

Intermediate Bearded (38-71cm, vigorous)

ARCTIC FANCY

This IB has a perfect pedigree. One of its parents was the first SDB plicata and the other a popular, well branched plicata raised by Schreiner's and introduced in 1960. The white flowers are heavily marked with violet and the beards are soft lilac blue. 51 cm. Early.

Location: In border by lawn of Garden House.

Intermediate, Violet/white plicata, prolonged flowering.

1965, Brown

'Arctic Fancy' (Alta Brown, Registered 1964). Seedling M506-1. IB, height 20" (51 cm), Early bloom season. Standards white, stitched violet; Falls white, stitched violet, wisteria blue beard. 'Dale Dennis' X 'Rococo'. Brown's Iris Garden 1965. Honorable Mention 1966.

ARCTIC NIGHT

A vigorous iris with deep burgundy flowers, velvety falls and silky standards. Early season. 45cm x 30cm

1966, Brown

'Arctic Night' (Alta Brown, Registered 1965). Seedling M512-8. IB, height 18" (46 cm), Early bloom season. Velvety red-black; Falls slightly darker; self beard. M34-4: ('Sable' x 'April Morn' sdlg) X 'Edenite'. Brown's Iris Garden 1966. Honorable Mention 1968; Judges Choice 1969.

ASK ALMA

Lovely shrimp pink. Gently ruffled. White beards tipped with orange. Good shape (best intermediate bearded iris in 1994).

Intermediate - Mid-season - size:50cm - colour:Pink
:Pink

1987, Lankow

'Ask Alma' (Carol Lankow, R. 1986). Seedling 4B32-7. IB, height 21" (53 cm), Midseason bloom. Coral orange self; white beard tipped tangerine orange. 'Pink Pirouette' X Wright L56: (Wright L32: (('Pink Cushio' x 'Lenna M') x 'Amber Shadow') x 'Cotton Blossom'). Kirkland Iris, Riverdale Iris 1987. Exhibition Certificate 1986; Honorable Mention 1989; Award of Merit 1991; Sass Medal 1994.

AZ AP

Sky blue flowers very slightly veined with purple around the edges, with bushy, bright blue beards. Very free-flowering. I know no other variety that blooms for such a long time. Early to late season. 56cm x 45cm

1979, Ensminger

'Az Ap' (Allan Ensminger, R 1979) IB, height 22" (56 cm), Early-Late bloom season. Cobalt blue (HCC 44/3) self; gentian blue (42/1) beard. 'Charmed Circle' X 73-1: (('Spring Salute' x (('Patience' x Welch N503) x ('Jungle Shadows' x pumila))) x ((('Jungle Shadows' x pumila) x ('Jungle Shadows' x 'Cretica')) x (('Jungle Shadows' x 'Cretica') x Kavan 11-66))). Varigay Gardens 1980. Honorable Mention 1982; Award of Merit 1984; Sass Medal 1987.

Black Watch (Intermediate)
[arriving bare root next autumn]

1972, Rosenfels

'Black Watch' (Richard Rosenfels, R. 1972). Seedling #684-S. IB, height 23" (58 cm), Midseason bloom. Very deep, velvety purple self; matching beard. 'First Night' X 'Sable Robe'. Rosenfels 1972. Honorable Mention 1976.

BOLD PRINT x3

Flowers with white standards and falls, delightfully edged with blue-purple, and a light blue beard. May to June. Ht.75cm.(2.5ft.).

1982, Gatty

'Bold Print' (Joseph Gatty, Registered 1981). Seedling G4-7. IB, height 22" (56 cm), Mid bloom season. Standards white ground, 3/8" (0.9 cm) border of purple heather (M&P 42-1-8); Falls white ground, hafts and 1/4" (0.6 cm) stitched edging of purple heather; white beard, hairs tipped bronze, pale blue at end, yellow in throat. C67-A: (('Dainty Royal' x 'Golden Fair') x 'Zip') X Keppel 71-68A: ('Bonifay' sib x ('Dancers Veil' x 'Tea Apron')). Keppel 1982. Honorable Mention 1984; Award of Merit 1986.

BRAT (Intermediate)

Copper-yellow standards and brown falls tinted mauve, golden yellow heart and beards. Very ruffled.

Intermediate - Mid-season - size:65cm - colour:Variegata

2001, Keppel

'Brat' (Keith Keppel, R. 2000). Seedling 93-1D. IB, height 26" (66 cm), Midseason bloom. Standards light chrome yellow (M&P 10-L-4) to goldenrod (10-L-5); style arms brighter chrome yellow (10-L--3/4); Falls goldenrod edge and near beard, remainder lime yellow (11-L-5), perilla purple (47-J-3 to 47-L-4) central wash, fine leather brown (14-A-10) haft dotting and netting; beards yellow ochre to bronze; pronounced sweet fragrance. Seedling #88-27A: (seedling #83--22G: ('Gigolo' x 'Sketch Me') x 'Hot Streak') X 'Brash'. Keppel 2001

CONSTANT WATTEZ

Location?: Check and get photo in situ (this is not our photo).

Intermediate, shell pink.

Ht 60cm.

1959, Van Veen

'Constant Wattez' (Van Veen, R. 1955) IB, 24" (61 cm), M. S. shell pink, F. greenish fawn, dark-tangerine beard. 'Edward Of Windsor' X 'Pink Cameo'. Orpington 1959.

CONCERTINA [1 rhizome – ebay]

2000, Sutton

'Concertina' (George Sutton, R. 1999). Seedling G-86-W. IB, height 27" (69 cm), Early Mid bloom season & Reblooming. Ruffled amaranth rose (RHS 65), falls with golden tan on hafts; beards orange, dark violet blue at end, dark violet blue horn. 'Aaron's Dagger' X 'Chanted'. Sutton 2000.

DAZZLING

White standards and purplish violet falls edged with creamy white. Red beards extended with a short white stripe. Really unique.

Intermediate - Mid-season to late - size:60cm - colour:Amoena
2008, Black

'Dazzling' (Paul Black, R. 2008) Sdlg. M143A. IB, 26" (66 cm), ML. S. icy white; style arms white; F. medium dark blue-purple, slightly lighter toward edge, precise 1/4" white band, haft plum in throat, white rays around beard, white dart at end of beard; beards white tipped orange; ruffled; slight spicy fragrance. Q38D, sib to 'Country Dawn' X 'Devoted'. Mid-America 2008. Honorable Mention 2010; Ben Hager Cup 2011; President's Cup 2011; Award of Merit 2012.

Hybridizer's Comment: The color of the Dazzling white standards and styles is repeated as precise narrow bands around vibrant mid purple-blue falls. Bright orange beards arise from a cluster of short white darts surrounding them. Dazzling creates a bright splash of color in your garden.

EARLY FROST x 3

Intermediate. Pure white flowers. Height 40 cms

1977, Gatty

'**Early Frost**' (Joseph Gatty, R. 1976) White self; white beard tipped yellow in throat. ('**Frieda's Favorite**' x ('**Rehobeth**' x ('**St. Jude**' x '**Lady Ilse**')) X '**Wink**'. Keppel 1977

Eleanor Roosevelt [IB – 3 from Woottens]

Intermediate. Rich purple self with yellow beard. Flowers May. Remontant. Ht. 70cm. Sp. 30cm. Sun. Well drained soil. Sass 1933.

1933, Sass

'Eleanor Roosevelt' (Hans Peter Sass, R. 1933). IB, Mid bloom season & reblooms; Color Code R1D; Reddish purple self, slight fragrance. 'Amas' X (*Iris pumila** X ...) *Possibly *Iris lutescens*, McDade 1933. References; McDade 1933; National 1933; Ida Mary Pattison, Quality Gardens 1933; 1939; Flower Grower 21: 2, 100. March 1934 with illustration; Honorable Mention AIS 1936; Bulletin of The American Iris Society 63: 64, October 1936; Award of Merit AIS 1937; Bulletin of the American Iris Society 66: 87. Sep 1937.

From the Cooley's Gardens catalog for 1937: "Deep flourite purple self, with very rich falls. The opening flower is almost black, and the heavy blue beard tends to increase the depth of color. This is the leading fall-blooming iris in commerce today, because it increases very fast, is most reliable in flowering habit, and is one of the most beautiful irises in the garden regardless of its added value as a rebloomer."

FIRE IN THE SKY (Intermediate)

Plain medium blue with just a touch of lavender and dark orange beards.
Unique!

Intermediate - Mid-season - size:60cm - colour:Blue

2006, Black

'Fire In The Sky' (Paul Black, R. 2006). Seedling #K267A. IB, 26" (66 cm),
Midseason bloom. Medium violet-blue self, falls hafts veined darker plum;
beards light blue tipped orange; ruffled; slight spicy fragrance. 'Skyblaze' X
'Fires Of Fiji'. Mid-America 2006.

FLAMBÉ

Intermediate bearded Iris Flambe (J. T. Aitken, 1999) IB, 24 inches (61 cm), ML & RE S. white, hot yellow midrib flush; style arms hot yellow; F. intense cinnamon orange; beards orange. Champagne Elegance X Joe Cool.

1999, Aitken

'Flambe' (J. Terry Aitken, R. 1999). Sdlg. 94M12-5. IB, 24" (61 cm), ML & RE. S. white, hot yellow midrib flush; style arms hot yellow; F. intense cinnamon orange; beards orange. 'Champagne Elegance' X 'Joe Cool'. Aitken's Salmon Creek 1999.

3 X IRIS 'FLAVESCENS'

Intermediate iris. This wonderful iris produces a mass of soft yellow flowers that open over a long period. Wonderful in a border. Scented. Early to mid season with TB irises. Height x spread: 60cm x 40cm

1813, De Candolle

'Flavescens' (De Candolle, 1813). 36", TB. Pale yellow standards over cream falls, lightly reticulated brown at the hafts.

From Cornell Bull. 112: Color effect a light yellow self. Standards martius yellow. falls naphthalene yellow, faintly veined olive-buff. The beard is fine, dense yellow. This variety is a moderately vigorous grower and has stiff, broad foliage which supports the numerous, high, short-branched flower stalks. The blooms are fair sized, sweet scented, and admirable for early cut flowers. Being one of the older sorts and floriferous, this variety is still recommended for mass plantings. Rating 70

3 X IRIS 'FLORENTINA'

Intermediate iris. A traditionally shaped, smallish white flower just touched with blue. Lots of stems. A good border plant. Early to mid season IBs. Height x spread: 60cm x 40cm

about 1500, recorded by Linneaus (1753)

'Florentina' (Collected Italy-Introduced N. Europe about 1500) TB-E-W1. Violet fragrance. H.C. "Probably aphylla X pallida"-1939 Checklist. See also a botanical listing as *Iris florentina* L.

From Cornell Bulletin 112: FLORENTINA (1500. Native to Italy and southern France). Color effect an iridescent creamy white self. Standards iridescent blue-white, fading to cream-white. falls same, yellowish on haft; veined olive. Beard yellow.

This plant is a vigorous grower, and has broad, stiff, glaucous yellow-green foliage which persists in winter. Its spreading, open flowers, of opalescent cream and gray-blue tints, are excellent in the landscape mass or as cut flowers. It is sweet scented and early flowering. It is a common source of the dried orris root. This sort is one of the best ten, and rated too low at 76.

FLYING CIRCUS (Intermediate)

Salmon pink standards and falls with a white ground almost entirely covered with reddish mulberry. Tangerine beards. Floriferous.
Intermediate - Early - size:60cm - colour:Unclassifiable

2004, Keppel

'Flying Circus' (Keith Keppel, R. 2003). Seedling 97-43B. IB, height 24" (61 cm), Early bloom. Standards near apricot (M&P 10-F-6 to 10-B-5) flushed pale lilac (42-C-2); style arms peachblow (10-B-5) to corn (10-J-5); falls white ground, peachblow shoulders, all heavily plicata washed or lined reddish mulberry (44-K-10), edge buff; beards flame (1-C-12), base white. Seedling #89-126B, sibling to 'Sneezy' X 'Stormy Circle'. Keppel 2004.

FRITILLARY FLIGHT

Location: in bed by stone steps to West of Garden House
Intermediate, dove grey/ochre. Ht. 65cms. AGM

1994, Bartlett

'Fritillary Flight' (Cy Bartlett, R. 1994). Seedling MNR-EDF. IB, 26" (66 cm), Mid to late bloom season. Standards light dove grey; falls greyed ochre yellow; beards cream blue overtoned brown; lightly waved to tailored. 'Mrs. Nate Rudolph' X 'Écho De France'. Sutton 1994.

FURIOSO (Intermediate)

Pink standards and orange apricot falls with red beards.

Intermediate - Early to mid-season - size:60cm - colour:Orange

1996, Blyth

'Furioso' (Barry Blyth, R. 1996). Seedling #C72-A. IB, 24" (61 cm), Early thru midseason bloom. Standards medium pink; falls orange apricot; beards bright saturn red; sweet fragrance. 'Mango Kiss' X 'Bogota'. Tempo Two 1996/97

GARNET SLIPPERS

Burgundy red standards, black-red falls with bright tangerine beards. An excellent contrast!

Intermediate - Mid-season - size:50cm - colour:Red

2005, Keppel

'Garnet Slippers' (Keith Keppel, R. 2004). Seedling #97-47C. IB, height 20" (51 cm) Midseason bloom. Standards burgundy (M&P 56-14-5); style arms greyed burgundy (55-CDE-6), edges blended golden tan; falls red black; beards mandarin red (2-F-12). Sibling to 'Ruby Slippers'. Keppel 2005. Honorable Mention 2007; Award of Merit 2009; Sass Medal 2011.

HI x 3 (Byers 1990) Intermediate Bearded SA, 24 inches (61 cm), Mid. Remontant Lightly ruffled white, chartreuse yellow haft lines; blue beards and horns. Reliable multiple rebloom for us in zone 8. Reported to rebloom in zones 4 to 9. Pronounced sweet musky fragrance.

1990, Byers

'Hi' (Monty Byers, R. 1989). Sdlg. E7-1. Intermediate Bearded, 24" (61 cm), M. Lightly ruffled white, chartreuse yellow lines over hafts; bright medium blue beard tipped yellow in throat, short blue horns; pronounced spicy/sweet fragrance. 'Howdy Do' X 'Baby Blessed'. Moonshine Gardens 1990

HONEYPLIC x 3 Intermediate Iris. Stunning cream flowers heavily marked with honey brown. Height 50 cms. Registered 2001 E Naylor RHS AGM

2001, Naylor

'Honeyplic' (Ernie Naylor, deceased, by Thelma Naylor, R. 2001). Seedling J.1 . Intermediate Bearded, 17" (43 cm), Mid-Late. Standards cream, deep honey edge; style arms honey, rib and tip yellow; falls cream, honey edge and red brown plicata markings; beards white with hairs tipped brown, gold in throat; sweet fragrance. E.2/1: (('Mauve Veil' x ('Kent Pride' x 'Golden Filigree')) x 71/5: (('Dancers Veil' x 'Kent Pride') x 'Golden Filigree')) X 'Foggy Dew'. Claire Austin 2005.

3 X I'LL BE BACK

Interesting white with an orange beard; often re-blooms at the end of summer.

Intermediate - Mid-season to late - size:45cm - colour:White

2004, Aitken

'I'll Be Back' (J. Terry Aitken, R. 2004). Seedling 98M14-B. IB, height 18" (46 cm), Mid Late bloom season & Reblooming. Standards white; falls open very pale violet, fade to white; beards orange. 'Joe Cool' X 'Eternal Bliss'. Aitken 2004

INVICTA DAYBREAK x 3 Intermediate Iris. Grey and yellow flowers

2008, Wells

'**Invicta Daybreak**' ([Olga Wells](#), R. 2007). Seedling BSCC-7. Intermediate Bearded, height 20" (51 cm), Mid bloom season. Standards grey; style arms mauve, yellow midrib; falls grey, yellow toward throat; beards dark grey tipped mustard. '[Before The Storm](#)' X '[Chubby Cheeks](#)'. Sissinghurst 2008.

LANGPORT CURLEW

Intermediate Bearded Flag Iris. Creamy standards and coffee cream falls with red striation. Bright golden beards. A perennially popular iris which is particularly free flowering. Ht 40cm

Kelway

'**Langport Curlew**' (kelway - Not Registered)

LANGPORT HOPE

Intermediate Bearded Flag Iris. Glistening white. Large blooms of the purest tone. Forms a free flowering neat clump up to around 45cm in height and spread.

Kelway

'**Langport Hope**' (Kelway - Not Registered)

3 X LANGPORT JANE

Intermediate bearded Pale blue standards with deeper falls. Just like a smaller Jane Phillips. Ht 45cm.

LANGPORT LADY

Intermediate Bearded Flag Iris. Pretty little orange blooms with distinctive long drooping falls. Rarely offered for sale. Height to around 50cm and forming a small clump. Thrives in a sunny position with well drained soil

LANGPORT LORD

Kelway

'Langport Lord' (Kelway - Not Registered)

LANGPORT MINSTREL

Intermediate Bearded Flag Iris. A charming blend of parchment bronze and cream with orange beards. A very popular and rewarding garden iris. Forms a neat clump around 55cm in height and spread

1995, Kelways

'Langport Minstrel' (Kelways, R. 1995). IB, 22" (56 cm), Mid bloom season. Cream, falls with bronze patch; beards gold. Parentage unknown. Kelways 1968.

LANGPORT PEARL

Intermediate iris. A little gem of an iris. Delicate pearly pink with a bright tangerine beard. Ht. 50cm.

Langport Pinnacle (Intermediate)

Pure white standards and bright lemon falls. A cool colour combination. Large flowers held high above the foliage like many butterflies. Height up to 50cm, and forms a small clump.

Langport Smoke (3 from Kelways)

Simply the most charming smaller version of one of the worlds most famous irises. This little gem has masses of powder blue flowers, each with a light sweet scent. Forms a small clump upto around 45cm in height and spread.

Intermediate

LANGPORT STORM

Bearded Intermediate Flag Iris. An unusual shade of lavender violet with a large reddish brown patch on the falls. A gratuitously free flowering iris which will form neat clumps up to around 45cm in height and spread. Scented flowers are pale mauve infused with hints of brown in the standards. Falls similar but with a brown blotch. April-May.

1995, Kelways

'Langport Storm' (Kelways, R. 1995). IB, 18" (45 cm), Mid bloom season. Smoky chartreuse, falls with red brown patch; beards cream, yellow in throat. Parentage unknown. Kelways 1970.

LANGPORT SYLVIA

Intermediate Bearded Flag Iris. This little doll of an iris is perhaps the most scented one that we grow. Pale lavender pink slightly frilly flowers are plentifully carried aloft handsome foliage. Forms a neat clump up to around 45cm in height and spread.

1998, Bartlett

'**Langport Sylvia**' (Cy Bartlett, R. 1998). Seedling C91-47. IB, 24" (61 cm), Mid Late bloom season. Standards silvery white; falls white, washed pale blue lavender, hafts greenish yellow; beards yellow; ruffled. 'Gossip' X 'Snowbrook'. Kelways 1998.

LANGPORT WREN

Intermediate iris. RHS award of garden merit. This is perhaps the best of the Langport series of iris and one of the best of all intermediate blooming types. The flowers are deep russet brown with deeper brown beards. Extraordinarily free blooming, the flowers are scented like sweet orange chocolate. Height to a maximum of 60 cm. This really is a gem and is most highly recommended.

1995, Kelways

'Langport Wren' (Kelways, R. 1995). IB, 22" (56 cm), Mid Late bloom season. Red black self; beards brown. Parentage unknown. Kelways 1973.

MARIPOSA WIZARD

Wisteria blue standards and darker violet falls with blue-violet beards. Reblooms.

Intermediate - Early to mid-season - size:55cm - colour:Bi-colour

2004, Tasco

'Mariposa Wizard'. (Richard Tasco, registered 2003). Seedling 97-IB-01-10-RE. IB, height 22" (56 cm), early to mid bloom season & reblooms. Standards wisteria blue (RHS 92C), midrib base flushed darker; style arms wisteria blue, darker midrib; falls dark violet (86A), slight reddish influence; beards medium blue violet, gold in throat; ruffled; slight musky fragrance. 'Mariposa Skies' X 'Wizard's Return'. Superstition 2004

MARY CONSTANCE

Location: in bed by stone steps to West of Garden House

Intermediate, mid blue. Location? Should be in bank by steps to Loc Tec. Check.

1995, Bartlett

'Mary Constance' (Cy Bartlett, R. 1994). Seedling C91-35. IB, 25" (63 cm), Mid bloom season. Blue violet self; beards blue; ruffled; slight sweet fragrance. 'Violet Lass' X 'Amadora'. Sutton 1995.

MAUI MOONLIGHT

Lemon yellow really well-shaped and ruffled. Superb. Lemon scented.

Intermediate - Mid-season - size:55cm - colour:Yellow

1987, Aitken

'Maui Moonlight' (J. Terry Aitken, R. 1986). Seedling 82M22. IB, 23" (58 cm), Mid bloom season. Lightly ruffled bright lemon yellow. 'Lemon Rings' X 'Dream Affair'. Aitken's Salmon Creek Garden 1987. Honorable Mention 1989; Award of Merit 1991; Sass Medal 1993.

3 X MIDSUMMER NIGHT'S DREAM

Dark blue-violet, beards of the same colour. Wide and ruffled flowers. It sometimes reflowers.

Intermediate - Mid-season - size:45cm - colour:Violet

1999, Baumunk

'Midsummer Night's Dream' (Lowell Baumunk, R. 1998). Seedling 92BBWA-7. IB, height 17" (43 cm), Mid bloomseason & Reblooming. Dark purple self; beards dark purple. 'Best Bet' X 'What Again'. Baumunk 1999. High Commendation 1998; Honorable Mention 2001; Award of Merit 2003; Sass Medal 2006.

MISS CARLA

Location: in bed by stone steps to West of Garden House
Intermediate bearded Cream with a touch of pale blue, and some yellow shading towards the base of the petals. Very elegant. Ht 55cm. AGM

1985, Blyth

'Miss Carla' (Barry Blyth, R. 1985). Sdlg D.9/1. IB, 22" (56 cm), Mid bloom season. Cream with blue infusion, yellow hafts; ruffled F; blue beard. ('Sunrising' x 'Muggsy') X 'Brown Lasso'. British Iris Society 1989.

PETIT TIGRE (intermediate)

Bronzed yellow standards and falls with a pale yellow background streaked with bronze and a wine-red border. Thick bronze beards tipped with violet. Intermediate - Mid-season to late - size:65cm - colour:Plicata

2006, Cayeux

'Petit Tigre' (Richard Cayeux, R. 2005). Seedling #9819B. IB, 26" (65 cm), Midseason bloom. Standards bronze yellow; style arms yellow; falls light yellow striated bronze, wine red border; beards bronze. 'Hoodlum' X seedling #92245A: ('Sweet Melody' x seedling #89297A: ('Rio De Oro' x 'Jitterbug')). Cayeux 2006.

PINK PELE

Peach pink with a purple spot on falls, red coral beards. Looks like a smaller less ruffled version of Carnaby.

Intermediate - Mid-season to late - size:60cm - colour:Pink

1996, Aitken

'Pink Pele' (J. Terry Aitken, R. 1996). Seedling 90M38. IB, 25" (64 cm), Mid thru late bloom season. Pink (varying to orange at times), falls with purple spot; beards coral red. 'Pele' X 'Marmalade Skies'. Aitken's Salmon Creek 1996.

RASPBERRY BLUSH

Intermediate iris. AGM Cyclamen blue-pink blooms becoming darker raspberry pink towards the centre of the flowers. Dark tangerine beards. Free flowering and floriferous, this is one of those plants you just fall in love with. Ht 50cm

1976, Hamblen

'Raspberry Blush' (Melba Hamblen, R. 1975). Sdlg. M70-22C. IB, 20" (51 cm), M-L. S. raspberry-pink; F. raspberry on upper half, raspberry-pink on lower half; raspberry beard. 'Pretty Karen' sib X 'Dove Wings'. Mission Bell 1976. Honorable Mention 1977; Award of Merit 1981; Sass Medal 1981.

RARE EDITION

Rich violet plicata with narrow band of stitching round edges of bright white falls and more thickly overlaid on standards. White beards tipped with bronze. Location: Edge of bank in front of main terrace of Garden House. Intermediate, Violet/white plicata, early to mid season. 61cm.

1980, Gatty

'Rare Edition' (Joseph Gatty, R. 1980). Seedling 64-5. IB, height 24" (61 cm), Early - Mid bloomseason. Standards mulberry purple to toga (M&P 45-K-10/22) solid border, midrib and a few small speckles on white ground; falls white with 1/8" (0.3 cm) stitched edge of standards' color; blue-white beard faintly tipped bronze. C 67-A: (('Dainty Royal' x 'Golden Fair') x 'Zip') X Keppel 71-68A: ('Bonifay' sib x ('Dancers' Veil' x 'Tea Apron')). Keppel 1980. Honorable Mention 1982; Award of Merit 1984; Sass Medal 1986.

3 X IRIS 'RED ORCHID'

Intermediate iris. Small, rich maroon flowers. Long yellow beards surrounded by white veins. Slender stems. Mid season. Height x spread: 66cm x 35cm

1934, Sass

'Red Orchid' (Jacob Sass, R. 1934) IB. Early bloom season. Color Class R7D. Dark velvety red self with gold beard. The standards and falls seem to be the same color. (R. pumila x ?) X DR TB sdlg.

RED ZINGER x 3 (Paul Black 1985) Intermediate Bearded 26 inches (66 cm), Mid-Late. Red with deeper spot broad form and many buds. HM 1987 AM 1989

1985, Black

'**Red Zinger**' (Paul Black, R. 1985). Seedling 8212A. Intermediate Bearded, 26" (66 cm), Mid thru late bloom season. Standards medium burgundy wine; falls deeper, velvety burgundy wine, black cherry spot; old gold beard; slight sweet fragrance. B80-6: ('Buckwheat Honey' x 'Sundance Kid') X 'Pride Of Oklahoma'. Mid-America Gardens 1985. Honorable Mention 1987; Award of Merit 1989

RUBY CHIMES

Smoothly shaped, velvety, purple-maroon flowers with whiskery purple beards and spicy scent. Mid season. 53cm x 45cm

1971, Brown

'Ruby Chimes' (Alta Brown, R. 1971). Seedling M1490-5. IB, 21" (53 cm), Mid bloom season. S. dark maroon red-black; F. dark maroon red-black with velvety finish; maroon-red beard. 'Jewel Tone' X 'Cherry Garden'. Brown's Iris Garden 1972. Honorable Mention 1973.

SINISTER DESIRE

Black cherry standards and velvety red-black falls. Bronze beards. Excellent. Intermediate - Late - size:60cm - colour:Black

1998, Black

'Sinister Desire' (Paul Black, R. 1998). Seedling #C100A. IB, 25" (63 cm), Late bloom. Standards and style arms dark black cherry; falls velvety red black, edge slightly lighter; beards bronzed sienna; slight spicy fragrance. 'Red Zinger' X 'Tom Johnson'. Mid-America 1998. Pod and Pollen fertile.

SNOW PLUM x 3 White standards. Peachy pink falls. Tangerine beards.
Sometimes reblooms.
Height 45 cms

1994, Shoop

'**Snow Plum**' ([George Shoop](#), R. 1994). Sdlg. 89-50-1. Intermediate Bearded, 16" (41 cm), Mid. S. white; F. peach pink; beards tangerine; slight fragrance. Lankow 2A28-3: ('Spring Bonnet' x M. Wright L85: ('Blue Trinket' x 'Cotton Blossom')) X 'Snow Crown'. Shoop 1994.

STARWOMAN

(x3) Pretty plicata with a white ground and a wide violet border. Free flowering and scented. The blue-purple colour is so heavily overlaid that only a white spot remains of the underlying background. The edges of the falls flare up. Long smears of purple extend from the beards. The petals are of thick substance and the stem is excellently branched.

Intermediate - Mid-season - size:65cm - colour:Plicata

1998, Smith

'**Starwoman**' (Marky Smith, R. 1997). Seedling 90-26E. IB, height 25" (64 cm), Midseason bloom. Standards blackish royal purple (blackier than RHS 86A), faint lavender grey marks at deep purple midrib; style arms strong mauve violet, edges greyer; Falls pearl (lighter than 156D) ground, 1/2" (1.1 cm) darkest black violet (darker than 86A) rim and center stripe, dark violet dashing and stitching within rim; beards blue violet at end, gold-tipped blue violet central area, yellow in throat; ruffled; slight sweet fragrance.
