguay and subsequently President of the United Nations General Assembly
- Kunio Hamada (1965), first president of the Asia Pacific Bar Association and Associate Justice of the Supreme Court of Japan
- Santi Thakral, former president of the Supreme Court of Thailand
- Beatriz Merino (1982), former Prime Minister of Peru
- Jose Luis de Salles Freire (1975), founding partner in the Brazilian law firm of Tozzini Freire Advogados
- Bernard Hanotiau (1971), world renowned arbitrator and a founding member of the Belgium law firm of Hanotiau and van den Berg
- Lilia De Lima (1974), Director General of the Philippine Economic Zone Authority and Undersecretary of the Department of Trade and Industry for the Philippines.

## Visa Information

---

We do not provide legal advice regarding U.S. immigration requirements. We recommend that you consult with an immigration attorney if you have any questions.

Because the Academy is not an accredited institution of higher learning, the business training it provides does not call for a Student Visa. Academy participants should instead apply to the U.S. Consulate for a B-1 Business Visitor's Visa. Check with the particular Consulate that has jurisdiction for your place of residence for specific requirements and procedures. Also, the manner in which payment must be made may also vary from time to time at the same Consulates.

We understand that personal interviews are now often required and that processing times can be lengthy given the work load at many Consulates. We recommend that you commence the process early so that there is adequate time to schedule and complete the interview.

**It is important that you understand and communicate to the authorities that you will not be performing any work or receiving compensation from a U.S. entity while in the United States.**

In our experience, Consulates often require evidence of the following:

- Documentary proof of your ties to his/her home country and intention to return to the home country. Such evidence can consist of deeds to property, contracts for services either to be rendered or received, and letters from relatives or an employer.
- For example, you might want to submit a letter from your employer that states your name and address, how long you have been employed, that you will be returning to work for your employer following the Academy, why the employer supports your attendance at the Academy, and what you hope to gain by participating in the Academy.
- If your employer is responsible for the costs of travel to and from the United States, the letter should probably include that fact also.
- If you are self-employed, the letter should probably explain the nature and size of your business as well as your ties and obligations to the business and your community.
- It is also important to determine whether a particular Consulate will require evidence that you have no prior criminal history or evidence about your family members.
- You might describe the Academy program as an extended business-related conference for legal education.
- Because the Academy is in the nature of an extended continuing legal education conference for foreign attorneys that have previously completed their degree studies, we do not issue a Certificate of Eligibility. You will, however, be able to submit a copy of your letter of admission to the Academy.

Please keep Academy staff informed about your progress in obtaining a visa appointment, completing the interview, and obtaining your visa. It is possible that we can help you if you have difficulties with the consulate.

## Your Arrival in Dallas

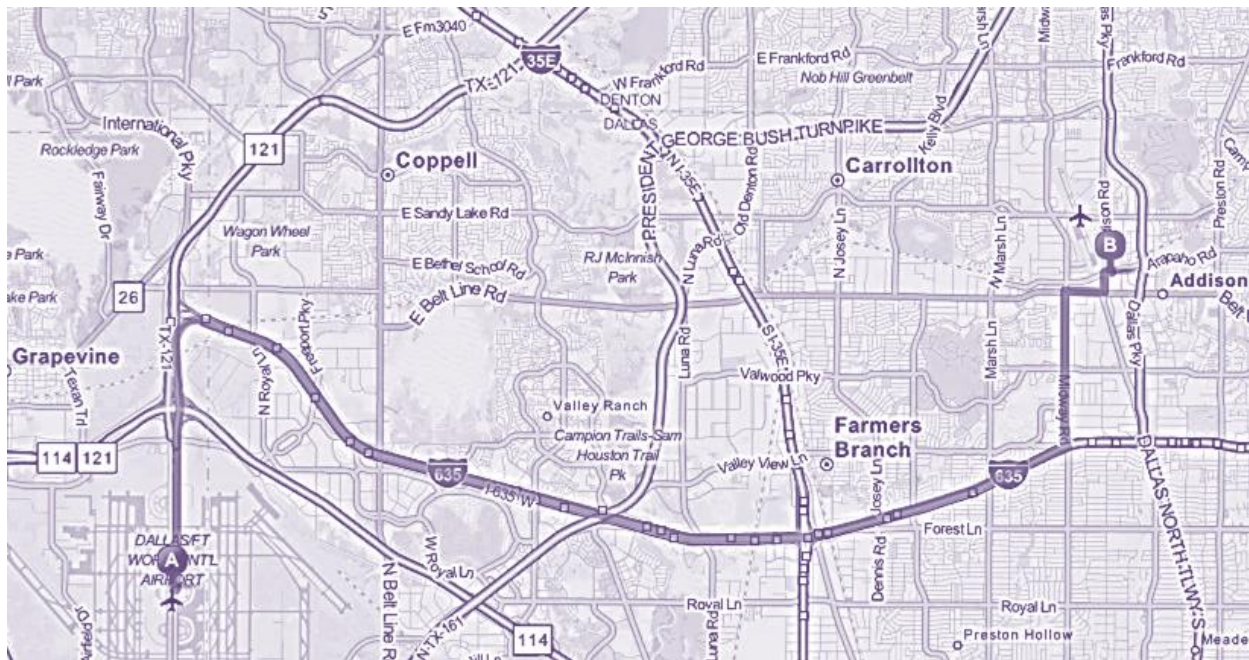

Inside a terminal of the Dallas-Fort Worth Airport

Airport arrival – All international flights and most domestic flights land at the Dallas/Fort Worth Airport (DFW).

One relatively inexpensive form of transportation from the airport to Hyatt House in Addison is the “Super Shuttle.” The cost at this time is approximately \$32 per person one way (a minimum \$2 tip is expected). After you arrive at DFW, you may call the “Super Shuttle” at (817) 329-2000 to request a pick-up, or reach them using their courtesy phone, located in the baggage-claim area. The

“Super Shuttle” van will deliver you to the door of Hyatt House in Addison. If you prefer a taxicab, the cost will be approximately \$40-60 (a \$5 to \$10 tip is expected). The cost for the “Super Shuttle” and for taxi service may change at any time.

### Route from DFW Airport to the Hyatt House in Addison

**Luggage** – Please put your name and the hotel’s address (Hyatt House in Addison, 4900 Edwin Lewis Drive, Addison, Texas 75001) on all of your luggage. If luggage is misplaced during your flight, the air carrier will then deliver it to the hotel instead of sending it back to your home country.

## Your Stay at the Hyatt House

---

We have arranged for the 2014 Academy participants to be housed at the Hyatt House in Addison, located approximately 10 miles from The Center for American and International Law.

We believe it is very important for all Academy participants to stay in the same location — and the amenities available at the Hyatt House are excellent.

**A suite, not just a room** – We have chosen an “extended stay” hotel for Academy participants because it offers the most home-like setup with full kitchens and amenities. It also allows for the shared housing that so many of our participants like.

**Amenities** – Every guest will receive:

- A hot, buffet breakfast each morning
- Weekly maid service (towels and trash daily)
- Fully-equipped kitchen in your room
- On-site swimming pool, spa, sport court, and work-out facility
- Complimentary passes to a local health club
- Free van transportation in the immediate area (three mile radius)
- Bus transportation to and from classes each day
- Washers and dryers on site (not complimentary)
- High-speed internet access
- Data port and voice mail
- Access to office equipment, including printer, scanner, and fax

**Your Reservation** – *You must make your hotel reservation through [Academy staff](#). Please do not contact Hyatt House directly regarding your reservation.*

**Payment for rooms is made directly to the Hyatt House, and you may pay in advance if desired.** Otherwise, you will pay your weekly bill in advance of that week’s charge, beginning upon your check-in at Hyatt House. Please note that you must pay your room and incidental bills to Hyatt House during your stay.

Accompanying your letter of admission will be a registration form and/or link for you to register for your housing. All housing registrations must be submitted by May 1, 2014.

**Roommate(s)** – If you would prefer or need to lower your housing costs, you may request to have one or two roommates. The Academy and the hotel will do their best to meet your request, but there is a possibility that you won’t get your first choice of room arrangement. The hotel

randomly selects roommates of the same gender upon check-in, but all will be Academy participants.

For your six-week stay, four room rates are available:

- |   |
|---|
| <ul style="list-style-type: none"><li>■ <b>Option A: Private Suite – \$125.00</b> per day per person, plus tax – a private one-bedroom suite, including a living room, a fully equipped kitchen and a bathroom. <i>NOTE: Only a limited number of rooms are available at this rate, and they will be assigned on a first-come-first-served basis.</i></li></ul>   |
| <ul style="list-style-type: none"><li>■ <b>Option B: Private Bedroom/Bath in a Double Suite – \$87.50</b> per day, per person, plus tax – a private bedroom and bathroom, plus a living room and fully equipped kitchen shared with one other Academy participant of the same gender. <i>NOTE: Only a limited number of rooms are available at this rate, and they will be assigned on a first-come-first-served basis.</i></li></ul>   |
| <ul style="list-style-type: none"><li>■ <b>Option C: Private Bedroom/Bath in a Trio Suite – \$76.00</b> per day, per person, plus tax – One occupant has a private bedroom and private bathroom as part of this trio suite and will share the living room and the fully equipped kitchen.</li></ul>   |
| <ul style="list-style-type: none"><li>■ <b>Option D: Shared Bedroom/Bath in a Trio Suite – \$60.00</b> per day, per person, plus tax – The other two persons (of the same gender as the first) in the Trio Suite will share one bedroom (each with a single bed) and will share one bath, as well as the living room and kitchen. <i>NOTE: Only a limited number of rooms are available at this rate, and they will be assigned on a first-come-first-served basis.</i></li></ul> |

**Occupancy tax is an additional 13% and is subject to change. Participants who stay at Hyatt House for 30 consecutive days receive a reimbursement of the occupancy tax. Please do not check out of the hotel before making a weekend trip, because the hotel cannot hold your room for you.**

**Suite Assignments and Suitemates** – The hotel computer system will assign your specific suite and room at the time of your check-in at Hyatt House. We cannot provide you with a specific suite number or the name of your suitemate(s) before the date you check in.

Please know, however, that you will not be asked to share a suite with someone of the opposite gender. If you are traveling to the Academy with a friend of the same gender and would like to share a suite with that person, be sure to note that information when you register for the Academy.

**Furnishings** – Hyatt House suites are fully furnished. The kitchens are equipped with a refrigerator, electric range, dishwasher, microwave, four place-settings of tableware, glassware, and cutlery. In addition, Hyatt House provides complimentary grocery delivery service.

**Meals** – Except for class lunches and a few special events, meals are not provided by CAIL. The hotel provides a complimentary, hot buffet breakfast from 6:30-9:30 A.M. Monday through Friday and 7:00-10:00 A.M. on Saturday and Sunday. Most participants prepare their evening meals in their suites, though several restaurants are within walking distance, and participants will get a few of their evening meals at scheduled events. Daily meal costs will likely be between \$15 and \$40 depending on where you choose to eat.

On class days, there will be a one-hour and fifteen minute luncheon break at 12:00 noon. Lunch will be served.

**Recreational facilities** – Hyatt House has a small fitness center, a sports court and an outdoor swimming pool.

**What to wear** – The average high temperature in the Dallas area during the months of June and July is in the 90s Fahrenheit (close to 32 Celsius). You may wear appropriate informal, comfortable clothes (e.g., pants or slacks and a shirt or blouse) to the classes. However, the classroom is air-conditioned, and you may wish to have a sweater or jacket with you. Business attire is customary dress for a few activities, such as law firm receptions and the farewell luncheon. You may wish to wear national attire for the class photograph. Bring shorts and tee shirts for lounging around the hotel and pool. And, bring your swimsuit!

**Mail and messages** – Participants should pick up their mail at the front desk of Hyatt House. Notices about Academy activities and any personal messages that are received at the offices of The Center for American and International Law will be posted outside the classroom.

**Dietary notice** – Some who attend our Academy have personal dietary restrictions or preferences. Most eating places serve a wide variety of food. However, when meeting as a group, we cannot always accommodate dietary preferences.

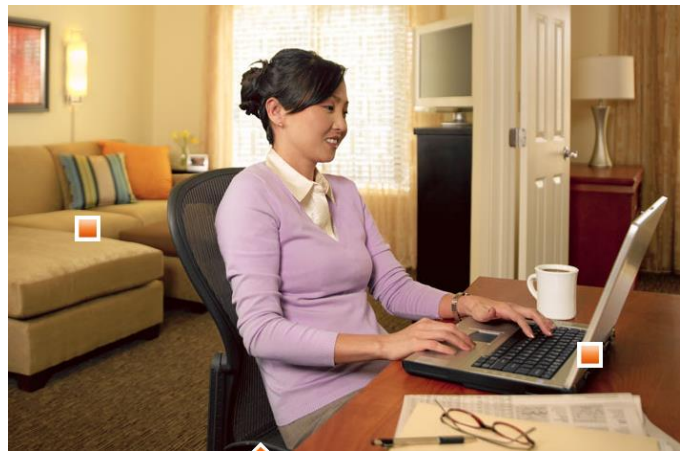

**Ground transportation** – For those staying at Hyatt House, bus transportation will be provided between Hyatt House and your classes at the Center for American and International Law. EACH MORNING, MONDAY THROUGH FRIDAY, THE BUS WILL LEAVE FOR CLASSES PROMPTLY AT 8:40 A.M., AND WILL RETURN TO HYATT HOUSE AFTER CLASS. If you are delayed past departure time, you must provide your own transportation to class that day.

A courtesy van is available at Hyatt House from 7 A.M. to 7 P.M. Monday through Friday for nearby shopping (within 3 miles of hotel), at no charge. Please tip the driver for each trip.

If you choose to stay somewhere besides Hyatt House, you must provide your own transportation to and from class each class day.

**Car rental** – You may wish to consider renting a car for your stay in Dallas (though it is not necessary). The main requirements to rent a car are a valid driver’s license, a major credit card, and in some cases, a cash deposit. Complimentary parking is available at Hyatt House.

**Telephone and Internet services** – Local calls are available free of charge from your room at Hyatt House. Please note that long distance calls from your hotel room to your home country or anywhere else (other than in the immediate Dallas area) are very expensive. You will probably want to purchase a phone card for international calls, which should significantly reduce the rate you pay. The hotel usually sells them. There are nearby stores where the phones cards may be purchased. High-speed Internet access is available at Hyatt House. Each room has one hard-wire connection to the Internet that is complimentary, as well as free high-speed wireless Internet access.

Wireless internet service is also available at CAIL during class days, and a limited number of desktop computers with Internet connections are available.

**Emergency telephone numbers** – If you have an emergency at any time and cannot reach the CAIL office, please feel free to contact Jasmine Hunt at (972) 244-3410 or Mark Smith at his home (972) 612-2508 or his cell (972) 898-7569.

**Cleaning and laundry** – Hyatt House provides on-site coin-operated laundry facilities for a modest cost. Pickup and delivery services for dry cleaning are also available for a small charge.

**Illness or accident** – CAIL does not provide health or accident insurance. We do not provide medical care or cover the cost of medical care. In the U.S., healthcare is not provided free of charge by the government. We urge you, therefore, to ensure you have adequate access to medical coverage. You may wish to purchase insurance that will cover you for health or accident problems that may arise while you are participating in the Academy. Although we will try to assist you as much as we are able, CAIL, SWIICL, and the Academy assume no responsibility for health, accident, or medical-related

expenses.

**Prescriptions** – You should bring with you an adequate supply of any prescription medications you are taking. Pharmacies in the U.S. will not automatically fill a prescription. It is necessary to have your home pharmacy call or fax the information to the U.S. pharmacy. If that cannot be accomplished, it will be necessary for you to make an appointment with a physician, keep the appointment, and have the physician write you a new prescription that you will give to the pharmacy to receive your prescription. This can be very expensive (the cost of a typical physician visit is about \$150 for patients with no insurance coverage). Then, the cost of the prescription can vary. It is best to bring a six-week supply of any medications you may need.

**Banking** – It is difficult to locate local banks that convert foreign currencies into U.S. currency. You should have U.S. currency with you when you arrive at the airport. If you have questions concerning money matters, please contact Stacy Crowe, our Director of Finance at CAIL, at her e-mail address ([scrowe@cailaw.org](mailto:scrowe@cailaw.org)) or call her office phone at (972) 244-3409.

**Security for valuable possessions** – Hyatt House has a limited number of lockboxes at the front desk that are available for your use free of charge. There are no security boxes in your room.

**Mailing packages to your home country** – The United States Postal Service offers many types of service. In sending packages to your home country, be sure to check with the post office (<http://www.usps.com>) or call (1-800-275-8777) to determine the weight limit for each country and the type of services available to ship your package. Each country has its own predetermined weight limit.

**Forwarding address** – At the close of the Academy, be sure to advise Jasmine Hunt of your forwarding address so that we can forward any mail received after your departure. An address list of all participants will be prepared and distributed to everyone at the end of the last session.

**Smoking** – All rooms at Hyatt House are non-smoking. Smoking is only permitted outside of your room. Anyone who smokes in their room is subject to a \$200 fine for each occurrence.

**Continuous stay (and one free night)** – Your stay at the hotel is not a typical “nightly” stay; it is considered continuous. You may not check out until your stay is complete without incurring penalties that you must pay. One exception is that the hotel has allowed for every Academy guest to have one night away without charge during their stay. If you wish to be out of town at any time during your stay, you will need to pay the hotel for all of the nights you are away, except one. (This benefit does not include a refund for those who do not go out of town during their stay.)

**Early check-out** – Check-outs are permissible before the departure date, but you would forfeit the following: the tax waiver (13% of your total hotel bill), storage of your belongings in the room, roommates, and location of room. If you wish to check-out, and then check back in later, the hotel

may or may not have the same room (or any room) available for you, and you could lose your ability to use the transportation provided for the Academy.

**Personal responsibility** – Although we partner with Hyatt House in making arrangements for your housing, you are responsible for all payment arrangements. They will require that you sign an agreement to be subject to all rules that the hotel has established for their business and for the comfort of all guests who stay there. Information about these rules will be made available to you in your information packet upon check-in. Please ask the hotel representatives if you don't understand the agreement. We will do everything possible to help make your stay at the Academy, including the hotel, enjoyable. We have limited ability, however, to intervene in your relationship with the hotel. We cannot make decisions for the hotel, nor can we be responsible for paying any rooming charges ourselves.

## The Dallas Experience

---

Education takes place inside and outside the classroom. A substantial effort is made to introduce Academy participants to the Dallas community. The schedule includes a variety of extracurricular activities. Our goal is to introduce Academy participants not only to the study of American and international law, but also to the people and culture of the United States.

**Opening Day Orientation** – A mandatory orientation for all participants is scheduled for Sunday afternoon, May 18, 2014 at 4:00 p.m. at the Center for American and International Law. A reception at CAIL will follow, giving you a chance to meet your fellow participants and members of the staff. A bus will depart from Hyatt House at 3:45 p.m. for the orientation and will return to Hyatt House at the conclusion of the evening’s activities. Dress for the orientation is business casual. For example, men should wear pants and a shirt and women slacks and a blouse.

**Group Activities** – We are scheduling a wide variety of group activities for you to enjoy during your stay. These include attending a major league baseball game and professional rodeo, participating in an international food festival, attending the Memorial Day Picnic, touring downtown Dallas (home of the The Sixth Floor Museum and other area attractions) and downtown Fort Worth (the Stockyards and museums), shopping at a local shopping mall, and attending law firm receptions. We will also hold an International Food Festival at the Hyatt House pool area. At that event, all participants are asked to prepare a dish popular in their own countries. Since you have a kitchen in your hotel room and can prepare meals, we suggest that you may want to bring certain spices which would be difficult to obtain here in the U.S. However, you should check with Customs before you board the plane with these items.

You will receive an activities calendar when you arrive. Participation in some of these activities is mandatory. Optional activities will be available according to your interest and willingness to pay for admission and transportation.

**About a dozen participants share a meal in the hotel courtyard**

**A local host takes two participants to the East Texas Oil Museum.**

**Local hosts** – One of the unique dimensions of “the Dallas Experience” is the opportunity to have a local host through the North Texas Council for International Visitors and the Dallas Association of Young Lawyers. Your host will be available during the Academy and will help acquaint you with the people and culture of Texas. One of the highlights of the Academy is a farewell party hosted by the participants for their local hosts. It includes a talent show put on by the 2014 Academy Class. You may want to bring music or national attire from your home country for this special event.

**Attending local religious services** – Many religions of the world have houses of worship in the Dallas area. We want to assist you with the available opportunities and will provide in your arrival packet a list of places of worship. Please feel free to talk with Academy staff concerning any questions you might have about places of worship, or about transportation to those places. Some of the local hosts will be available to assist you as well.

**Leaving Dallas** – The Farewell Luncheon will conclude by 2:00 p.m. on the afternoon of June 27. Because of delays at the airport, you should not schedule a flight any earlier than 6:00 p.m. on June 27. You may want to schedule your return flight for June 29.

## Attendance and Certificates

**Participation Certificate** – Attendance at sessions of the Academy is *mandatory*. To receive a certificate of participation, you may not miss more than a total of one day of class, unless the absence is due to documented illness or unless you obtain approval from the Dean of the Academy in advance. In addition, a requirement for successful completion is attendance at the Farewell Luncheon on June 27. Participants who miss more than a total of three days of class will be dismissed from the Academy unless the absence is due to the aforementioned reasons.

**Academy Fellows** – A second certificate will also be available to participants who successfully complete exams related to courses of study at the Academy. Those who receive these certificates will be known as Academy Fellows.

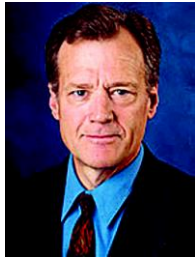

Please note that the Academy begins with a 4:00 P.M. Orientation Session on Sunday, May 18, and concludes with the Farewell Luncheon on Friday, June 27. Attendance at the Orientation is required. **Participants must plan their schedules so that they arrive in time to attend the 4:00 P.M. Orientation Session on May 18 and depart after the conclusion of the Farewell Luncheon on June 27. No departing flight should be scheduled before Friday, June 27, at 5:00 P.M.**

## 1. Courses Open to U.S. Lawyers

**International Negotiations/International Mediation** – This course explores the processes, rather than specific substantive issues, of international negotiation. Using exercises and simulations, it examines the strategies available to a negotiator and focuses on special characteristics of negotiation in the international setting such as the roles of culture and power. It also covers international mediation and the special problems of multilateral negotiation.

**Legal Writing & Drafting** – This class helps students to improve their editorial and writing skills. It targets students who are already competent writers, but it requires no in-depth knowledge of grammar or rhetoric. The course covers issue-framing, readability, and writing efficiently.

**International Business Transactions** – In this course, students will delve into the two most common cross-border transactions. In the first, we will explore the ins and outs of selling goods across borders. We will contrast the American Uniform Commercial Code rules for the sale of goods with those found in the Sale of Goods Acts prevalent in the British Commonwealth, and the approach taken by the United Nations Convention on Contracts for the Sale of International Goods. In particular, we will focus on the differing approaches to contract formation and available remedies for breach. In the second, we will look at how a manufacturer can increase its sales in foreign markets by establishing a distribution network in the foreign country. We will examine the many legal and business problems that these networks pose, as well as the opportunities, through the prism of a model distribution agreement developed for use in China by one of the world's most prominent law firms. Along the way, we will pepper our dialogue with some of the more important topics of the day, like the growing number of countries that are clamping down on bribery of government officials, selling goods below cost as a violation of trade rules rather than competition law, and currency manipulation as an indirect barrier to trade.

### **International Insolvency – *Vitro* and Chapter 15**

This session will provide an overview of Chapter 15, jurisdiction and venue for Chapter 15 cases, and foreign main versus foreign non-main proceedings. It will cover the background and overview of the *Vitro* cases. Then, four break-out sessions will explore: 1) Pre-recognition relief, effects of recognition, and post-recognition additional relief available in foreign main and foreign non-main proceedings; 2) Enforcement of foreign bankruptcy rulings in U.S. courts and U.S. bankruptcy law and public policy as it relates to international insol-

vencies; 3) The legal implications of *Vitro* for Chapter 15 and international insolvencies going forward; and 4) Lessons learned from *Vitro* for practitioners. The session will conclude with a facilitated panel Q and A session.

### **An Introduction to Tax Issues in International Law**

– The profits from transactions involving international trade and investment are almost always subject to potential income taxation by at least two countries. While everyone does not have the time and inclination to become a tax specialist, no one involved in the negotiation, structuring or implementation of international transactions can afford to be unaware of at least the principal considerations that attend the taxation of those transactions. This course provides an introduction to the methods used by the United States and other governments to tax the income of international transactions (trade, investment and labor), consider the economic and political implications of different approaches to international taxation, and explore some of the techniques that have been developed to mitigate tax burdens on income derived from such transactions.

### **Accounting, Finance and Business Analysis: A High-Level Introduction**

– Few lawyers know -- or need to know -- the intricacies of bookkeeping and accounting principles. Without a clear understanding of financial statements, basic concepts of valuation and finance, and markets, however, most lawyers – whether in domestic or international practice – will be badly handicapped in dealing with any kind of business transaction.

We will analyze accounting from the top down, learning what the financial statements tell us, and what they do not. We will determine how much we can rely on financial information, how much of it is objective, how much judgmental, and how much is hidden from view. We will analyze in detail the new codification of United States Generally Accepted Accounting Standards (GAAP) by the Financial Accounting Standards Board, we will compare these new codified standards to Internal Financial Reporting Standards (IFRS), and we learn how to address these standards in practice.

We will also focus on corporate finance, studying valuation, market models, derivatives, dividends and debt. How helpful are the Capital Asset Pricing Model (CAPM) and the Arbitrage Pricing Theories (APT)? How sound is the Efficient Market Hypothesis? What are the core components of financial instruments (including derivatives), and how can they be valued? And how do all of these financial and accounting concepts tie into regulation of securities and securities markets? All of these will be studied with an eye to their practical use in law

practice, and to their larger meaning for legal and economic regulation.

## 2. Other Academy Courses

**An Introduction to the U.S. Legal System** – This course examines the pillars of the U.S. legal system with a special focus on the Constitution, the role of and the relationship between the federal courts and state courts, federalism, and the common law.

The differences between common law and civil law jurisdictions are also considered. The structure of the U.S. legal system and the role of the system's various actors are identified and analyzed. Consideration is also given to legal reasoning and the manner in which U.S. courts apply legal precedent.

**Business Organizations** – This course explores major forms of business organizations, including multinational enterprises, their advantages and disadvantages, tax implications, general procedures for formation, financing, control, operation, and dissolution; and provides an overview of laws regulating business enterprises, including state, federal, and international regulatory agencies. We also discuss securities regulation, stock markets, and trading.

**Constitutional Law of the U.S.** – This course touches on the doctrine of constitutional supremacy and judicial review; the doctrine of separation of powers, including discussion of the organization, functioning, and powers of the three branches of the federal government; relationships between federal and state governments; interstate commerce; due process of law; substantive civil and political rights.

**Contract Law** – This course provides an introduction to the case and statute law of contract in the United States, including some comparison with doctrinal concepts and classifications in civil law countries; discussion of the relationship of contract and tort law in areas such as products liability, and survey of basic problems of drafting contracts in a foreign legal language.

**Employment Law** – This course discusses the legal regulation of work and the workplace in a union and non-union environment. It touches on employee rights against unjust dismissal, invasion of privacy, and government regulations of the workplace.

**Intellectual Property Law** – This course provides an overview of intellectual property law, including basic principles of patent copyright, trademark, and trade secret protection.

**International Business Transactions** – This course provides an examination of the principal forms of transacting international business, including international sales contracts, distributorships and representation agreements, technology transfers, direct foreign investments, and joint ventures. The course

considers the international, national, and contractual legal aspects of these types of transactions, including such matters as relevant treaties, applicable national laws and regulations, international payment methods, currency clauses, dispute settlement, sovereign immunity, and options for structuring the transactions themselves.

**International Commercial Arbitration** – In-house counsel and outside firms that counsel multinational enterprises cannot afford to overlook the risks presented by disputes for which the parties have not properly planned. Such disputes are costly, time consuming, and can divert management from the company's core activities. In the international realm, arbitration is the preferred method of dispute resolution. A properly crafted arbitration clause can keep businesses out of foreign courts, can ensure that expert decision-makers will be entrusted with any disputes that arise, and can produce results that are globally enforceable. This course considers the principal doctrines, sources of law, procedural features, and drafting techniques that promote successful international arbitrations.

**International Litigation in U.S. Courts** – This course provides an introduction to conflicts of law principles (private international law) followed by U.S. courts, including discussion of the following: jurisdiction to prescribe applicable law; jurisdiction to adjudicate jurisdiction over the subject matter and over the parties judicial abstention doctrines, such as *forum non conveniens* and the Act of State Doctrine; application of the *Foreign Sovereign Immunities Act*; recognition of foreign judgments; and the application in the United States of international conventions on service of process and on the taking of evidence abroad.

**Mock Trial** – This simulation of a civil litigation features a sitting judge and practicing lawyers, with participants serving as either witnesses or members of the jury. Following the verdict, the judge and lawyers conduct a discussion with participants.

**Professional Responsibility & Legal Ethics** – This course looks into the different roles played by lawyers—advisor, negotiator, mediator, and advocate. Particular attention is given to the U.S. adversarial legal system. The course considers duties to clients, the courts, the government, adverse parties, opposing lawyers and the overall legal system. Participants are asked to apply their own countries ethical codes and traditional professional values in group discussions that provide a rich exploration of international differences in the roles of lawyers and their ethical codes and professional values.
