

CENTRIC PAYSリップ BOX FOR SAP® SOLUTIONS

The time has come to complete the transition: Digitalize your company's HR processes and benefit from minimum cost and administration effort. The intuitive, digital payslip solution allows you to provide payroll-related documents to your employees in a controlled manner – while ensuring individual access permissions. Optimizing with 100% SAP technology is just that simple.

Payslip Box for SAP® solutions is based on the SAP Business Technology Platform and is fully integrated in your SAP® HCM or SAP® Success Factors application. The application can be extended with Centric's Digital Employee File.
