

# THE MOUNTAIN VALLEY<sup>®</sup>

SPRING WATER

## THE PERFECT BOTTLE FOR YOUR TABLE.

---

Clean, balanced, soft palate.

Bottled in glass to preserve  
purity, quality & taste since 1871.

Size offerings for table service  
or single serve.

Spring & Sparkling waters pair  
well with any meal.

Chef & bartender preferred  
bottled water choice behind  
the bar or on the table.

MOUNTAIN VALLEY SPRING WATER HAS BEEN BOTTLED DIRECT FROM THE SOURCE IN THE OUACHITA MOUNTAINS, USA SINCE 1871.

Premium spring water naturally pure and sodium-free, rich in calcium, magnesium and potassium with a naturally balanced pH range of 7.3 to 7.7.

- Voted Best Spring Water in the World four times by the respected Berkeley Springs International Water Tasting.
- Available in 1L bottles for table service and 500ml and 333ml single-serve sizes. Our spring, sparkling, and flavored sparkling essences are the perfect up-sell of pure, crisp, natural American goodness.
- Increase check averages, waitstaff tips, customer dining experience, guest satisfaction and revenue with Mountain Valley Spring Water.
